HAPPY NEW YEAR

Hi Friends!

Knock! Knock! Who's there? 1999! 1999 who? The New Year – that's who!!!

It's the New Year friends! Time to say – Goodbye 1998, Hello 1999! So, A VERY HAPPY NEW YEAR to all you special people out there from your friends – the Disney gang!

There's a special thing associated with the New Year. You guessed it right – resolutions! So, have you made any resolutions? Here are some for you – take your pick!

I will not tell lies (like saying that you have a stomach ache when you want to bunk school or telling the teacher that the dog ate your homework!)

I will not trouble my kid brother/sister!

I will not pull my dog's tail!

I will pay more attention to studies (of course, you can take some time off to read Mickey Mouse comics!)

And don't you break the resolutions once you make them! Have a great year ahead!

Love,
Mickey

A JOB FOR STRONG NERVES

Duckburg on the day before start of the new school year...

TRING!
TRING!

JUNIOR
SCHOOL

5-2434-1

Oh! It's you Mr. Advisor?
What a pleasant surprise! How are you?

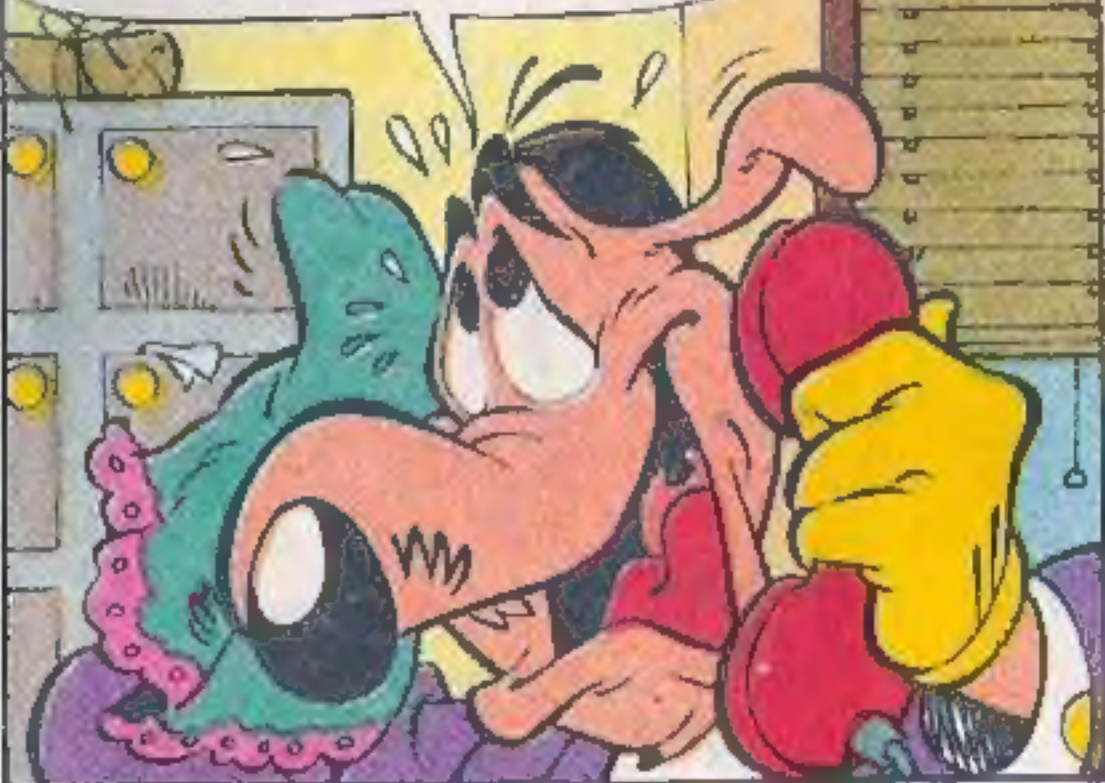

DIRECTOR

No small talk please! Just let me know - do you have a school bus driver or not?

SLAP!

100

Well, ahem... not yet! But I've done everything possible to find one.

"Advertisements have been placed in all the newspapers nearby!"

Someone will definitely call in today!

I hope so! The school starts tomorrow...

...and if by then you haven't found a new driver for the school bus, you better look out for another job!

DIRECTOR

Groan! How can I possibly solve this problem? Sigh!

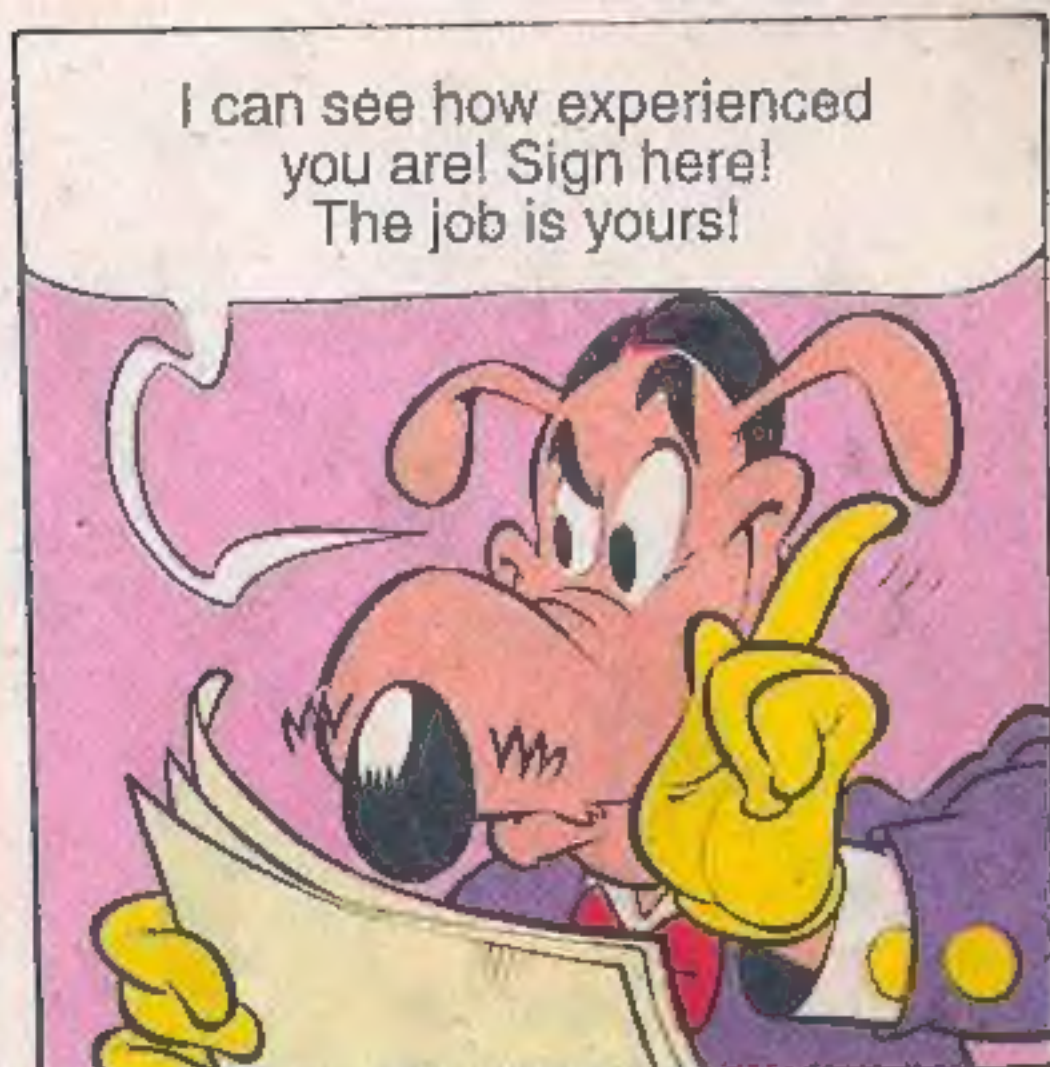

Mr. Director!
Mr. Director!

Later, Mrs. Writer! Now I have to concentrate on the school bus driver! That has to come first!

The next morning...

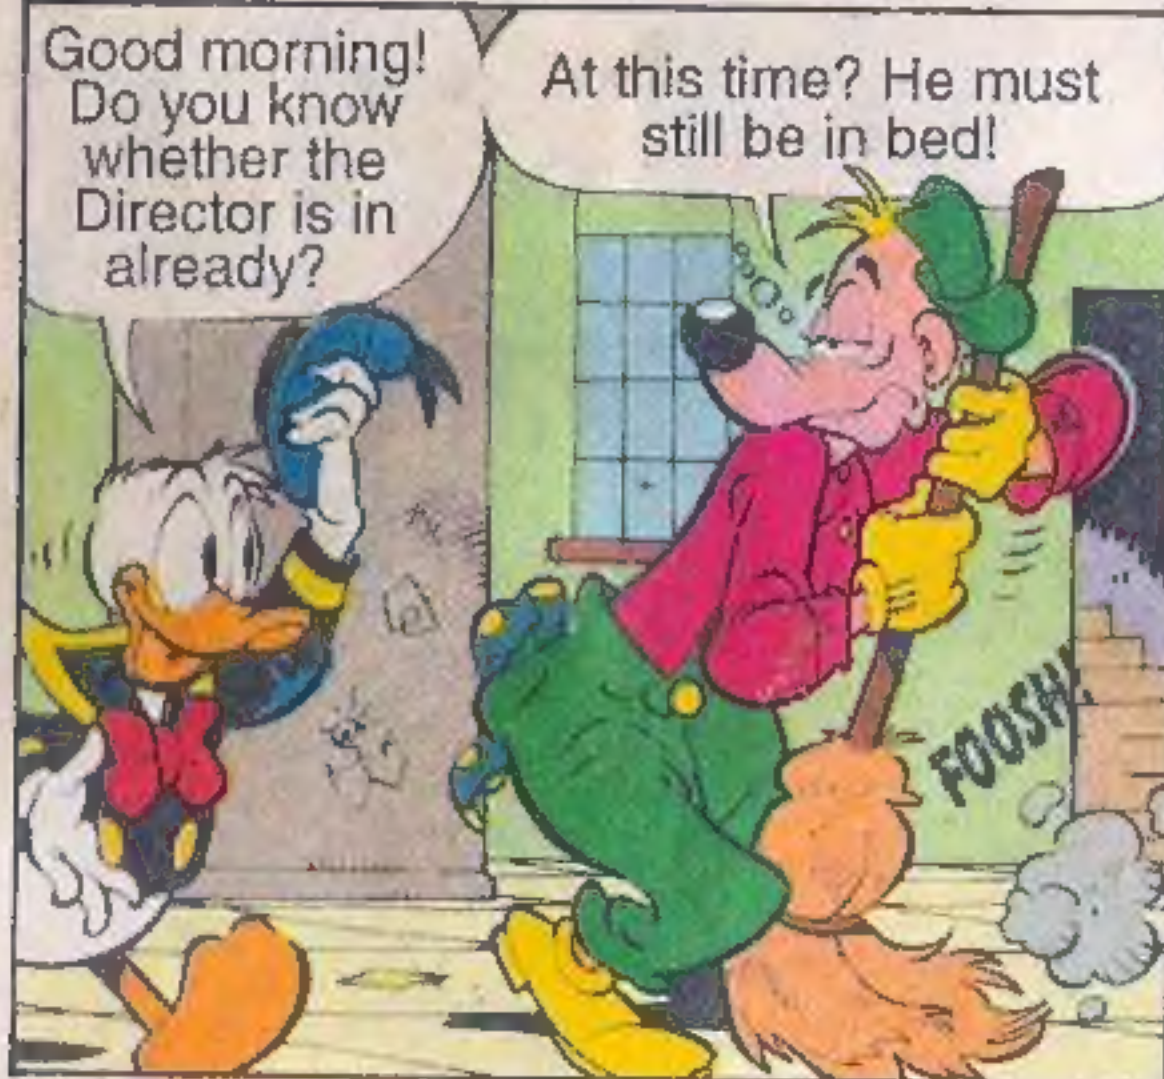

I'm feeling in top form today! The day is definitely going to be a success! I can feel it!

JUNIOR SCHOOL

Good morning! Do you know whether the Director is in already?

At this time? He must still be in bed!

Oh? I don't understand! Then why did he call me so early here?

You don't know? Come here!

That's what he's called you for! You are supposed to drive to St. John's and pick up the kids. To and fro it's about a 100 kilometers!

What? I will have to drive for at least two hours!

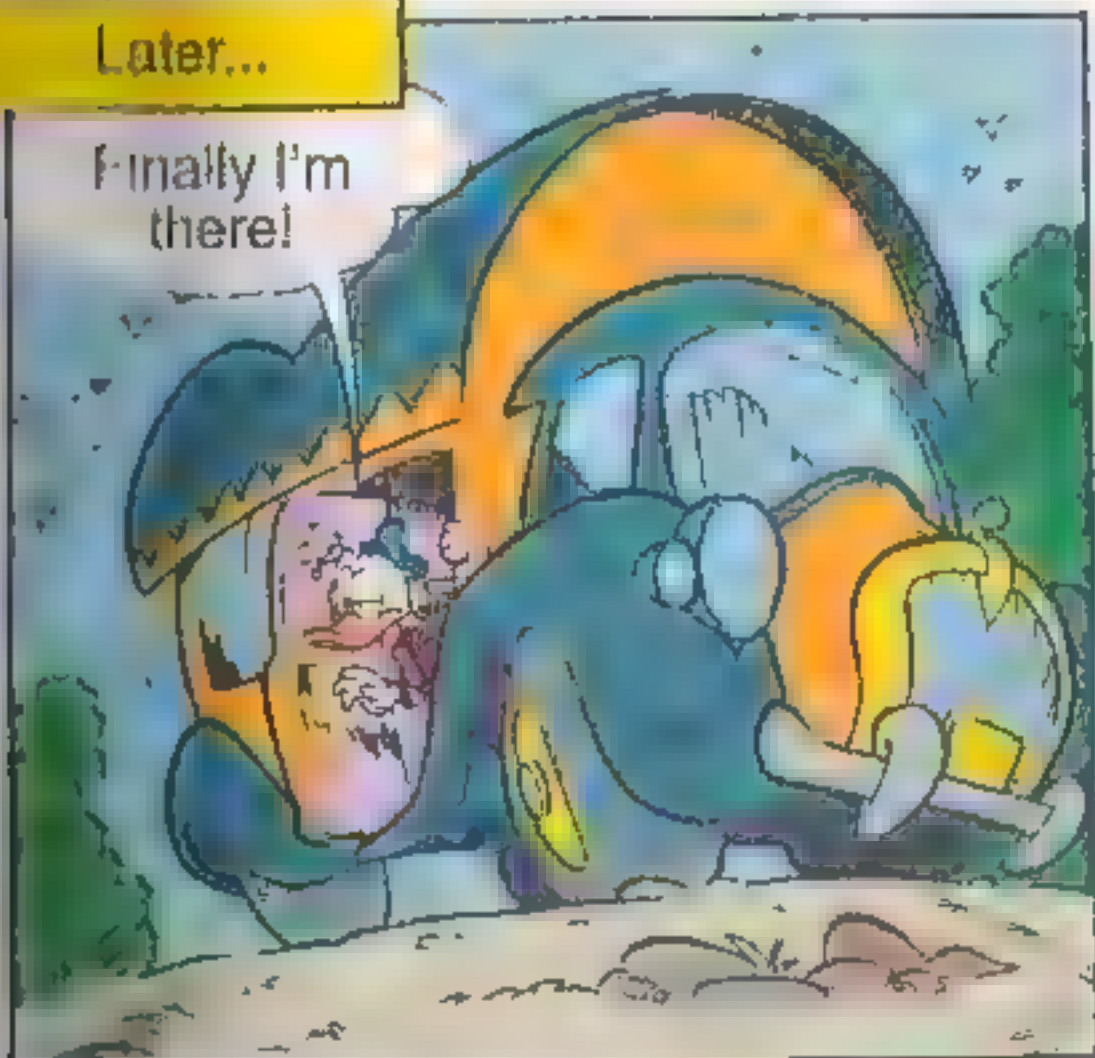

20 kilometers later...

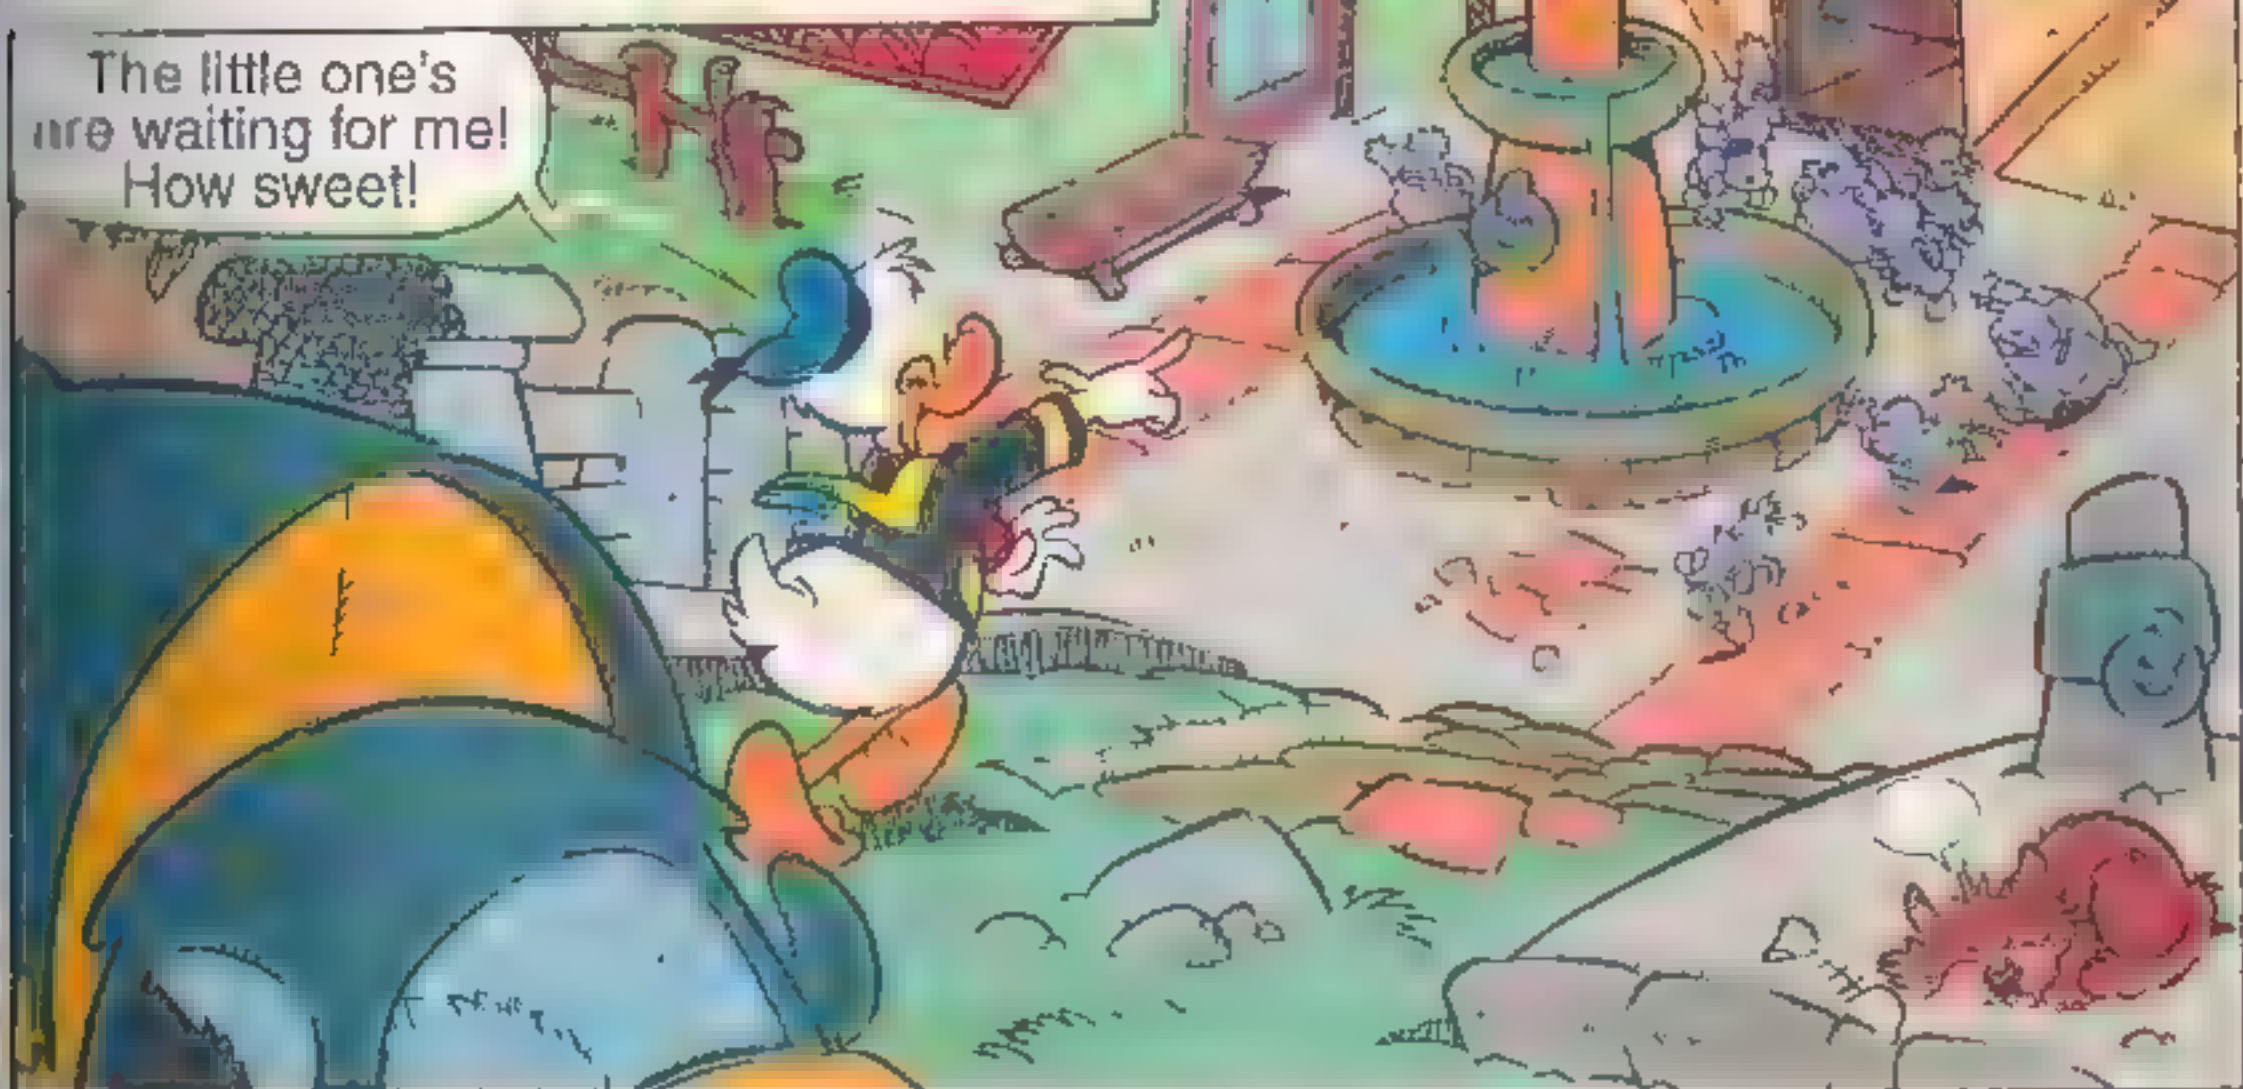

Later...

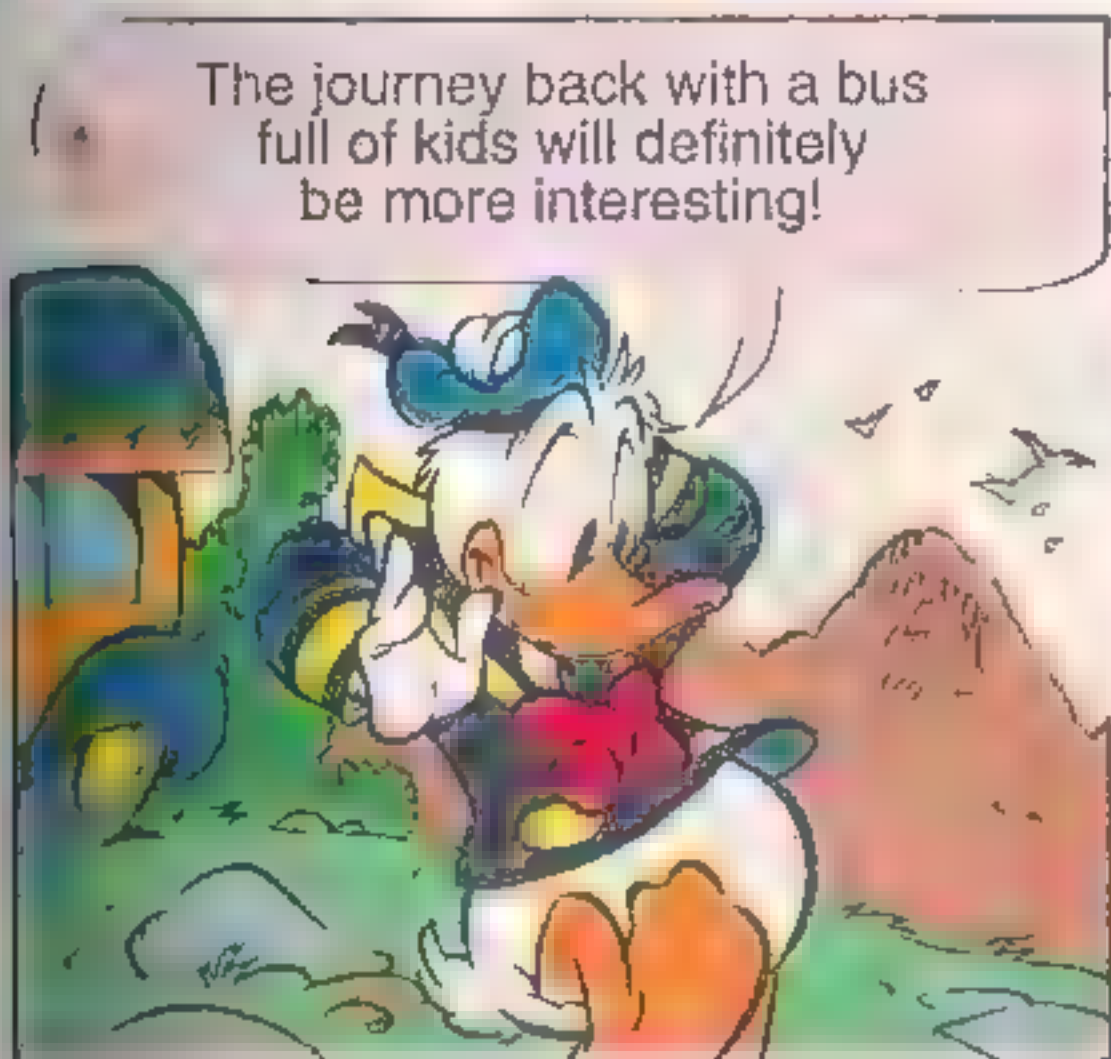

Finally I'm
there!

The little one's
are waiting for me!
How sweet!

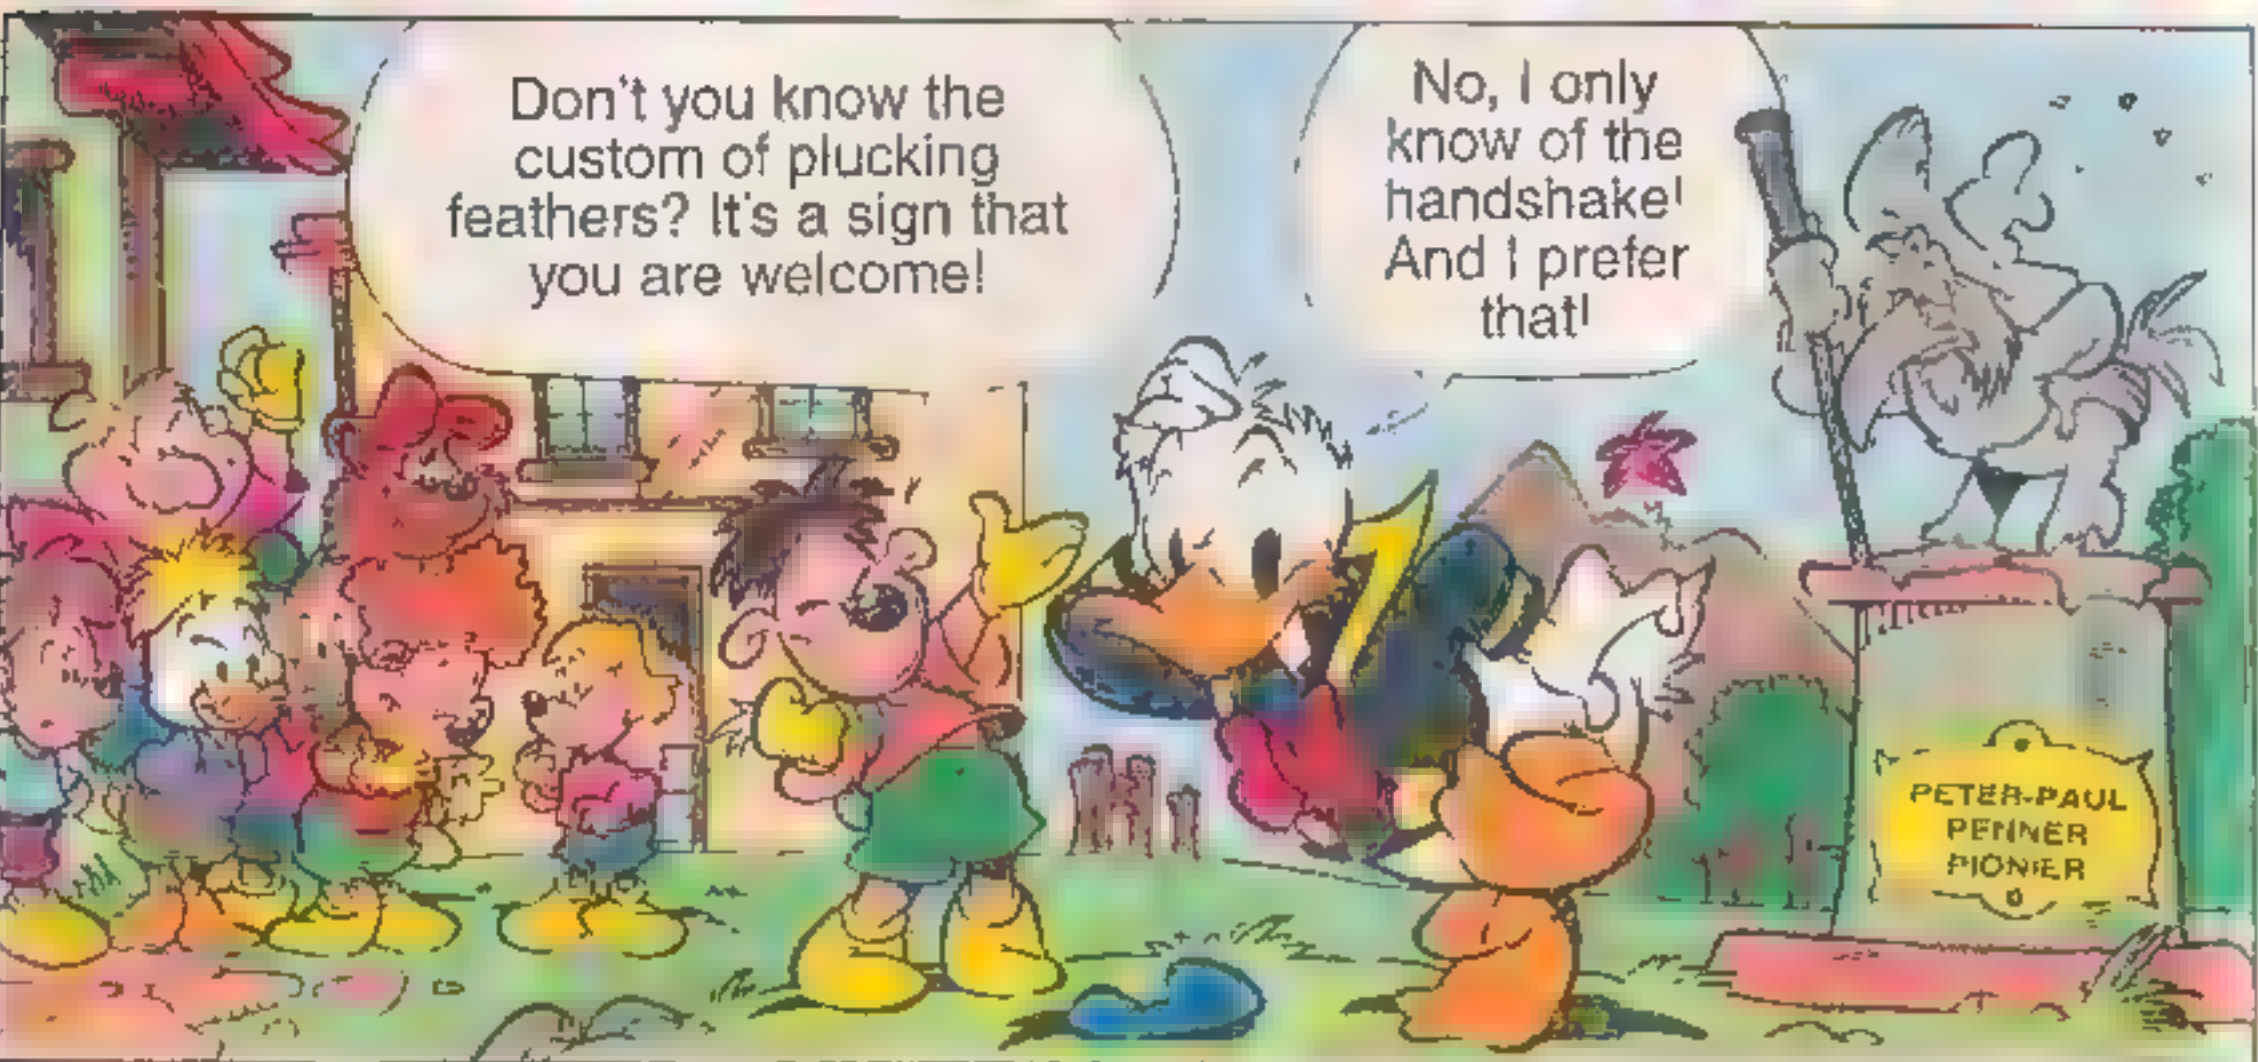

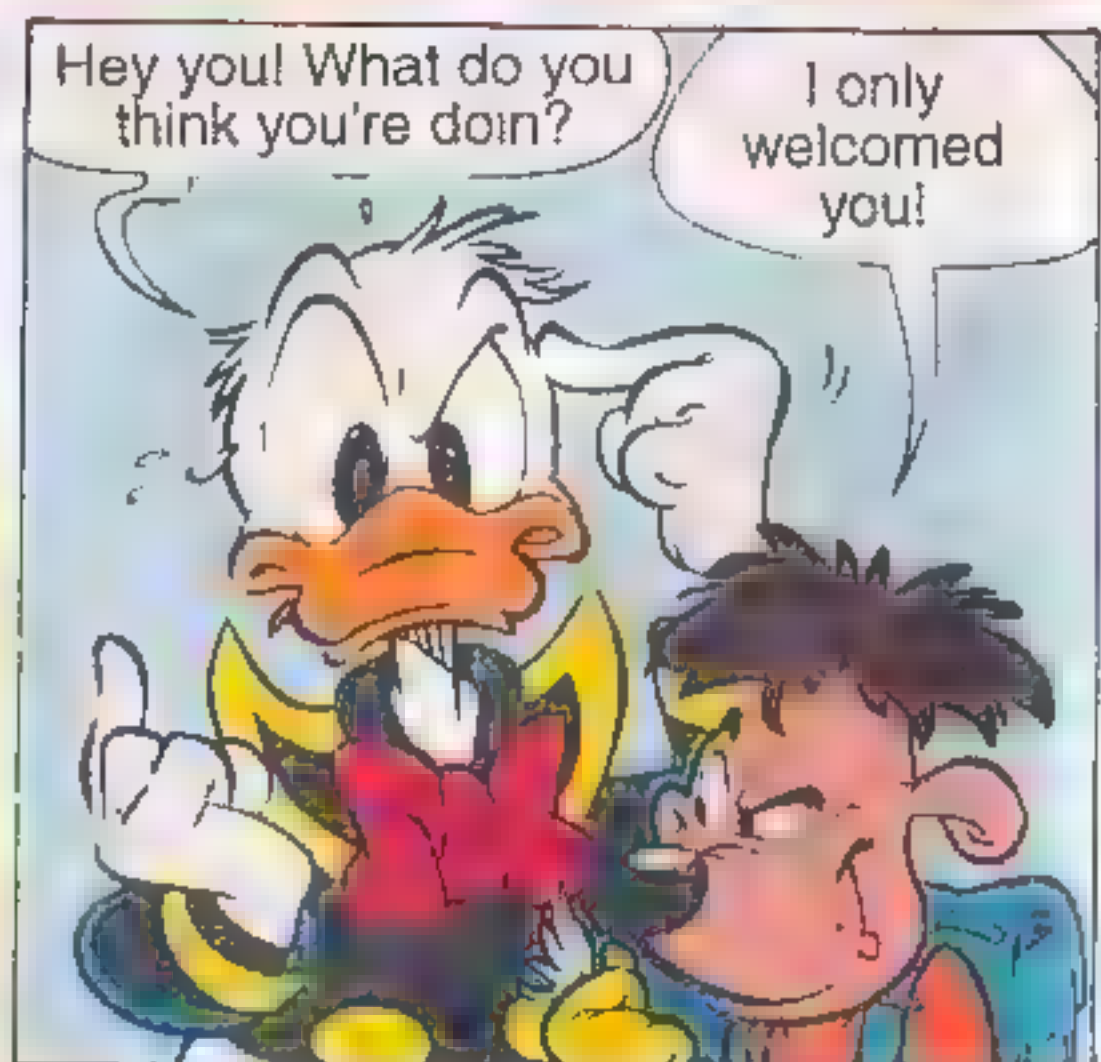

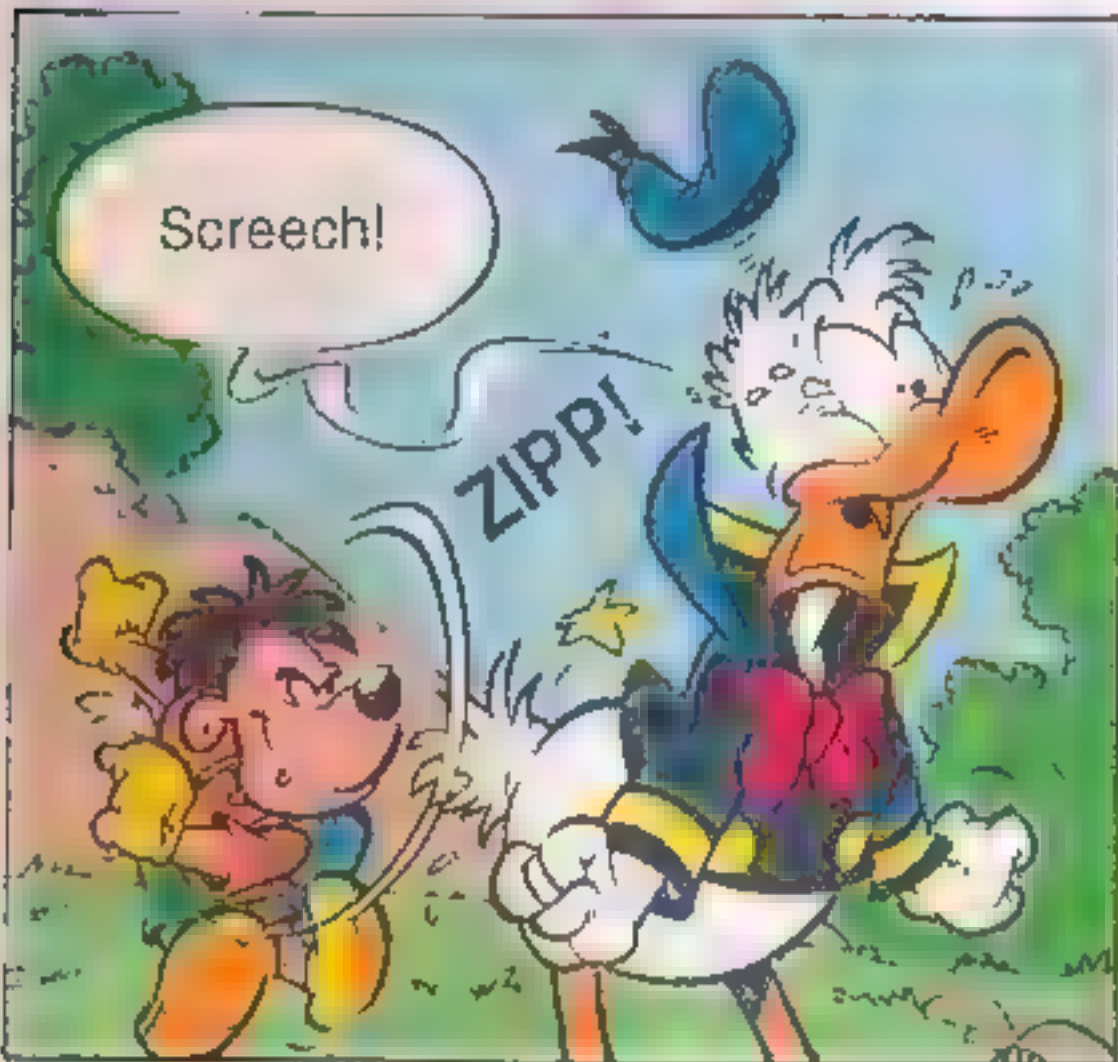

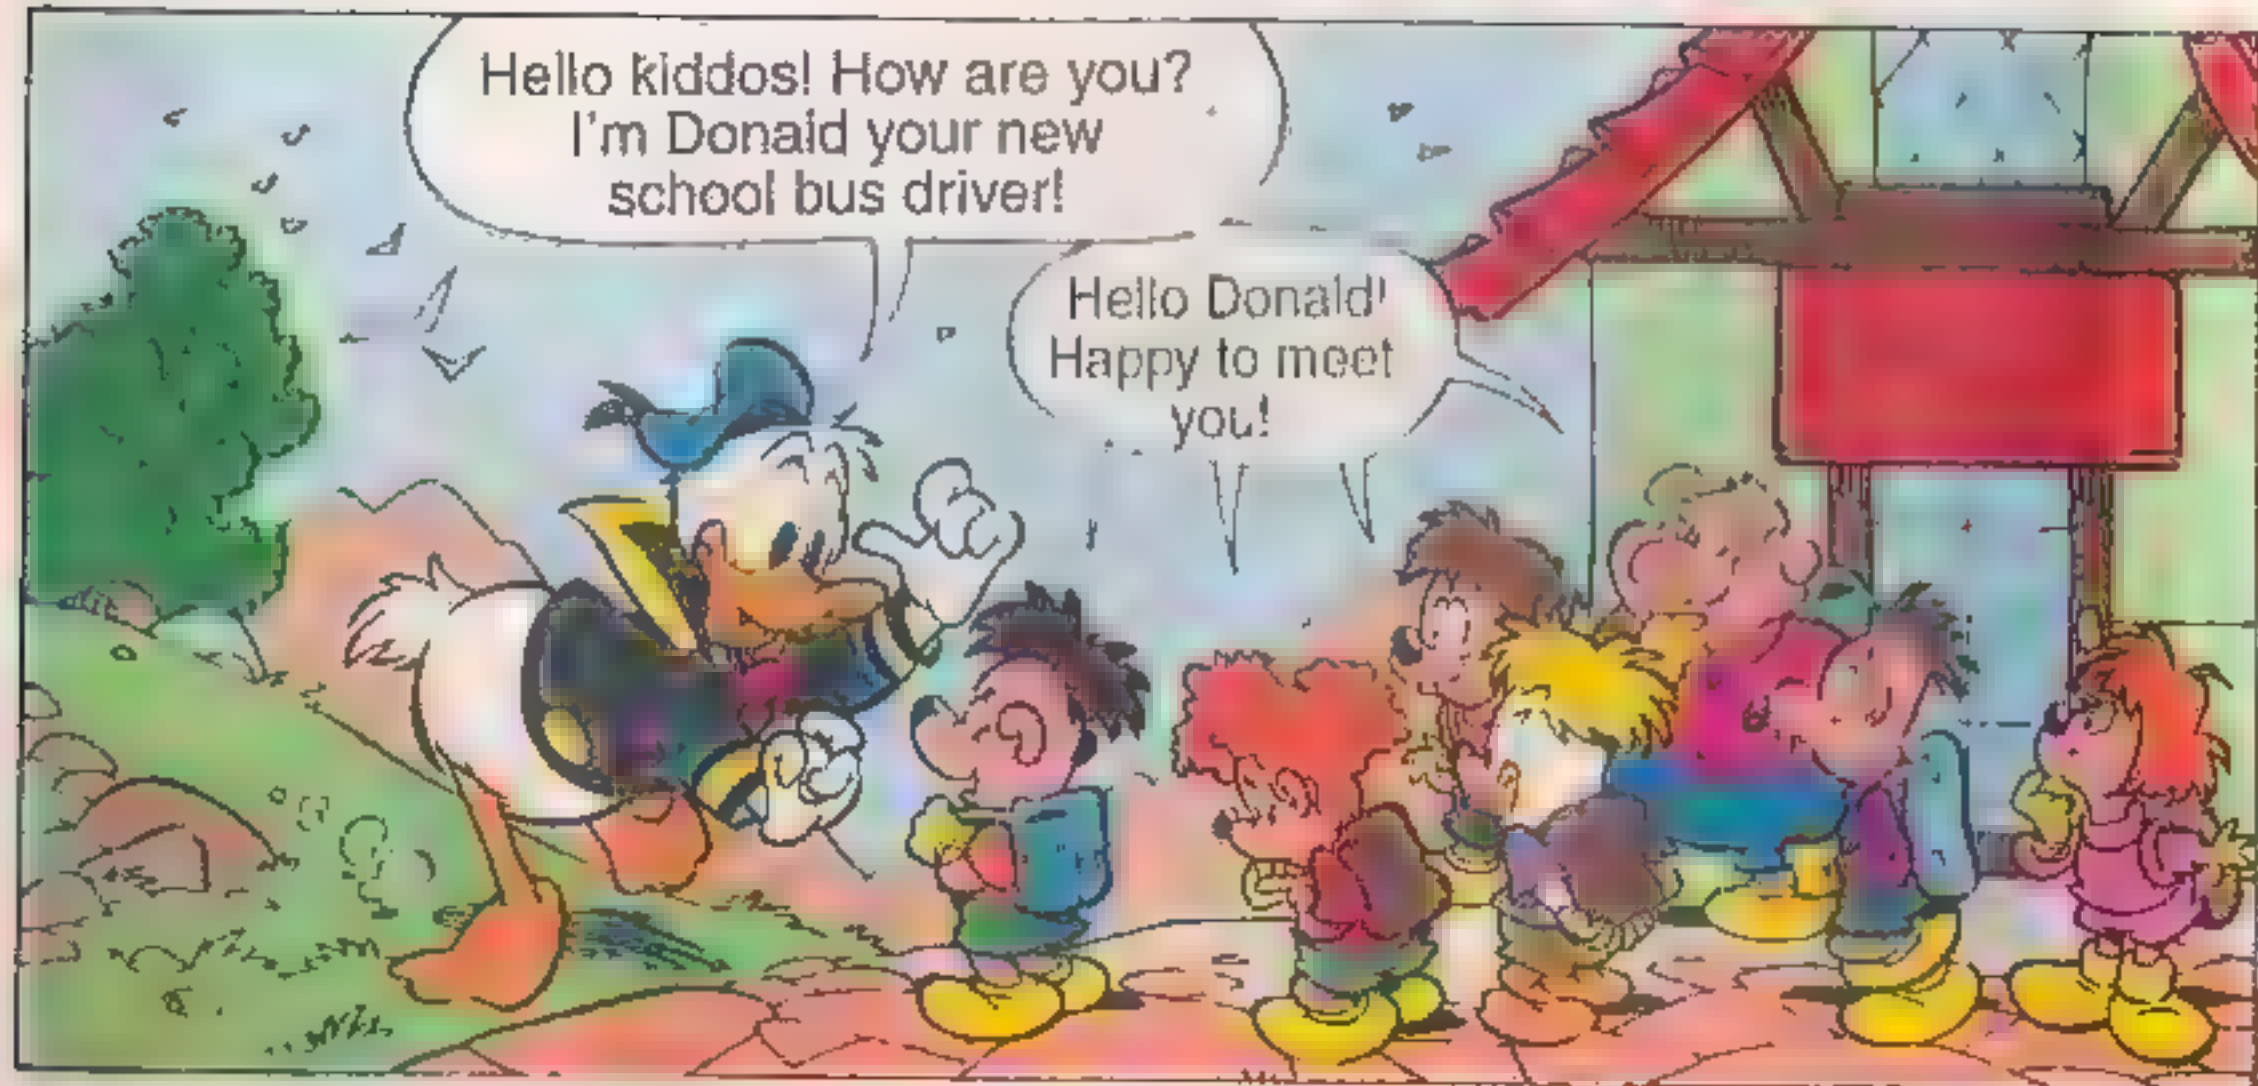

The journey back with a bus
full of kids will definitely
be more interesting!

Hey boys!
Our new target
is here!

Super! Hee! Hee!
Let's start!

We also have a gift for you! A sweet fragrance!

Thanks! How nice of you! I'm really touched!

One can see that! Hehe! You're going to be howling soon!

Sniff!

What's wrong? Don't tell me you don't like onion juice!

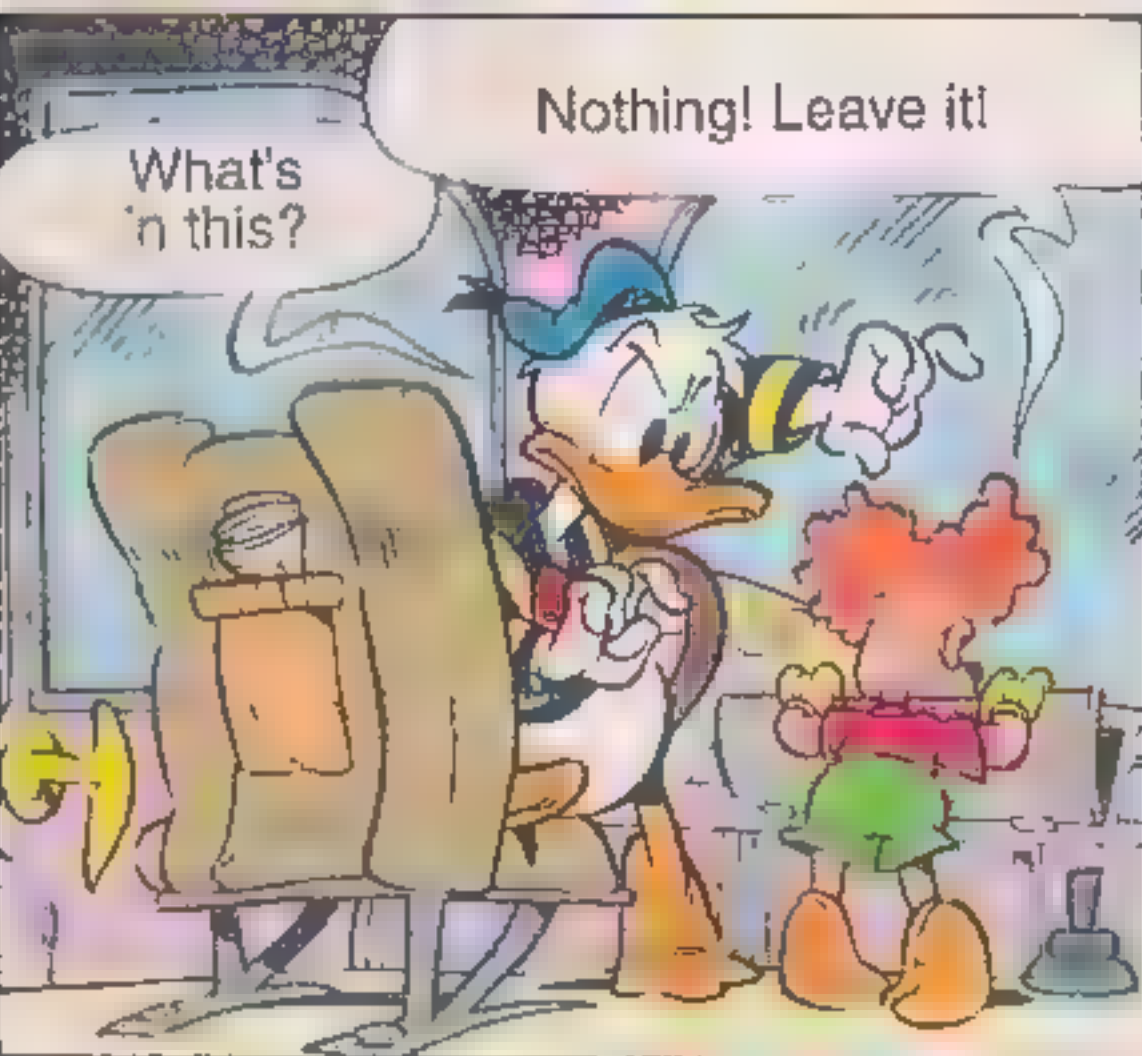

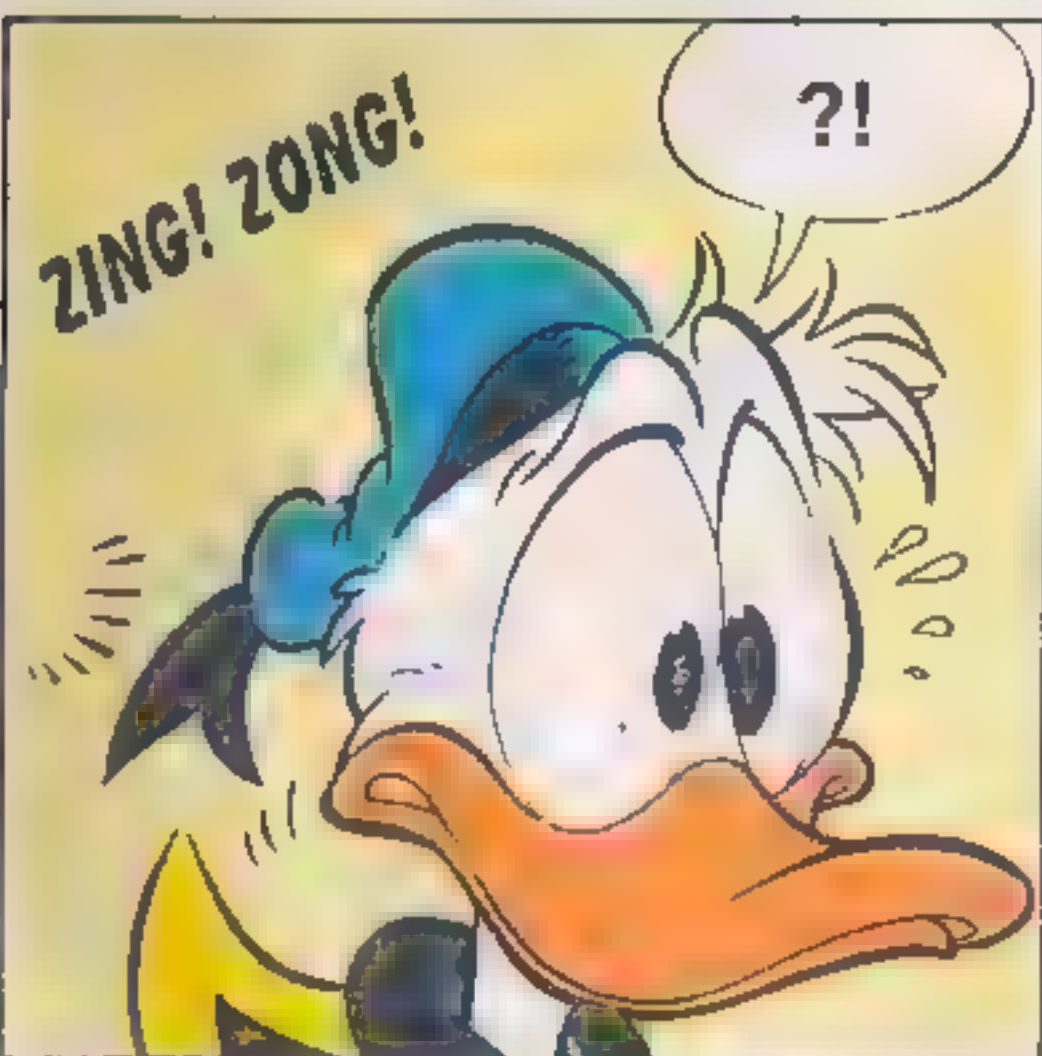

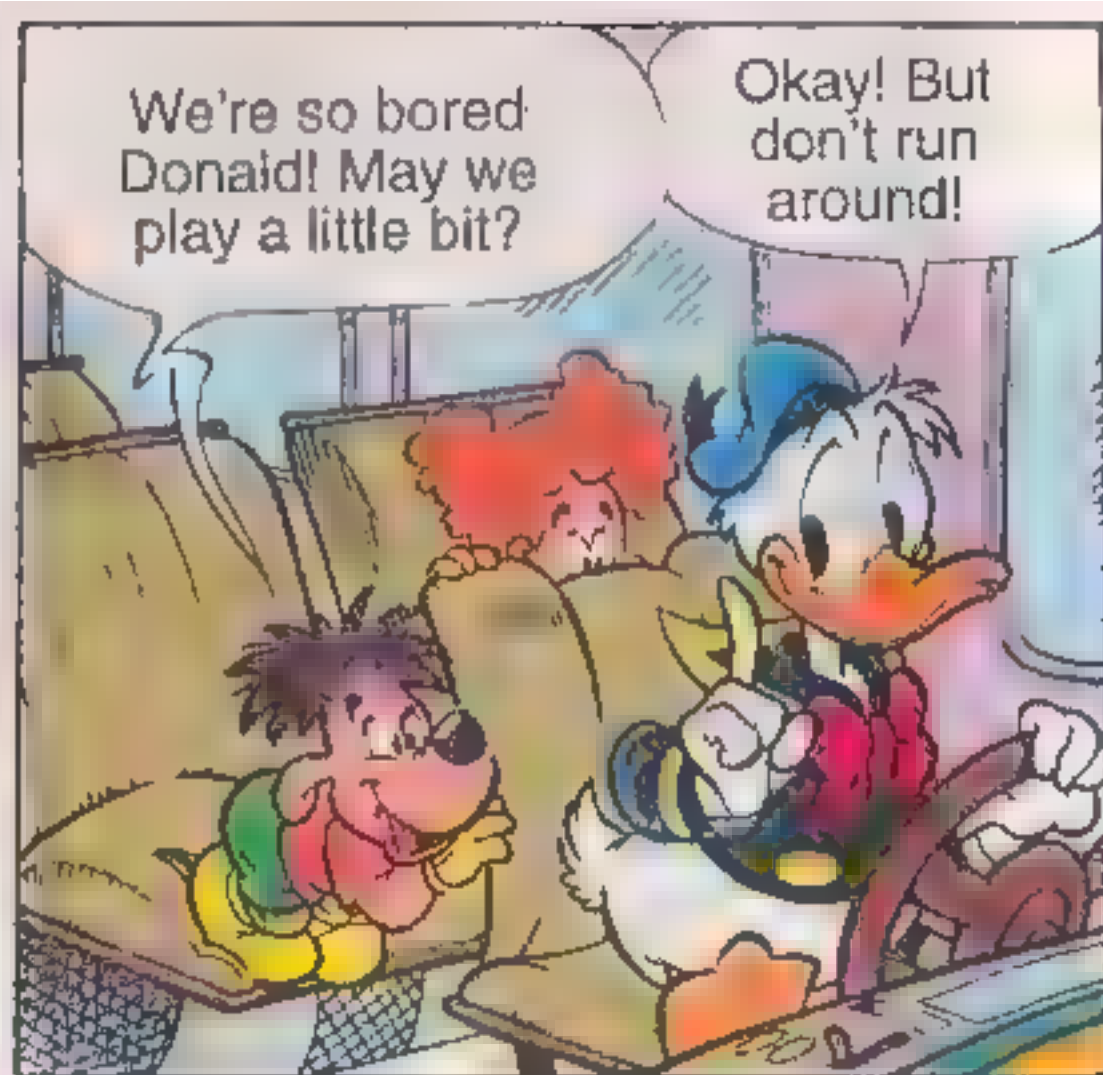

Enough of this nonsense! Come on get in!

Ow! Ouch!

PUSH!

Couldn't you wait till I was out of the way?

I think all have got in! Now I can take off!

Do you want to try my felt pens Donald?

I can't! I have to drive!

No problem! I can just show you how good they are!

No!

Now I know why no one wants this driver's job!

Have you seen my gum Donald? It's gone!

Leave me in peace!

There it is! You've found it again!

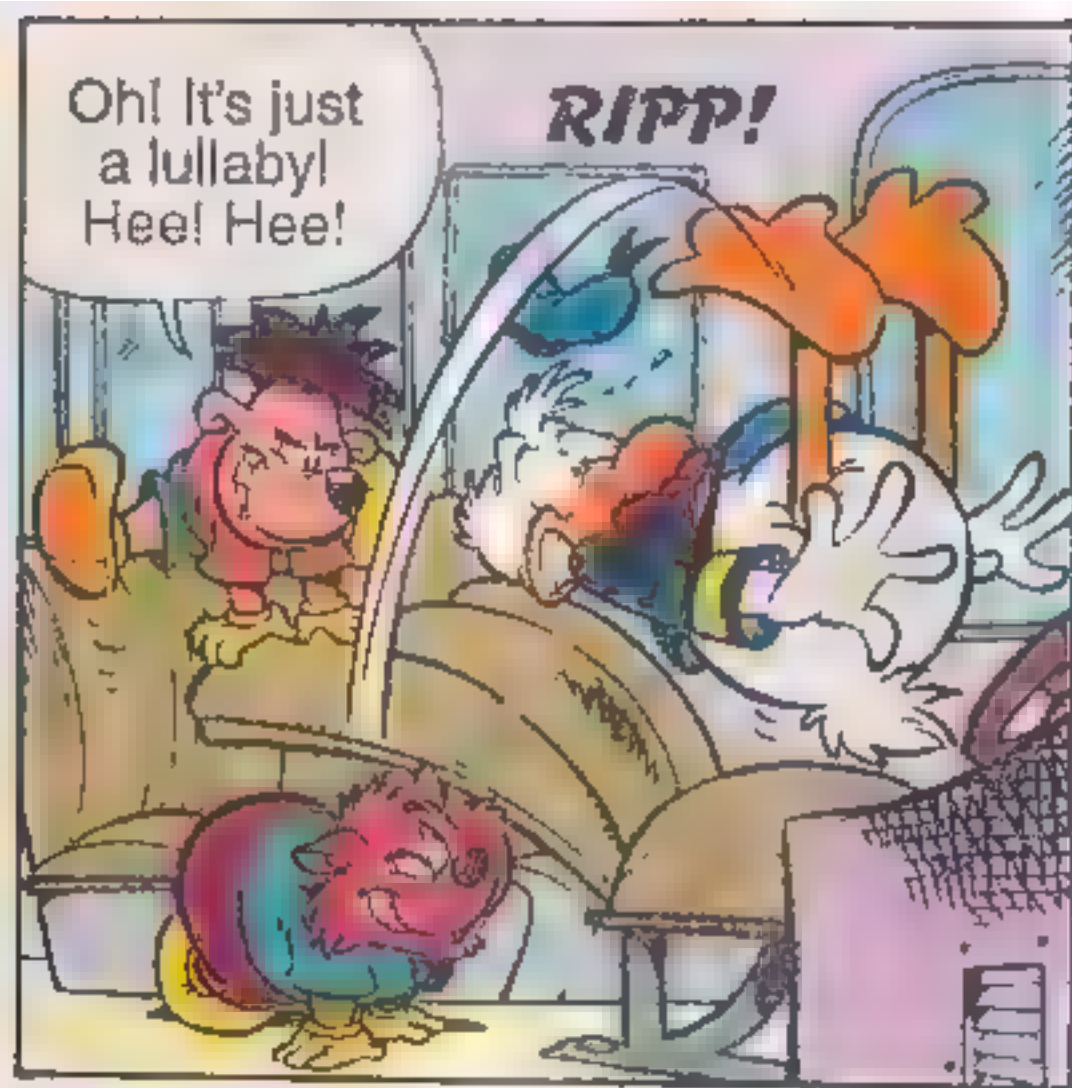

Watch out!

Maybe they'll be quieter if the radio is on!

So, how do you like the music?

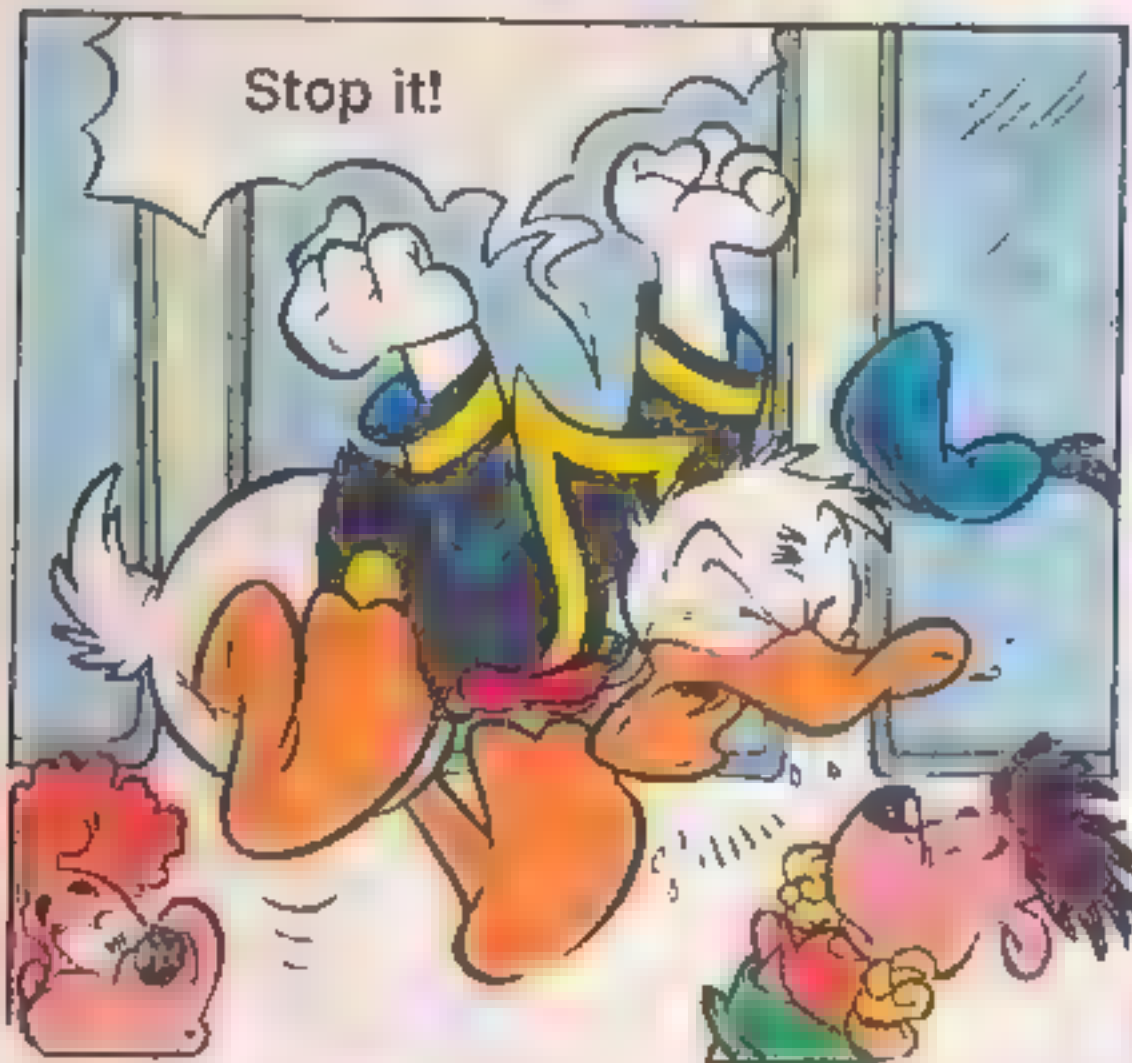

Oh! It's just
a lullaby!
Hee! Hee!

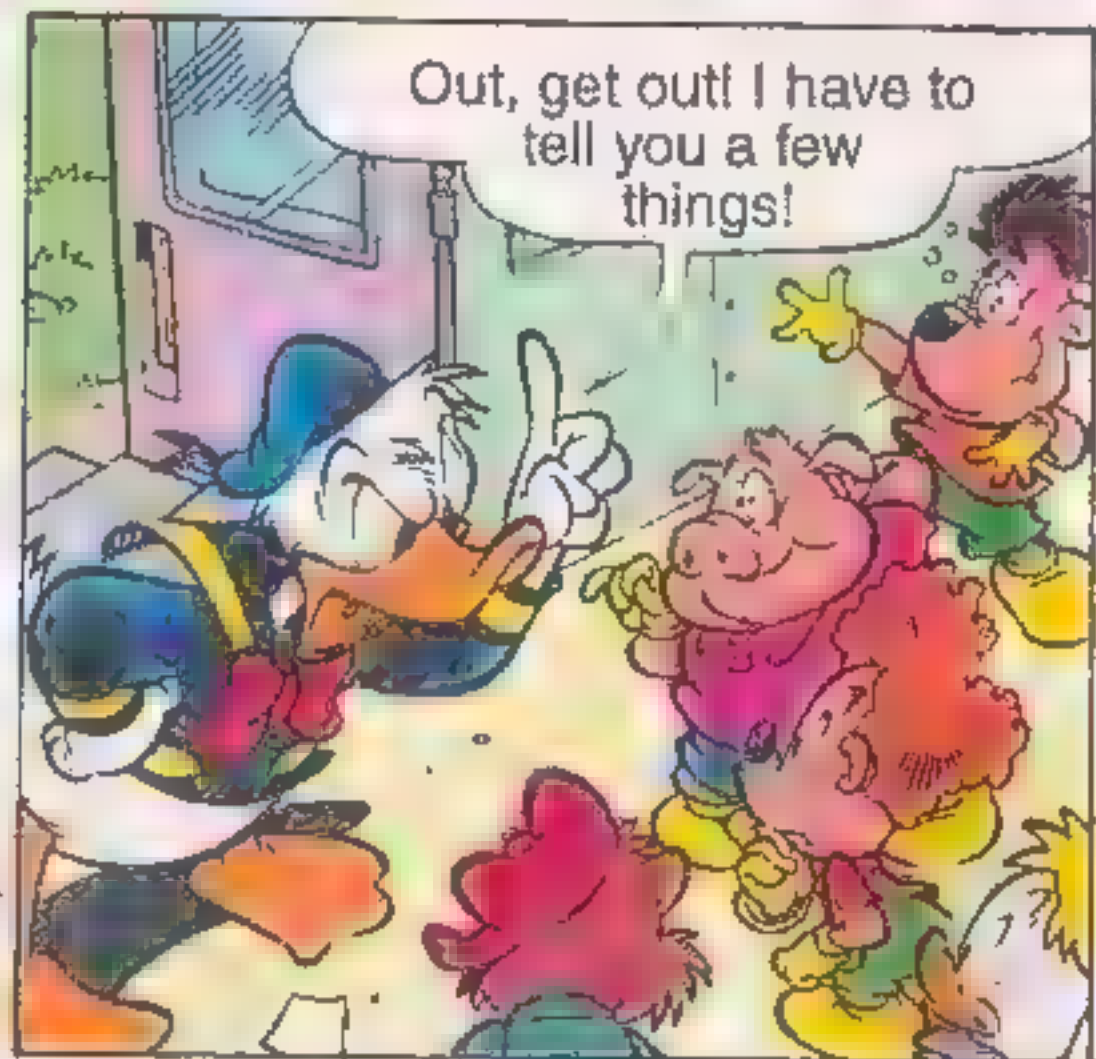

RIPP!

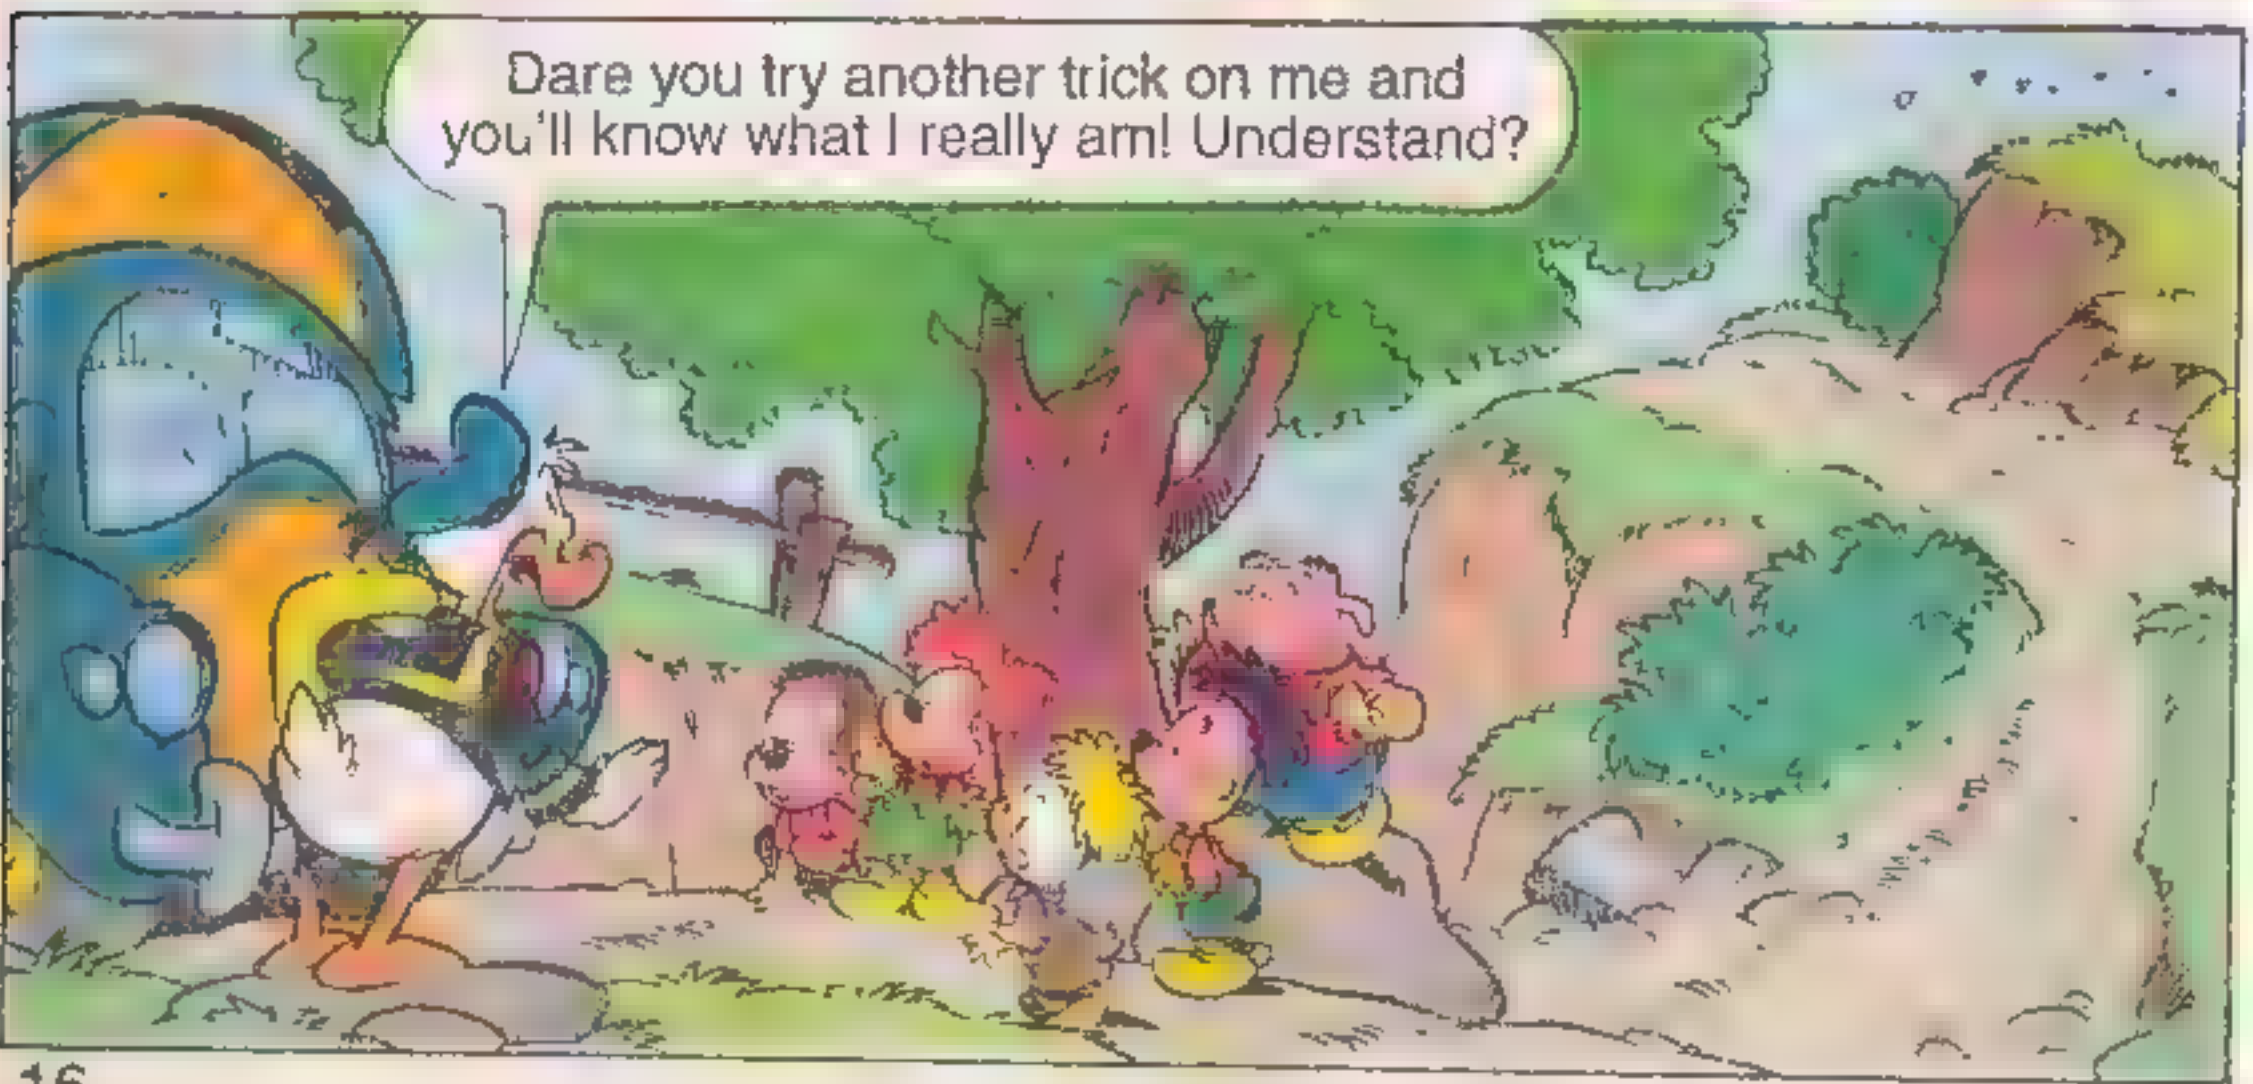

Stop it!

Out, get out! I have to
tell you a few
things!

Dare you try another trick on me and
you'll know what I really am! Understand?

If I only hear the slightest sound, I
turn into an animal!

I hope I have
frightened you
enough with that! Hehe!

Can you become
a werewolf?

Yes,
maybe, if
not worse!

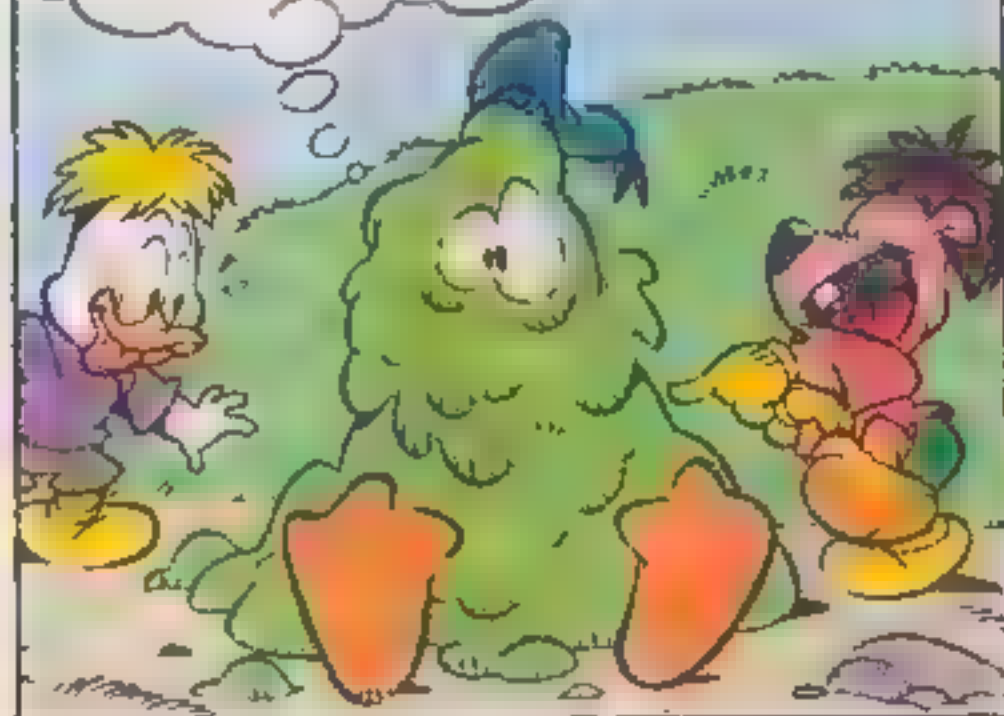

Whack!

Will you
look like
that
afterwards?

SPLASH!

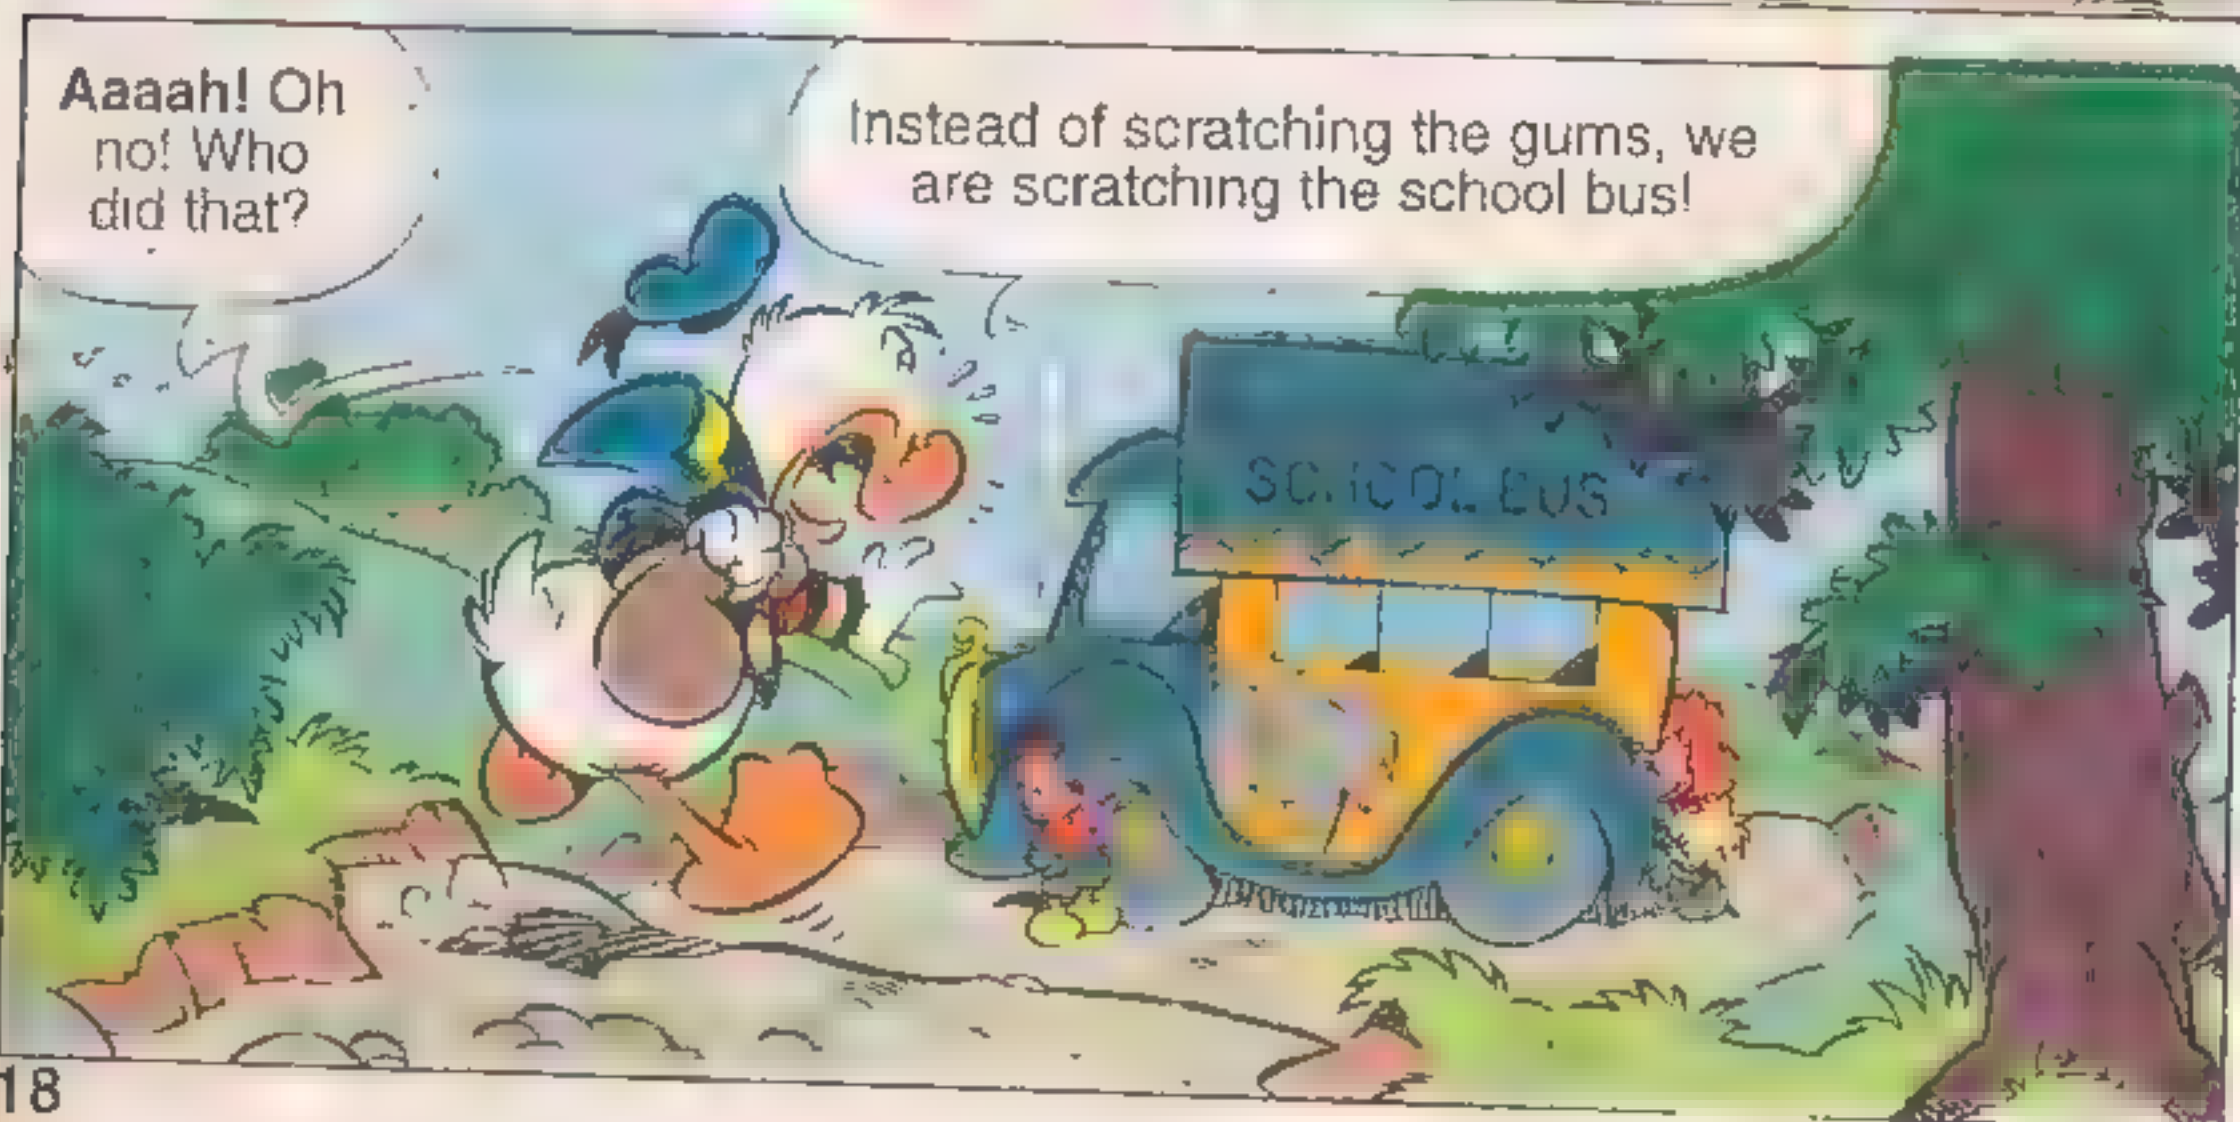

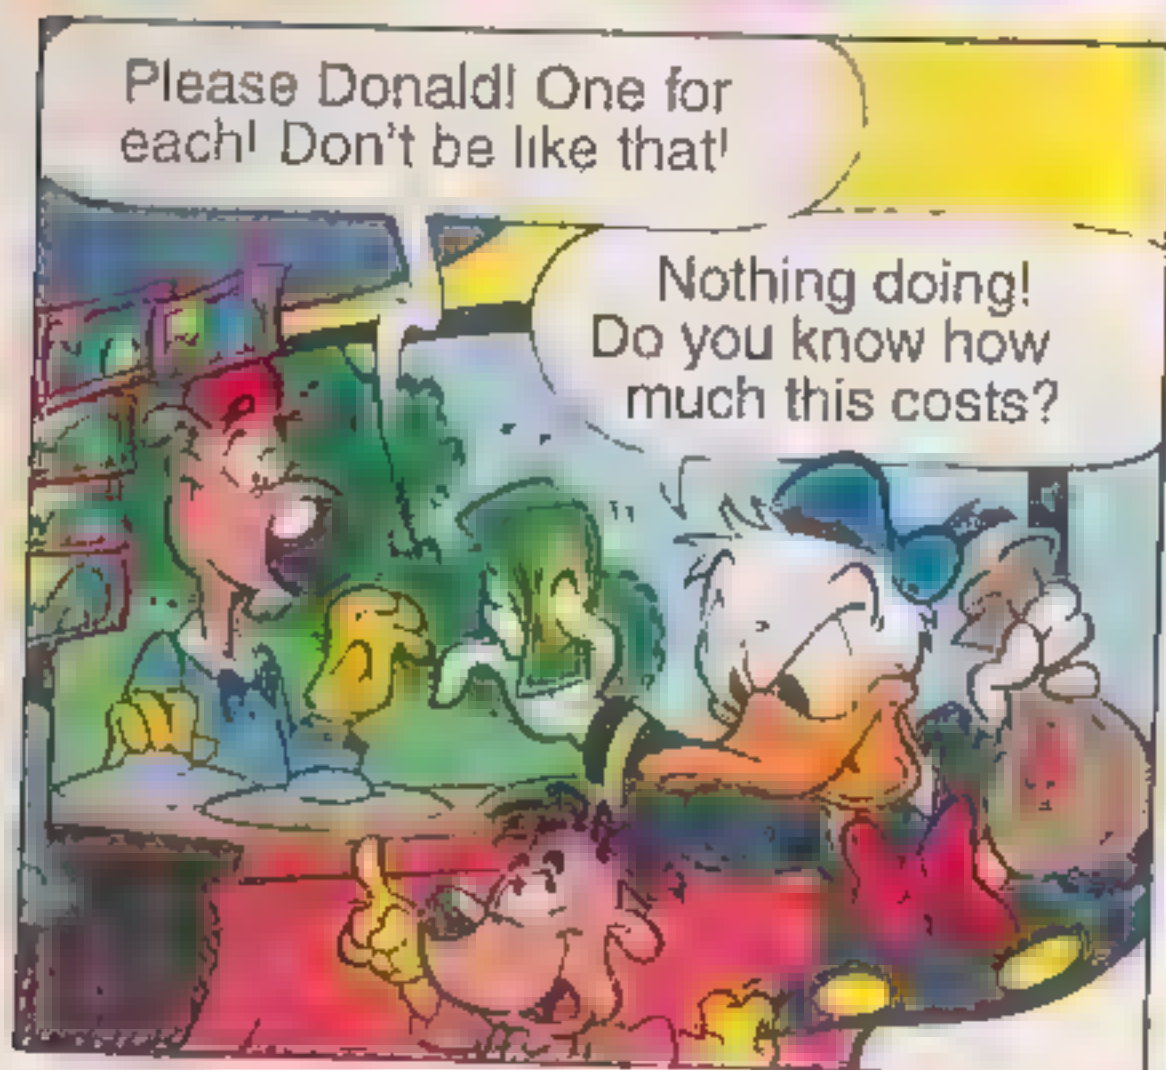

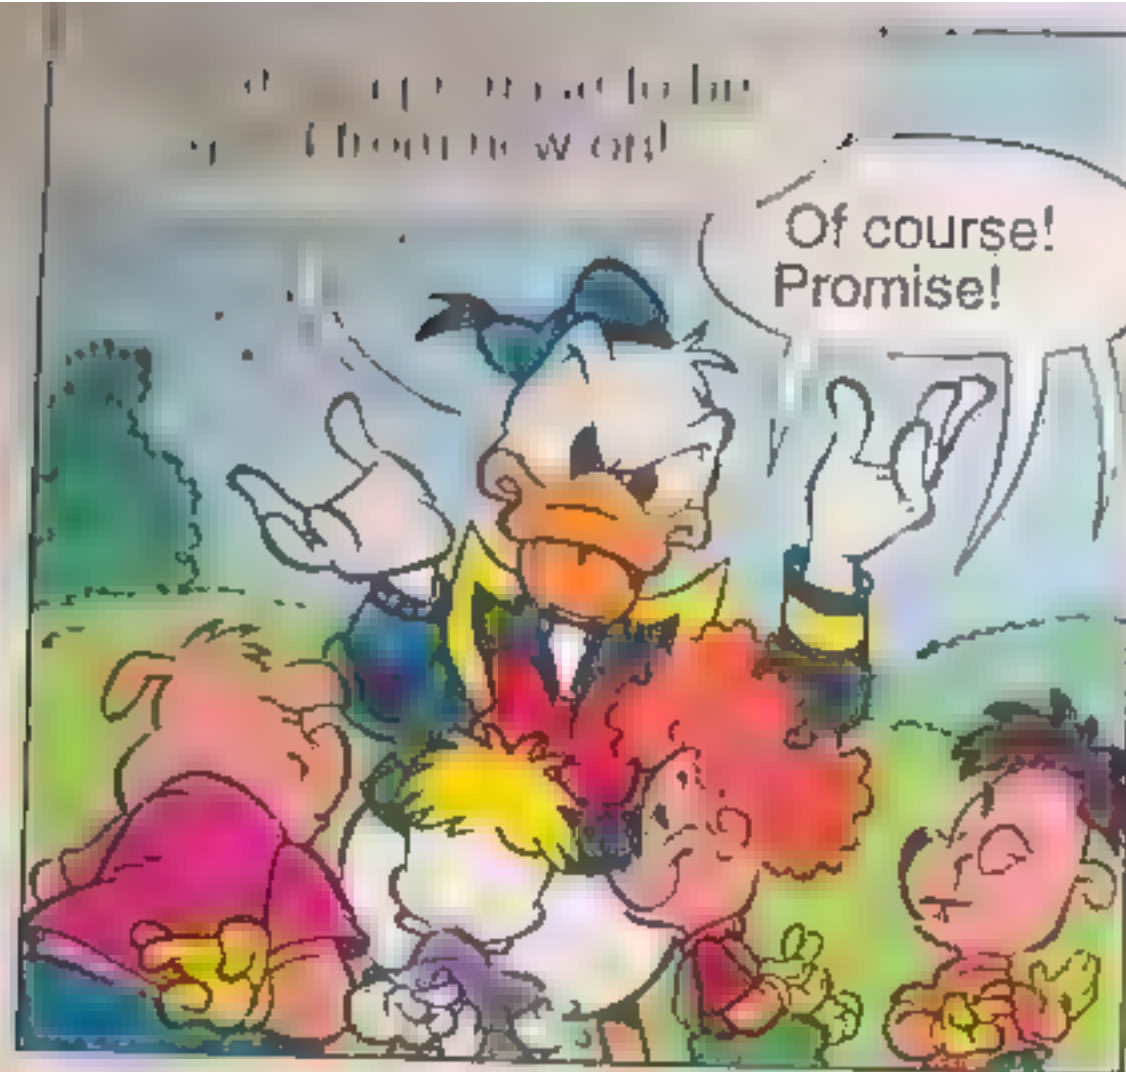

These brats are
worse than an
earthquake! I
wonder whether I'll
live through this!

Just a sec! Maybe I can buy
them over with sweets!

Will you buy
us a few sweets
Donald?

I have to pay for the damages!
Now, that's too much!

BOINK!

Hehe! Ouch!
Fooled you!
Hehehe!

How?

Because the scratches are only
on the top! Hehe! We play this
trick on every bus driver!

Impossible!

I almost had a heart attack
because of you!

I really?
Hehe!

Then you deserve the
highest points - as the driver
with the worst
nerves!

DONALD	10
FRANK	1
ALEX	7
GEORGE	5
BORIS	1

They drive on...

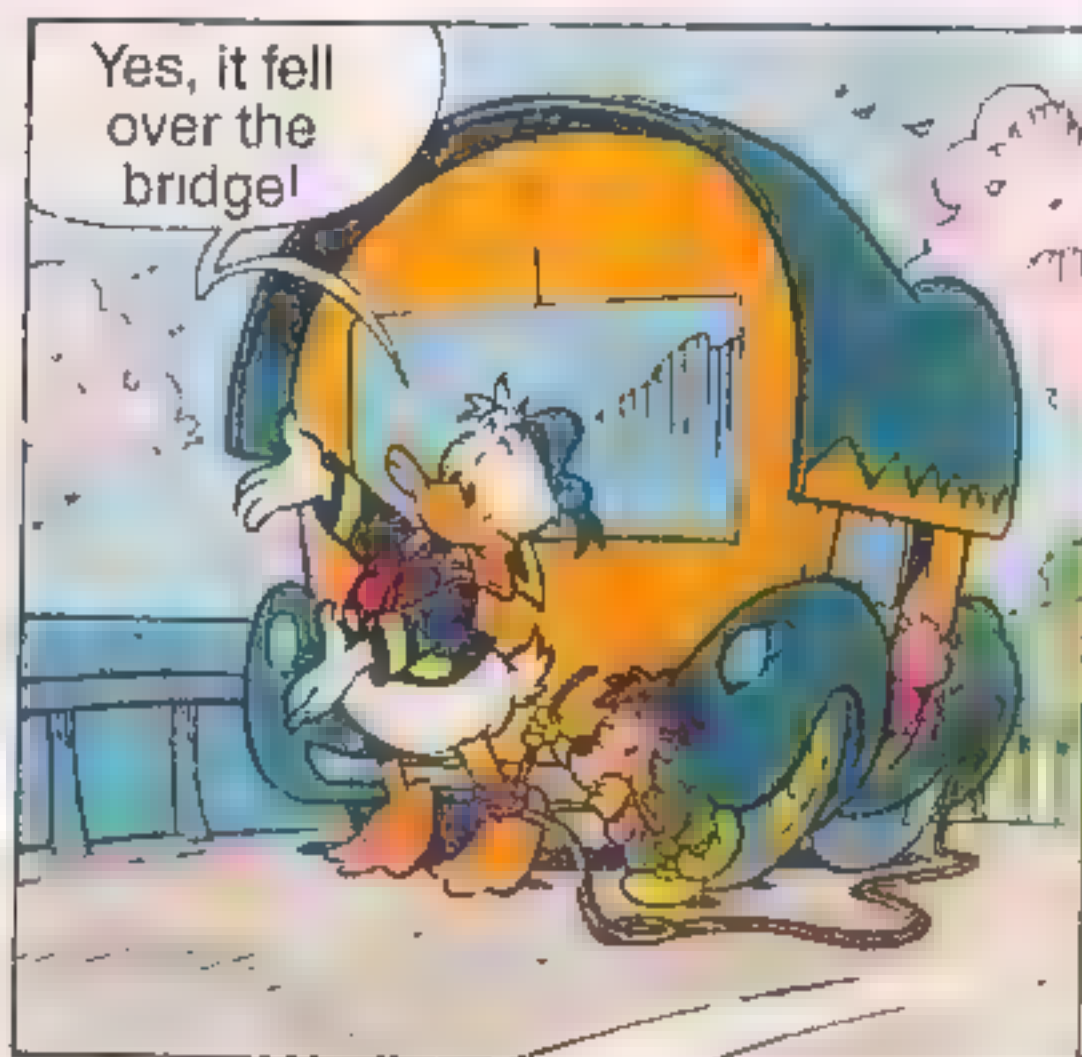

Wait Donald! I think you've lost a rear light!

What? Really?

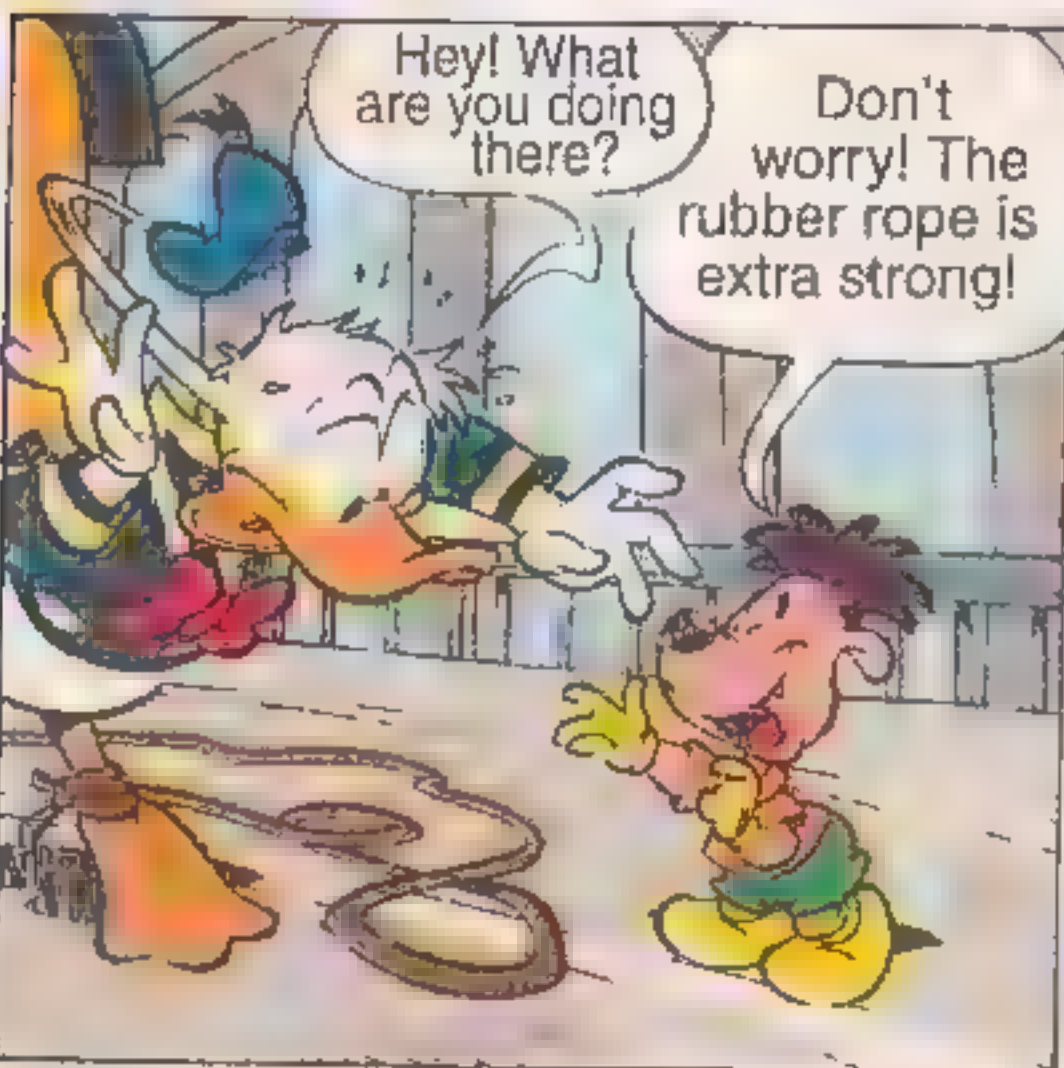

Yes, it fell over the bridge!

Hey! What are you doing there?

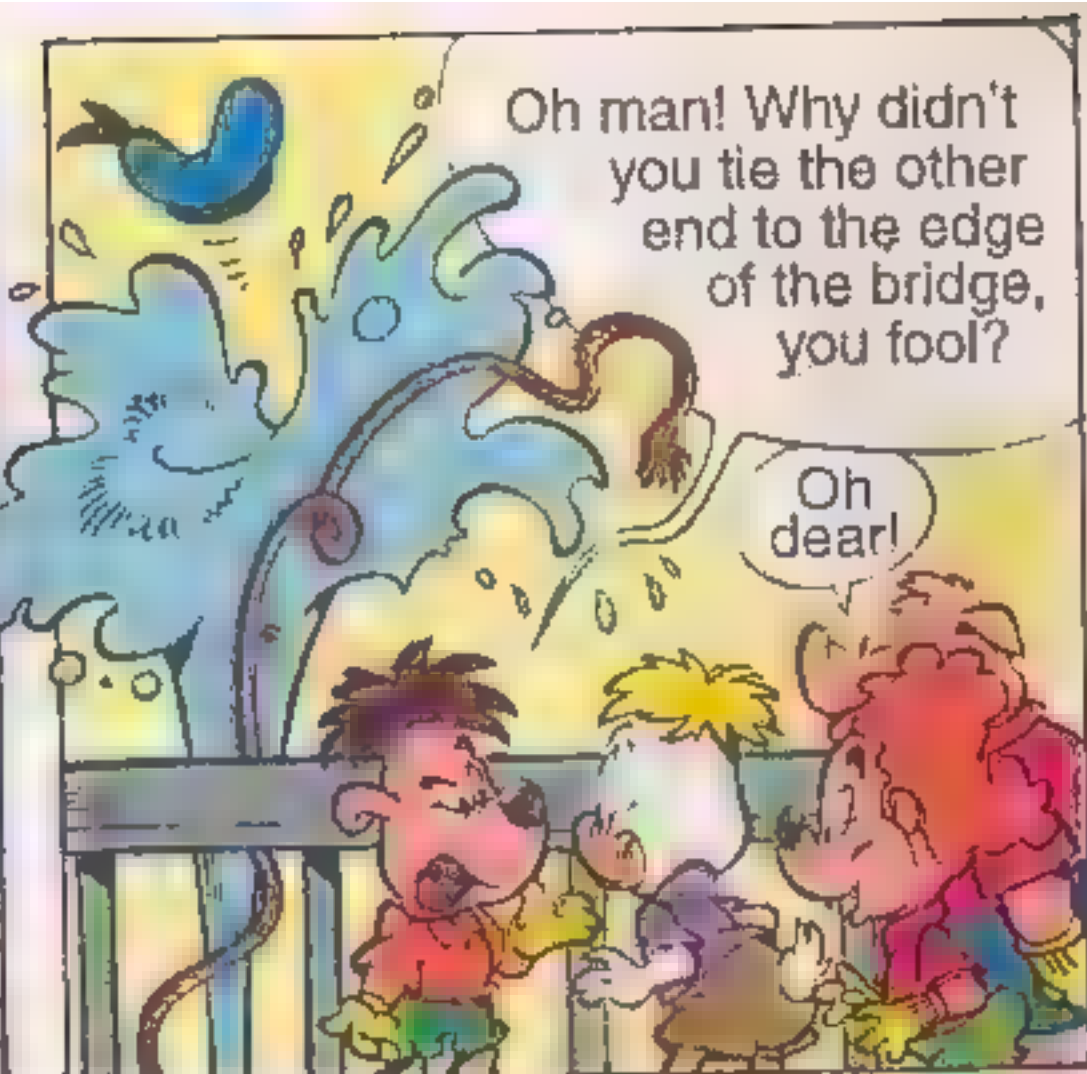

Don't worry! The rubber rope is extra strong!

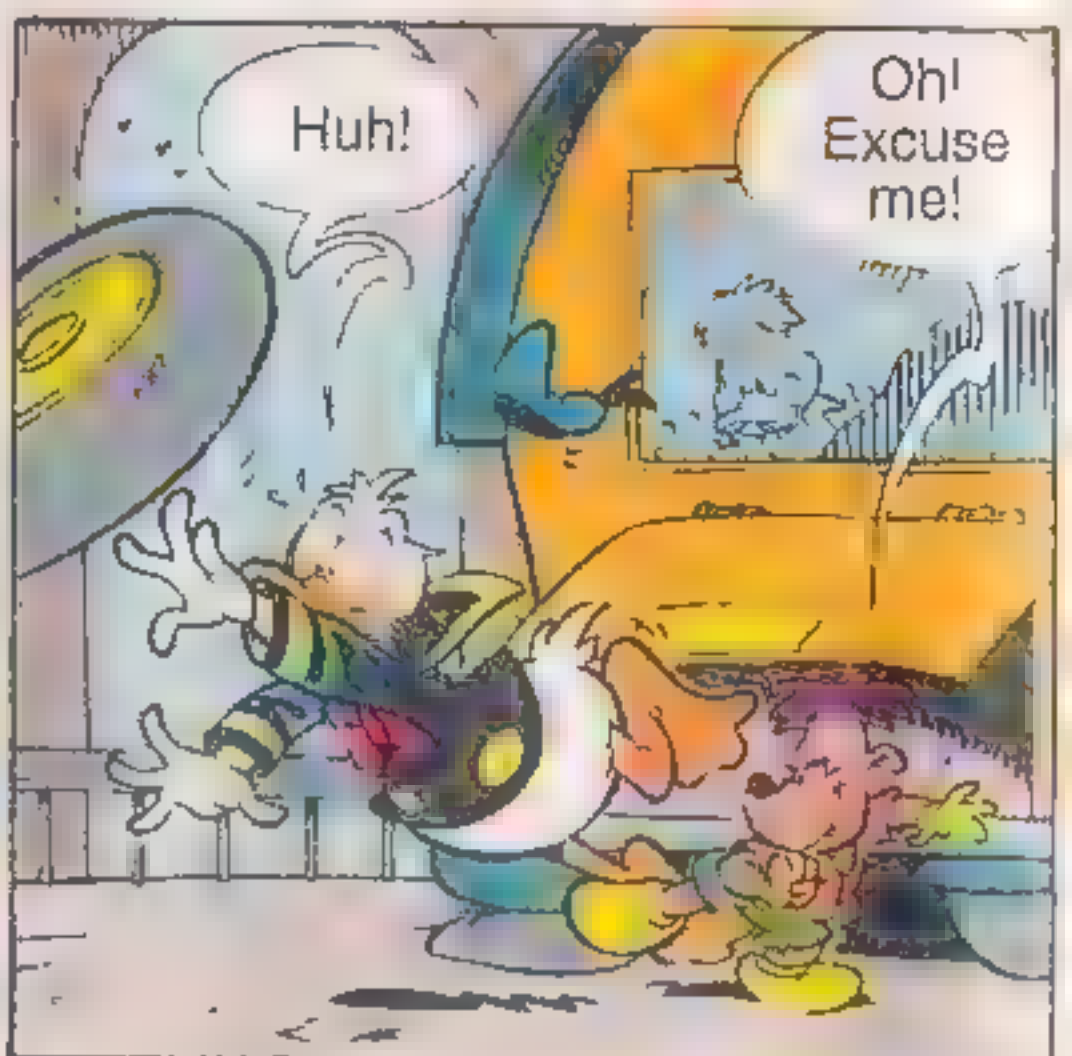

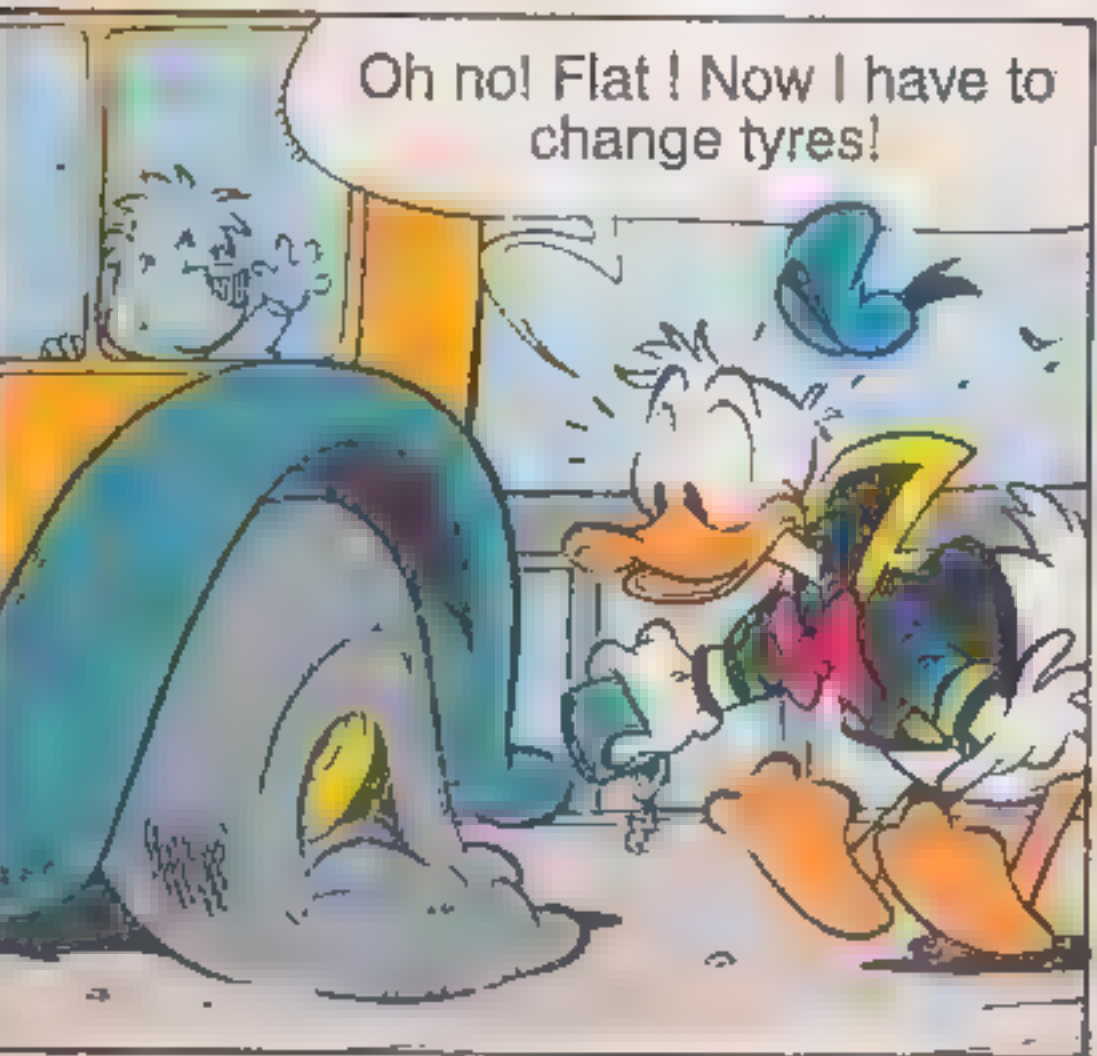

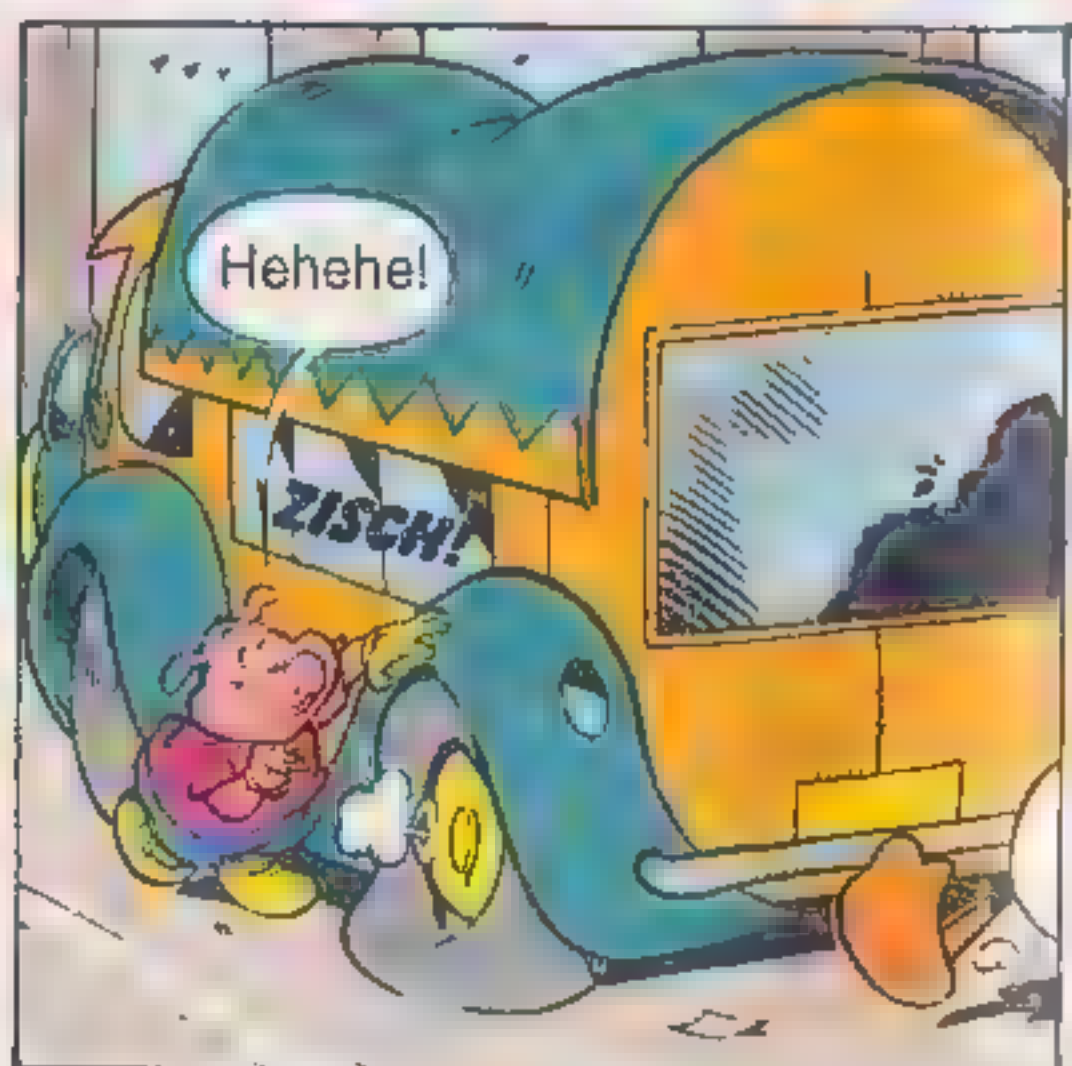

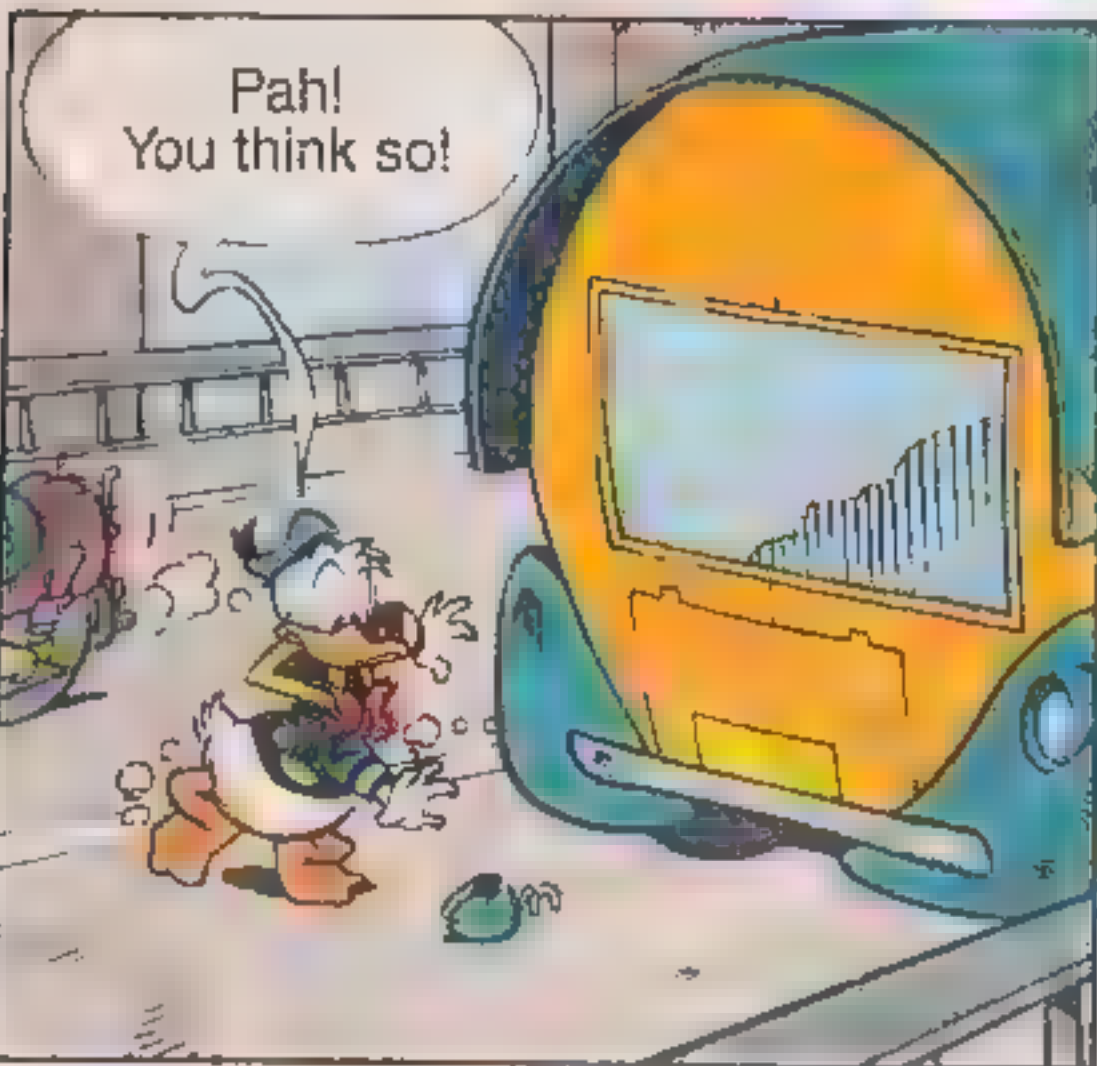

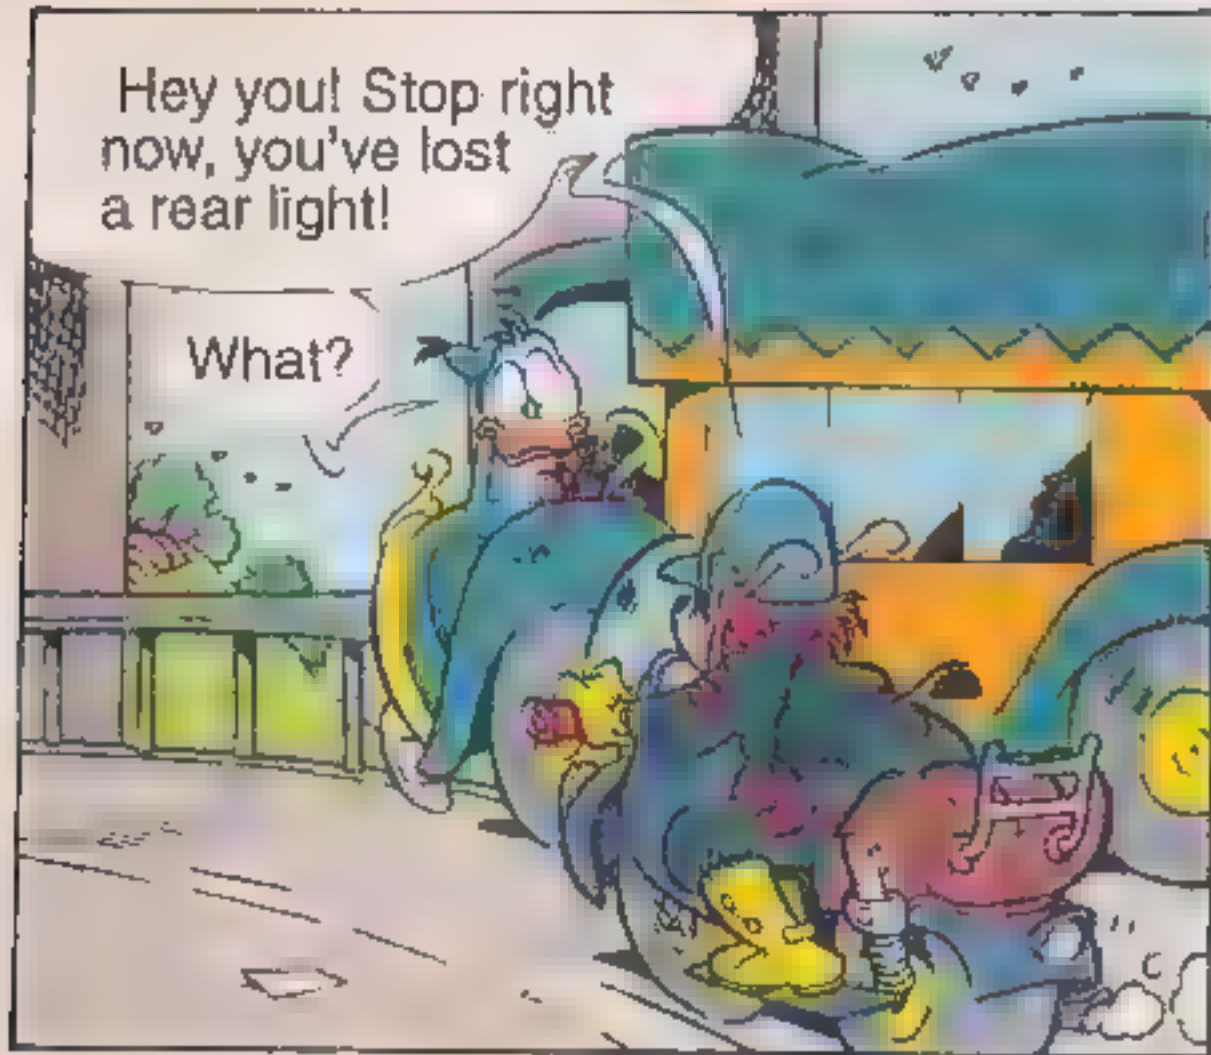

Wait! No! Help!

Nice flight Donald and lots of fun!

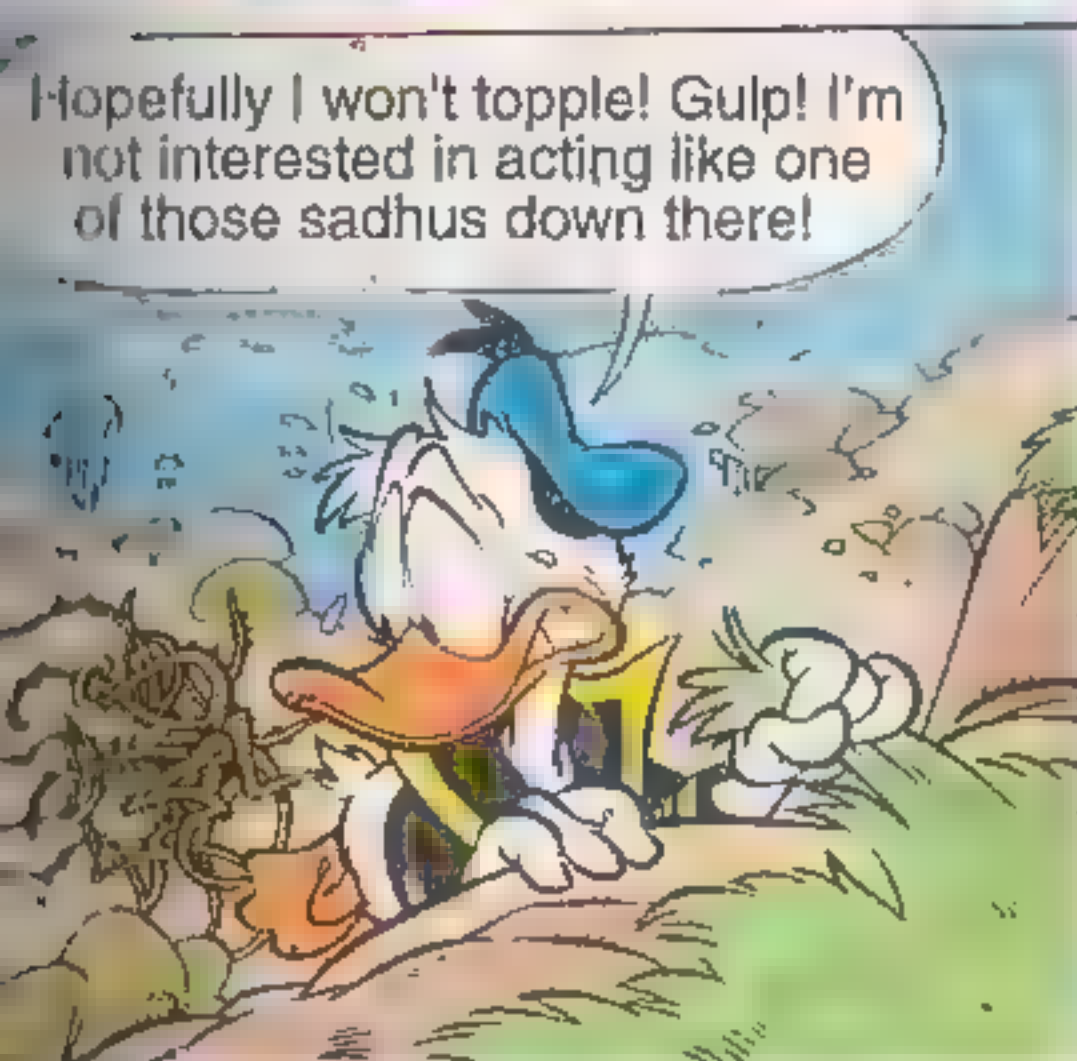

I look down there!

Where's the tyre?

Hopefully I won't topple! Gulp! I'm not interested in acting like one of those sadhus down there!

In the thorns!

Of all the places it had to fall in those thorny bushes!

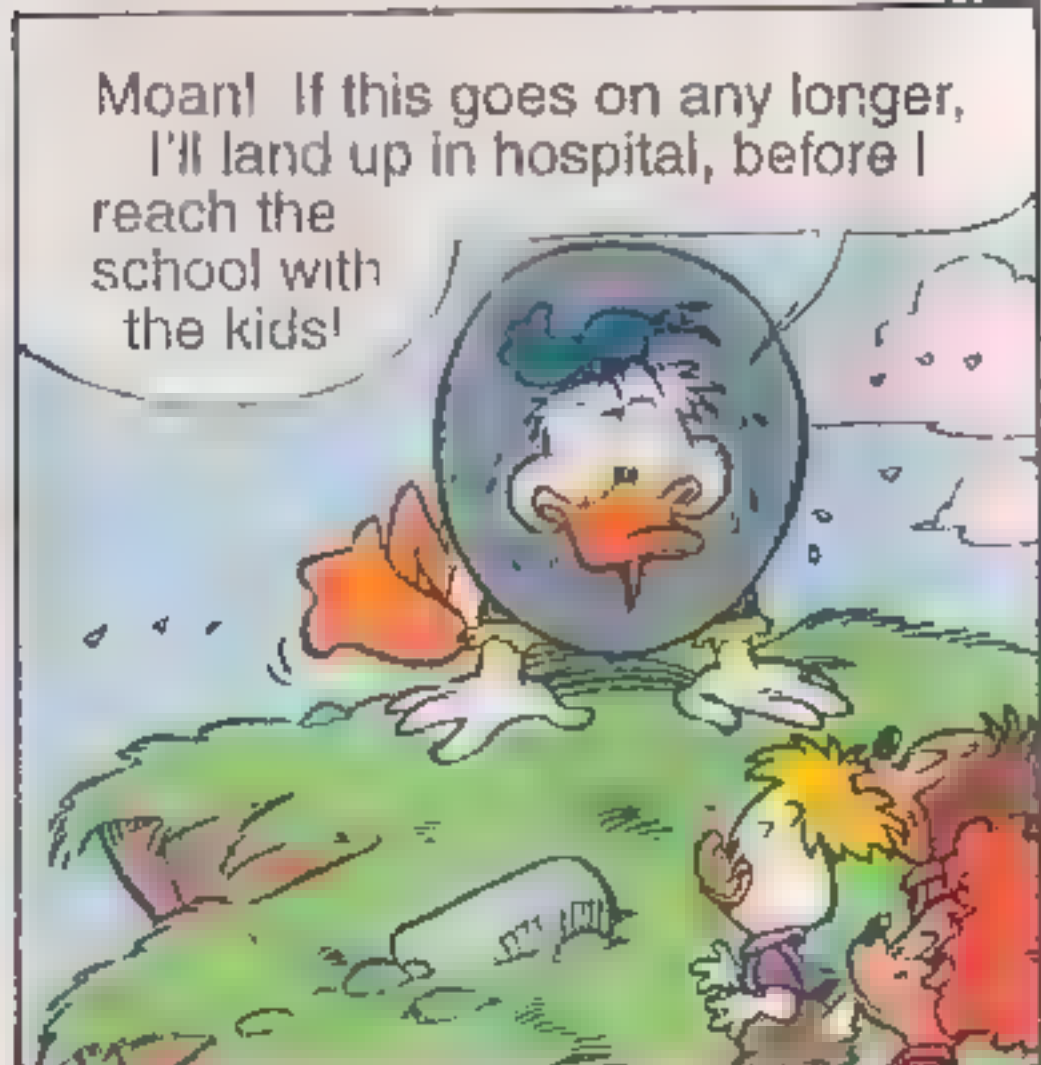

Ow! Ouch! Oh! I can't find the damn tyre!

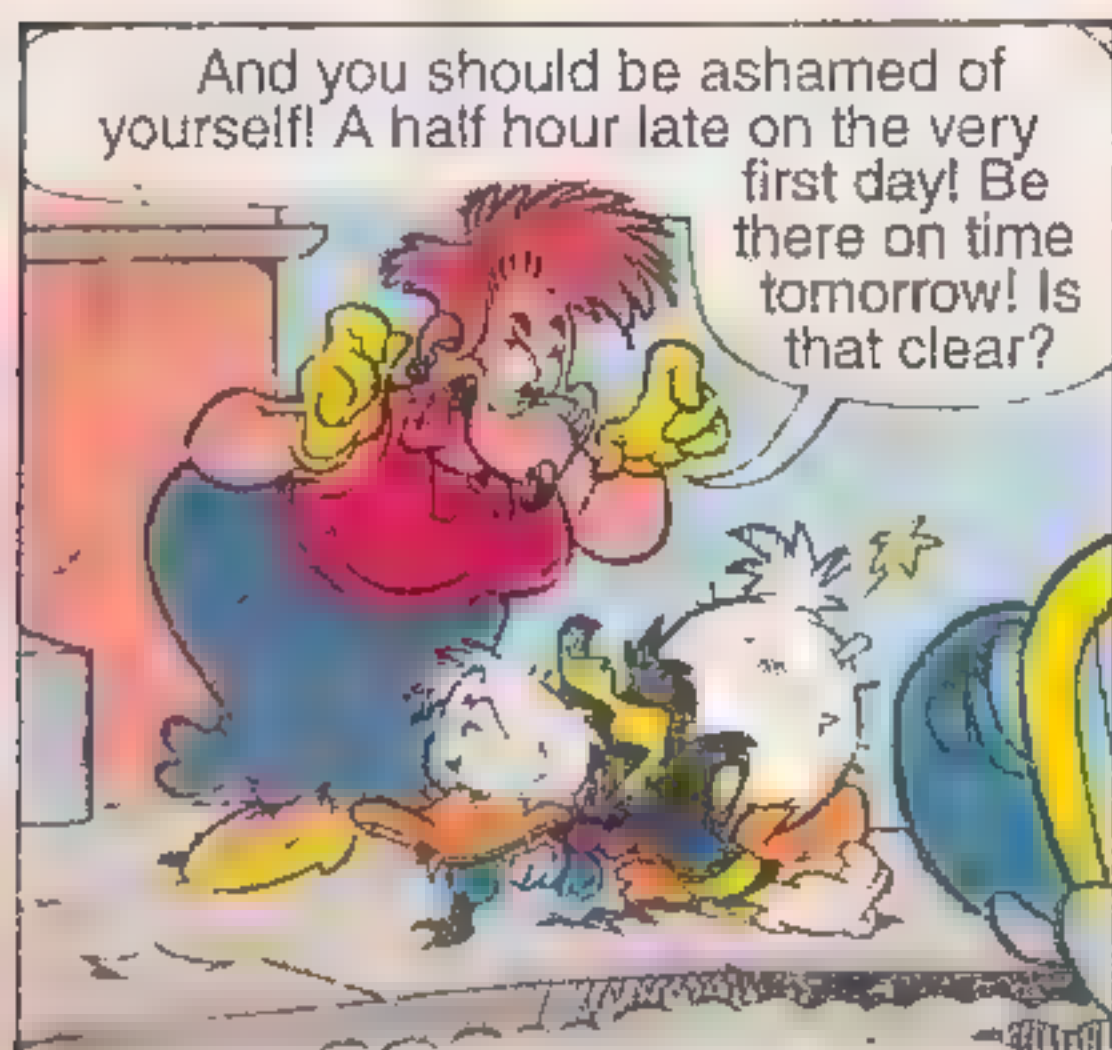

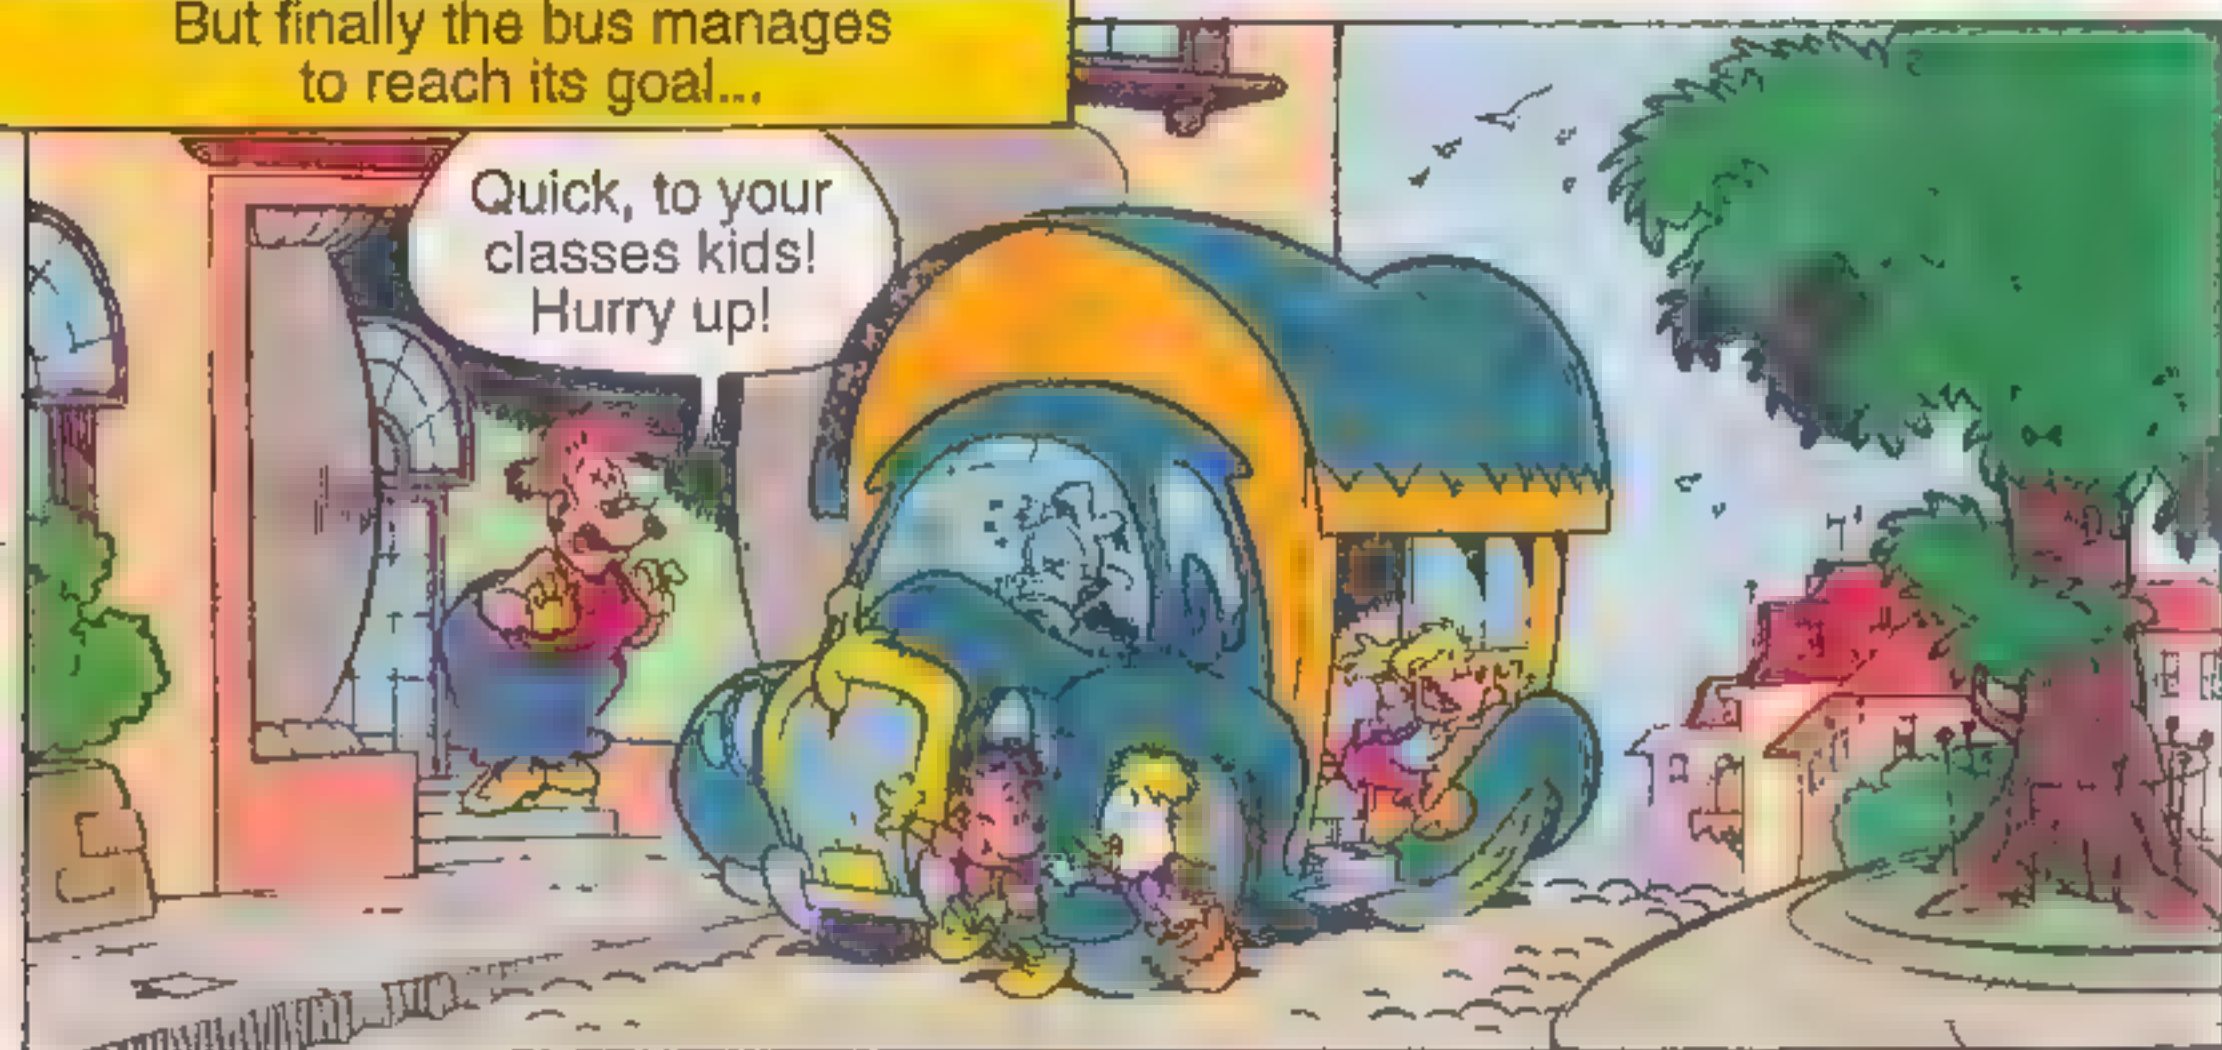

RIPP!

Can you see it from up there kids?

But finally the bus manages to reach its goal...

On the following days too, it's not much better for Donald...

Would you like bread with marmalade Donald?

SPLAT!

See how delicious my orange juice is Donald!

SQUISH!

Don't you also think our school books are too heavy?

Wait, I'll help you to put the seat belt! That's how!

Choke!

STRIPPI

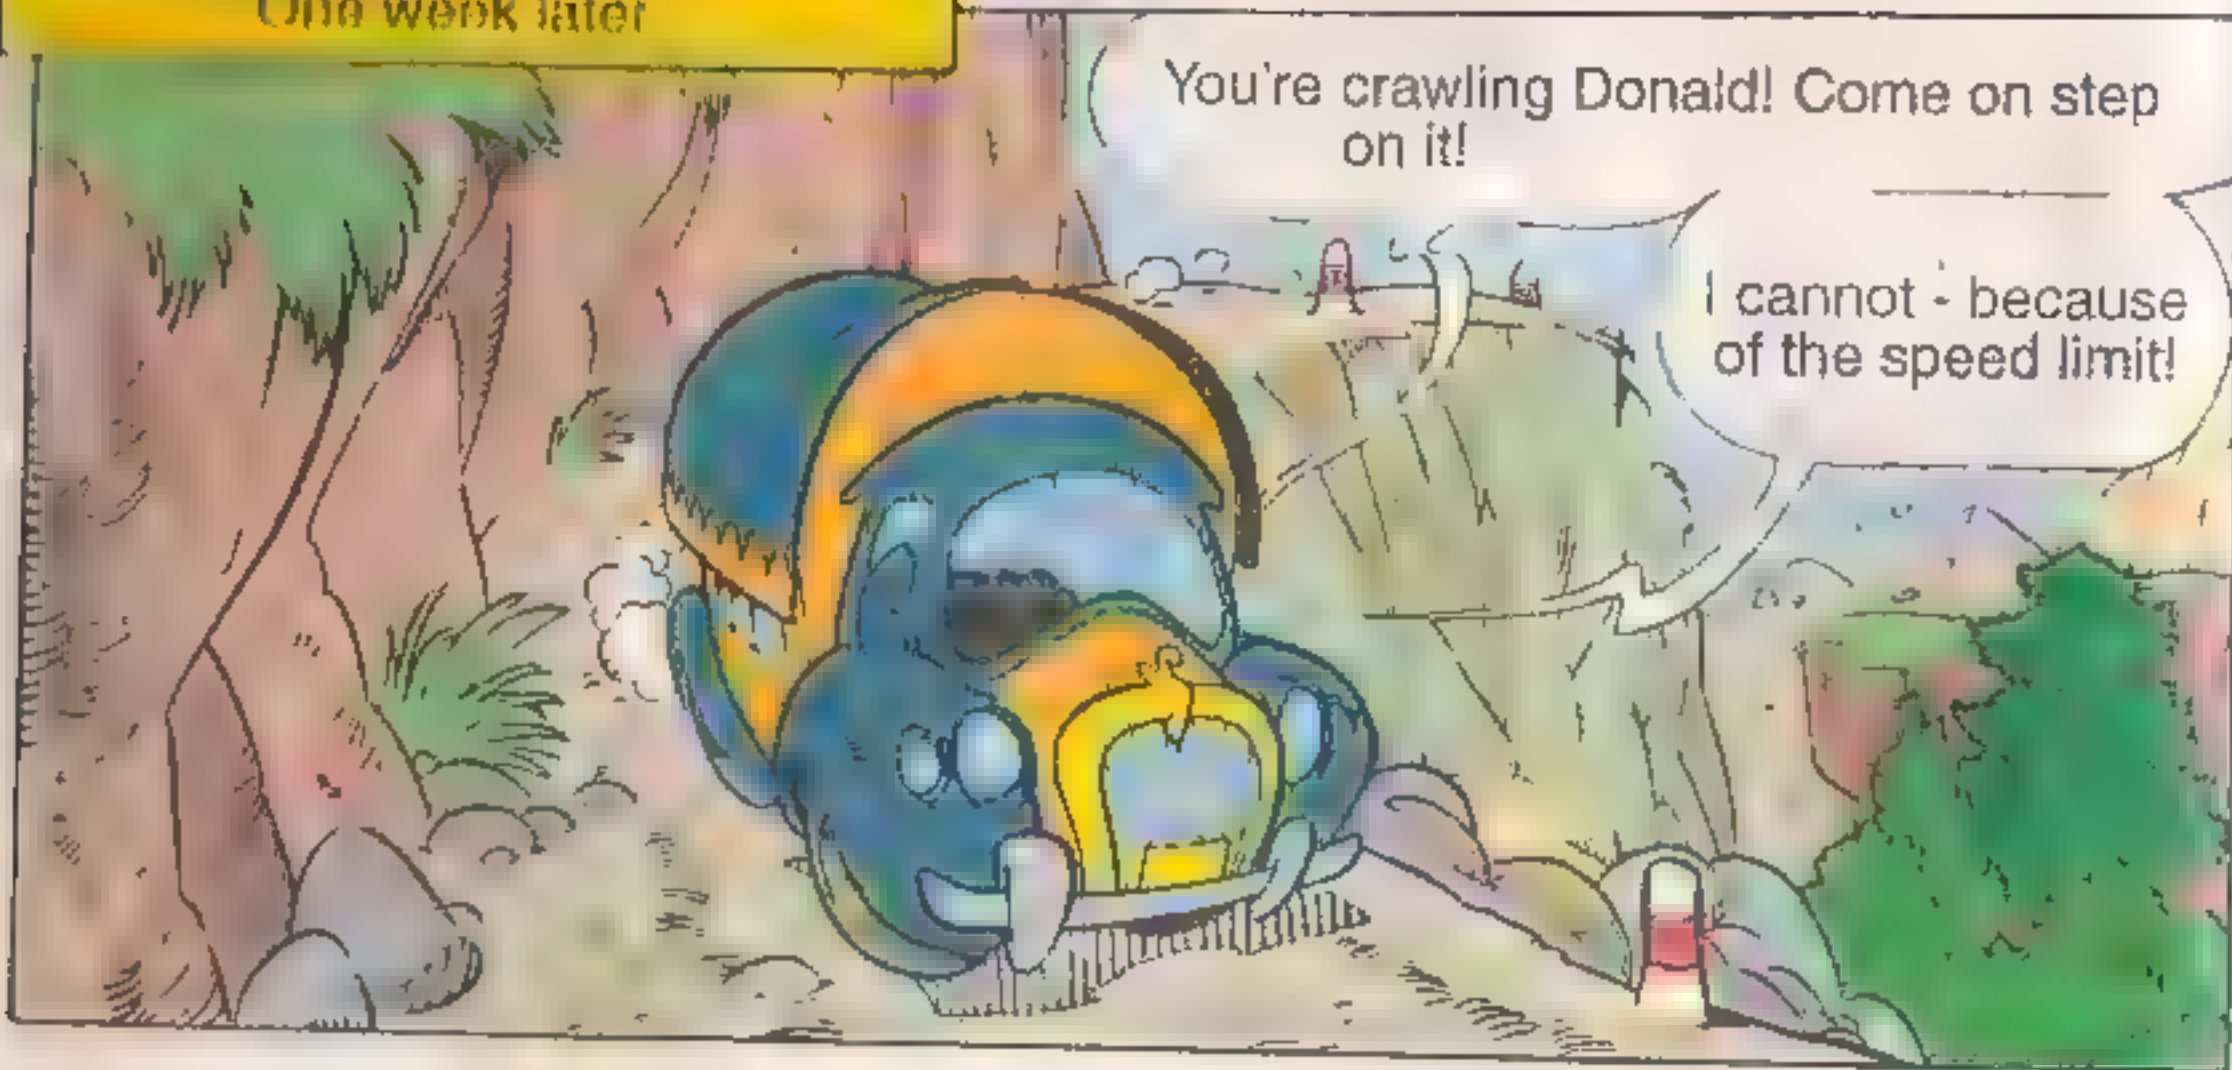

I love Donald! Do you like my drawing?

Our teacher always says Burt has a terrible voice! Do you also think so?

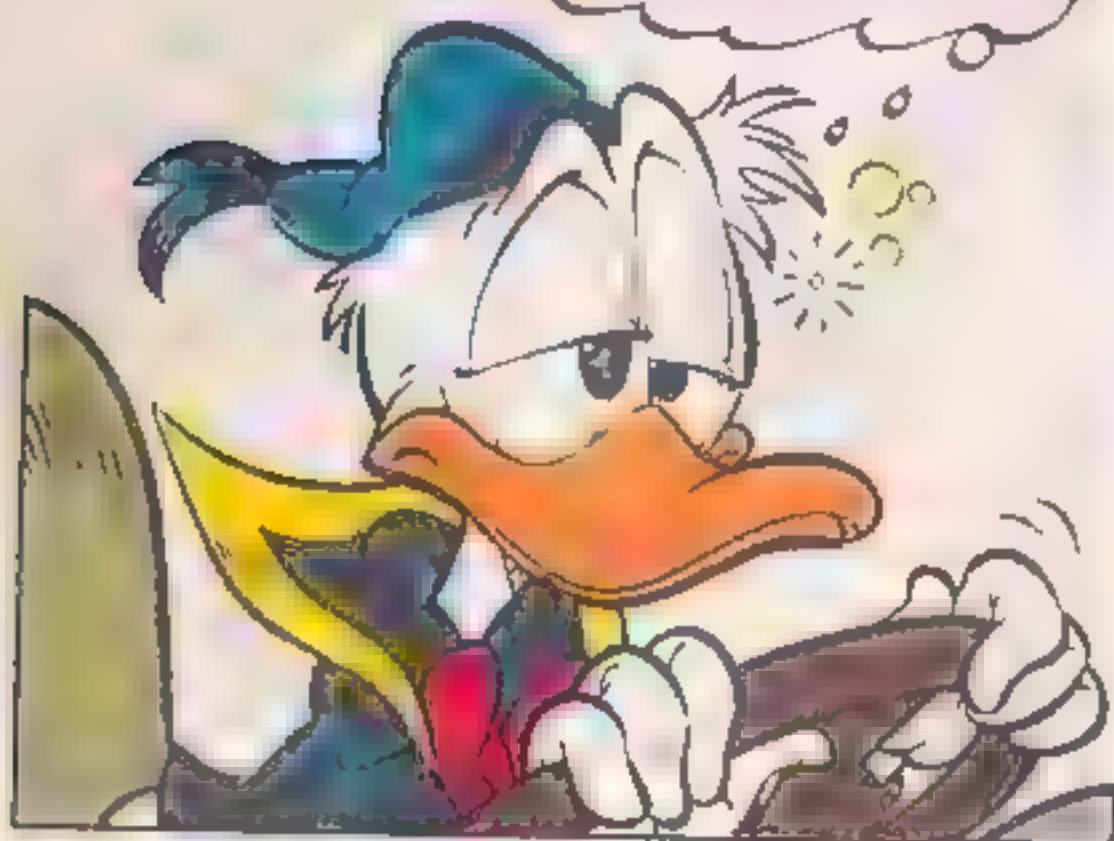

Screeech!

STOP!

One week later

I'm finished!
Groan!

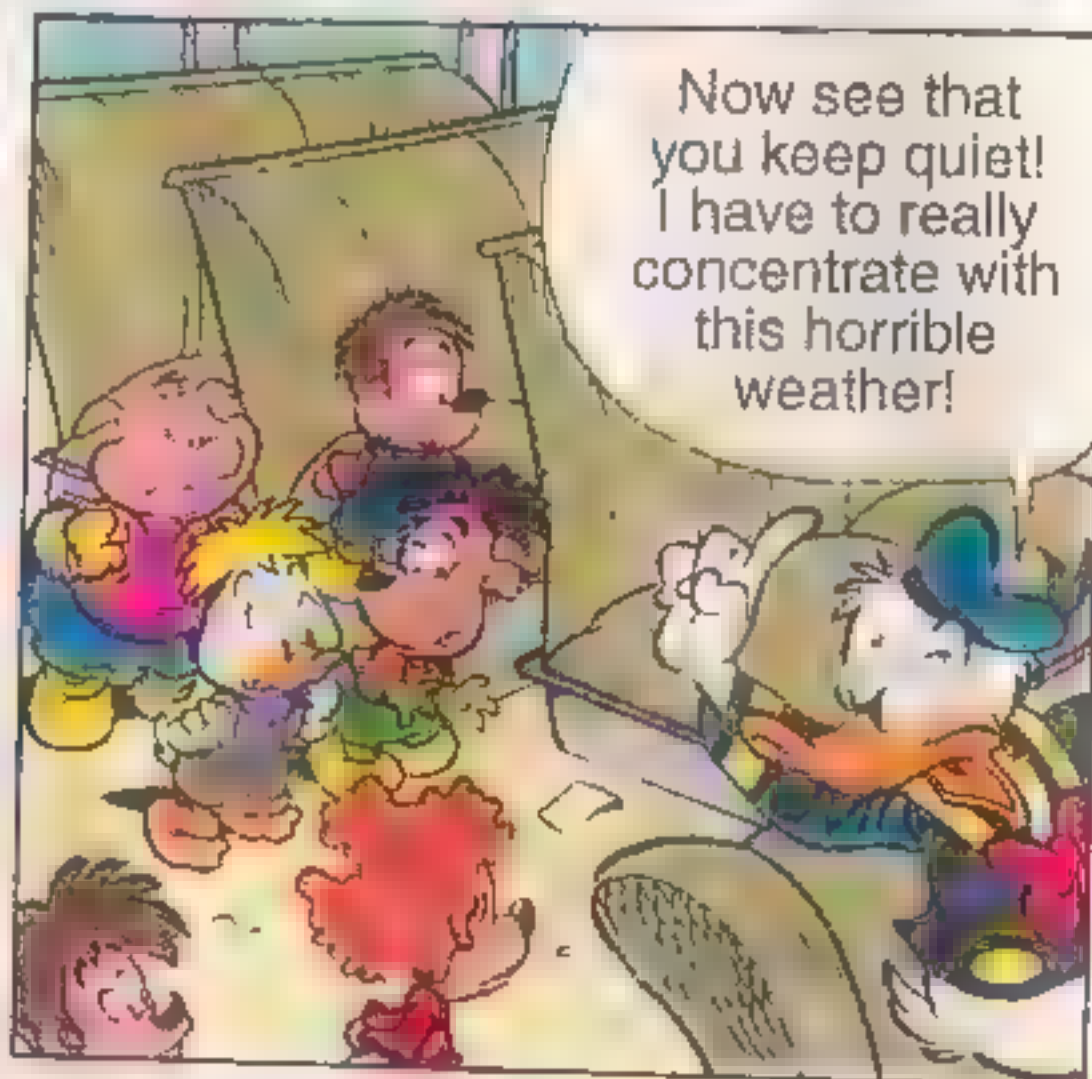

But I must keep at it! The weather's getting worse!

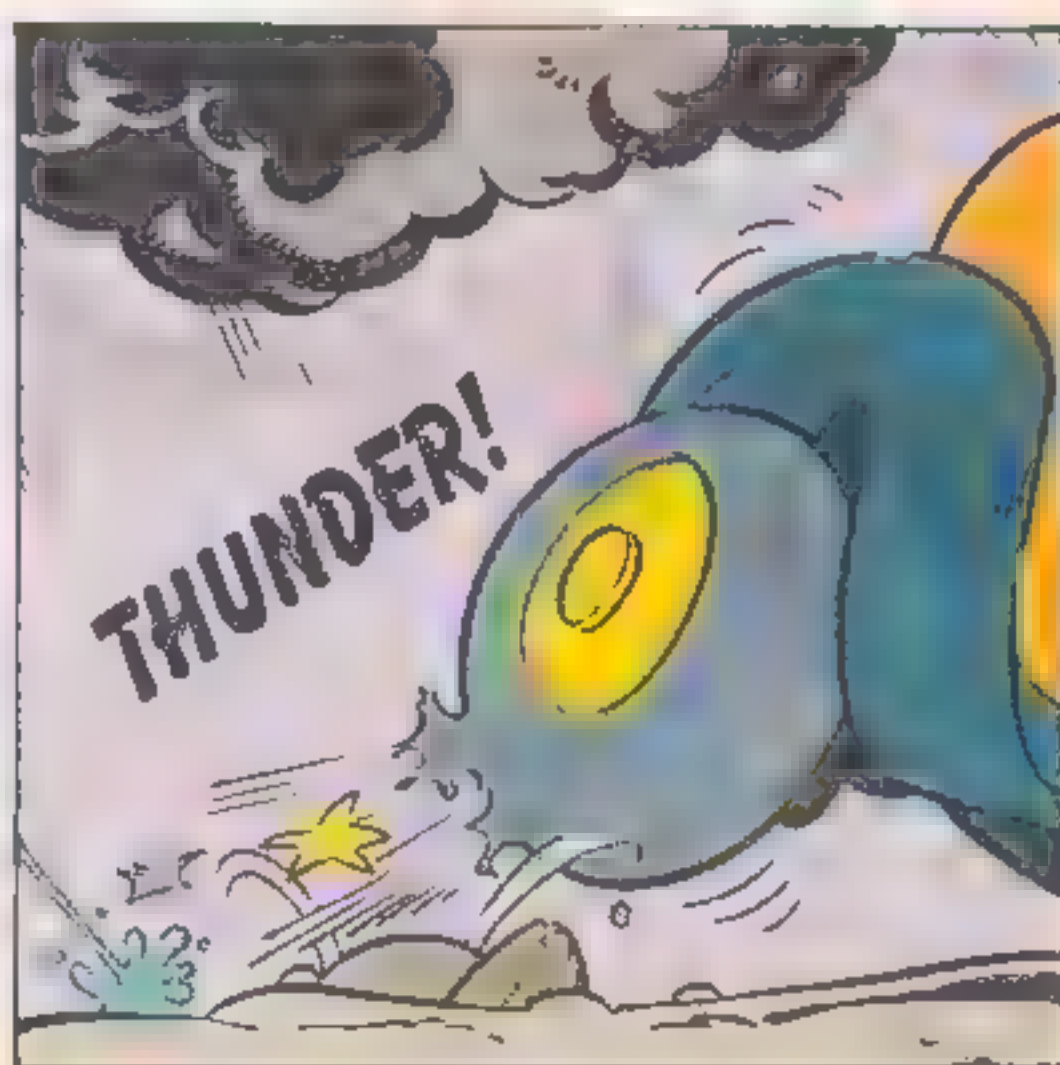

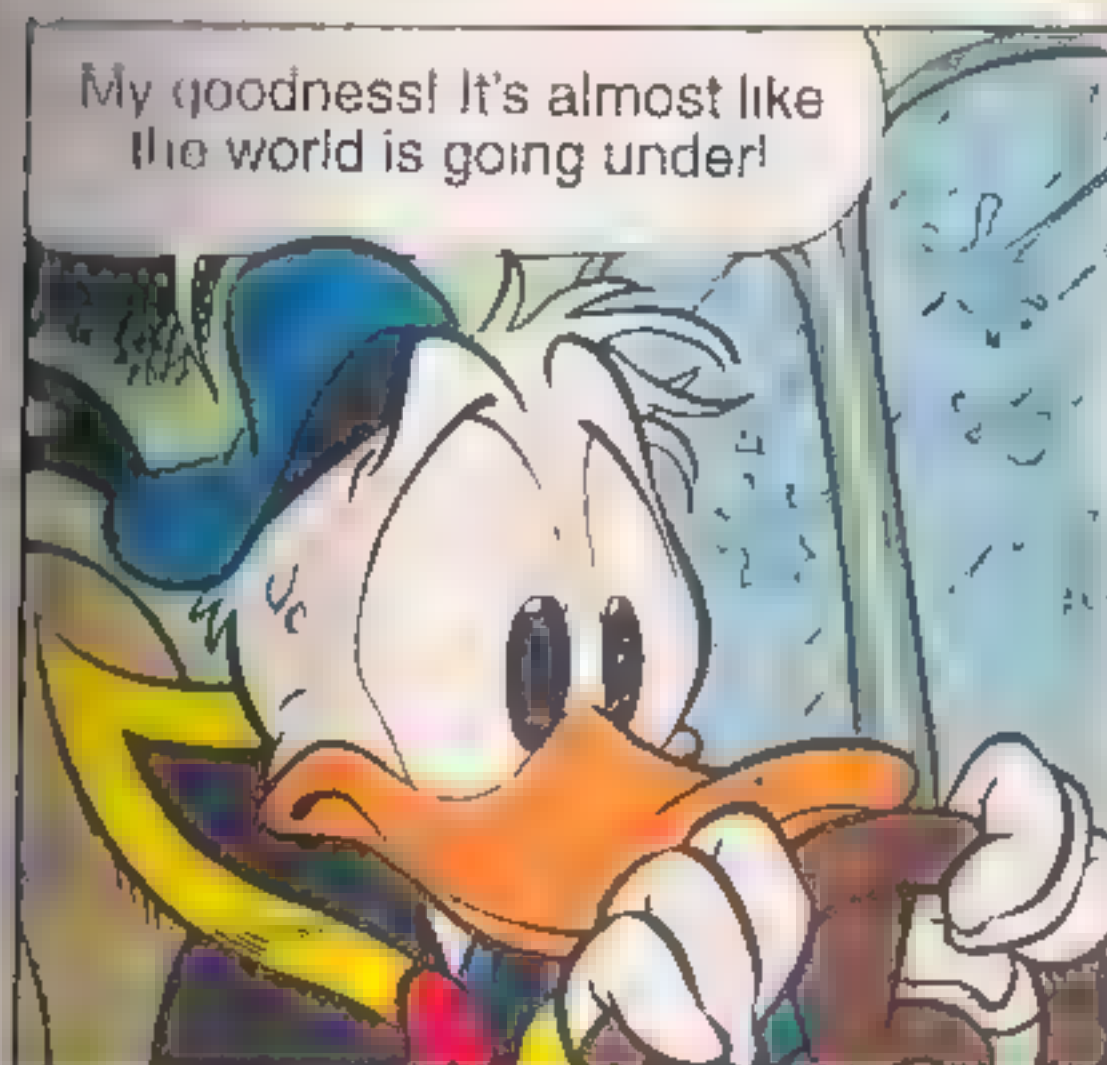

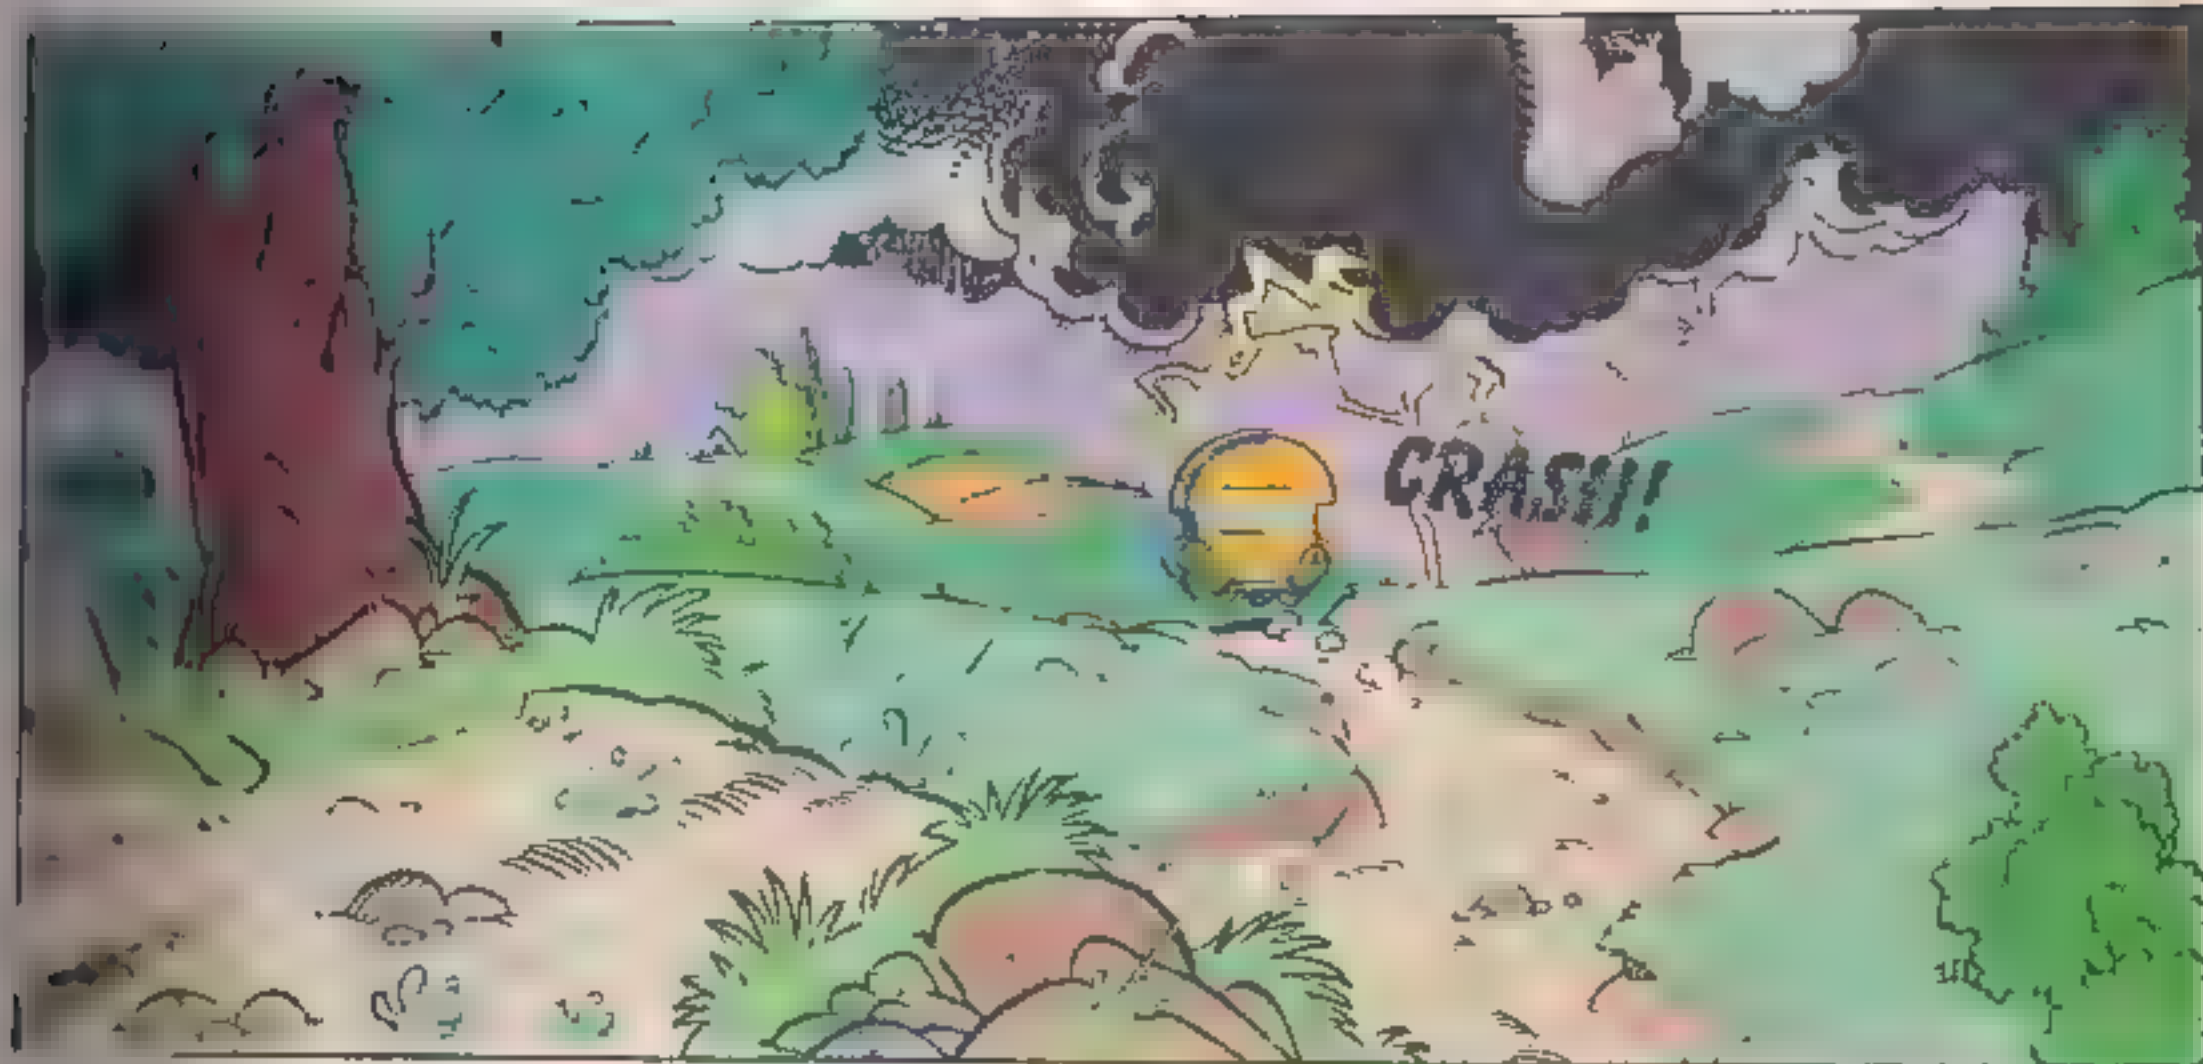

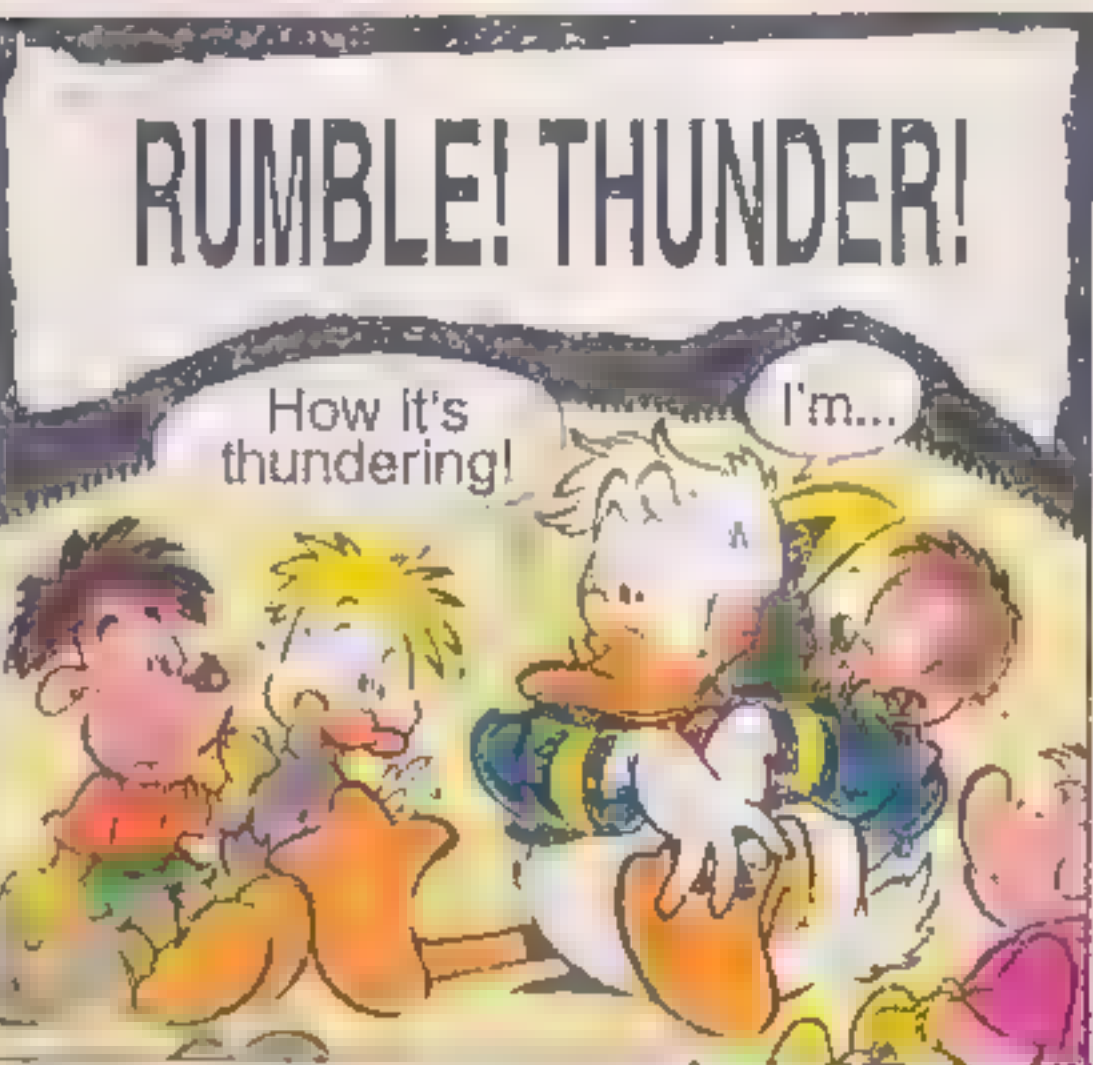

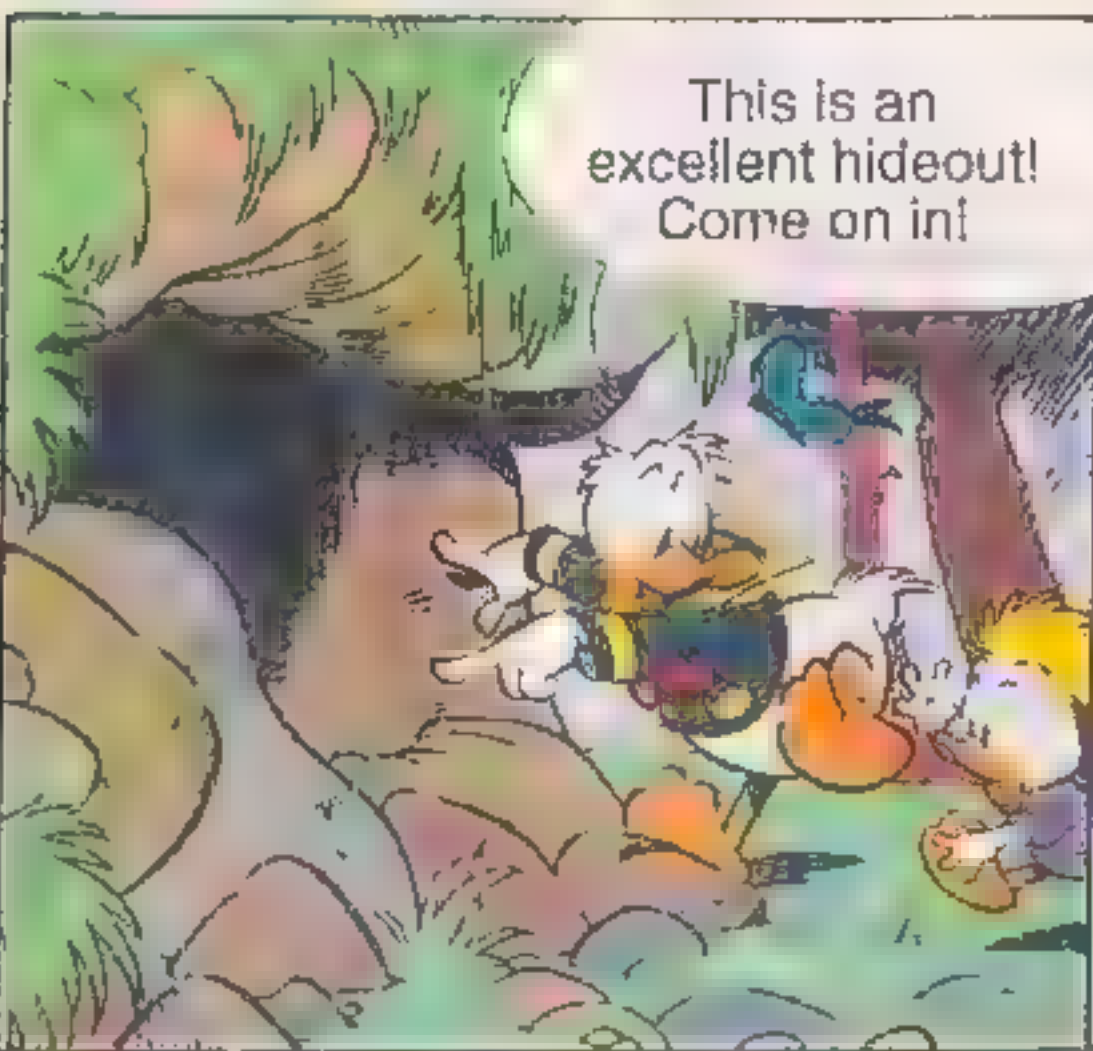

It's already started raining. And what big drops!

Now see that you keep quiet! I have to really concentrate with this horrible weather!

Oh dear! The exit seems to be blocked!

POCK!

Baaaaa!
Mama!

I wanna go home!
I wanna go home!

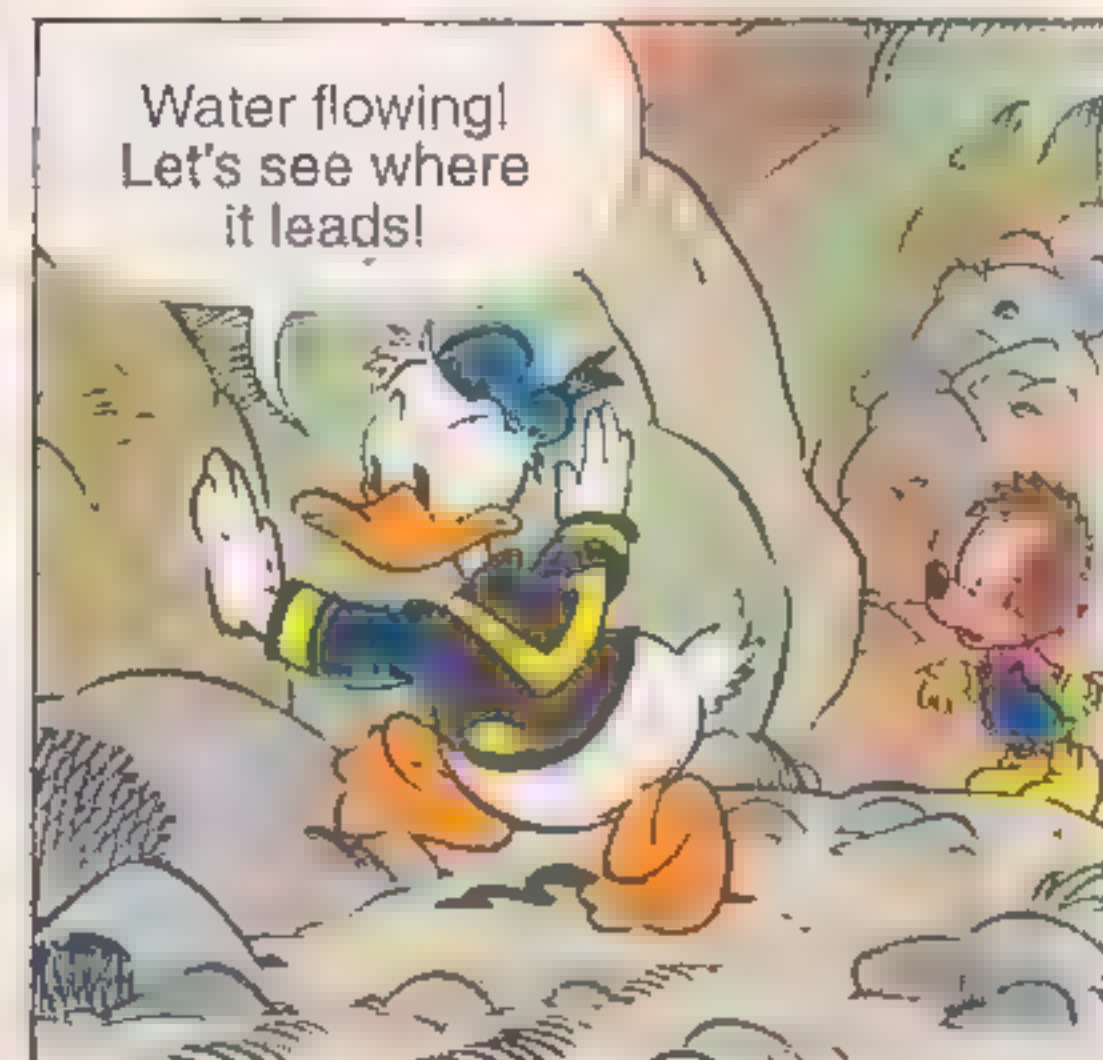

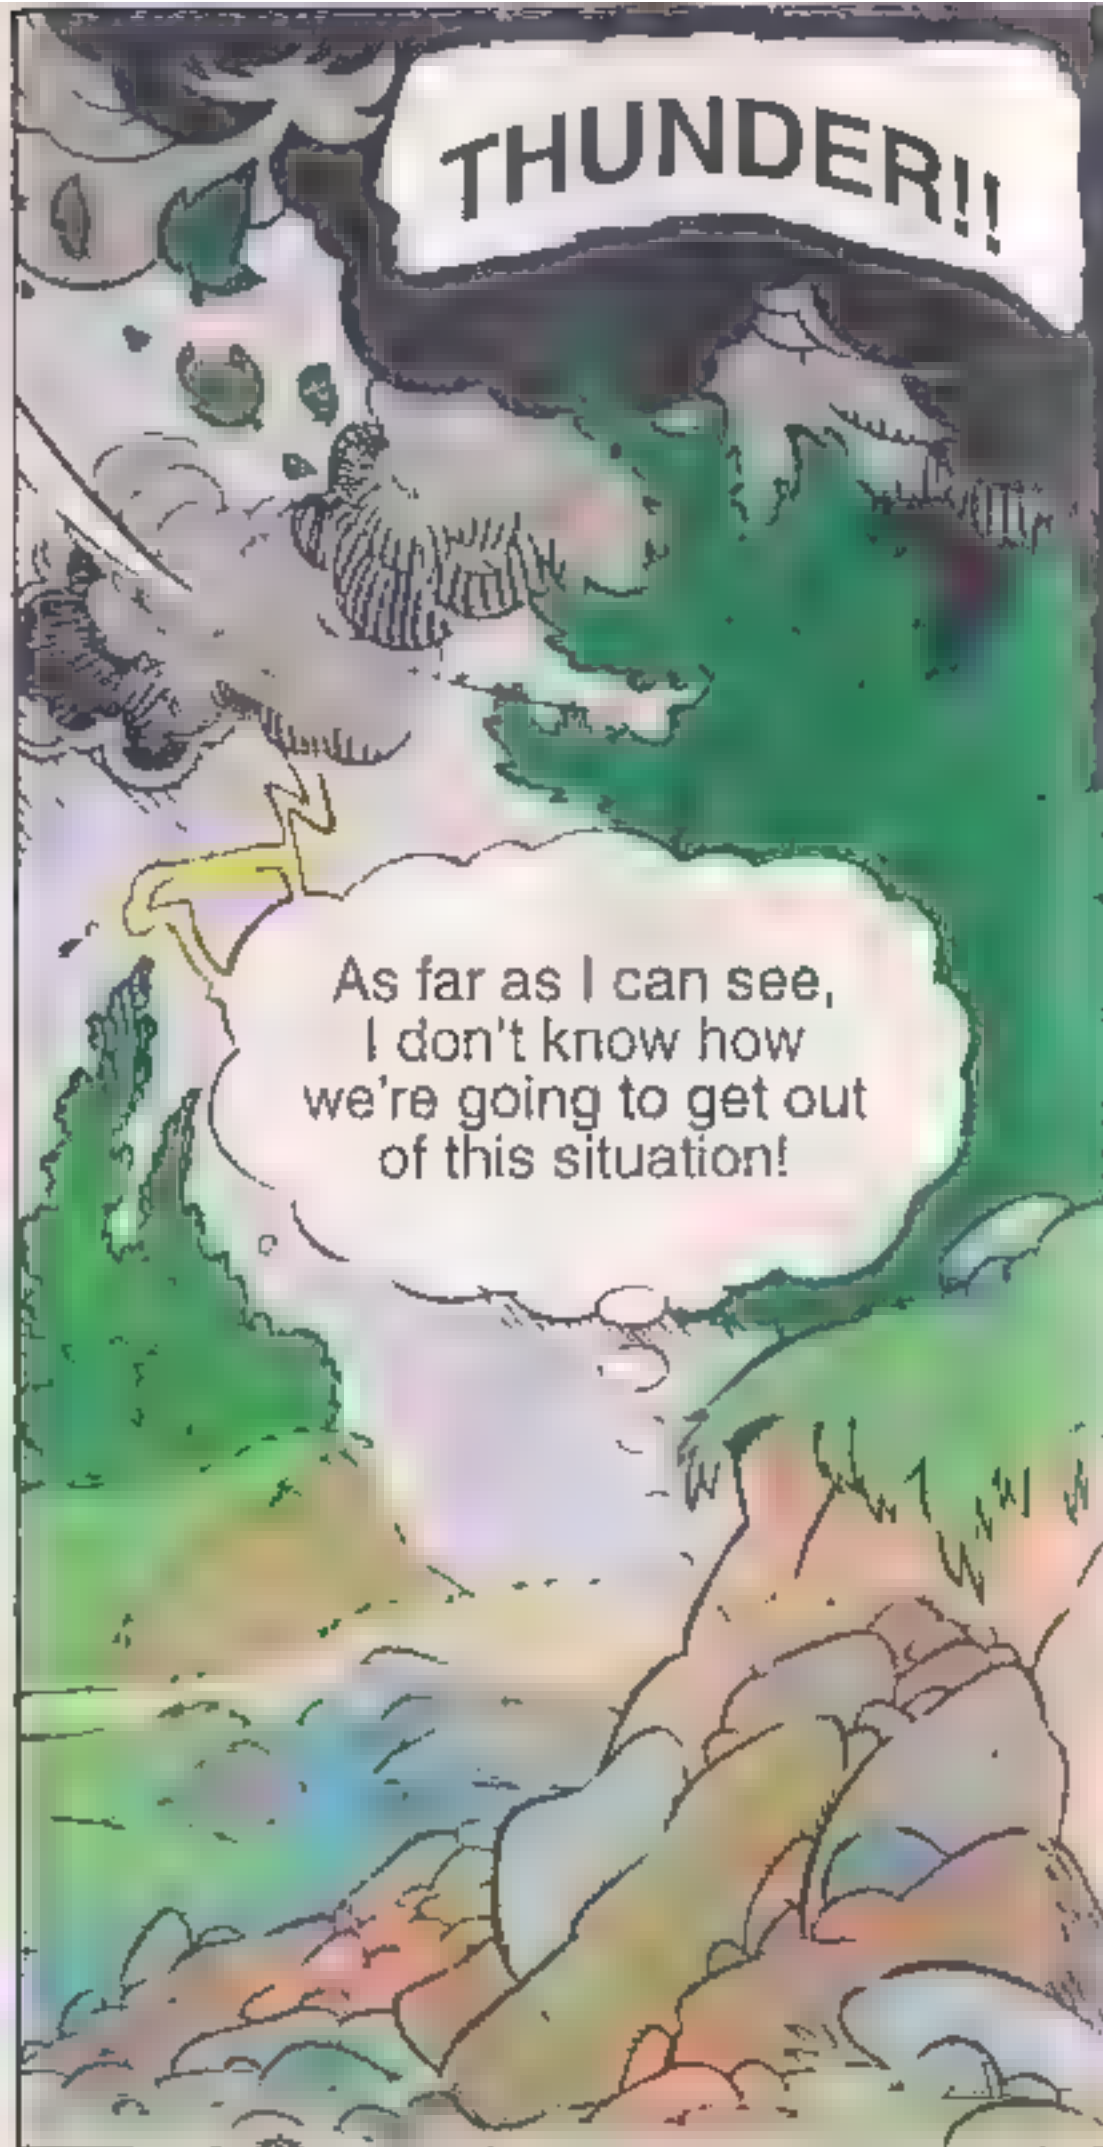

Me too! Get us out of here Donald!
Hurry up!

Keep calm kids! I'll do it soon somehow!

First a piece of chocolate for everyone!

You'll see, we'll soon get help!

Sniff! But I'm thirsty!

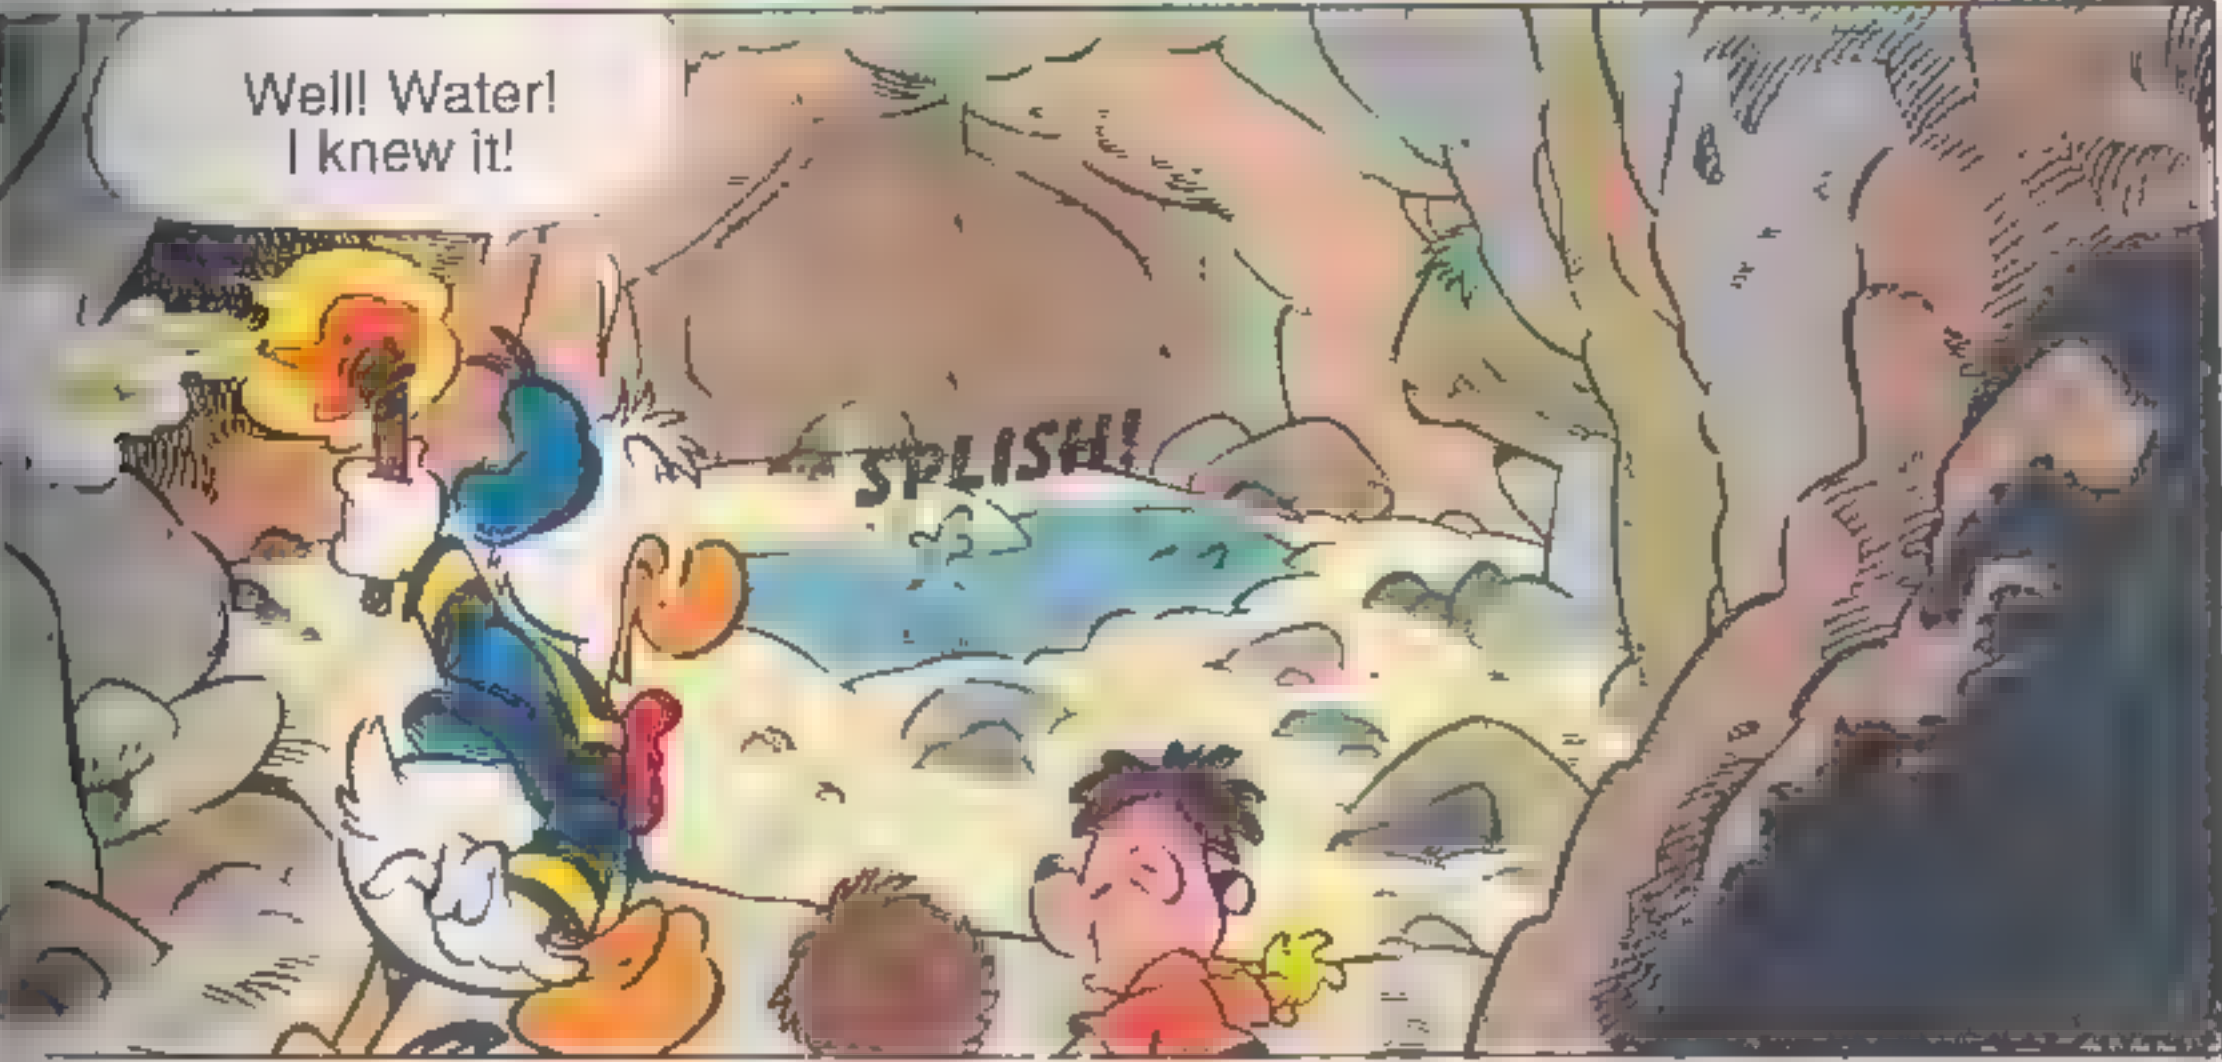

...something
think here kids!

Come behind
me all of you, but
be careful where
you step!

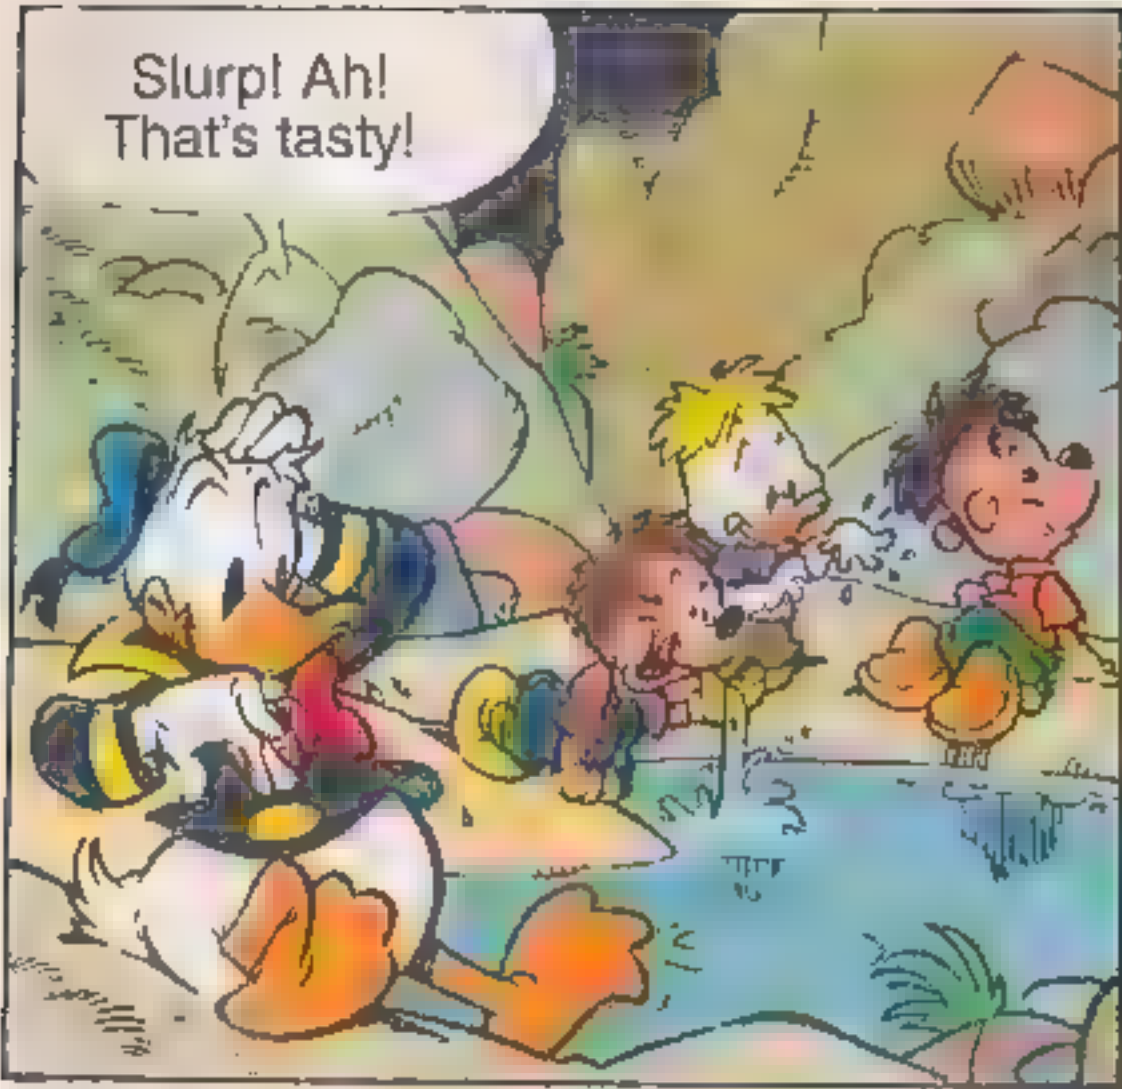

We'll have
done it soon!

Well! Water!
I knew it!

SPLISH!

Slurp! Ah!
That's tasty!

Yes, how's this?
Where does it
come from?

Mumble!...Mumble!
There's only one
explanation for it!

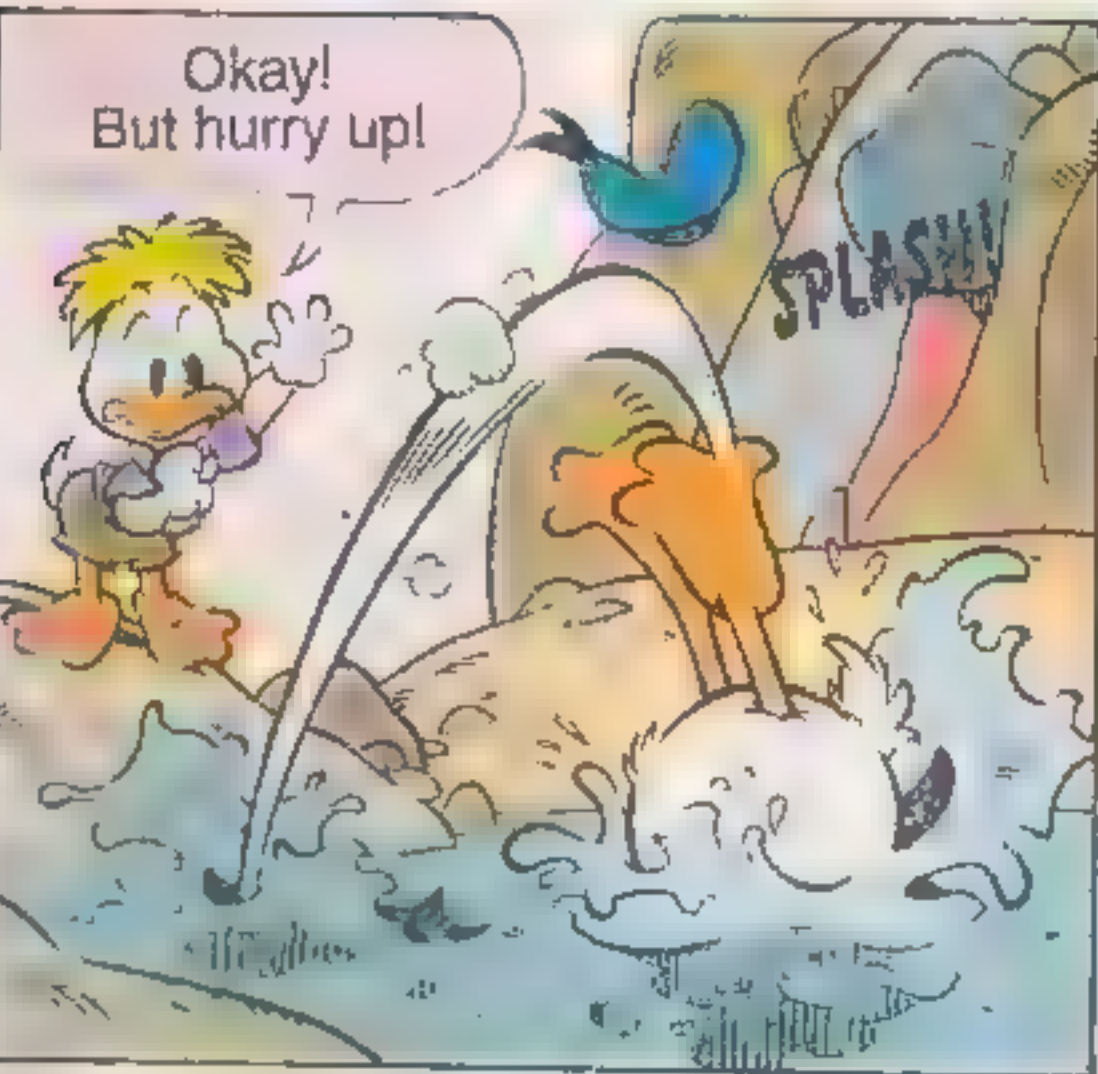

The waterhole must
have a connection
outside!

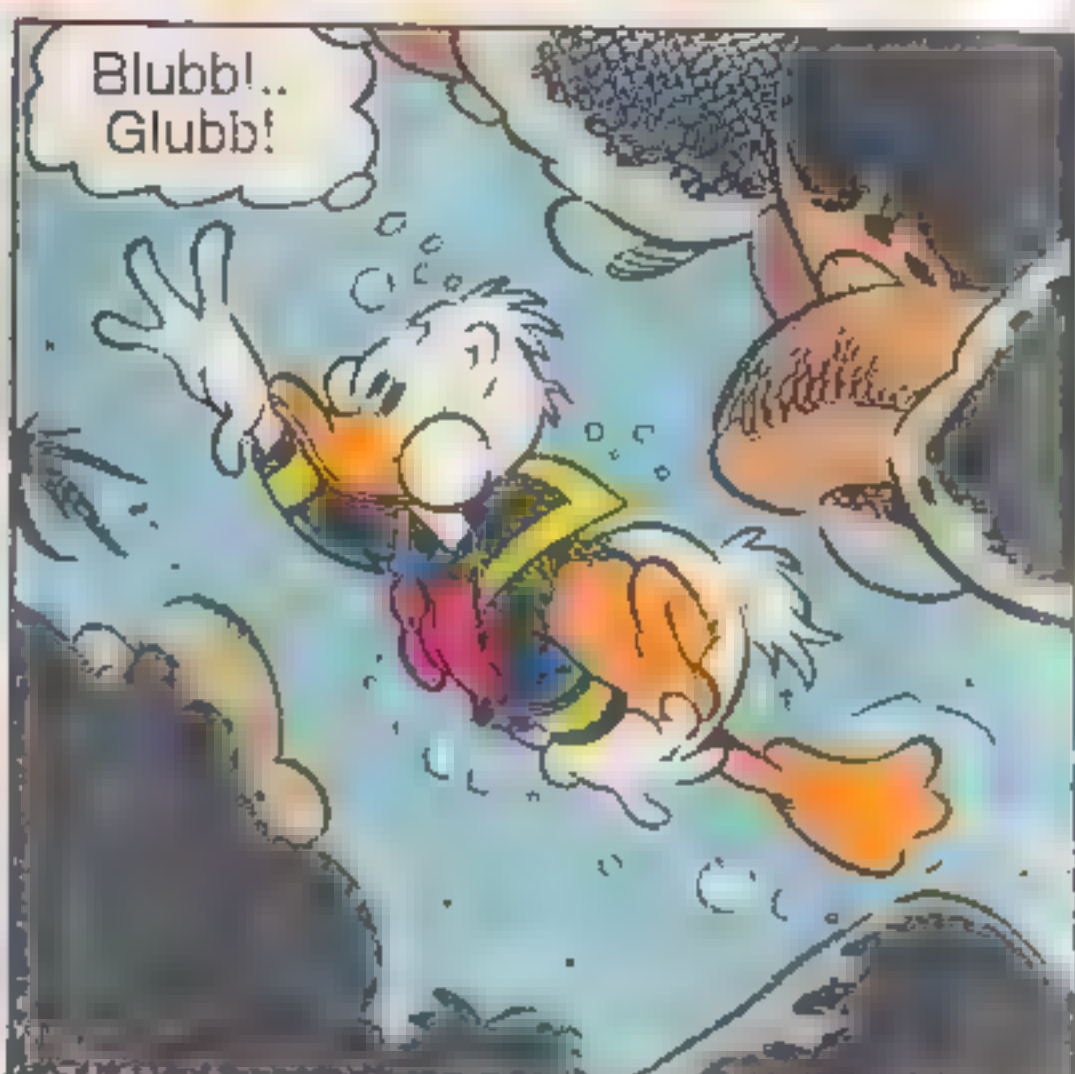

I'll go and get some
help kids!

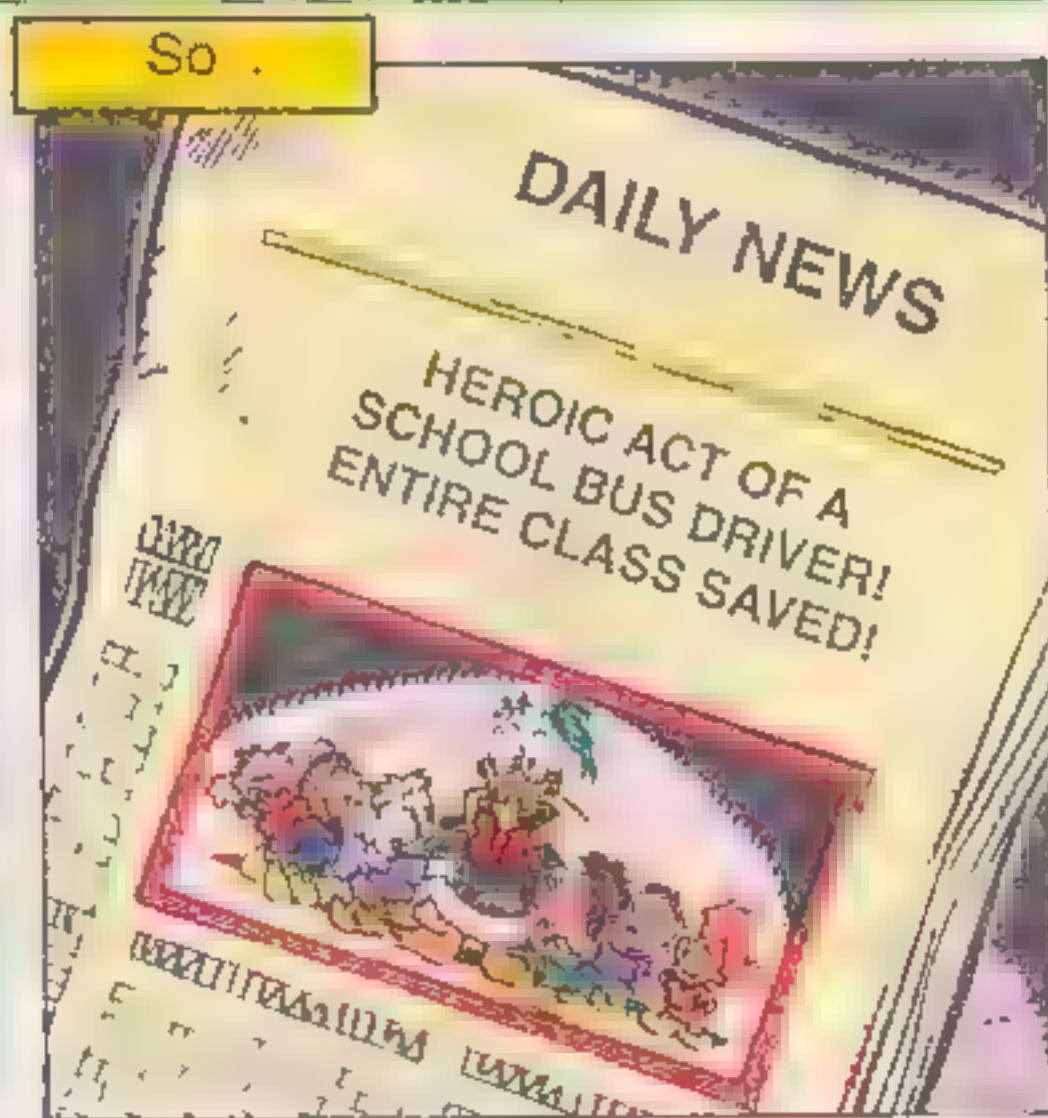

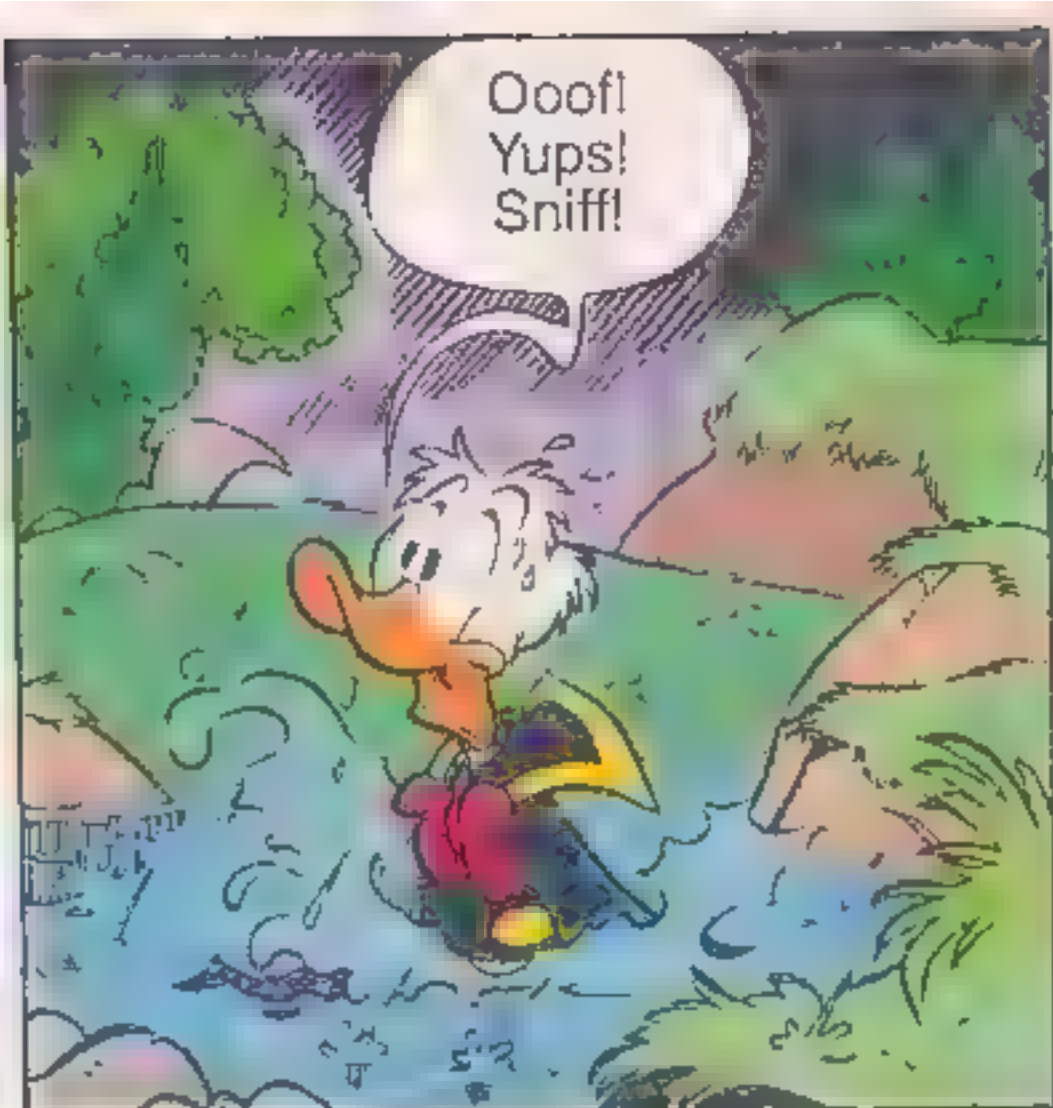

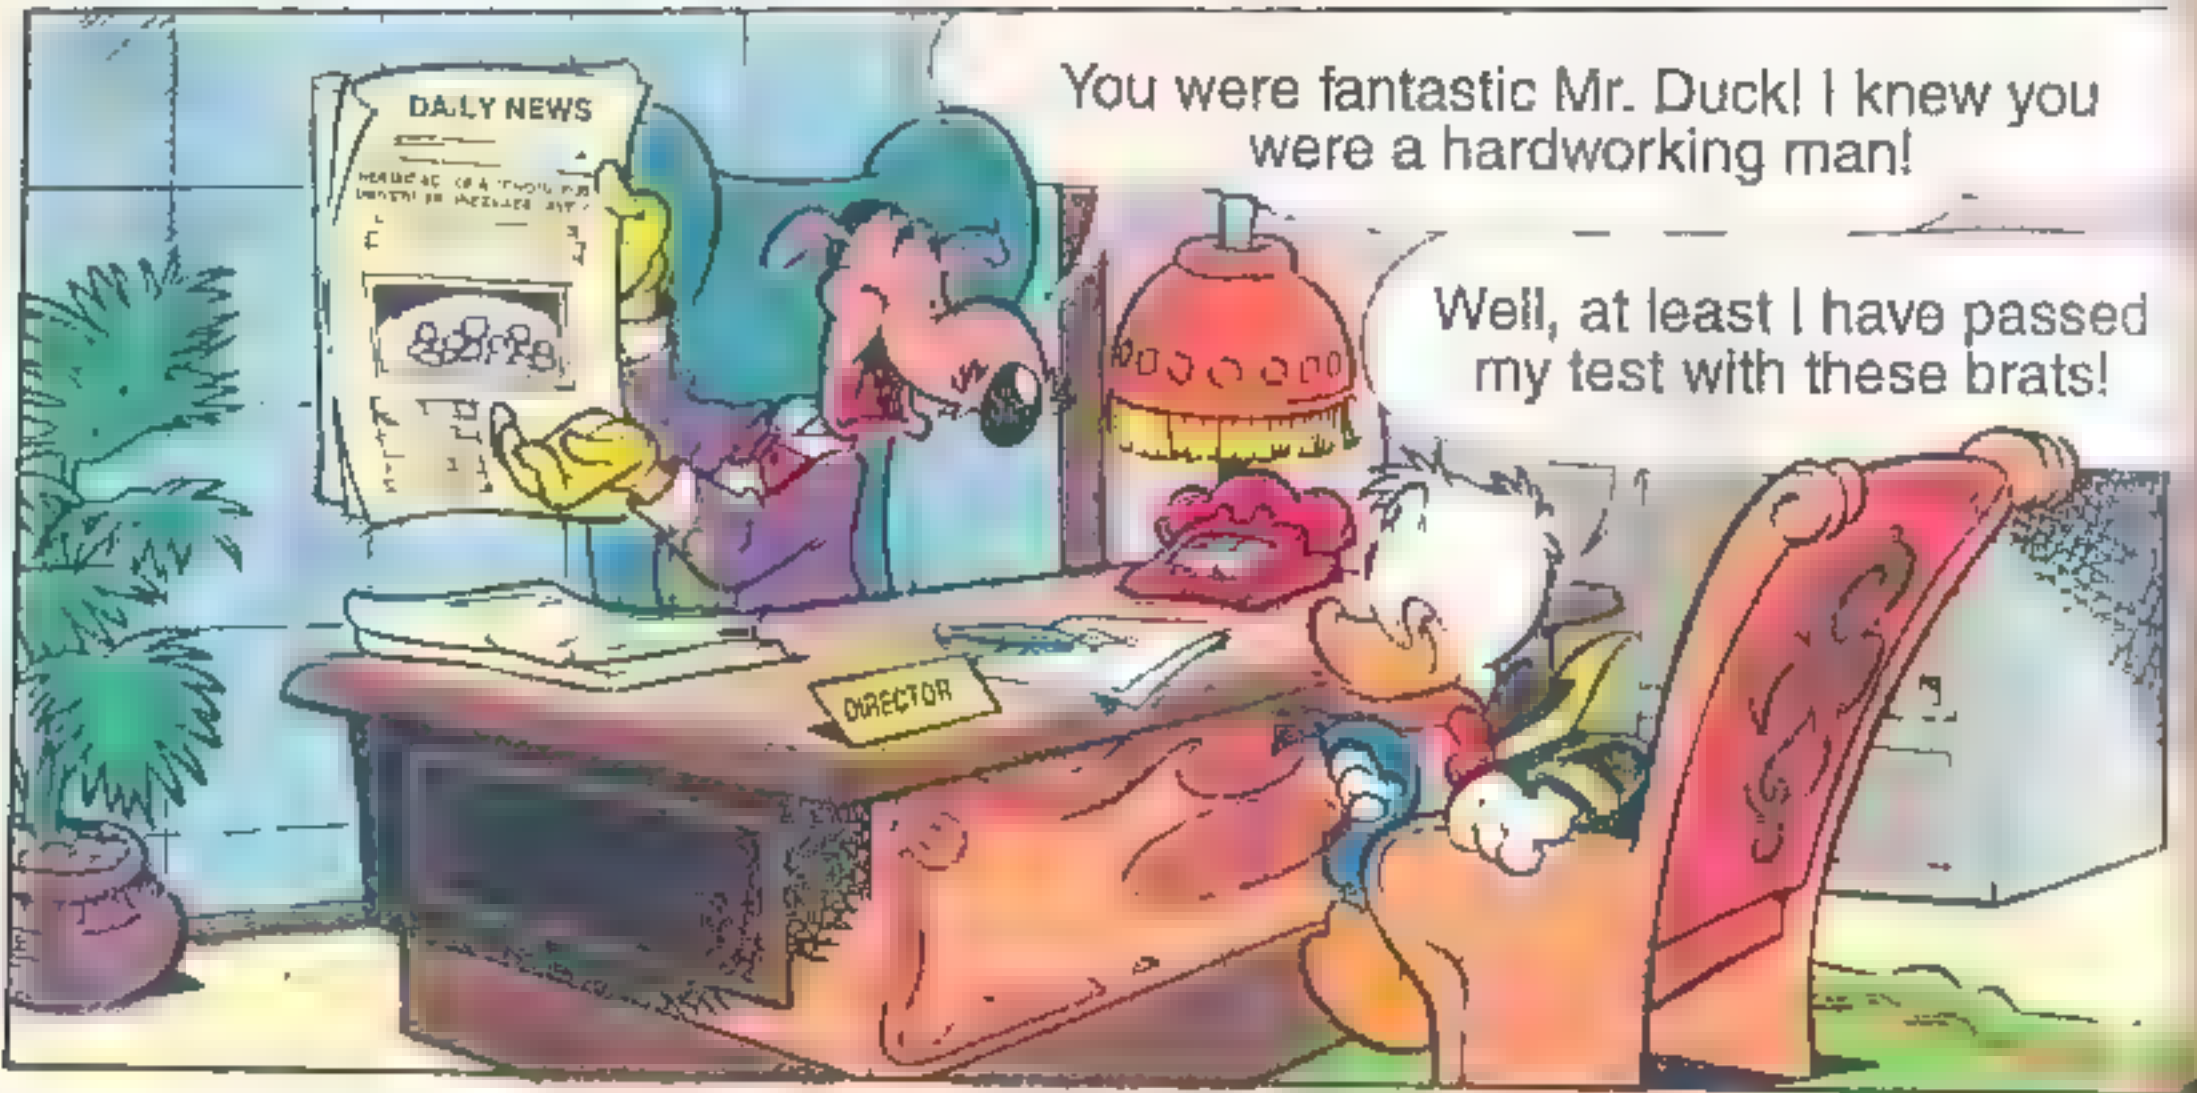

Okay!
But hurry up!

Blubb!..
Glubb!

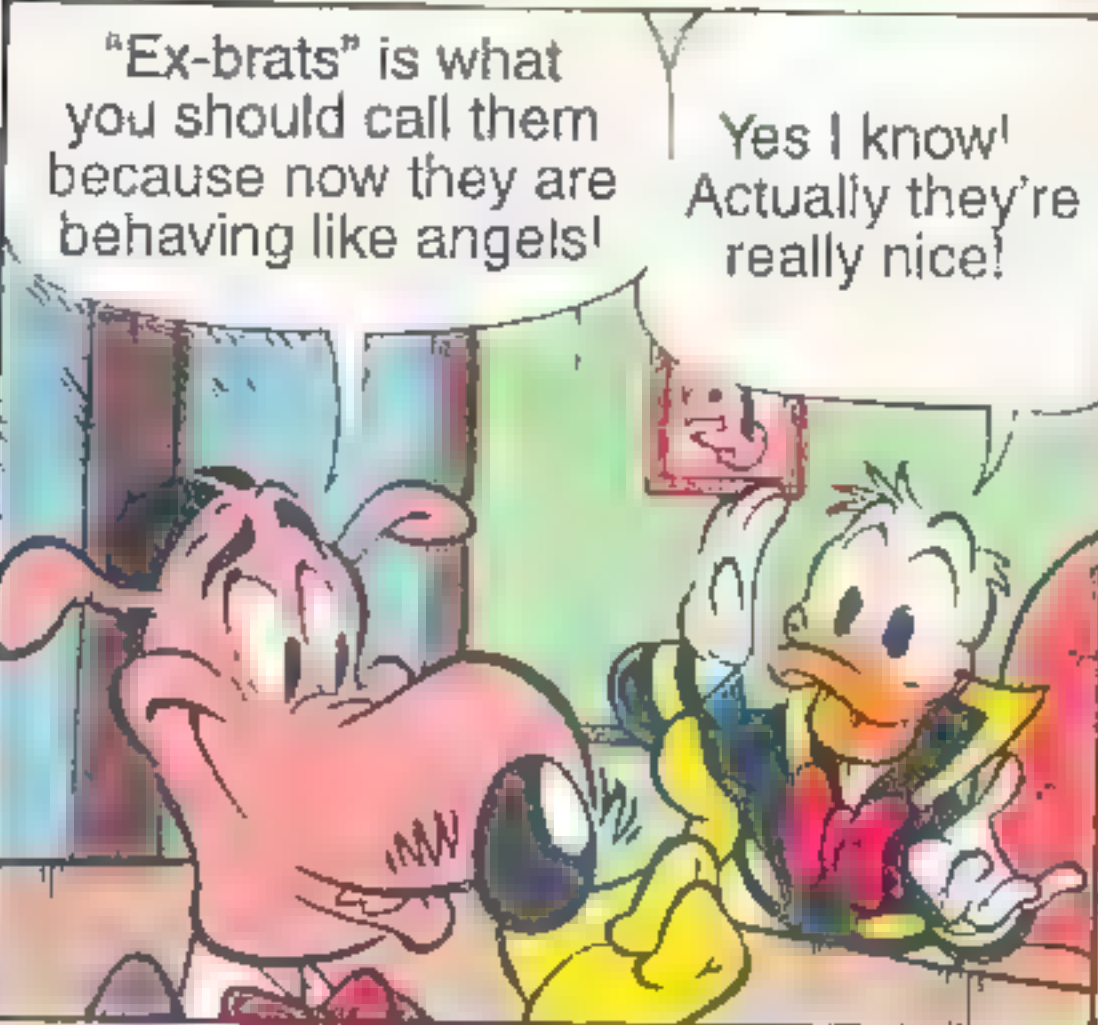

You were fantastic Mr. Duck! I knew you were a hardworking man!

Well, at least I have passed my test with these brats!

"Ex-brats" is what you should call them because now they are behaving like angels!

Yes I know! Actually they're really nice!

For your heroic act you will naturally get an award!

Like some money?

Of course not! I'm not talking about money! You're already earning too much!

I'm going to put the wildest class under your care! Well, isn't that something?

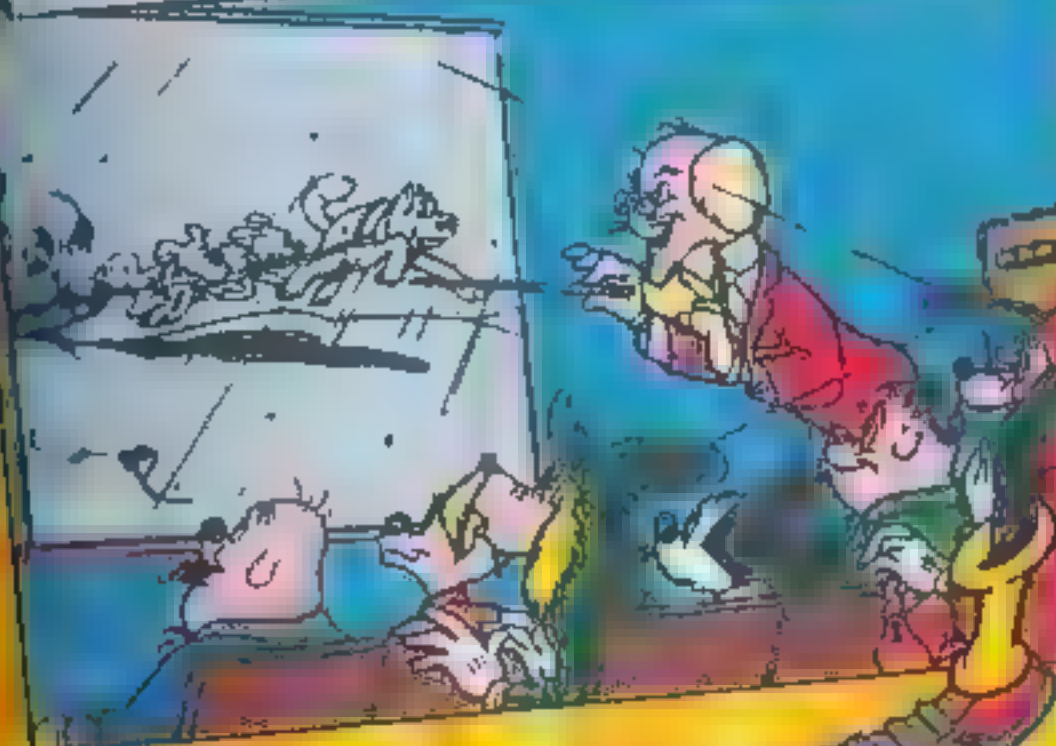

Groan!

THE END

Are you tough?

- 1 Which medal would you most likely have won?
- A: The record for eating ice cream.
 - B: The record for having caught the world's largest fish.
 - C: The record for having scaled the Everest in the shortest possible time.

- 2 Which of these feats impresses you the most?
- A: To climb a large mountain.
 - B: To solve a difficult mystery.
 - C: The invention of the radio.

- 3 Where would you rather be?
- A: In the cockpit of a fighter plane.
 - B: On board a submarine.
 - C: On an archaeological expedition in the Sahara

- 4 Which animal do you believe is the most durable?
- A: A camel.
 - B: A horse.
 - C: A lion.

- 5 Which of these three things would you most likely have discovered?
- A: The television
 - B: The vaccine for malaria.
 - C: The bicycle.

10 points.

5 points.

1 point.

5 to 15 points:

You are not extremely tough, when it comes to climbing mountains. You are more for a calm and quiet game by the kitchen table.

16 to 34 points:

Bungee jumping and parachute jumping are a little bit too much for you. But you are not afraid of challenge, just as long as it takes place on the ground!

35 to 50 points:

You are like a hurricane! For you the expression 'relax' is a town in Russia! Some good advice: loosen up a bit, before you knock the breath right out of your friend!

What have the pictures here in common? Then find a mistake in one of them, and if you are very clever find a book hidden somewhere in this whole scenery!

WALT DISNEY'S

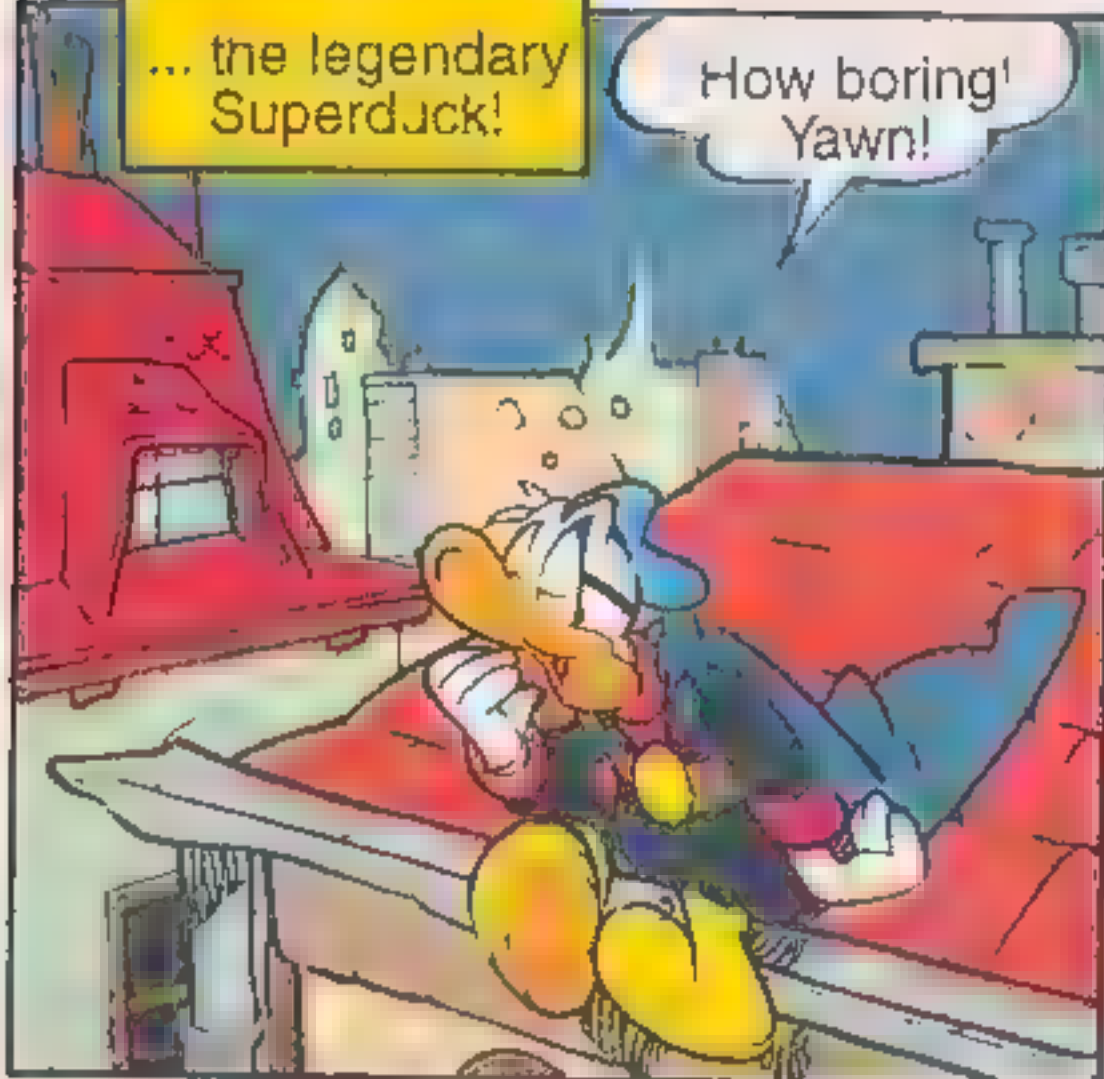

A SECRET IN DANGER

It's dark in the
night in Duckburg!
All are sleeping, only
one is awake... the
one with the mask has
made night into day...

UNDERGROUND

... the legendary Superduck!

How boring!
Yawn!

Nothing happening again tonight. The thieves are becoming lazier!

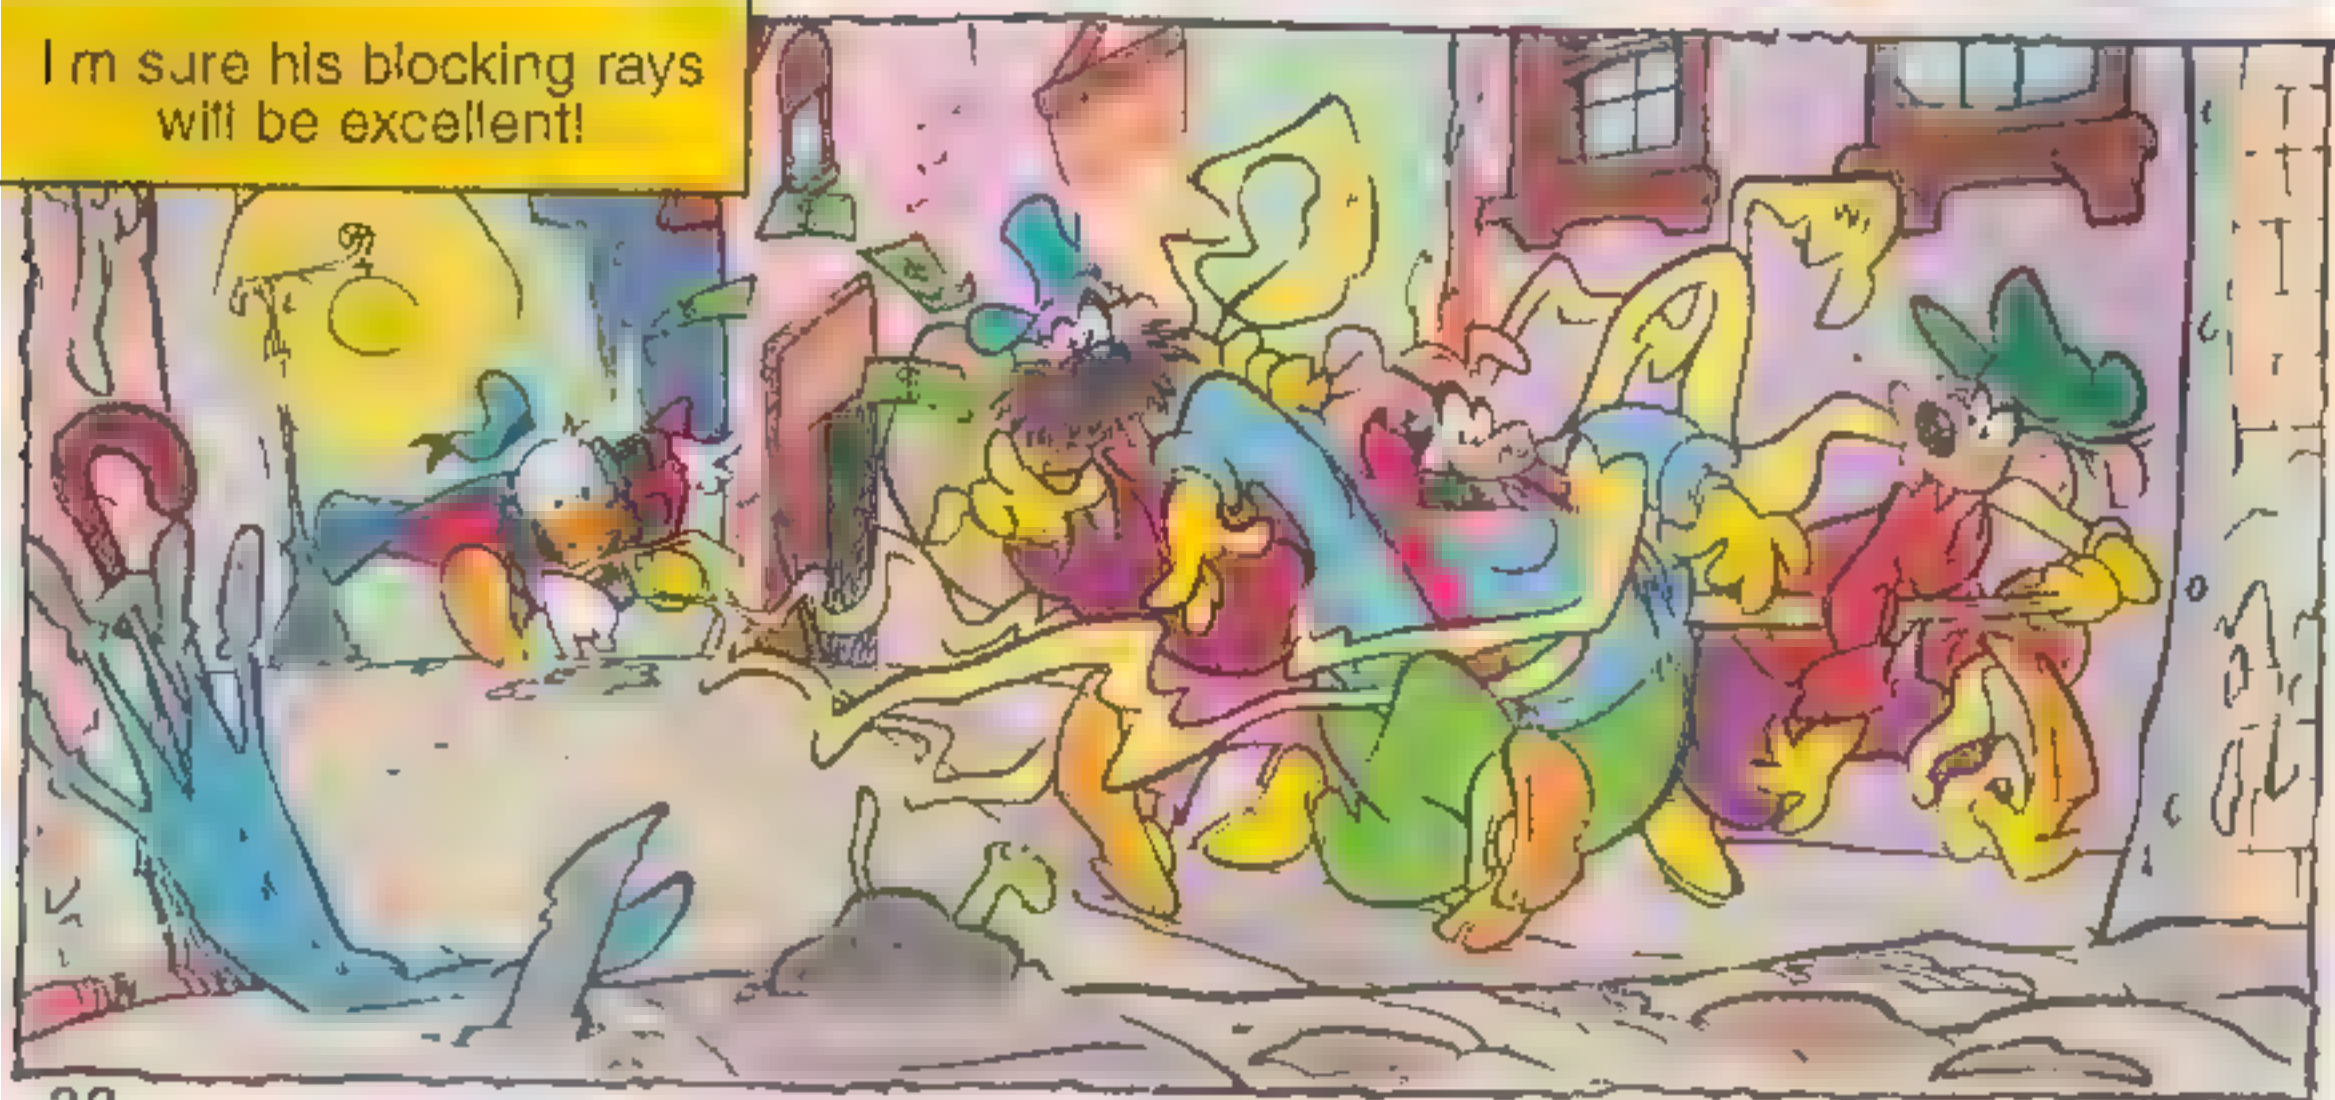

But I am to blame for that.
I've caught almost all of them!

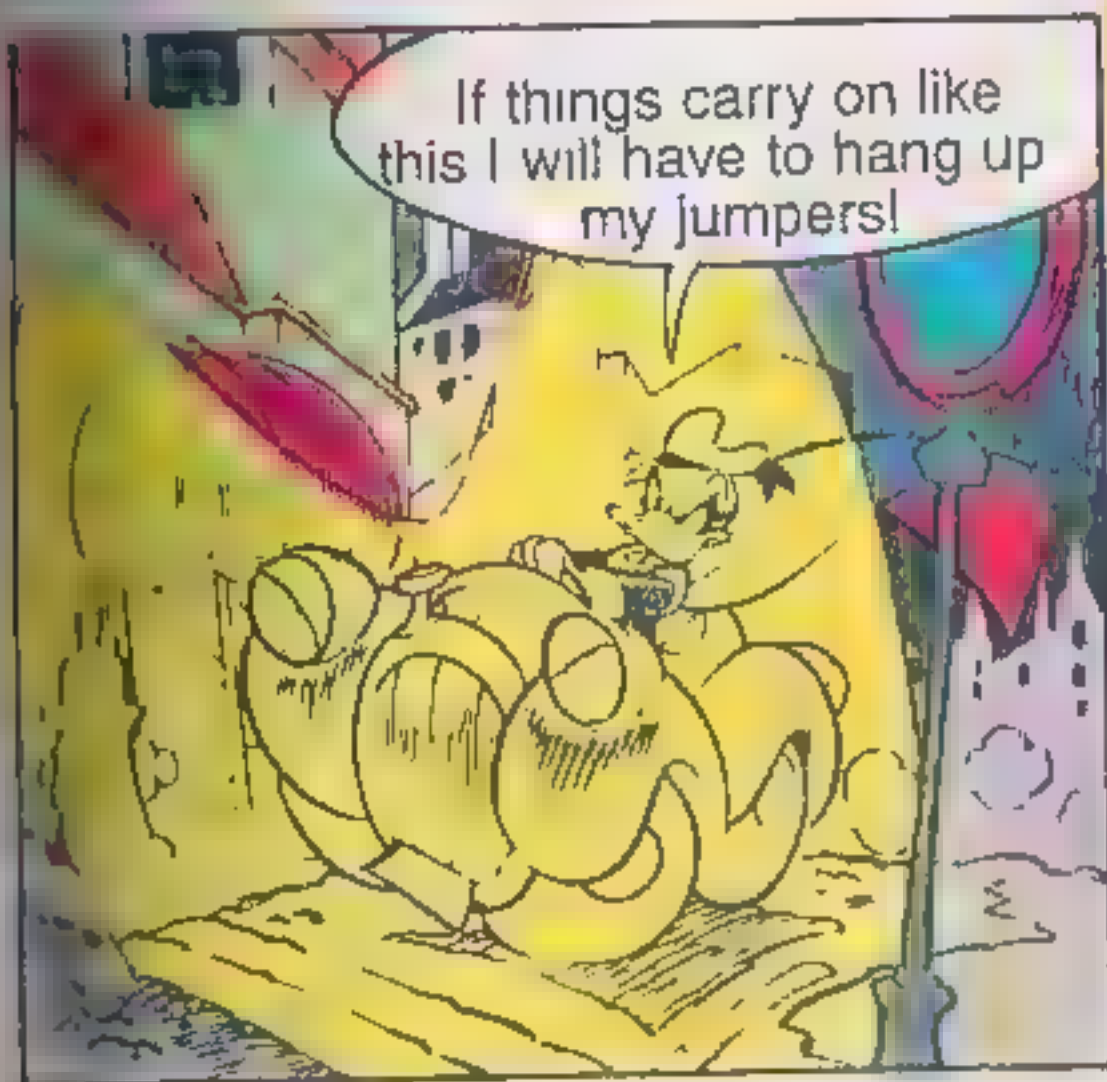

How can I test Mr. Gearloose's new weapon?

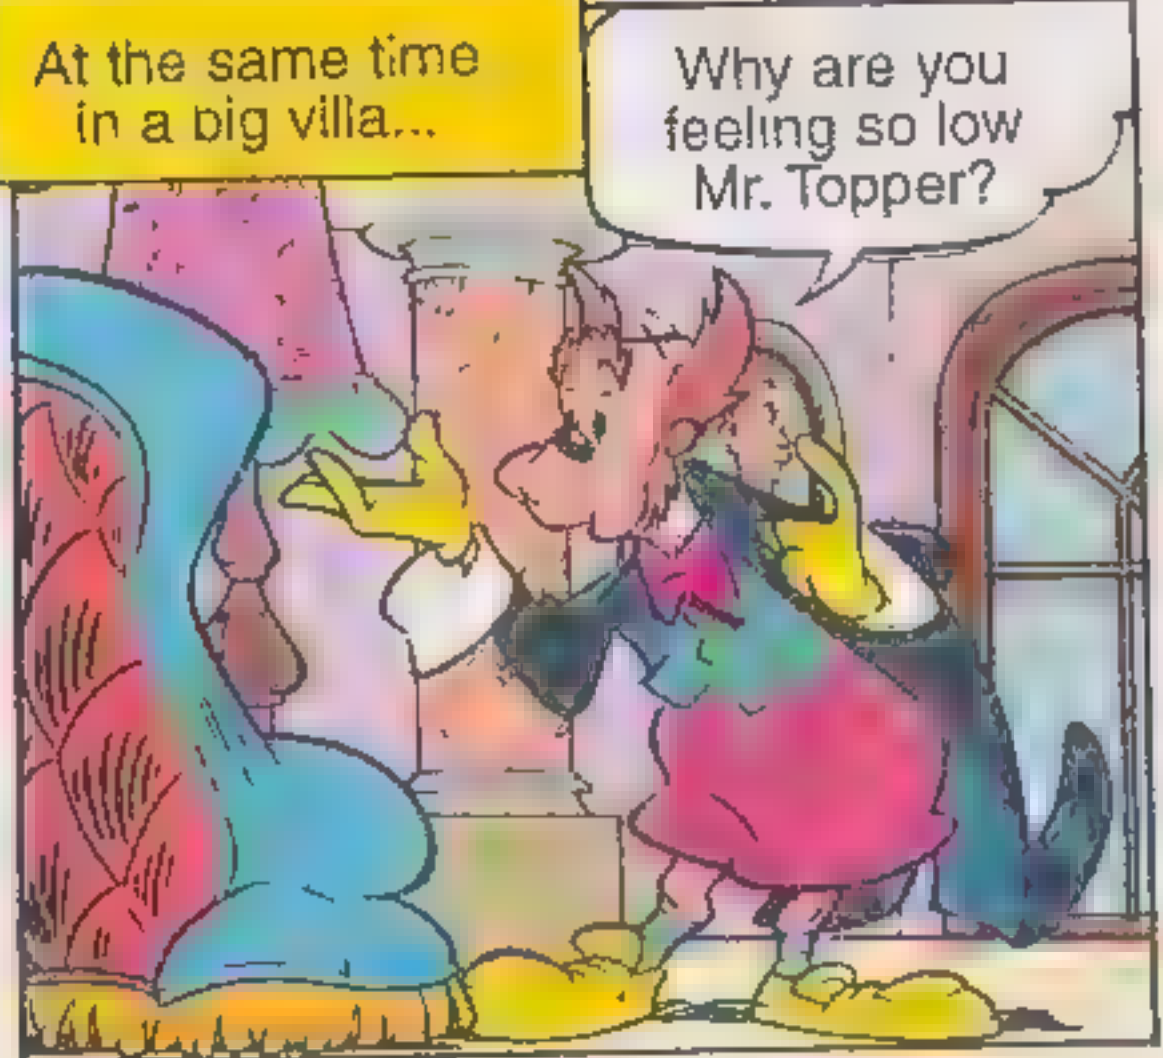

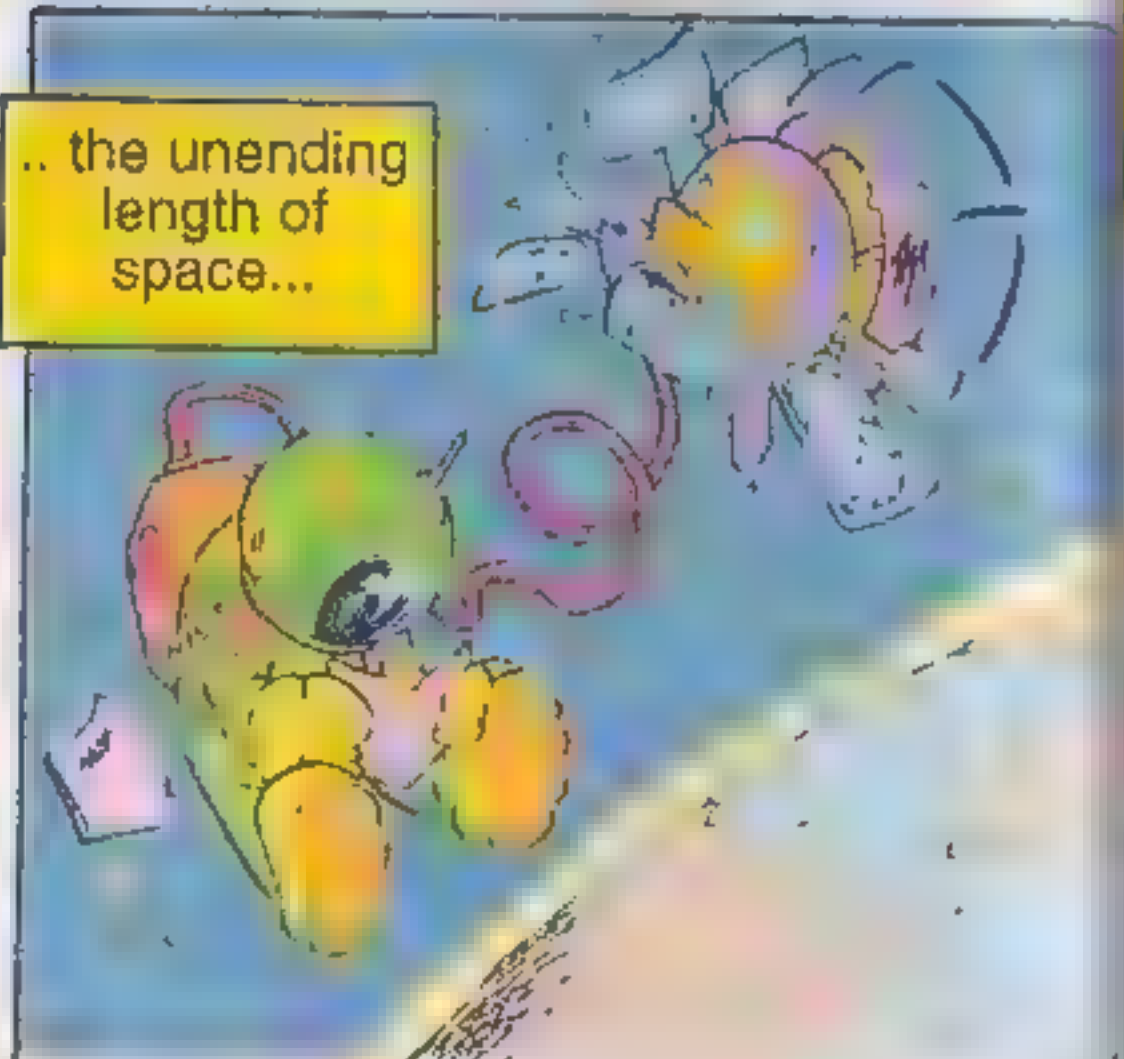

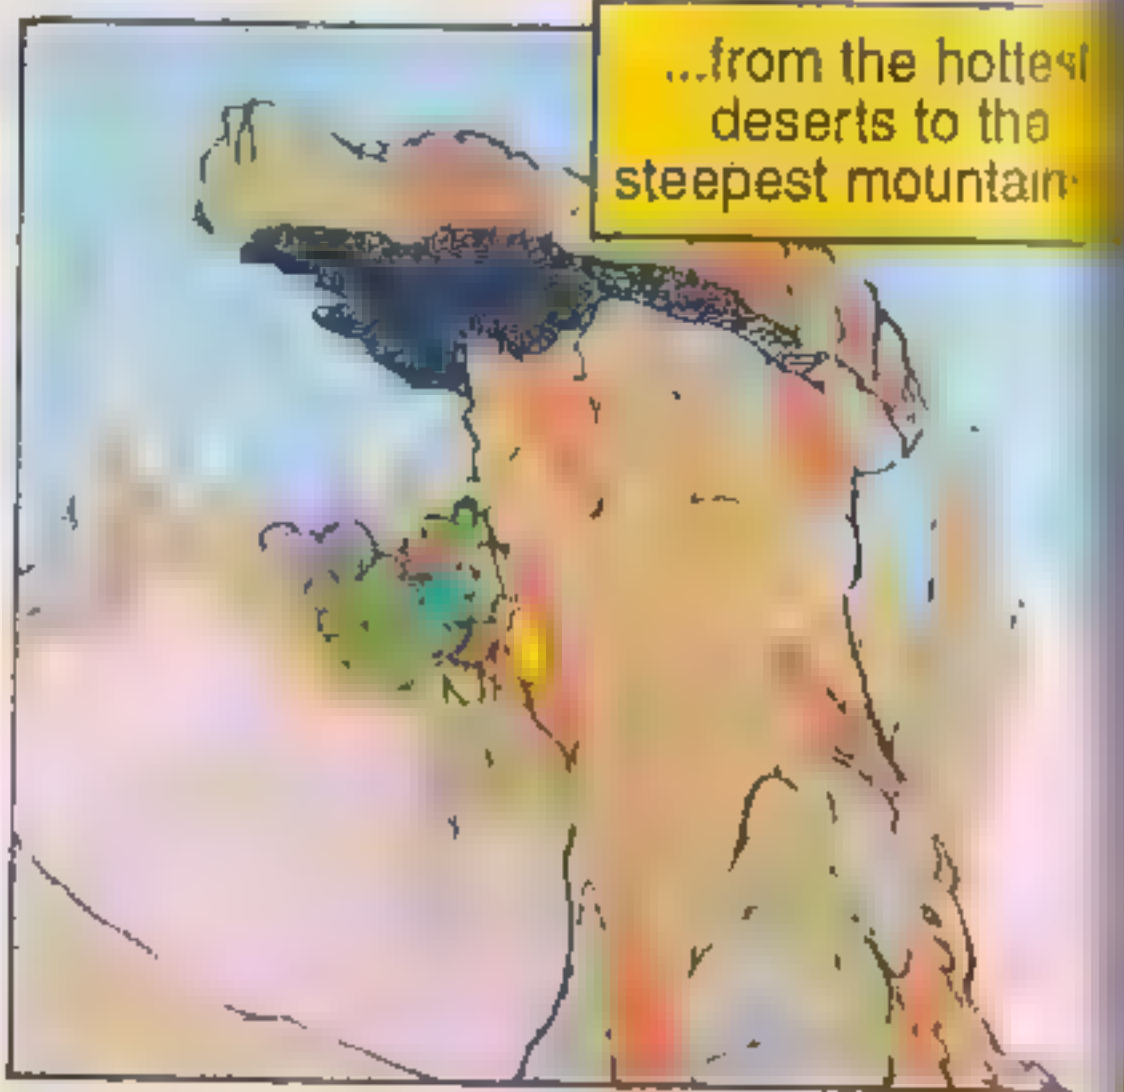

I'm sure his blocking rays will be excellent!

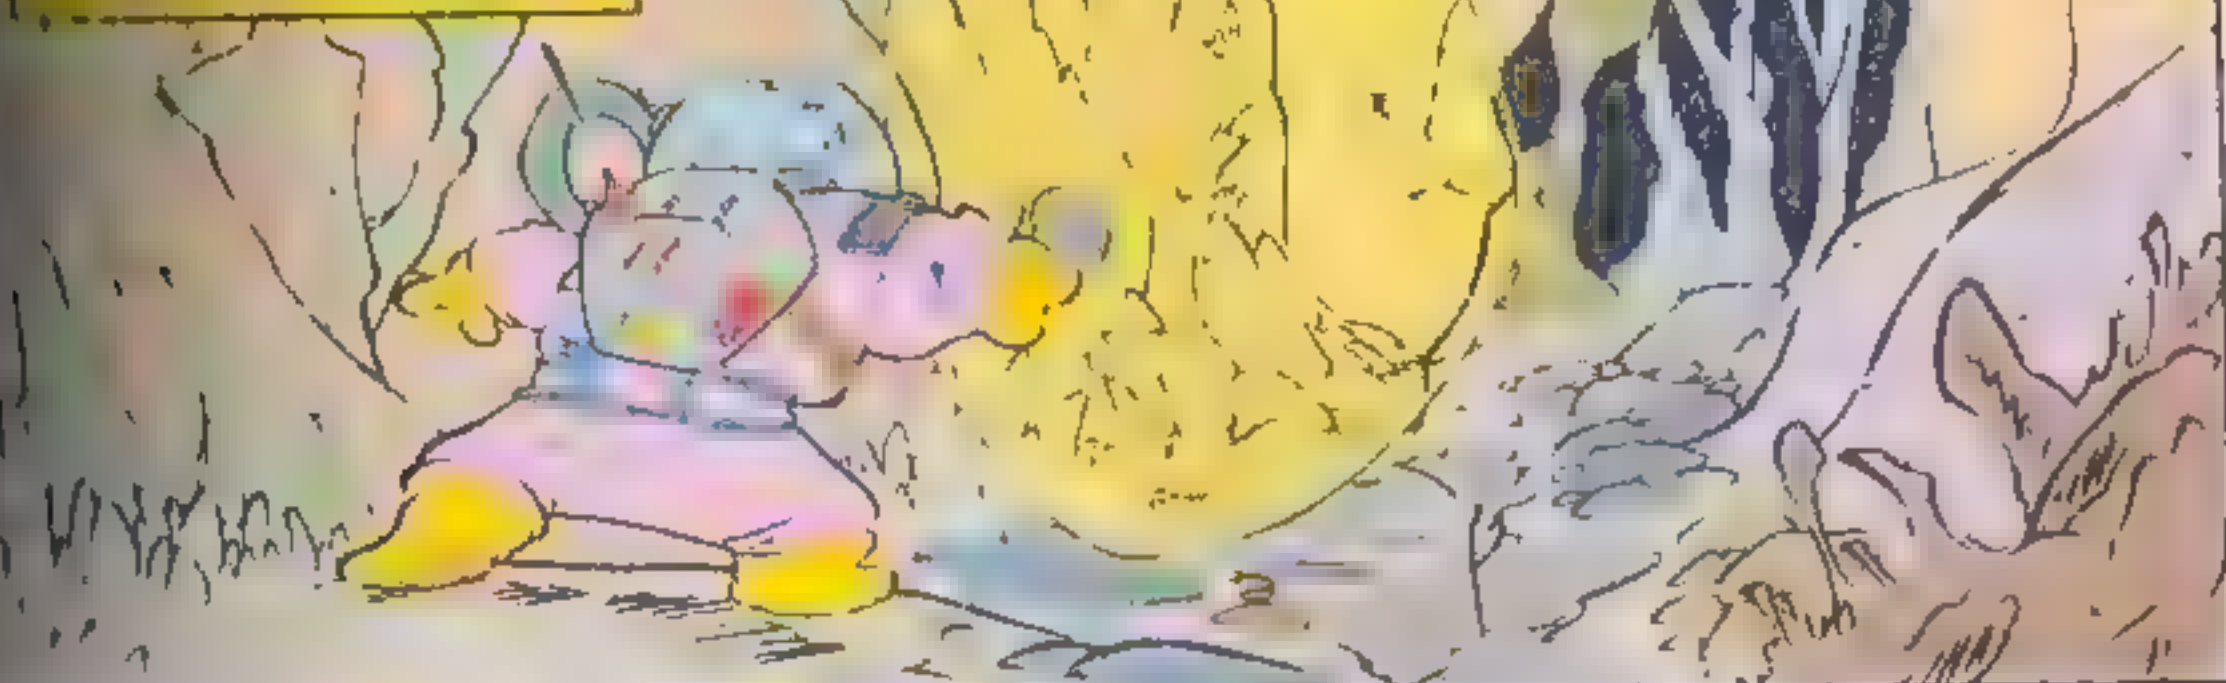

At the same time in a big villa...

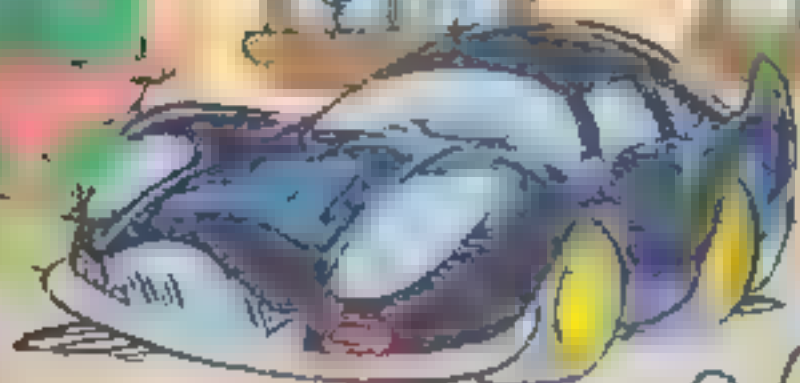

I've even stepped
on the moon!
And all I have
left are memories!

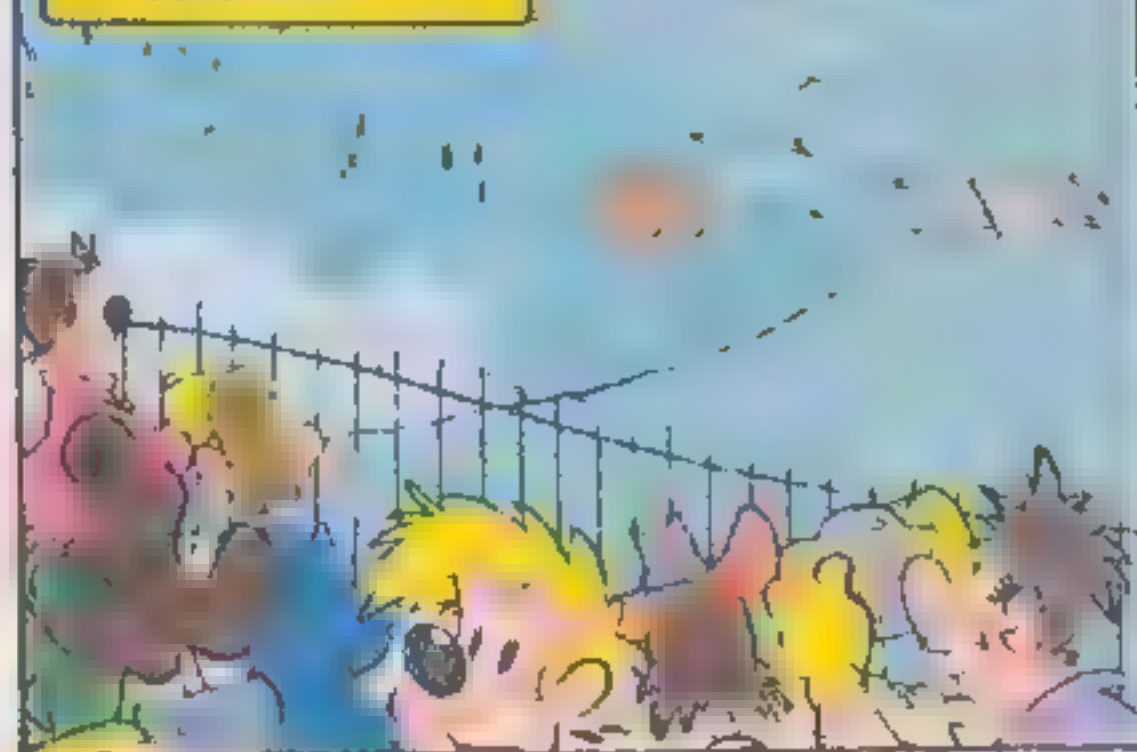

Unbelievable what
all you've
experienced!

Oh yes,
the most
strangest
and weirdest
things!

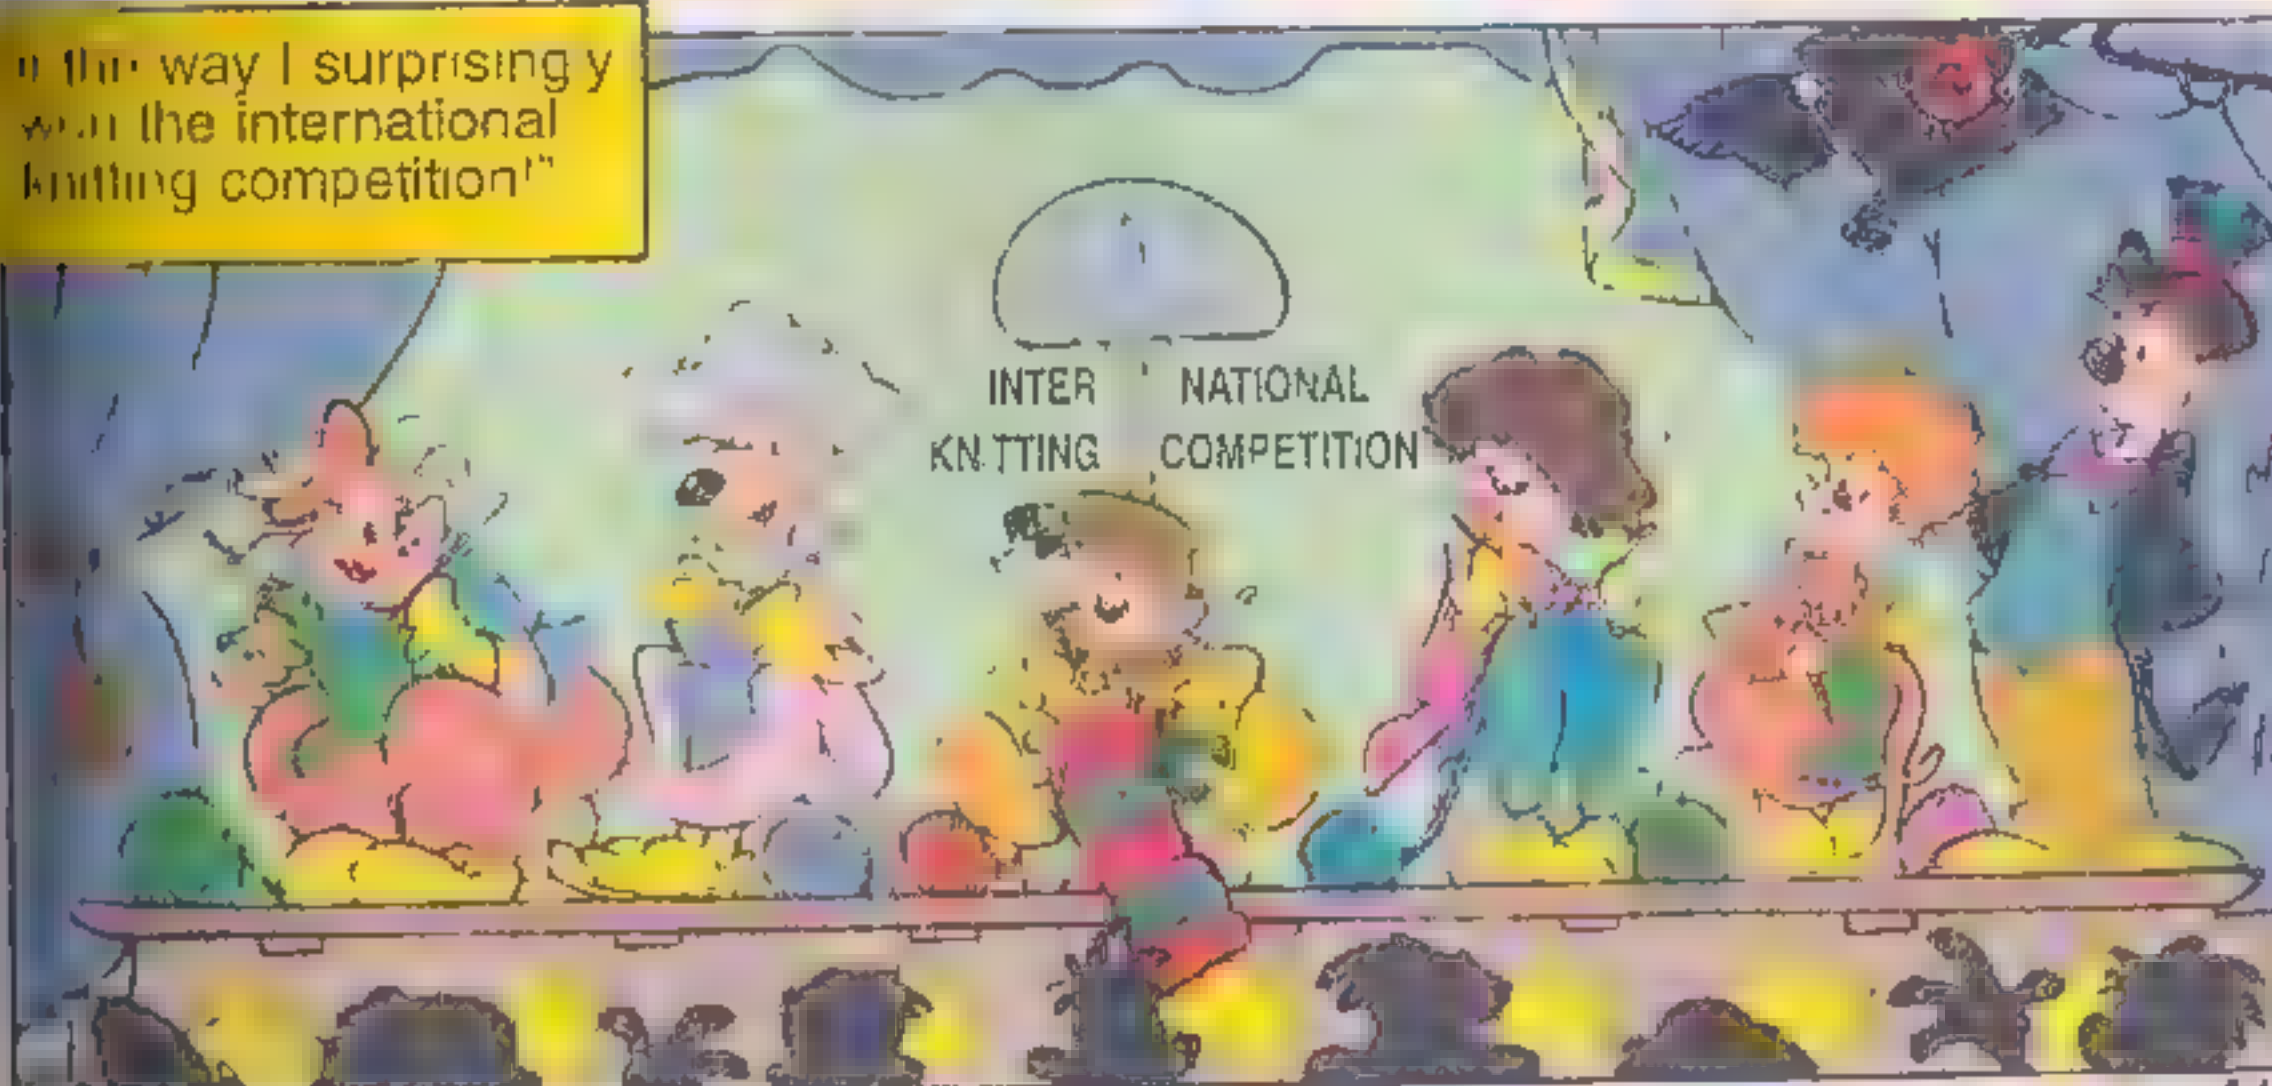

"Just think how
I caught the
'waterfall in a
suitcase...'"

On the way I surprising y
won the international
knitting competition!"

INTER NATIONAL
KNITTING COMPETITION

But there are no new challenges anymore!

Could be!

But there's always something electronic!

Don't even mention the Rudolph!

I know electronics was my hobby for a long time! Now even that's gone!

That's why I'm so bored!

...and nobody will ever succeed..

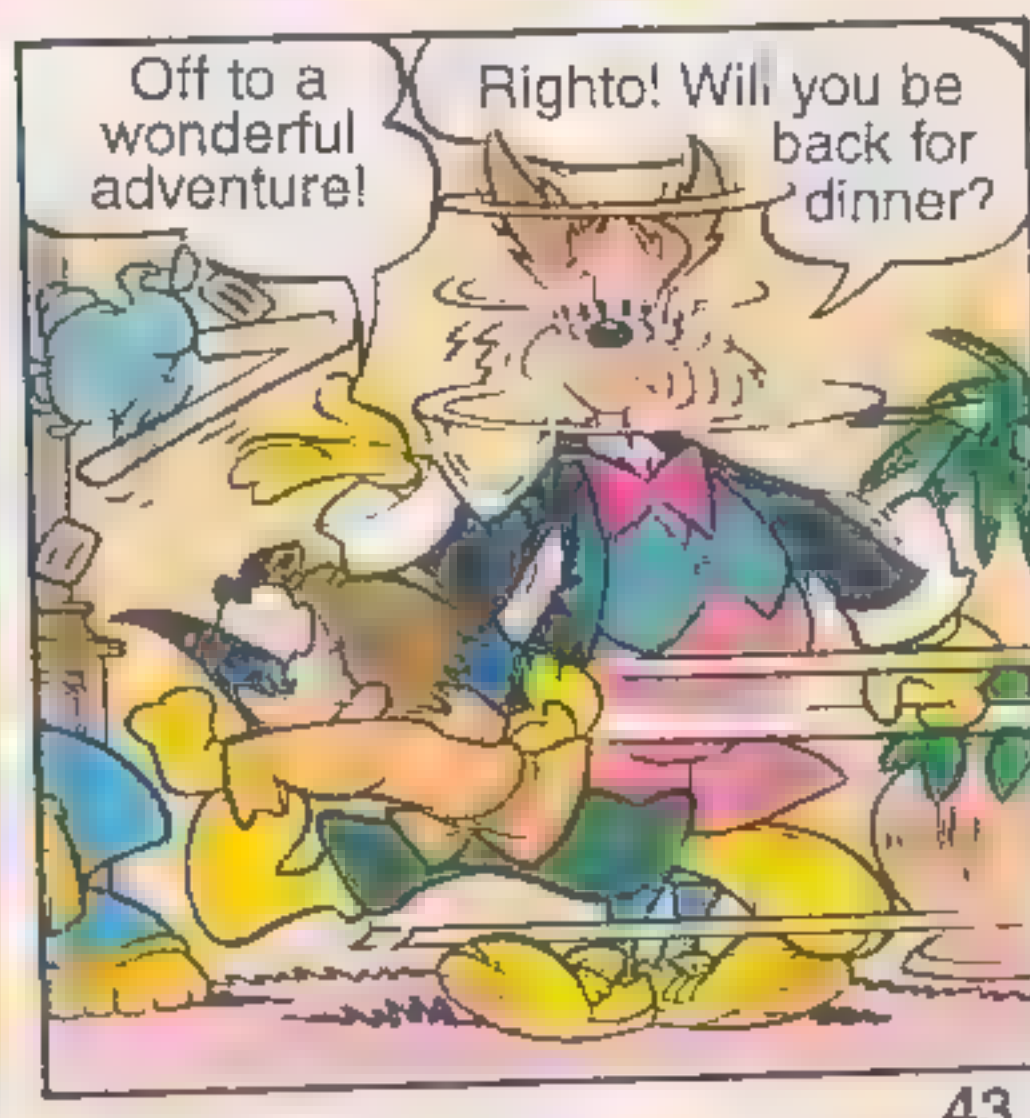

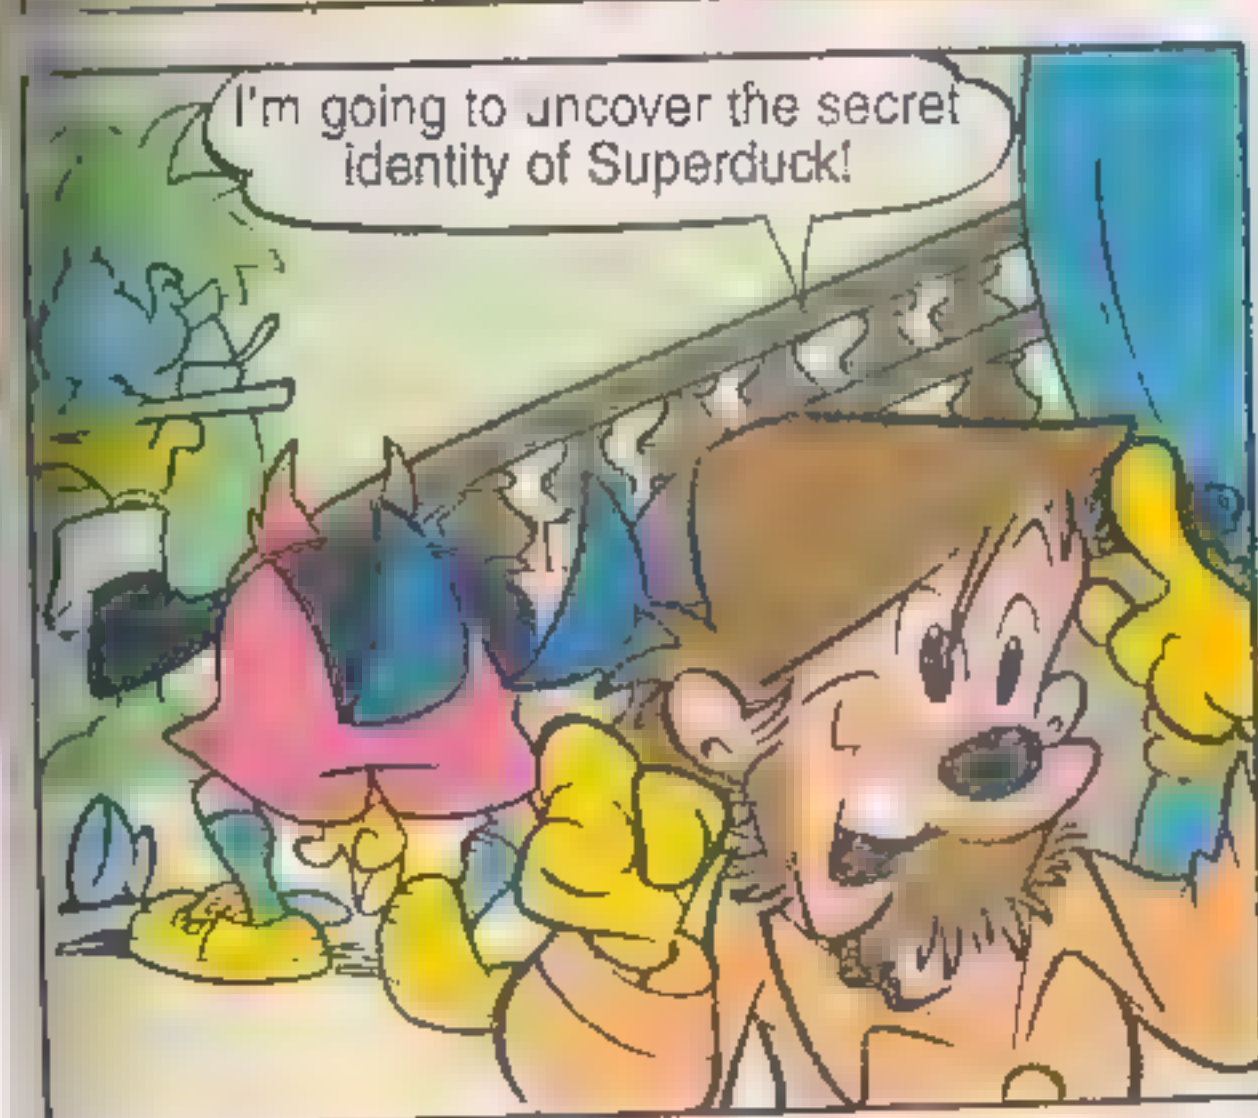

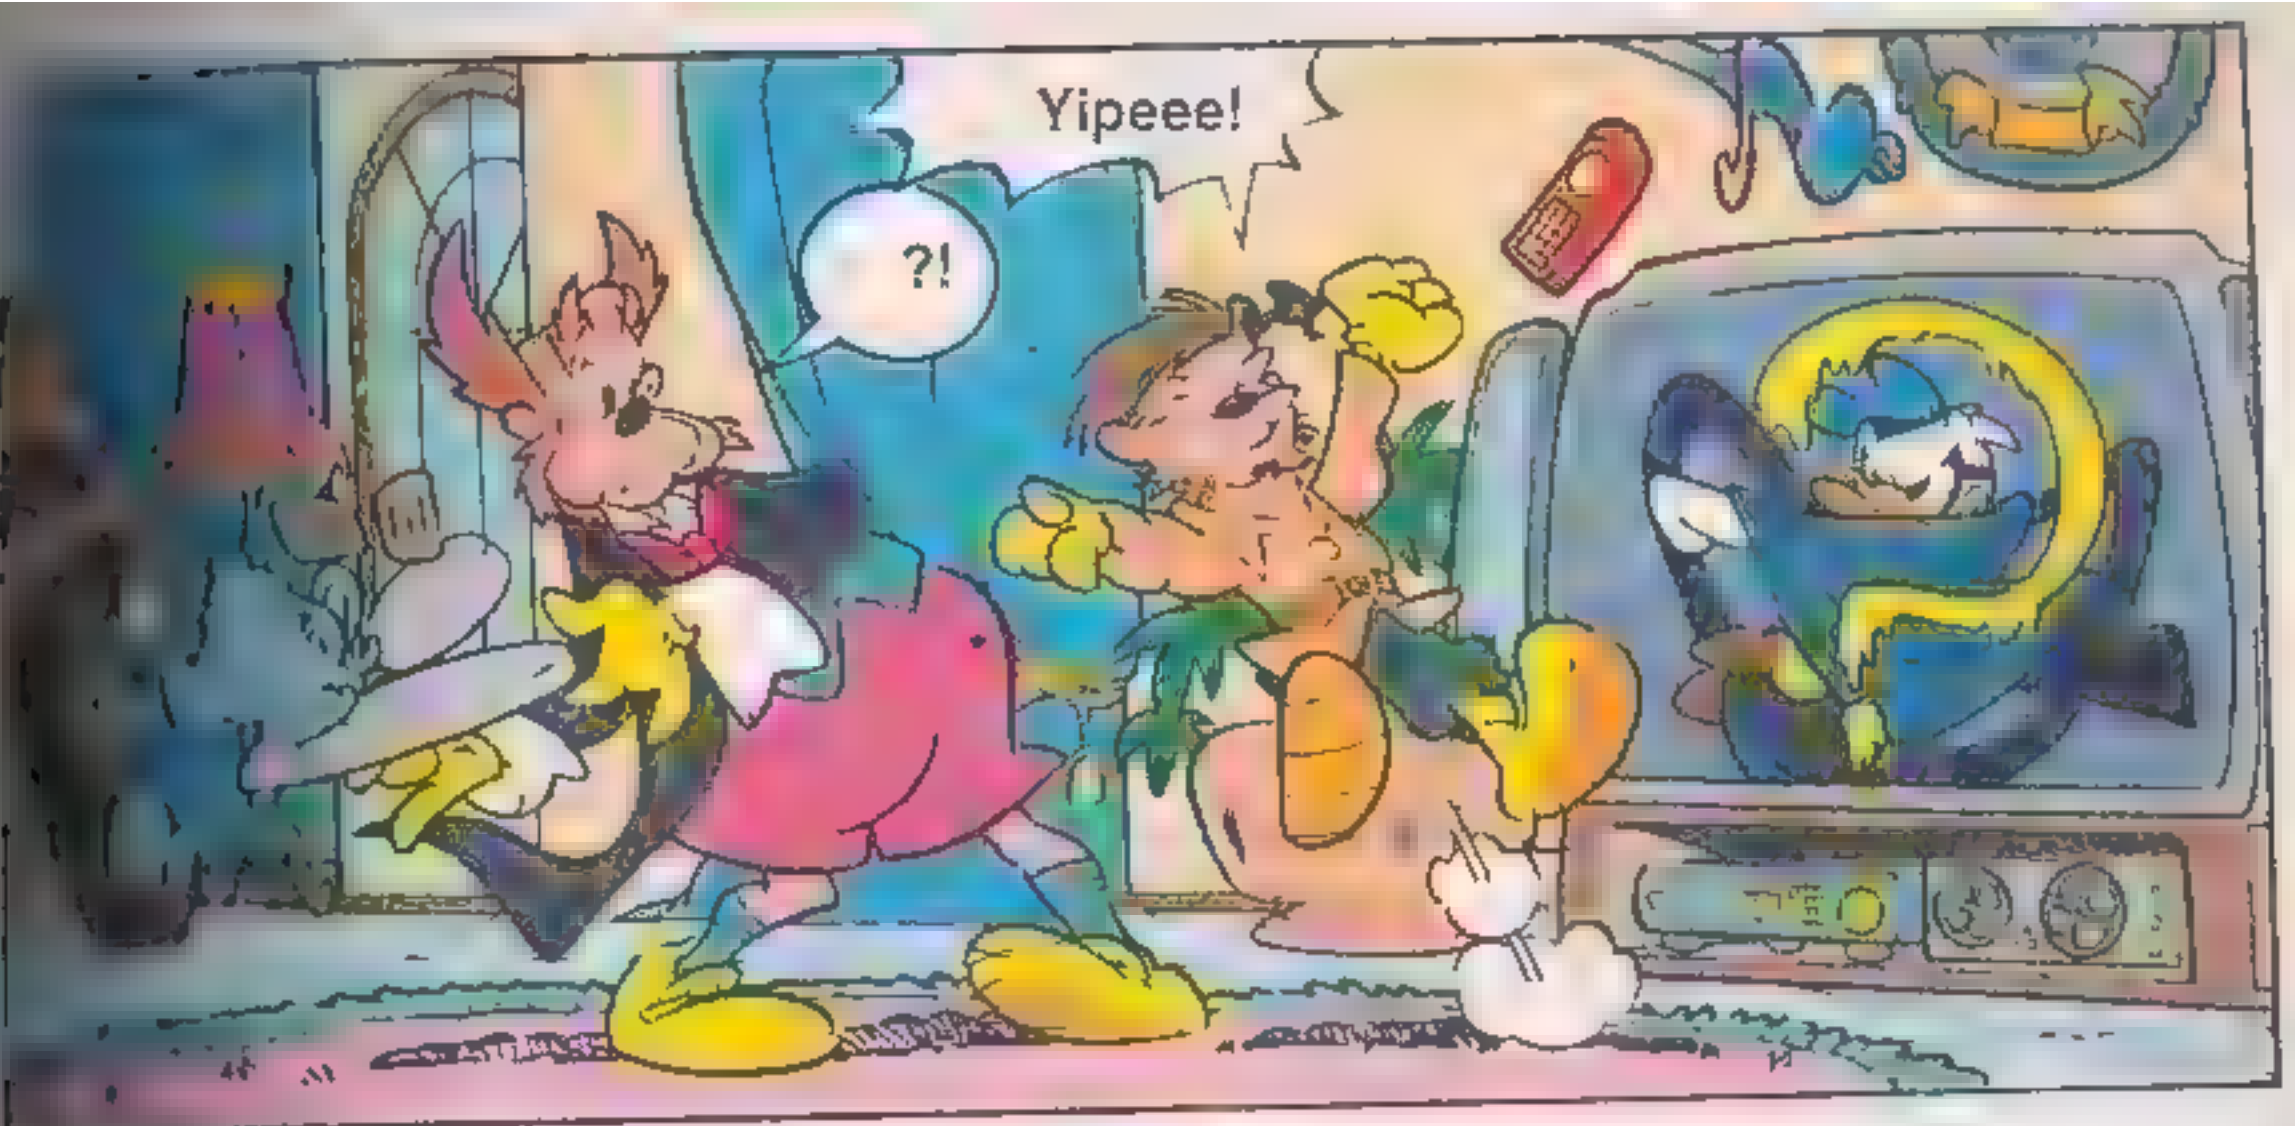

ZAPP!

DUCK NEWS

...in lifting this secret and finding out...

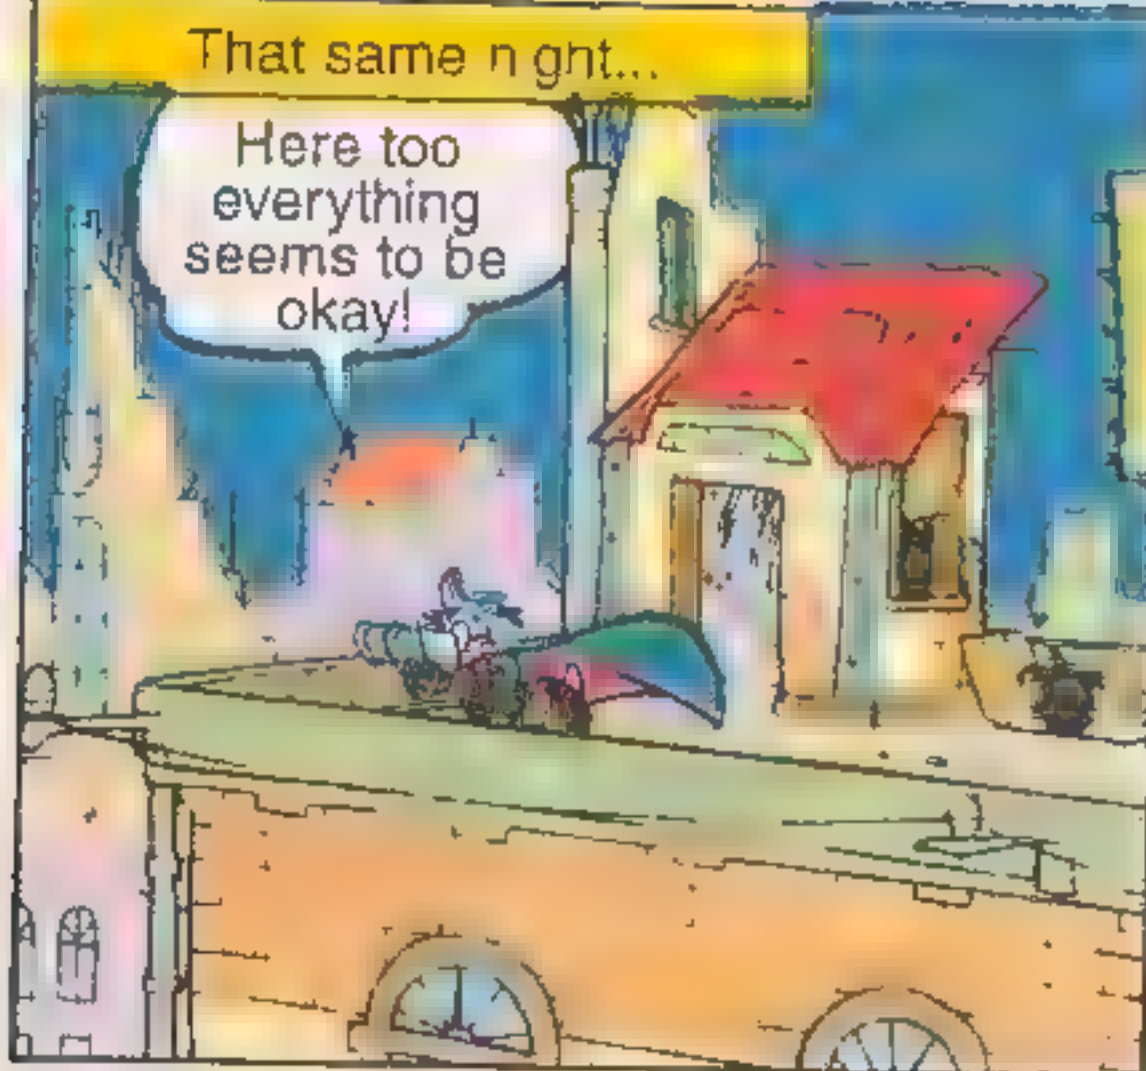

Oh!

...who hides behind that mask!

That same night...

Here too everything seems to be okay!

I wonder whether Igor Longfingers has changed his haunt!

Good evening Superduck!

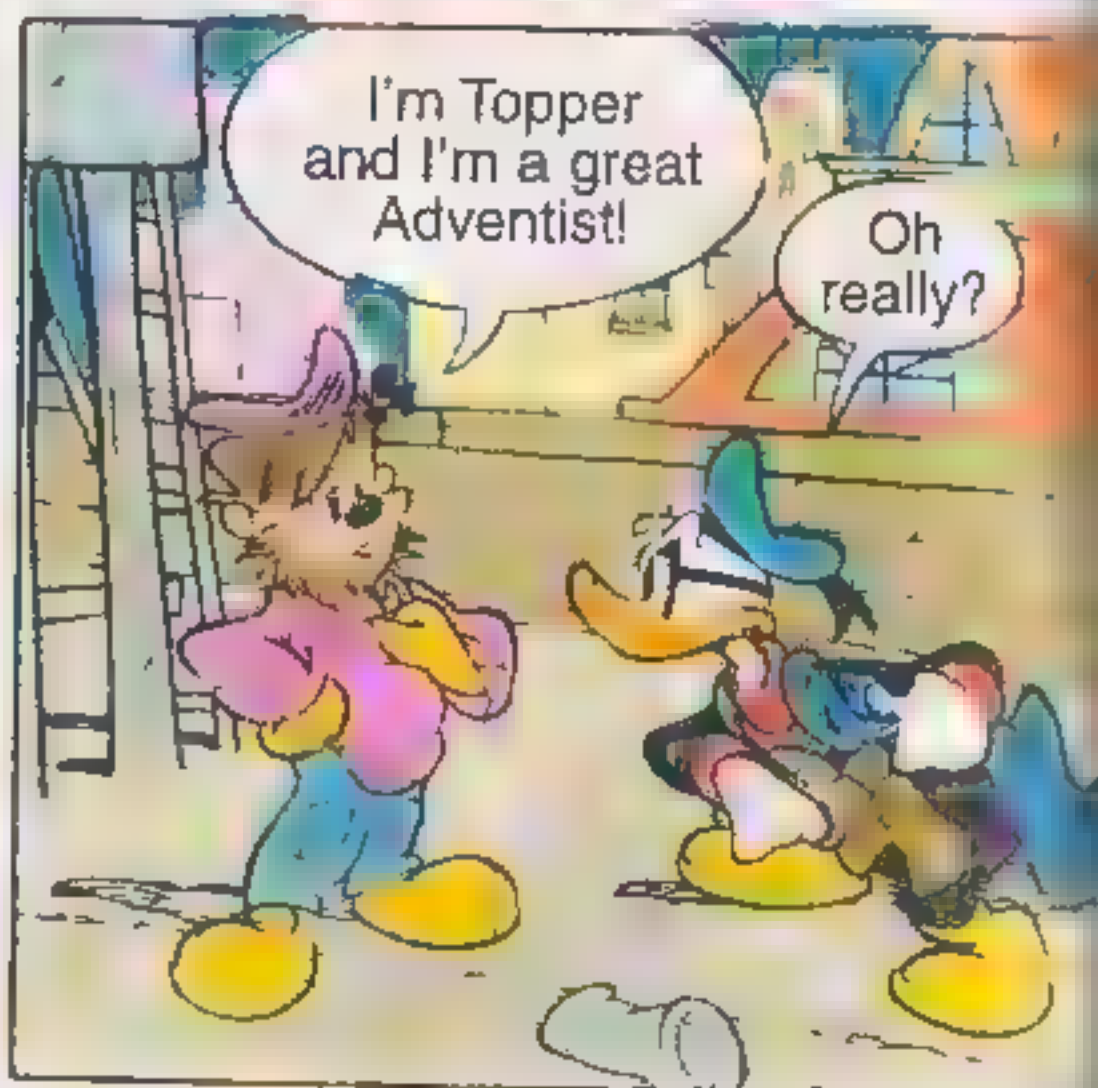

Stop! Hands up - whoever you may be!

Don't get so worked up! I'm not doing anything!

I'm Topper and I'm a great Adventist!

Oh really?

And why are you telling me that?

Because you are my next adventure!

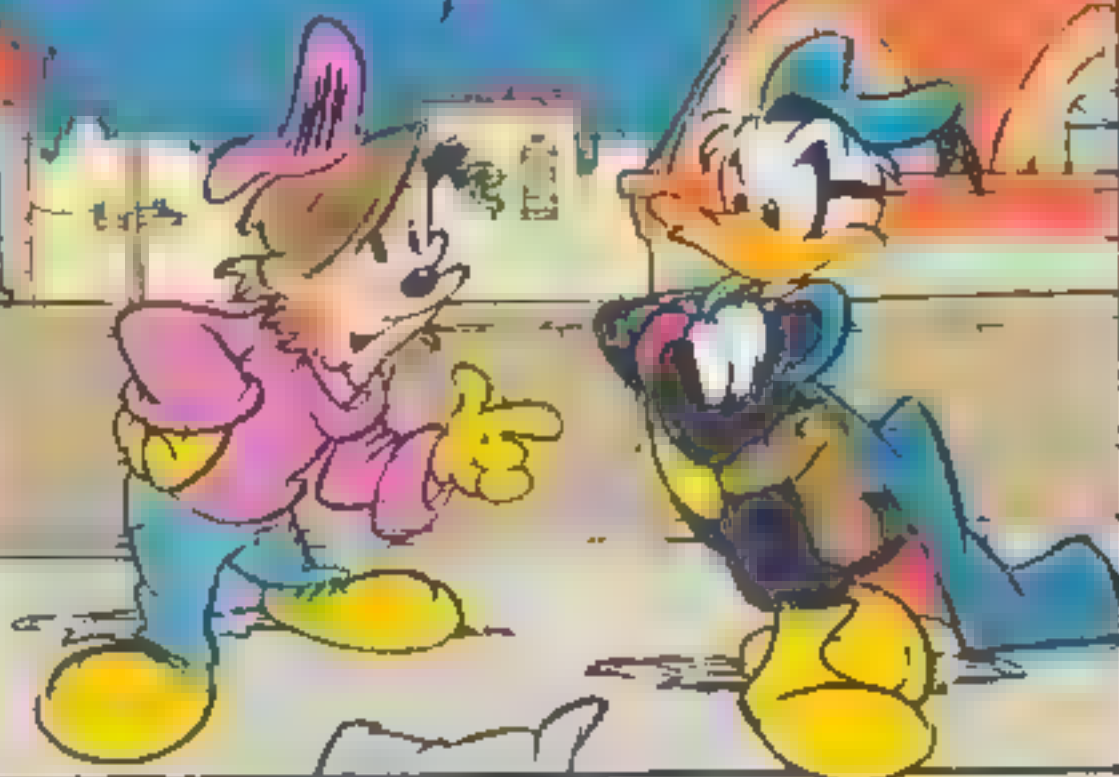

I want to uncover your secret identity and show everyone who you are!

Another one of those! They don't seem to reduce!

I could have taken you by surprise and then ripped off the mask...

but that wouldn't be my style!

Aha! I understand!

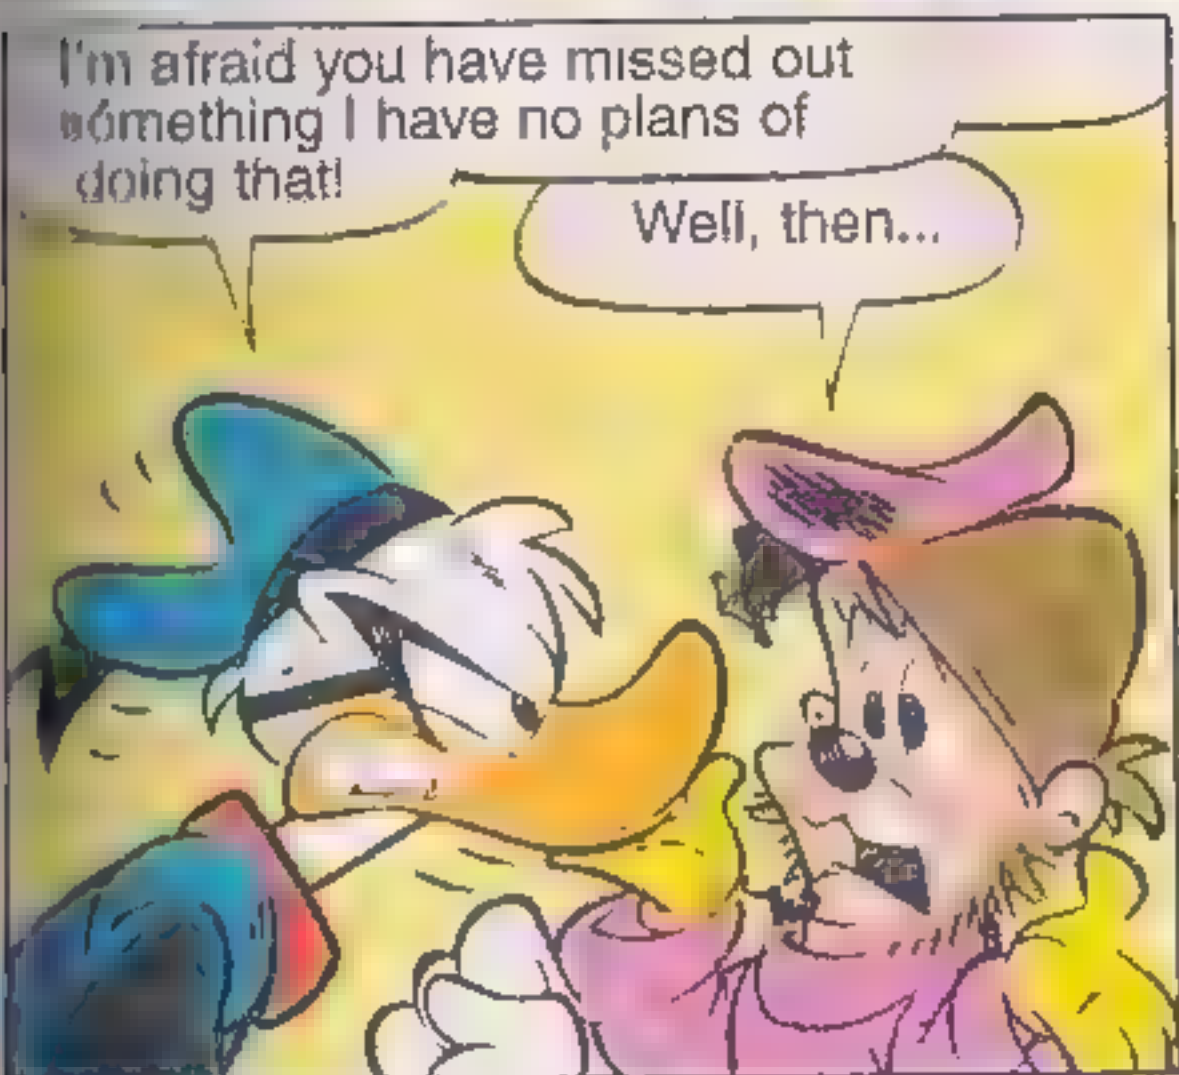

No, I want to make you unmask yourself in front of the world!

Pardon?

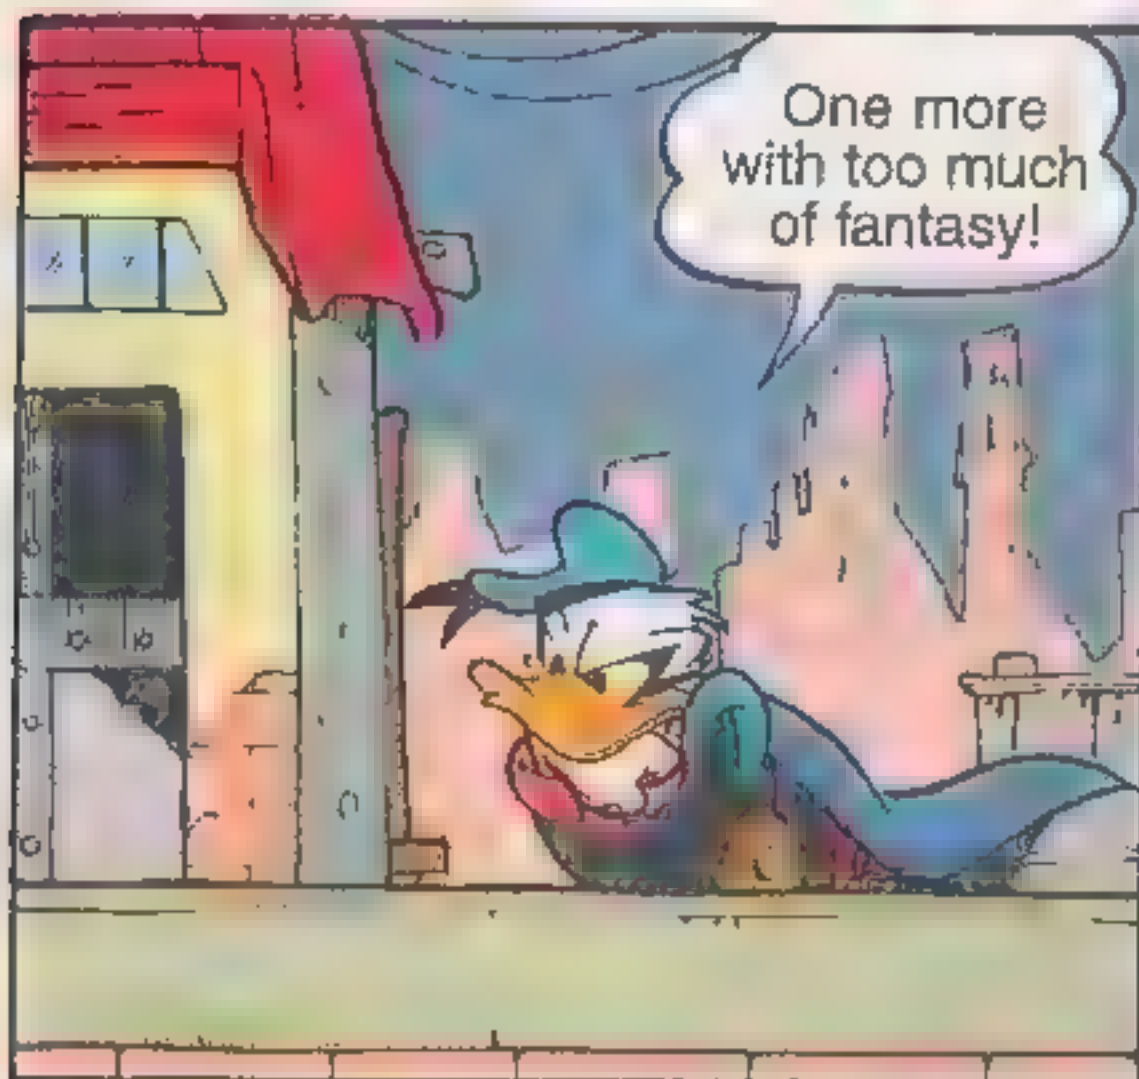

I'm afraid you have missed out something I have no plans of doing that!

Well, then...

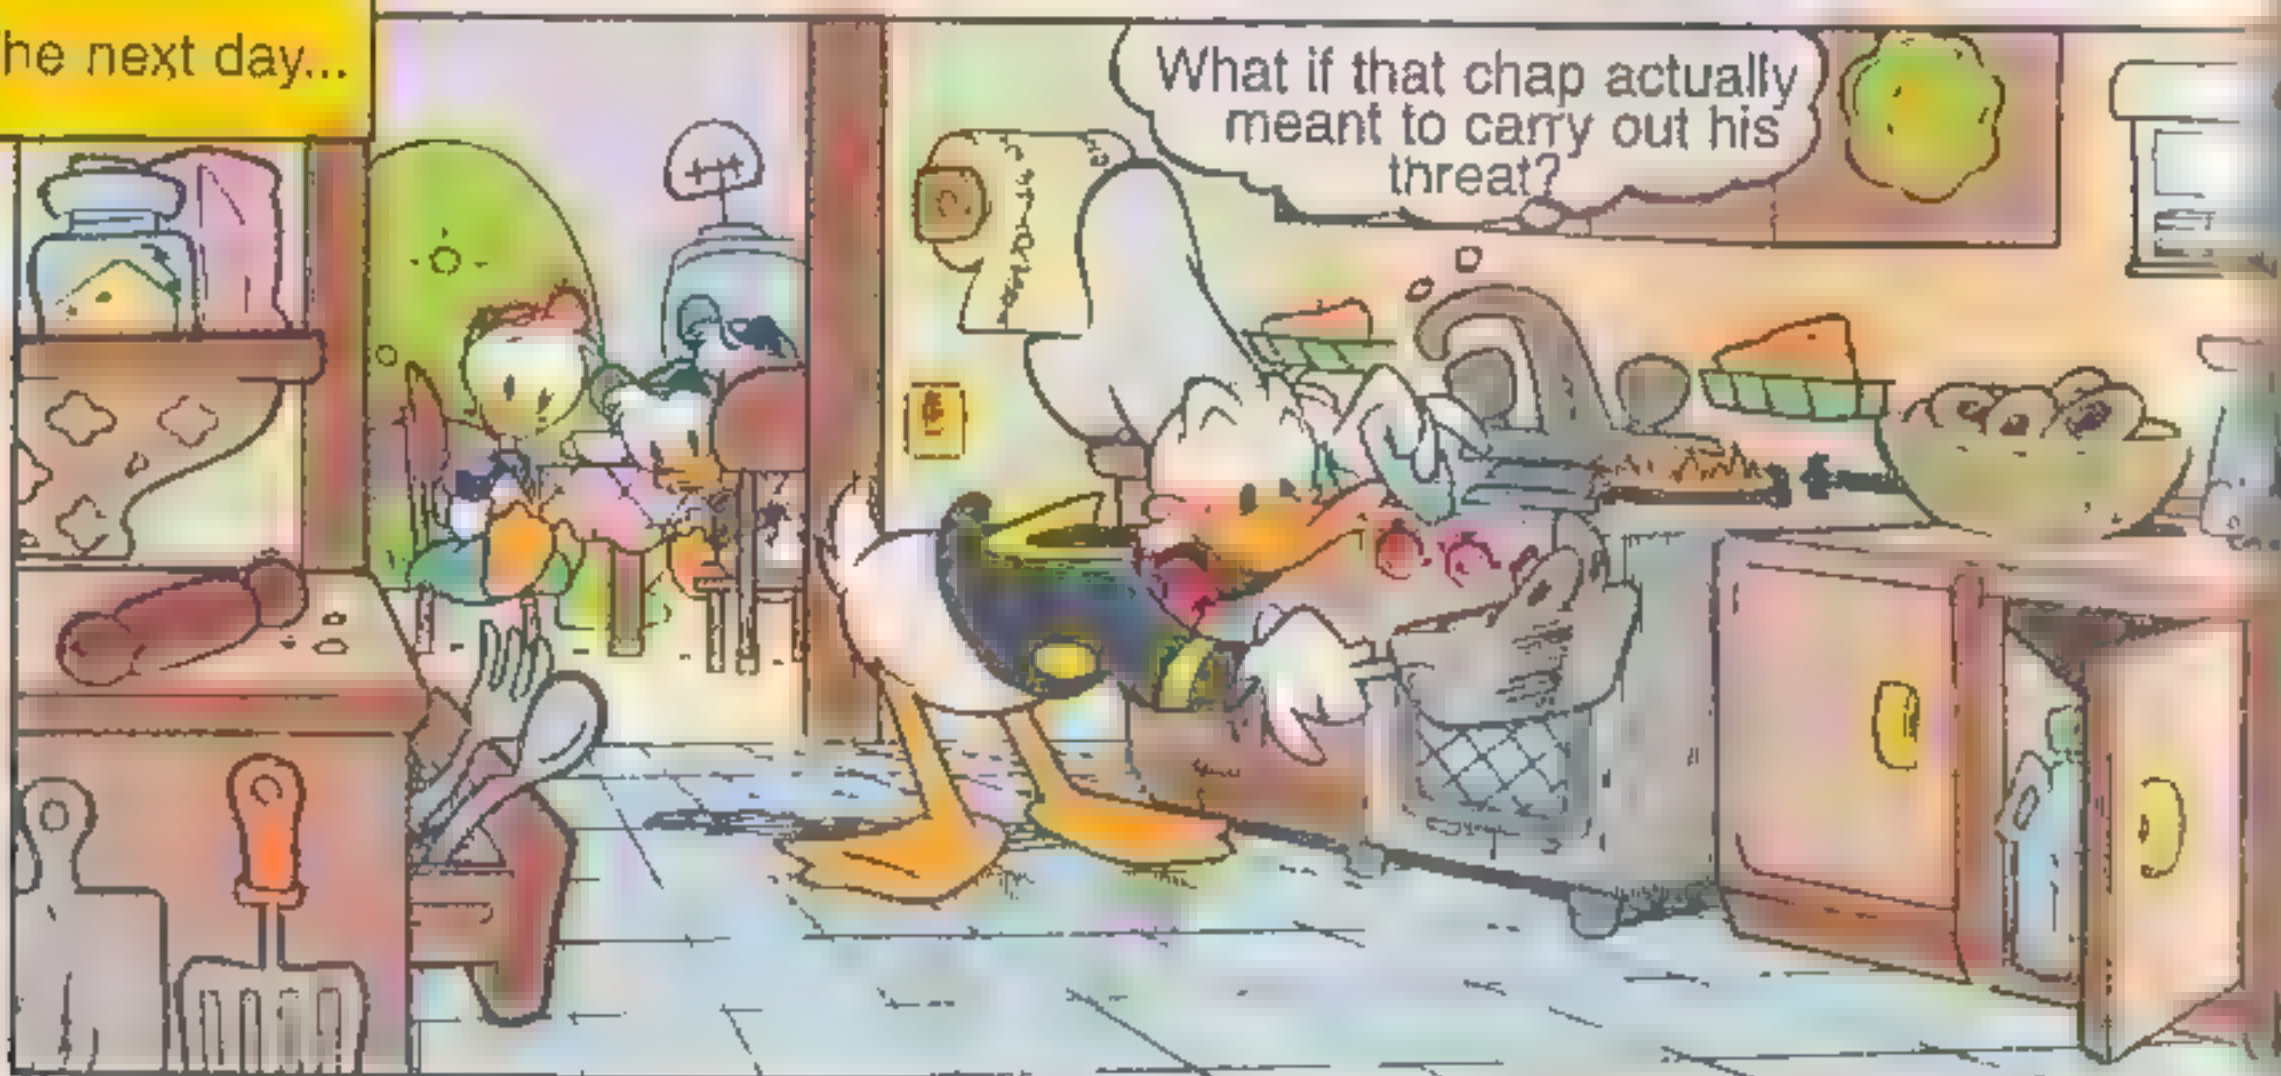

... I think I'll have to force you!

The next day...

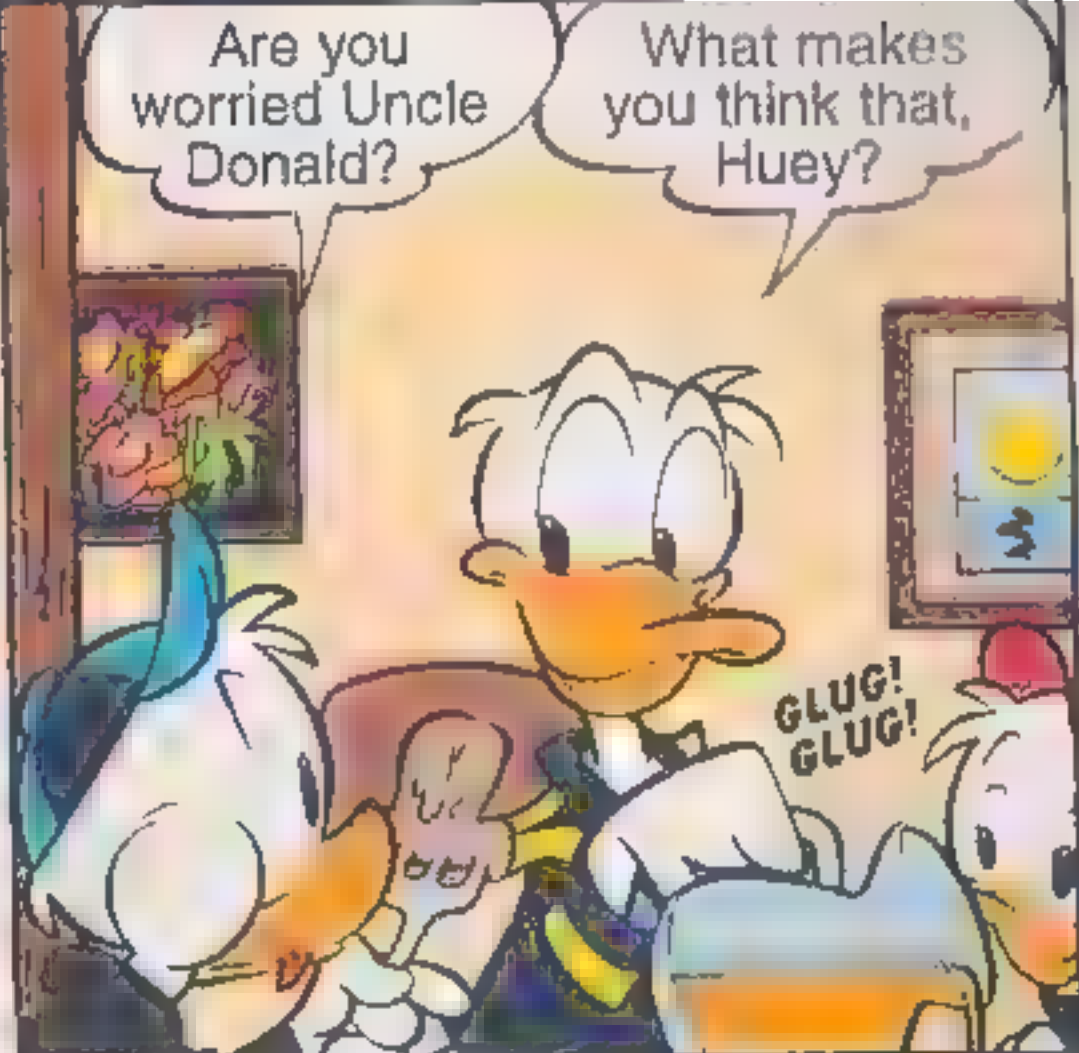

He wants that I unmask myself!
How can he even imagine...

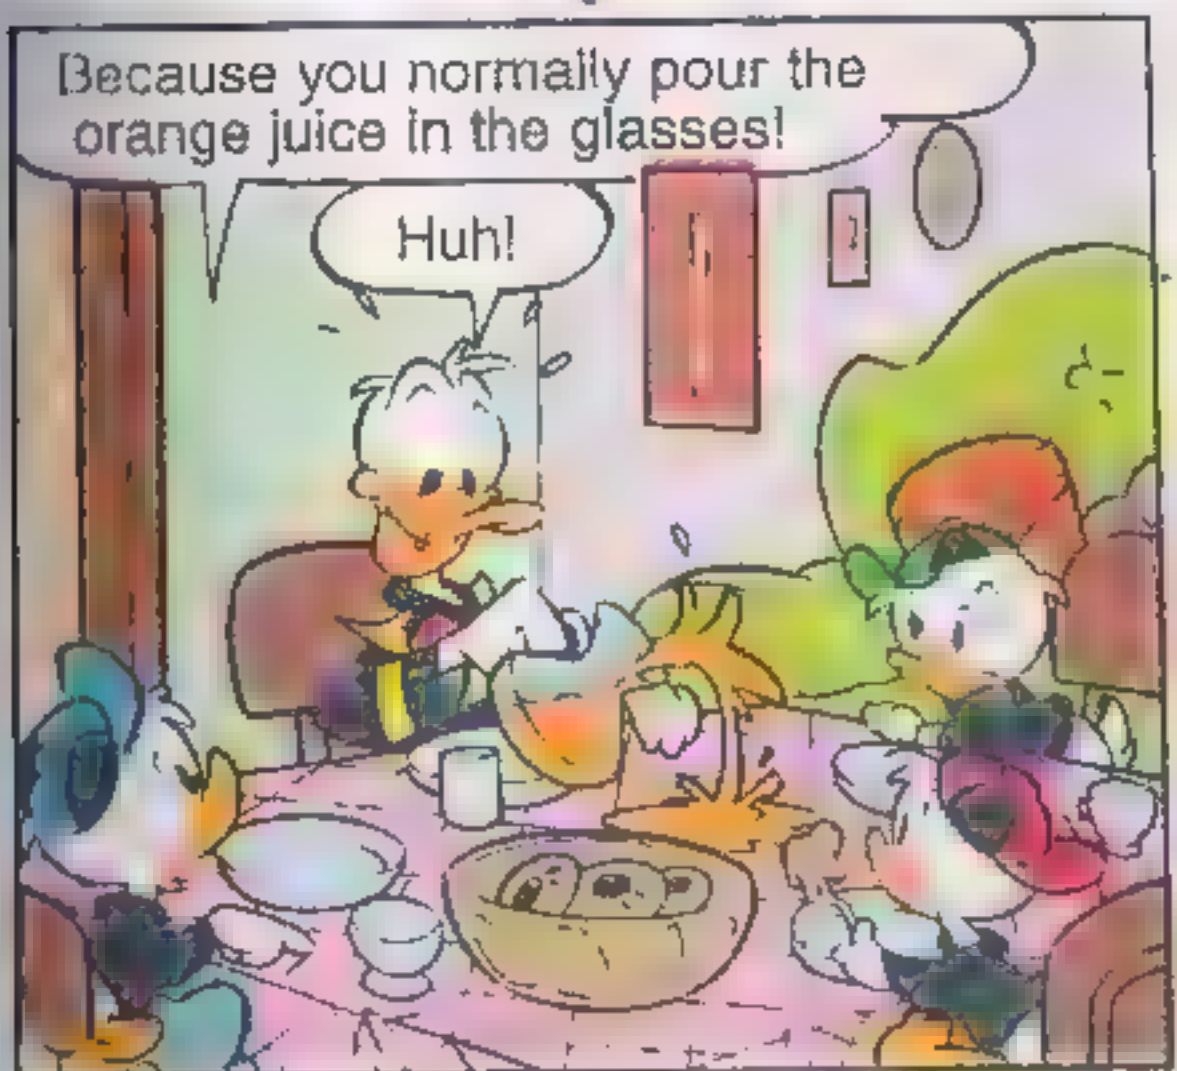

Are you worried Uncle Donald?

What makes you think that, Huey?

Because you normally pour the orange juice in the glasses!

Huh!

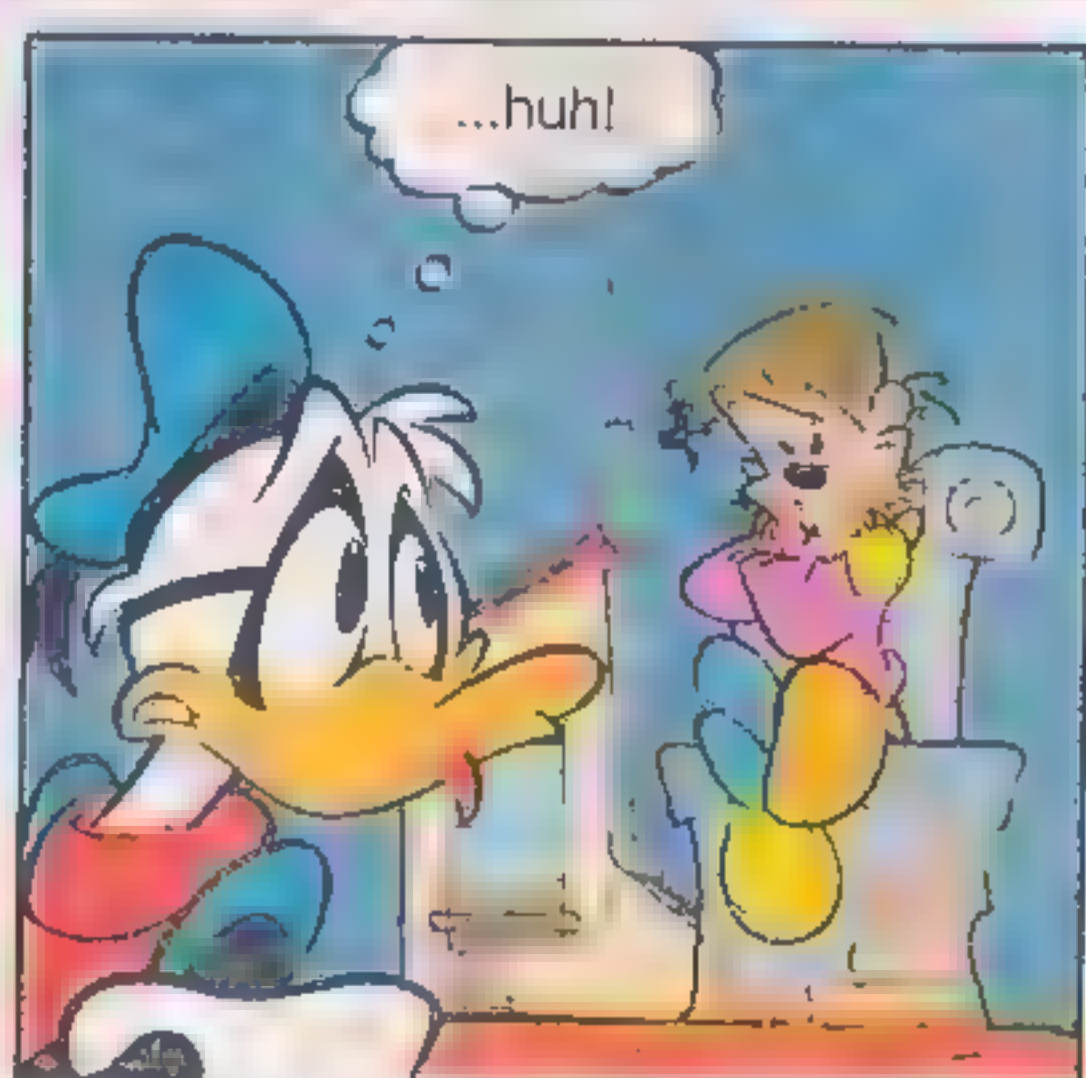

No, no! Everything's okay! I'm just a little bit distracted!

We have to go! Bye!

See you in the afternoon!

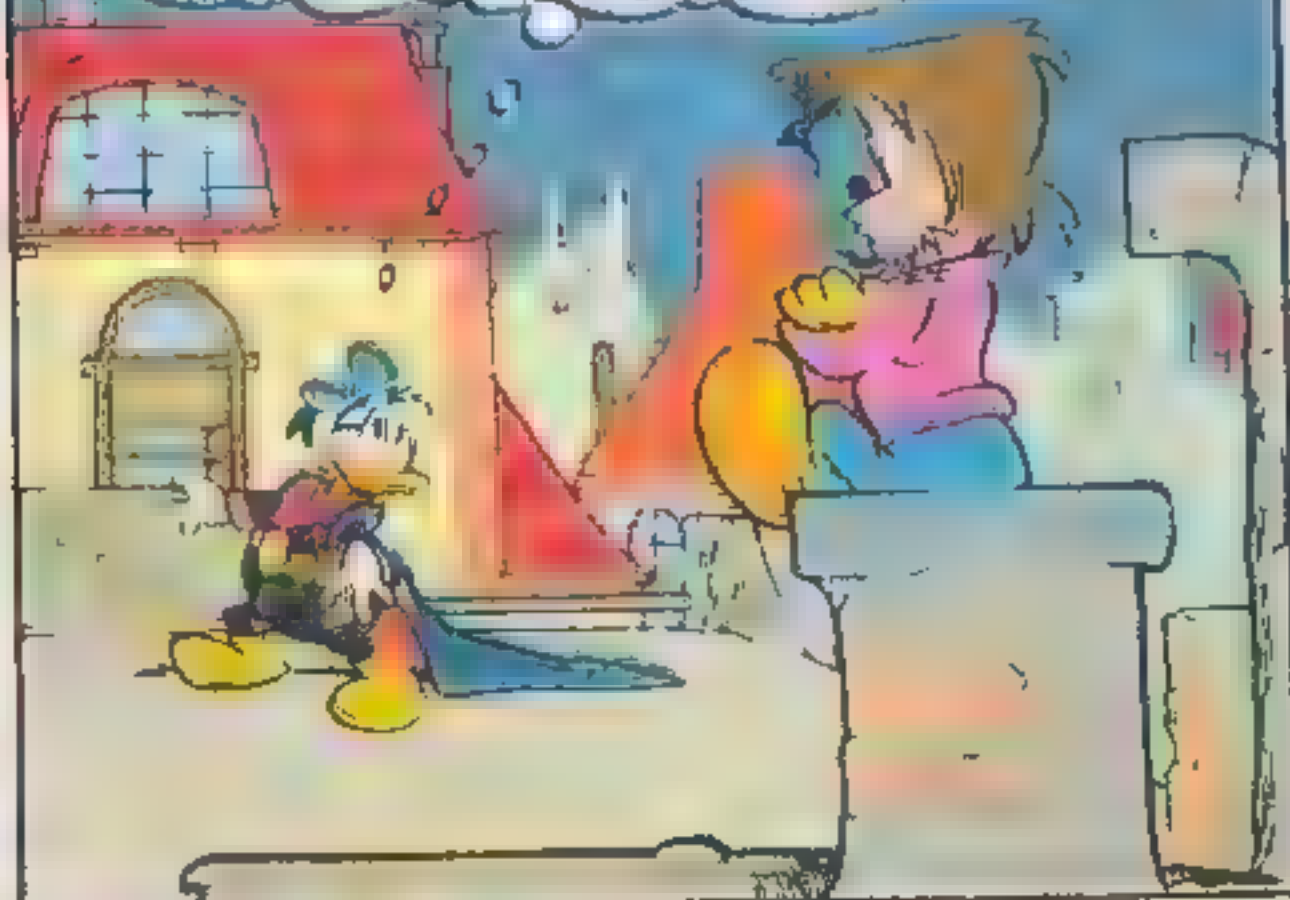

Oh no! Not that brat again!

Well? Why is he just sitting there without doing anything?

He's not going to jump on me to rip the mask off?

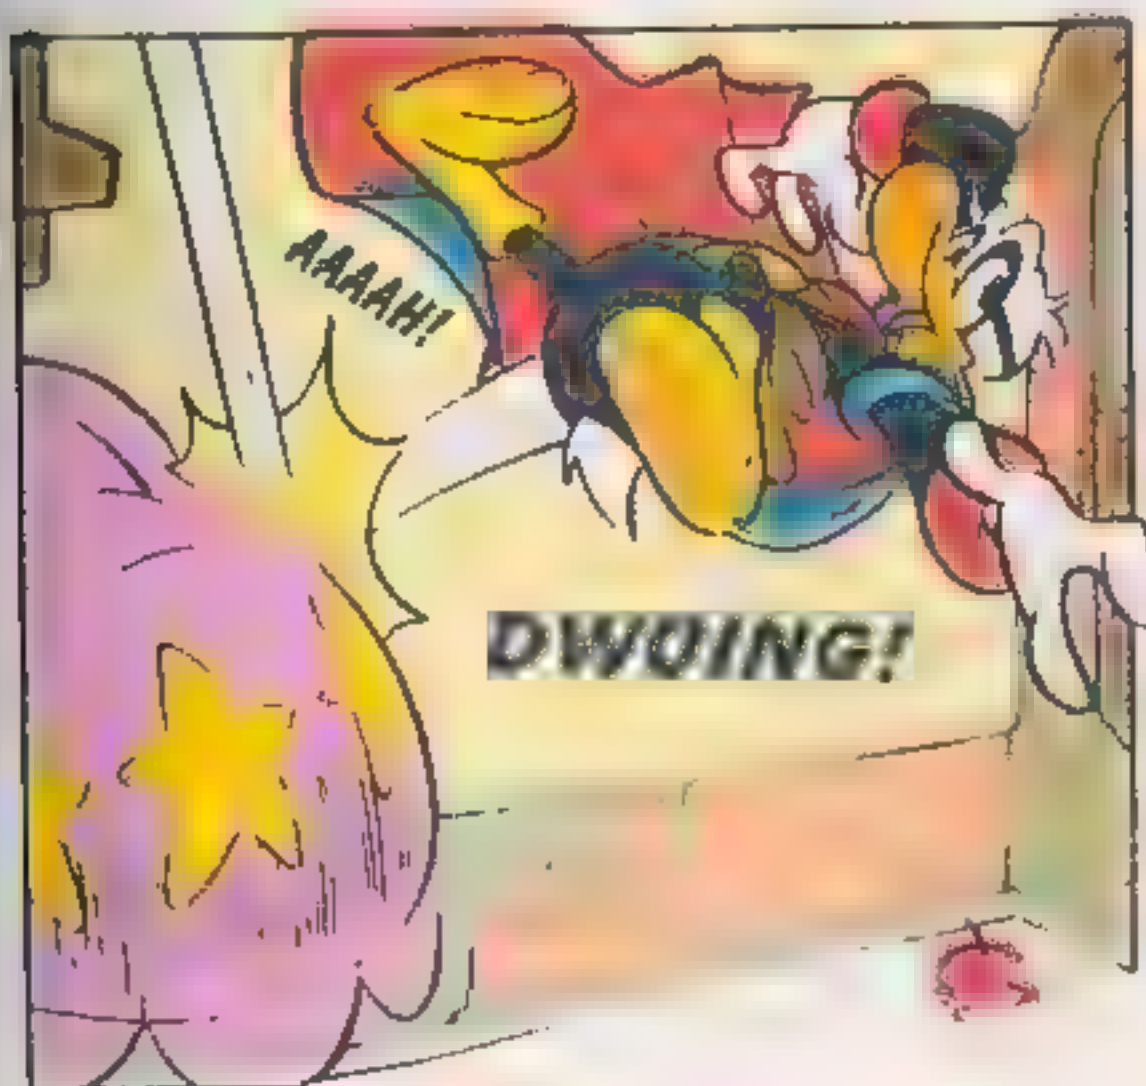

He must have something planned. Otherwise he wouldn't...

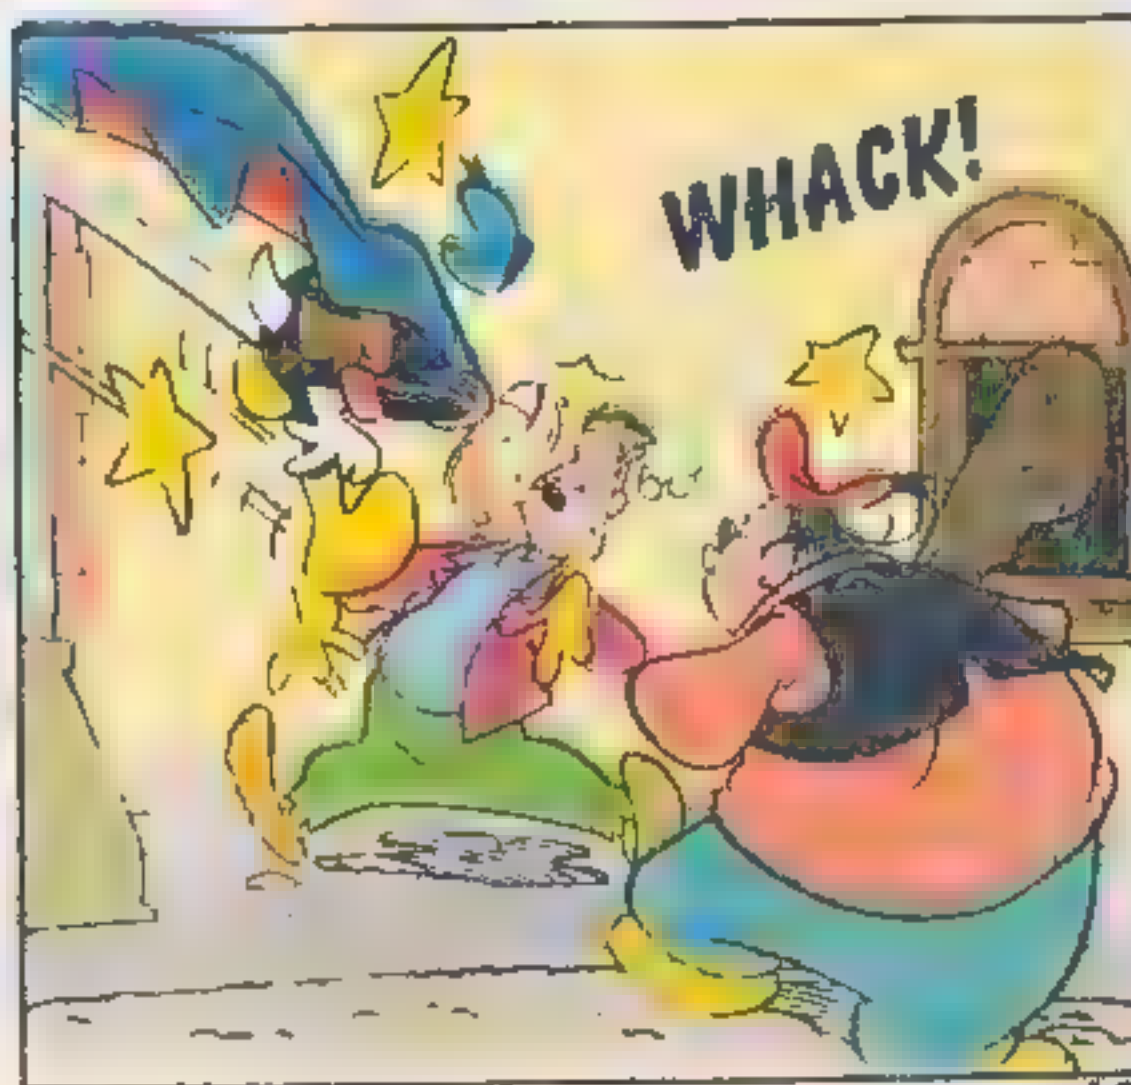

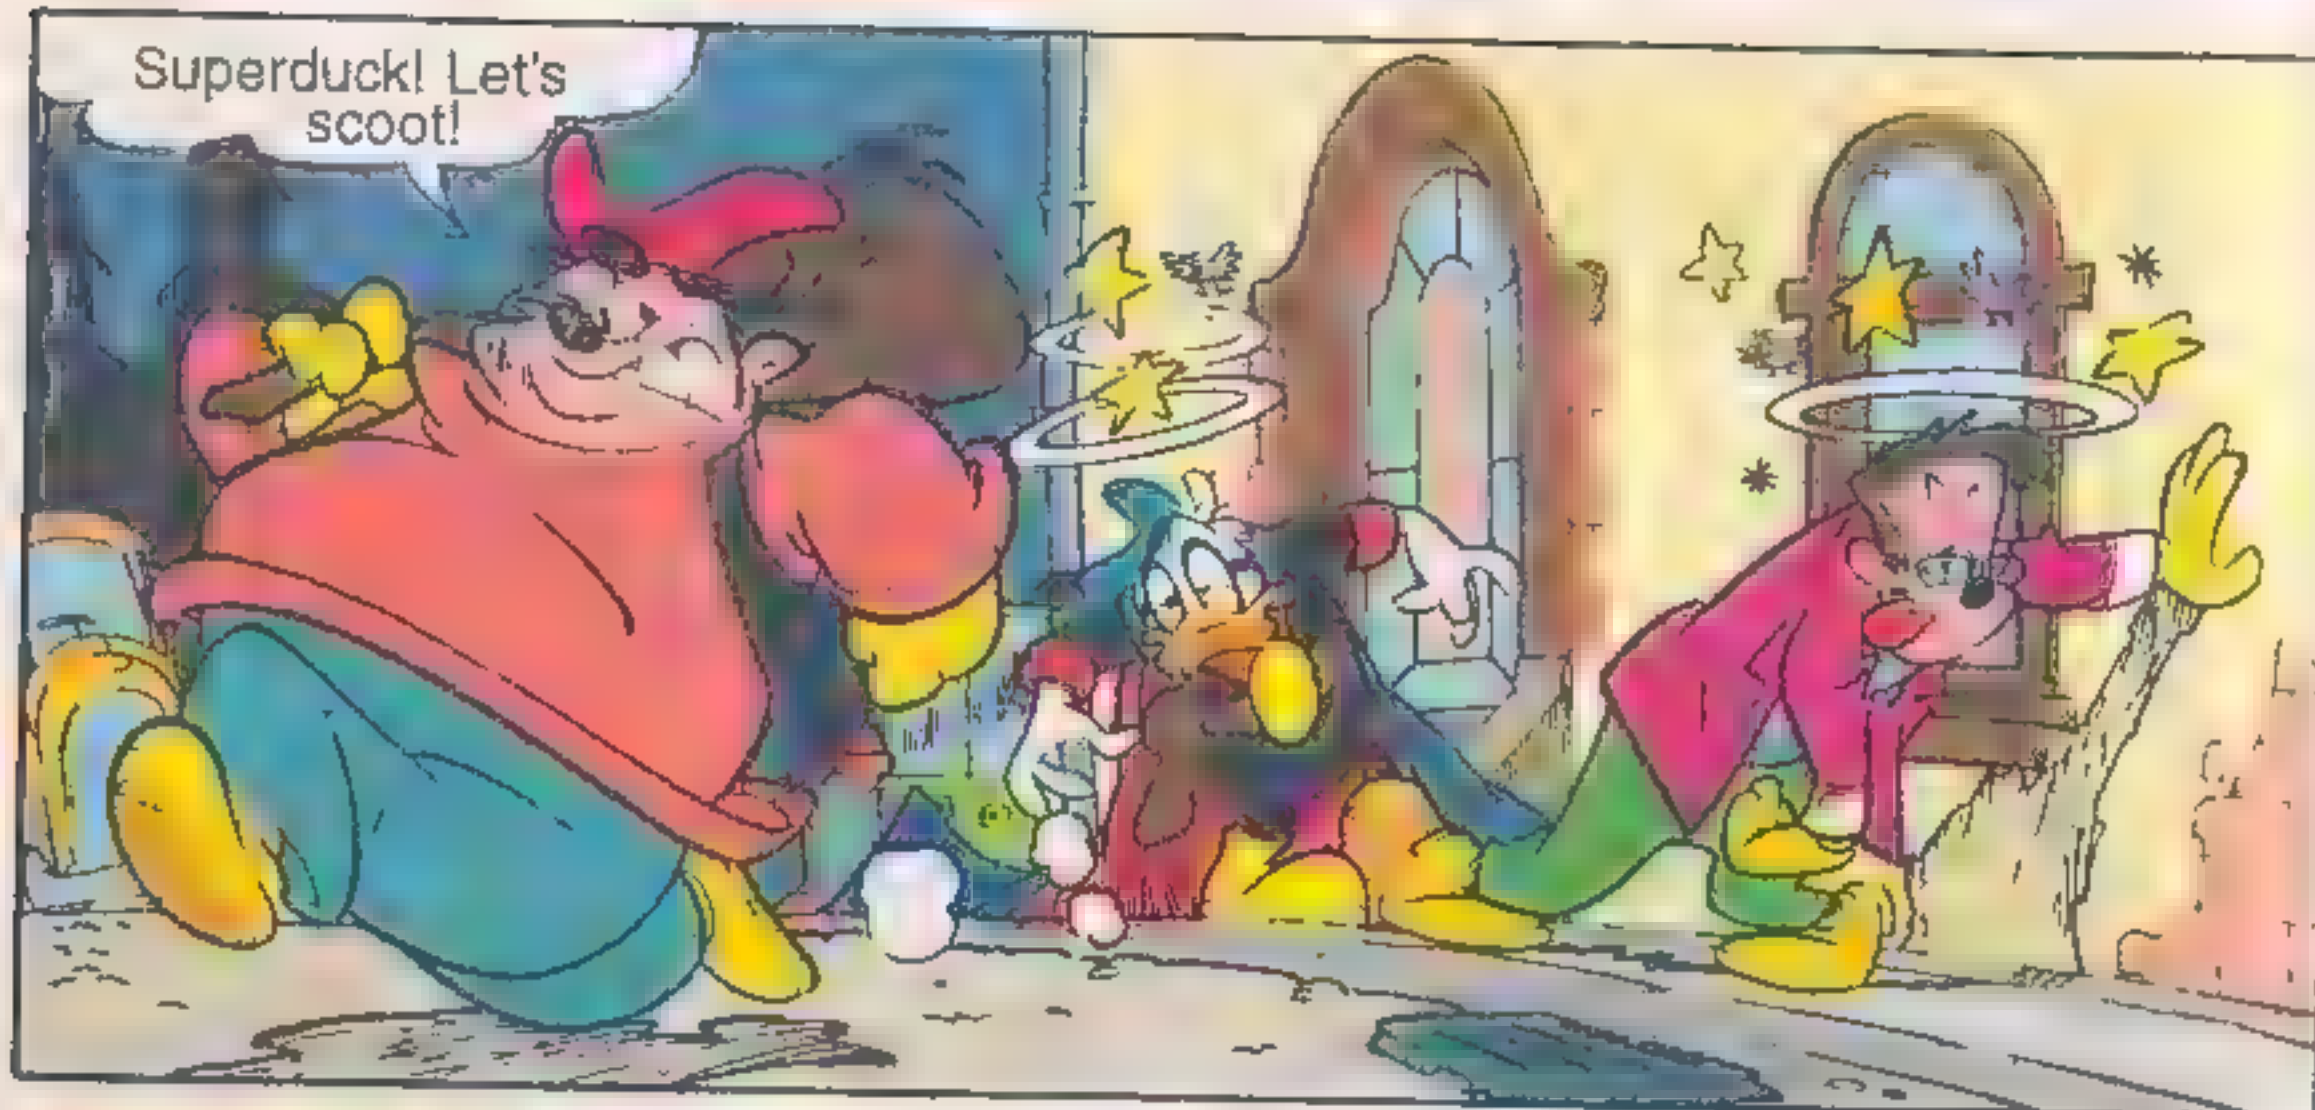

AAAAH!

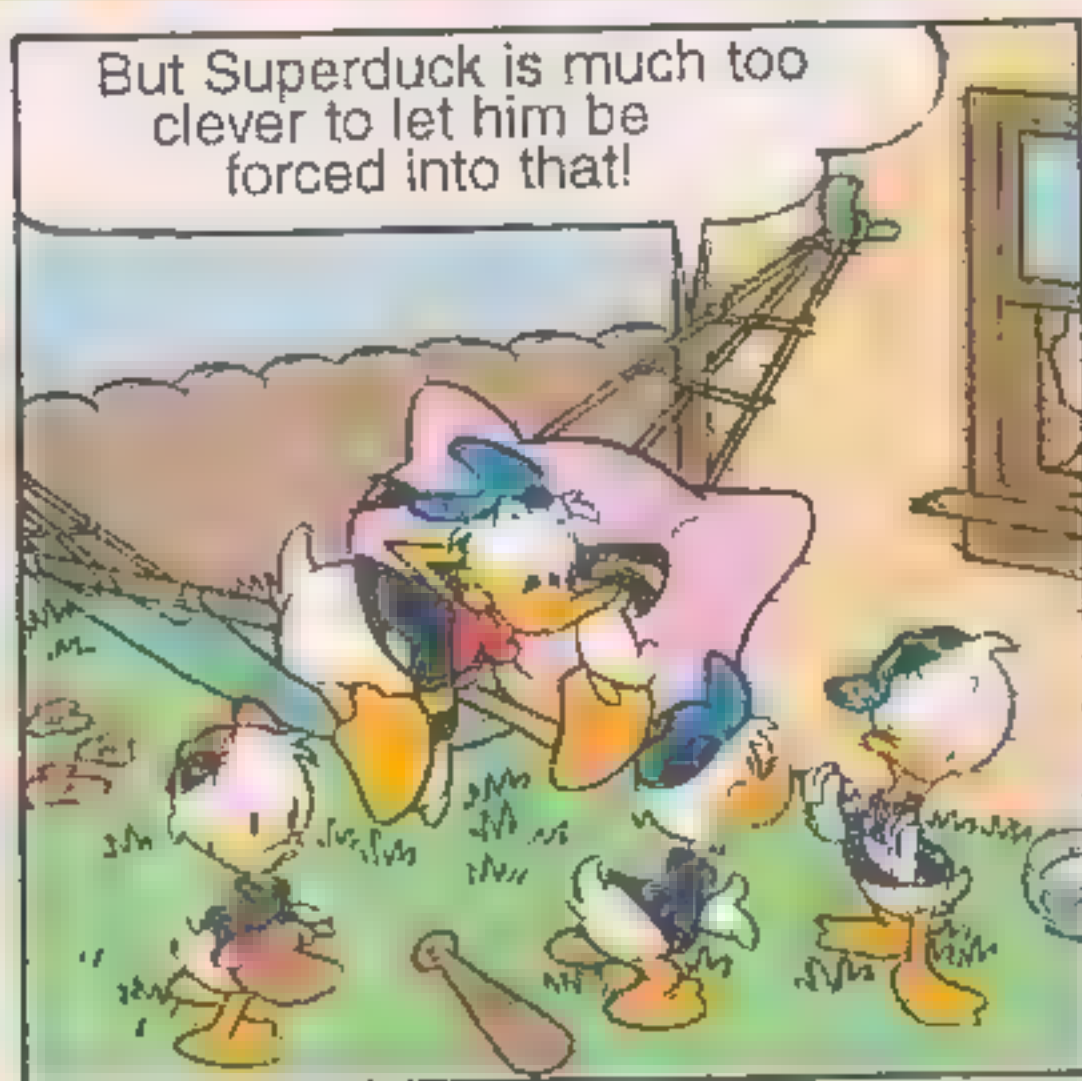

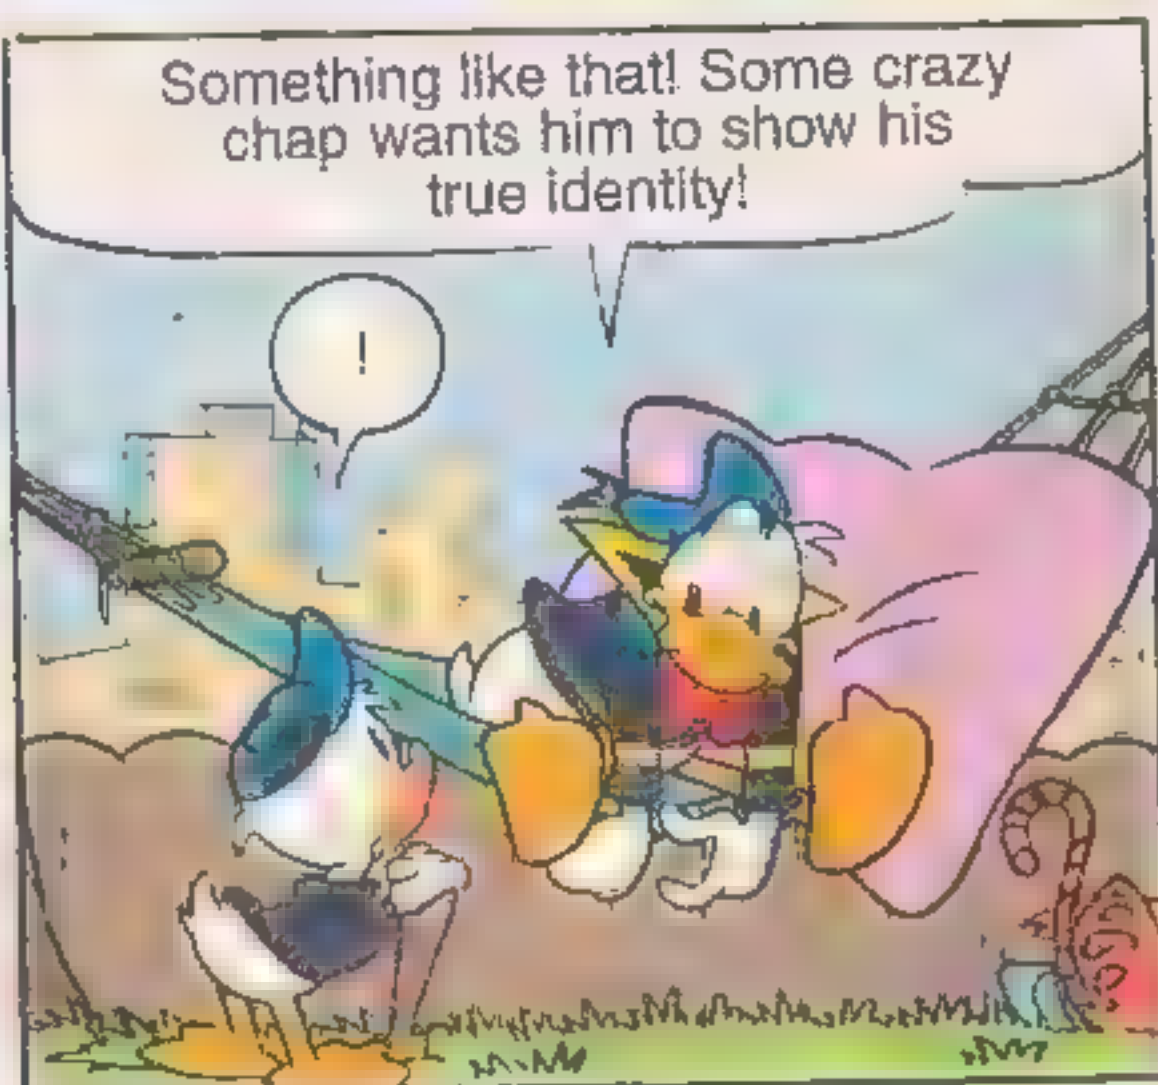

DWUING!

WHACK!

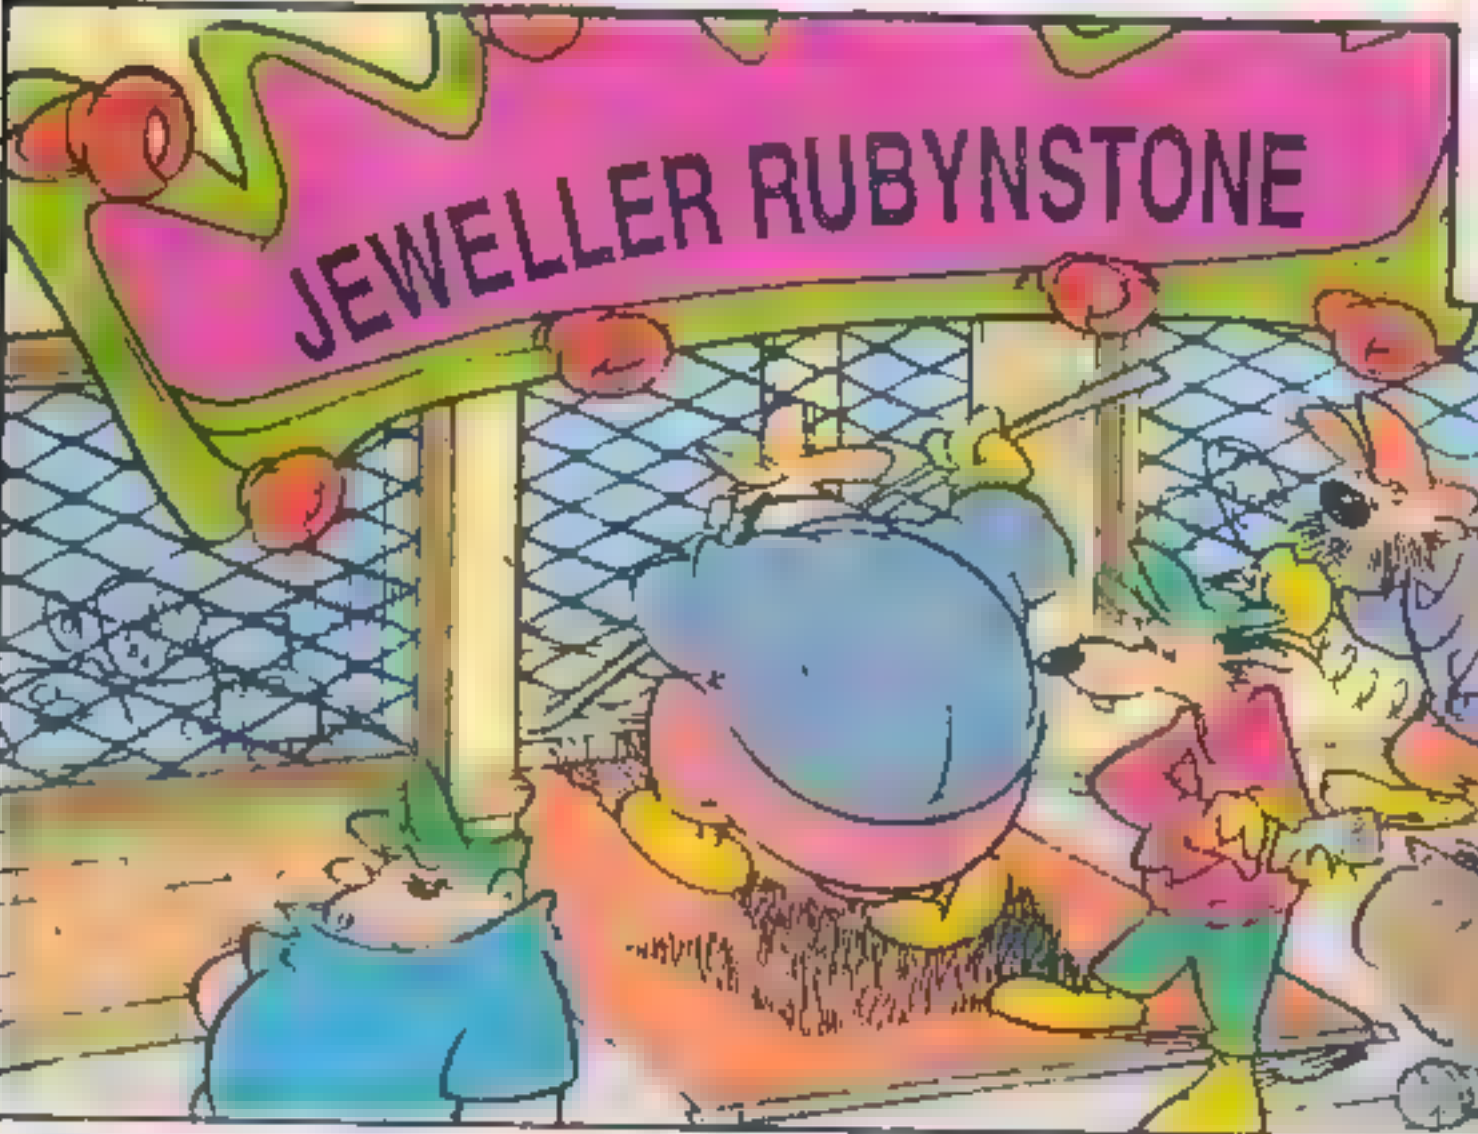

Those darling little ones! If only I were so sure!

Everything quiet! You can start folks!

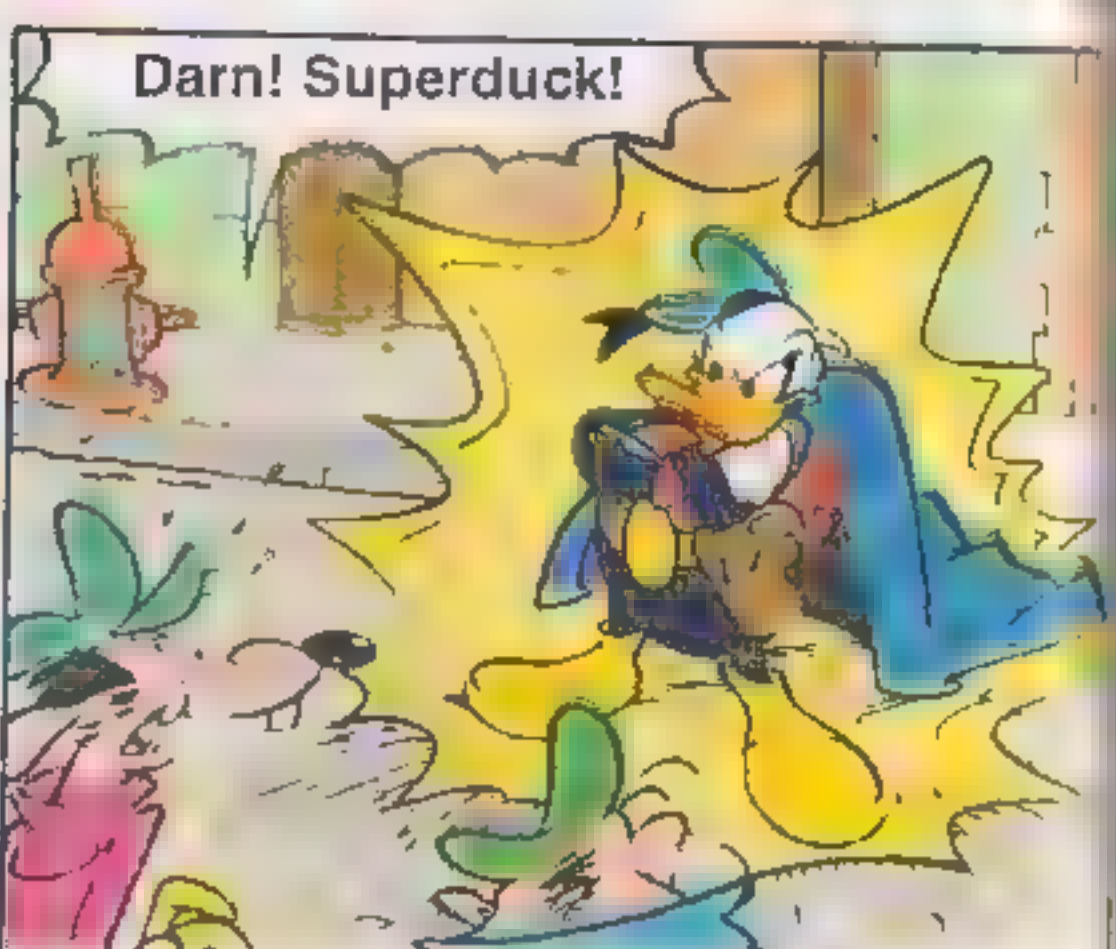

JEWELLER RUBYNSTONE

Be carefull Don't make a single sound!

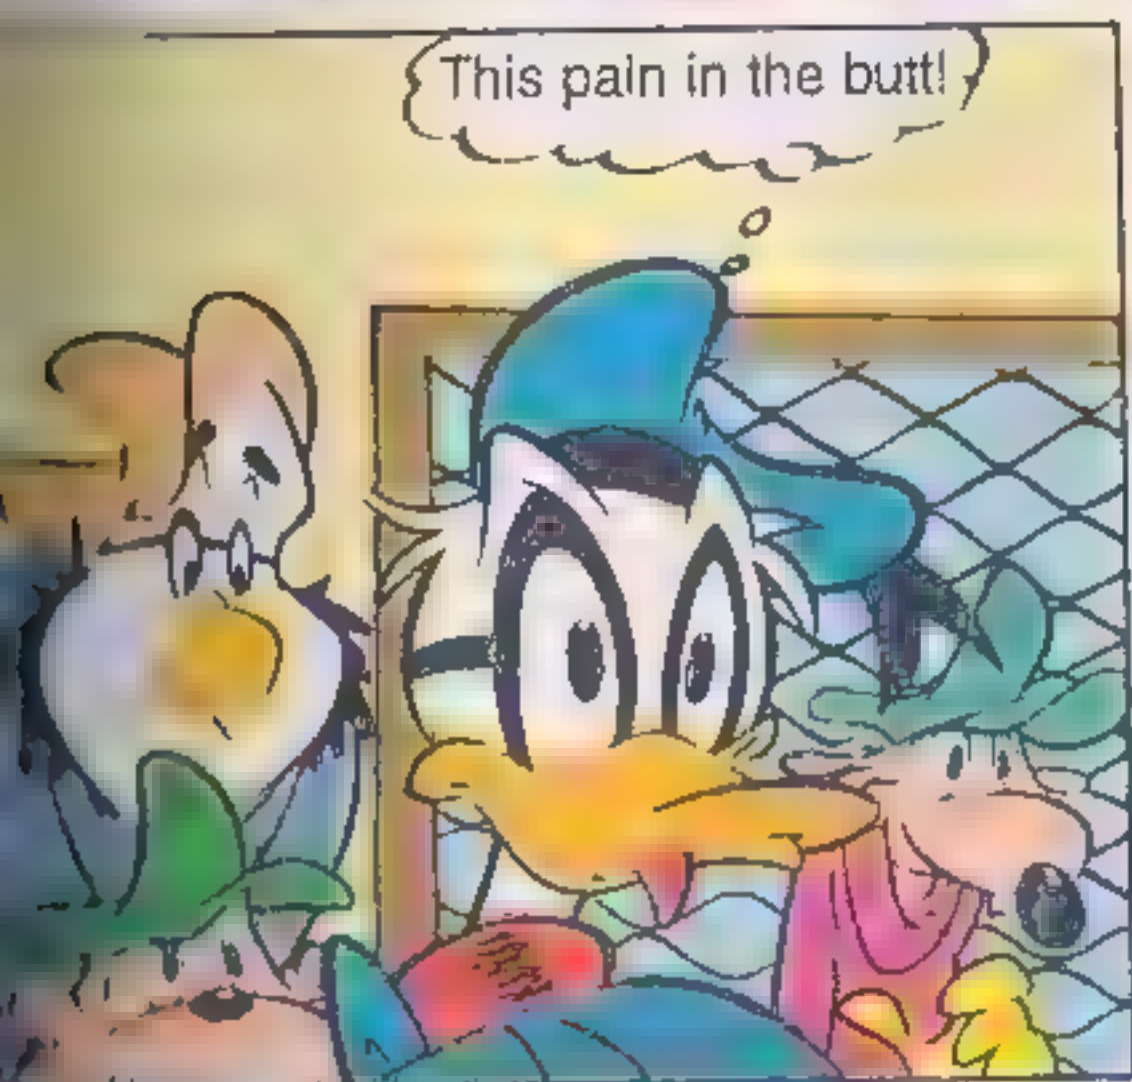

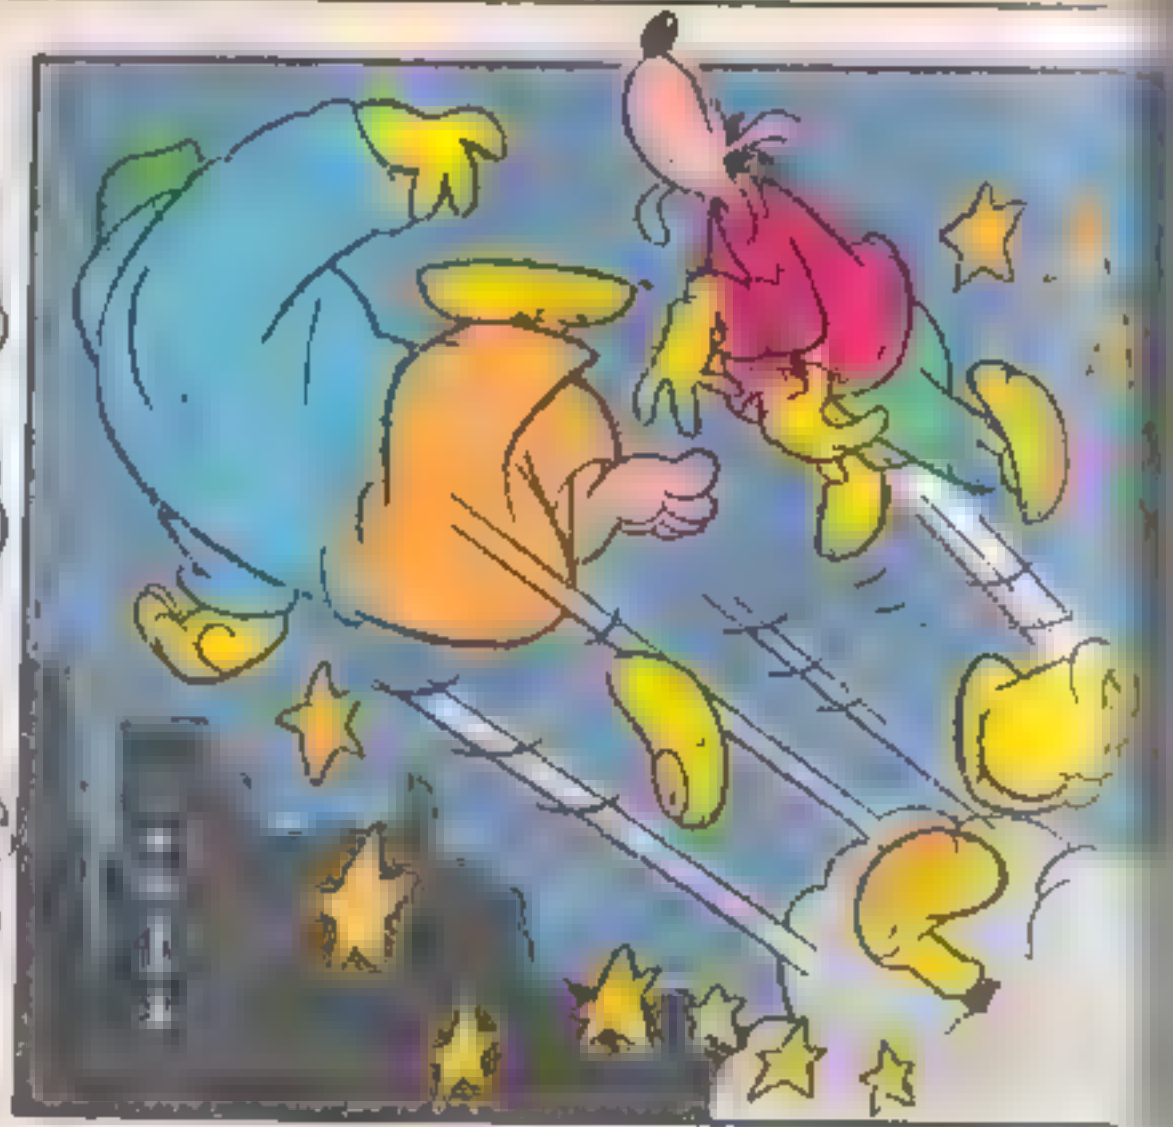

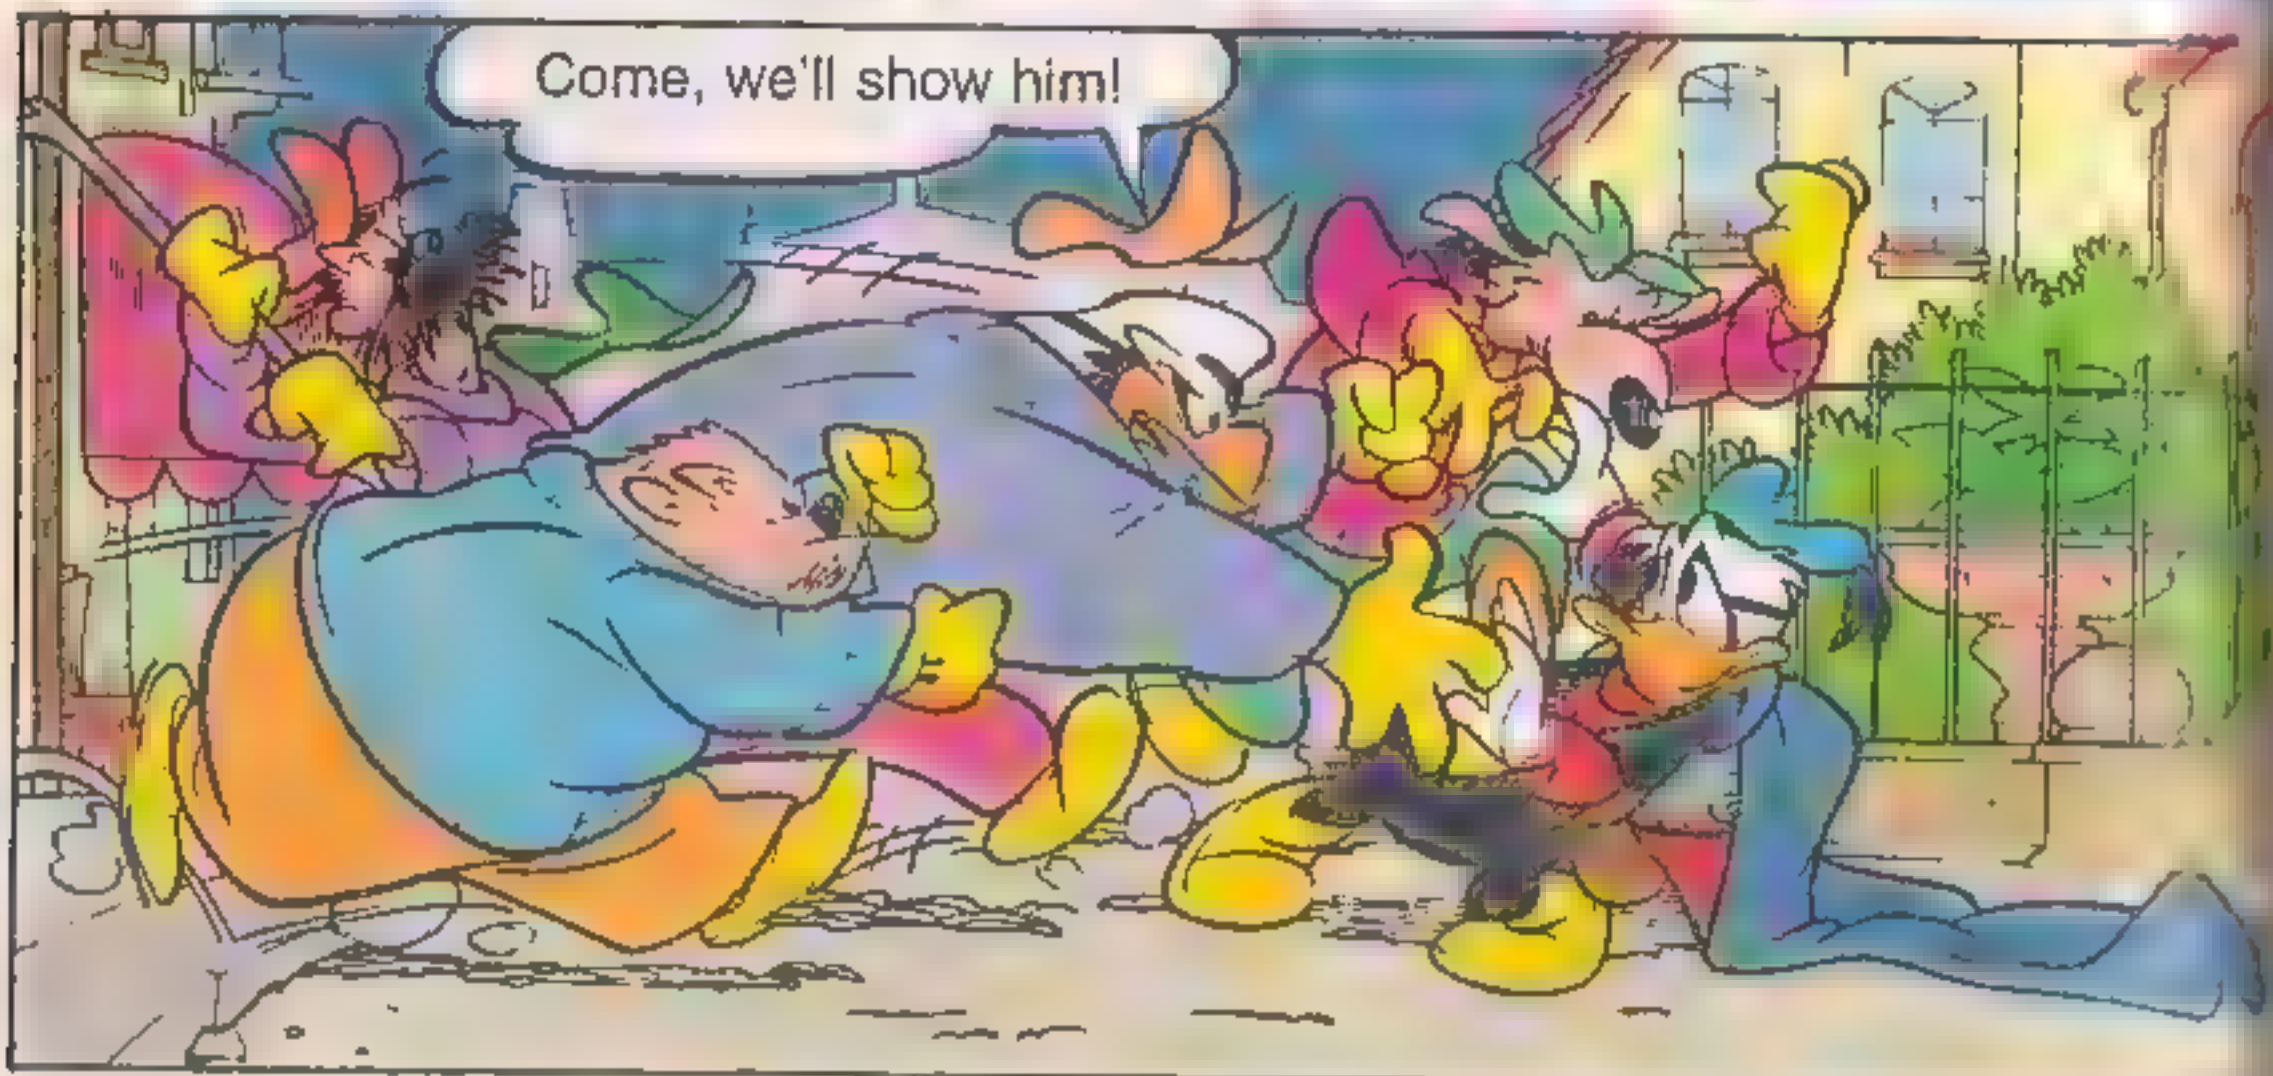

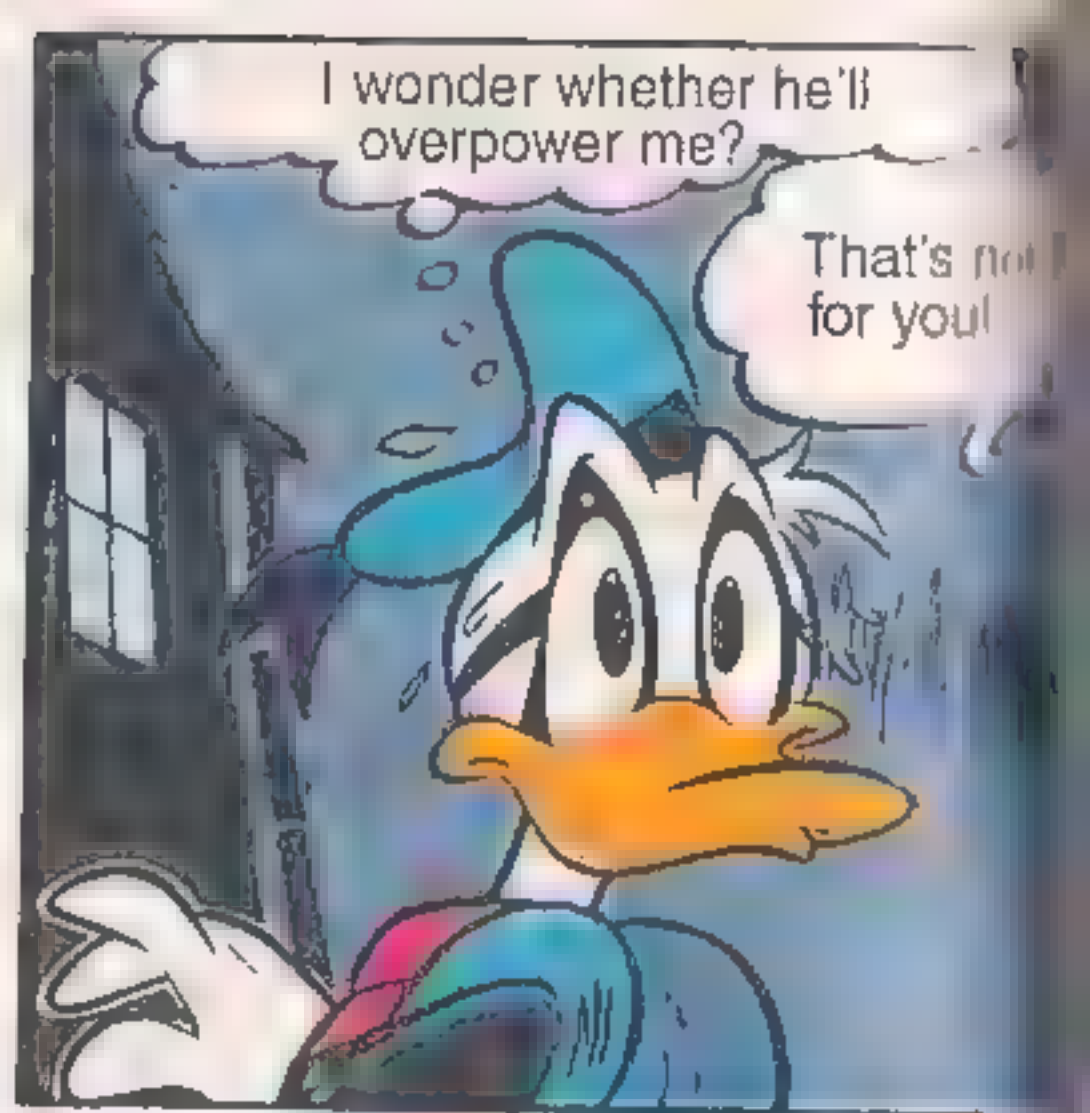

Don't worry! We're almost through!

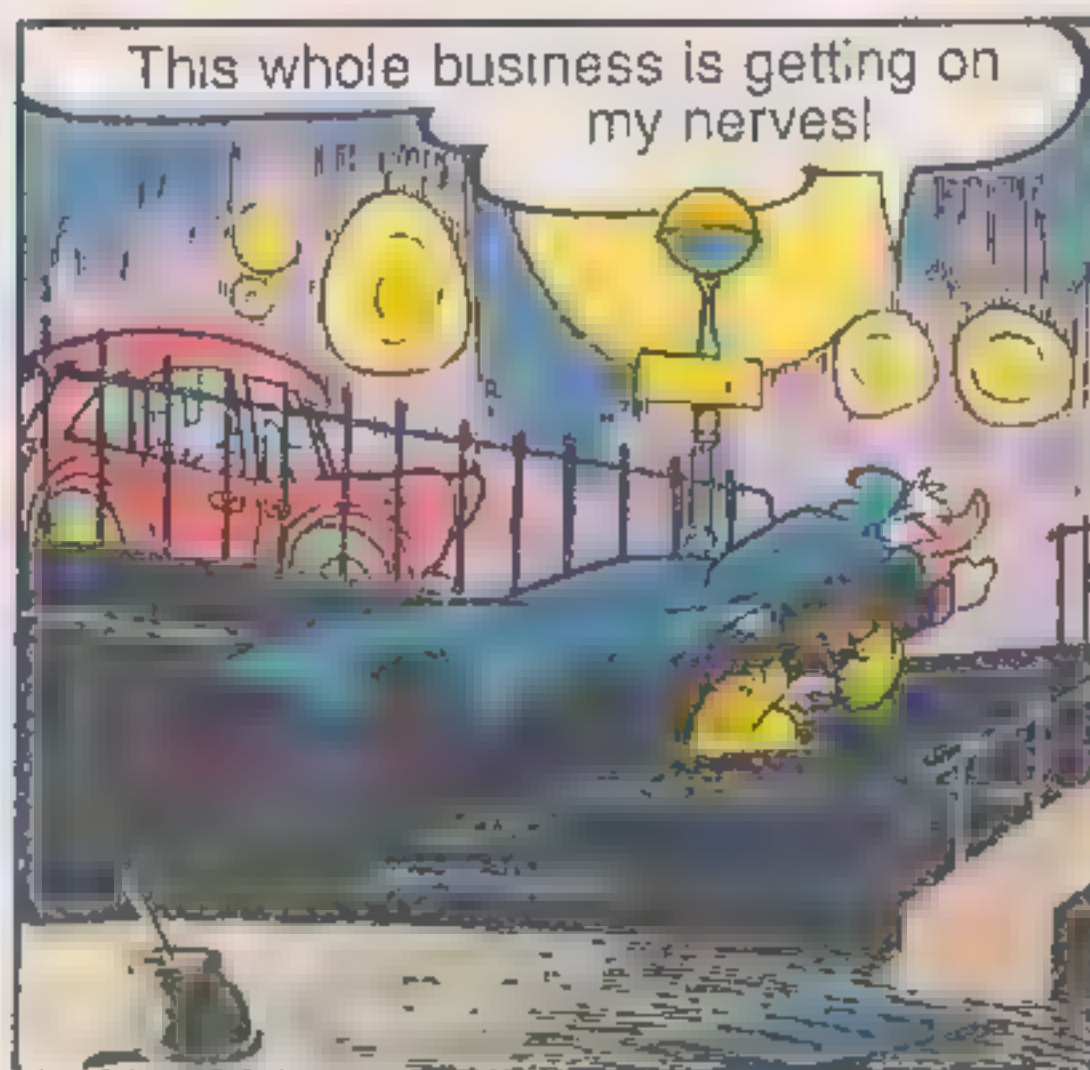

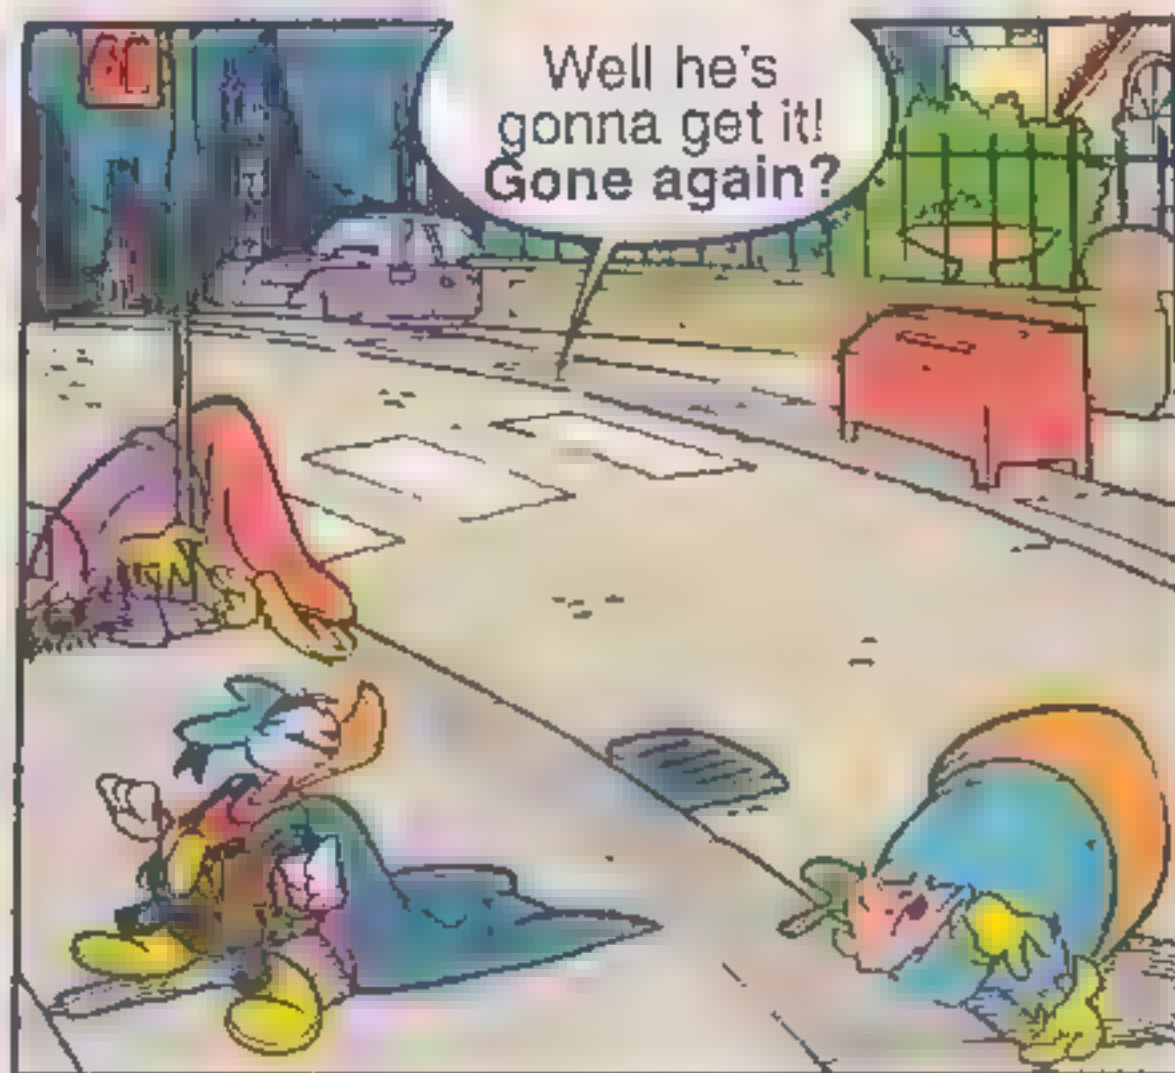

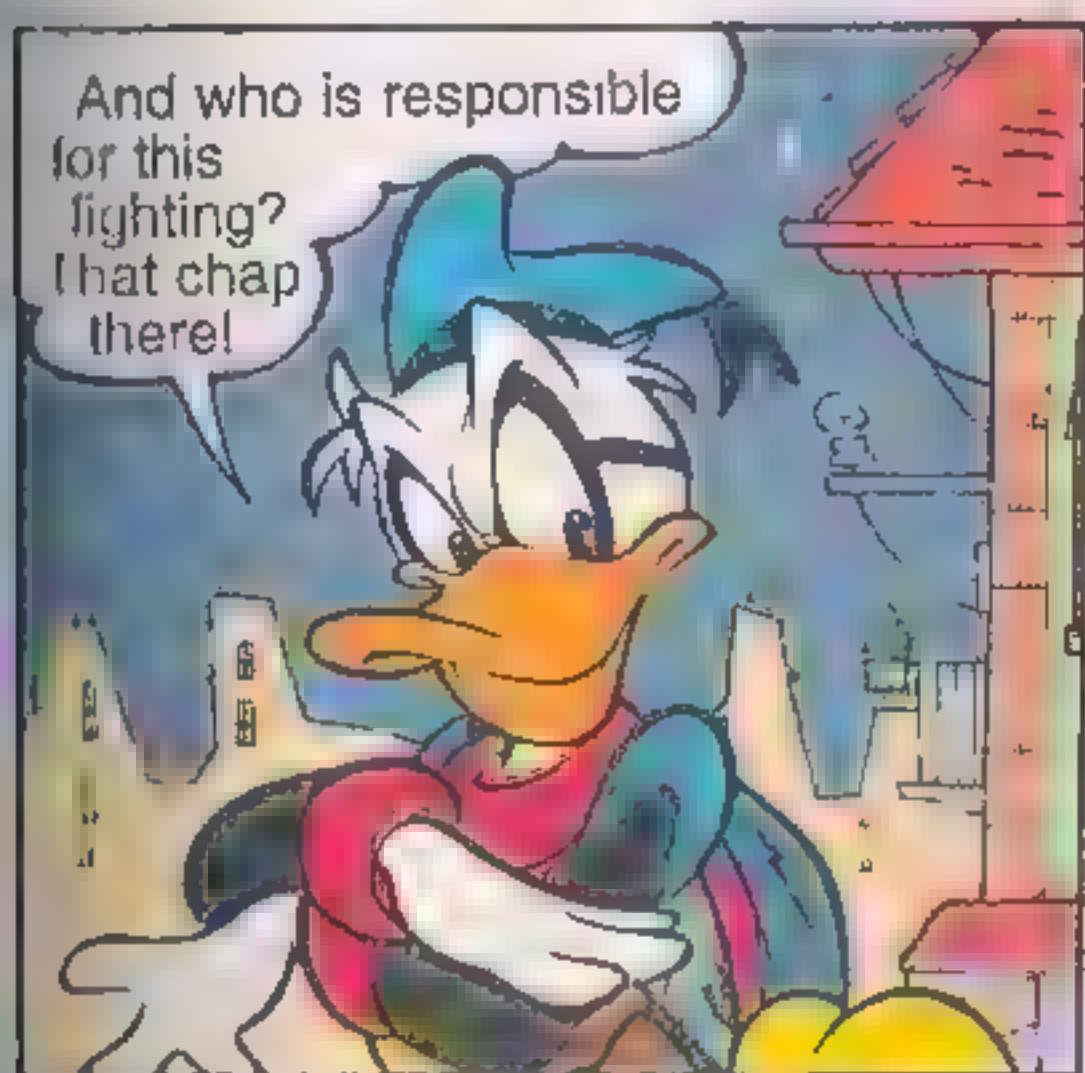

?!

Darn! Superduck!

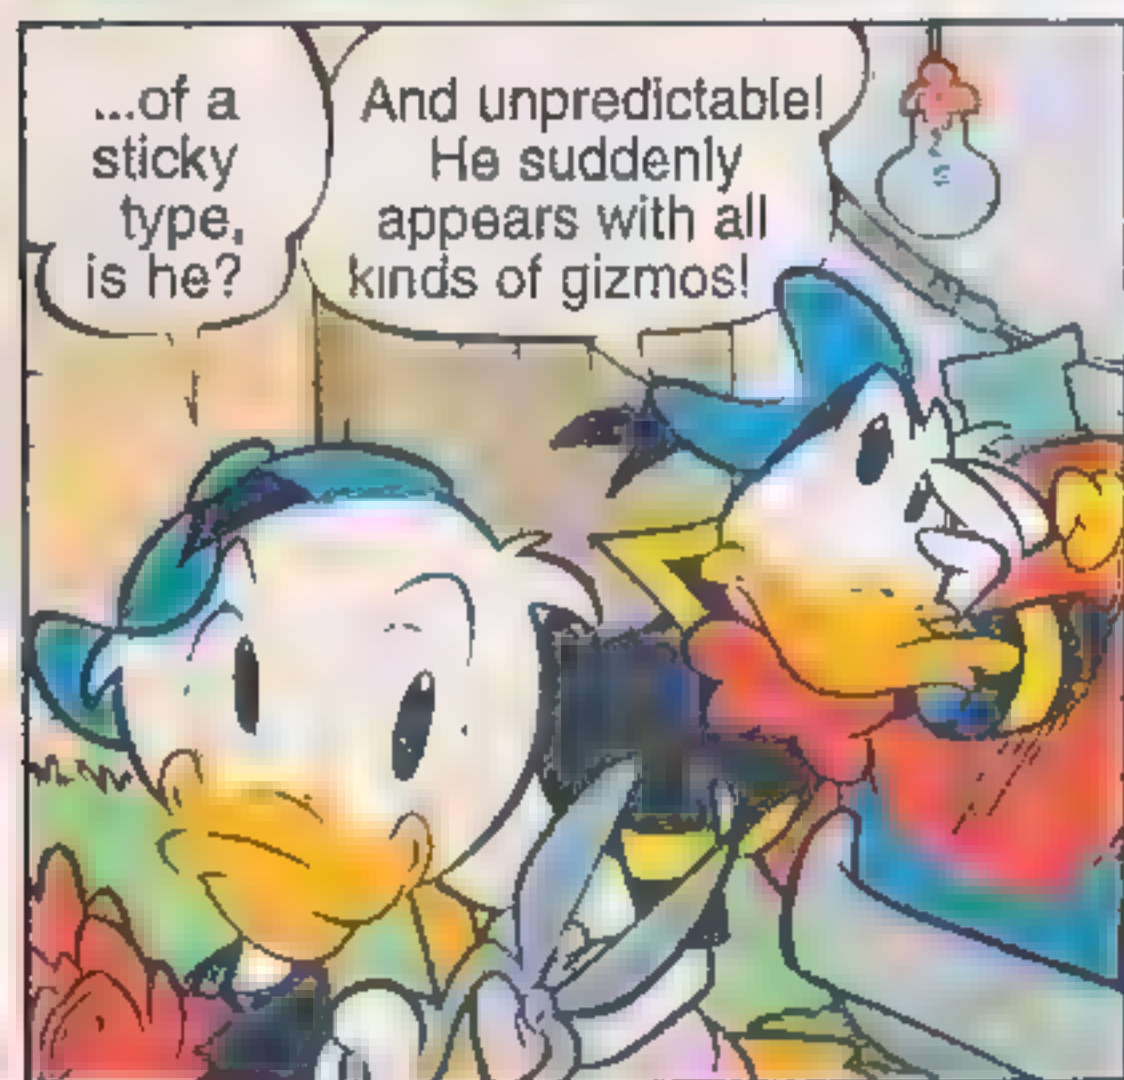

So some crazy person
followed poor
Superduck again?
A bit...

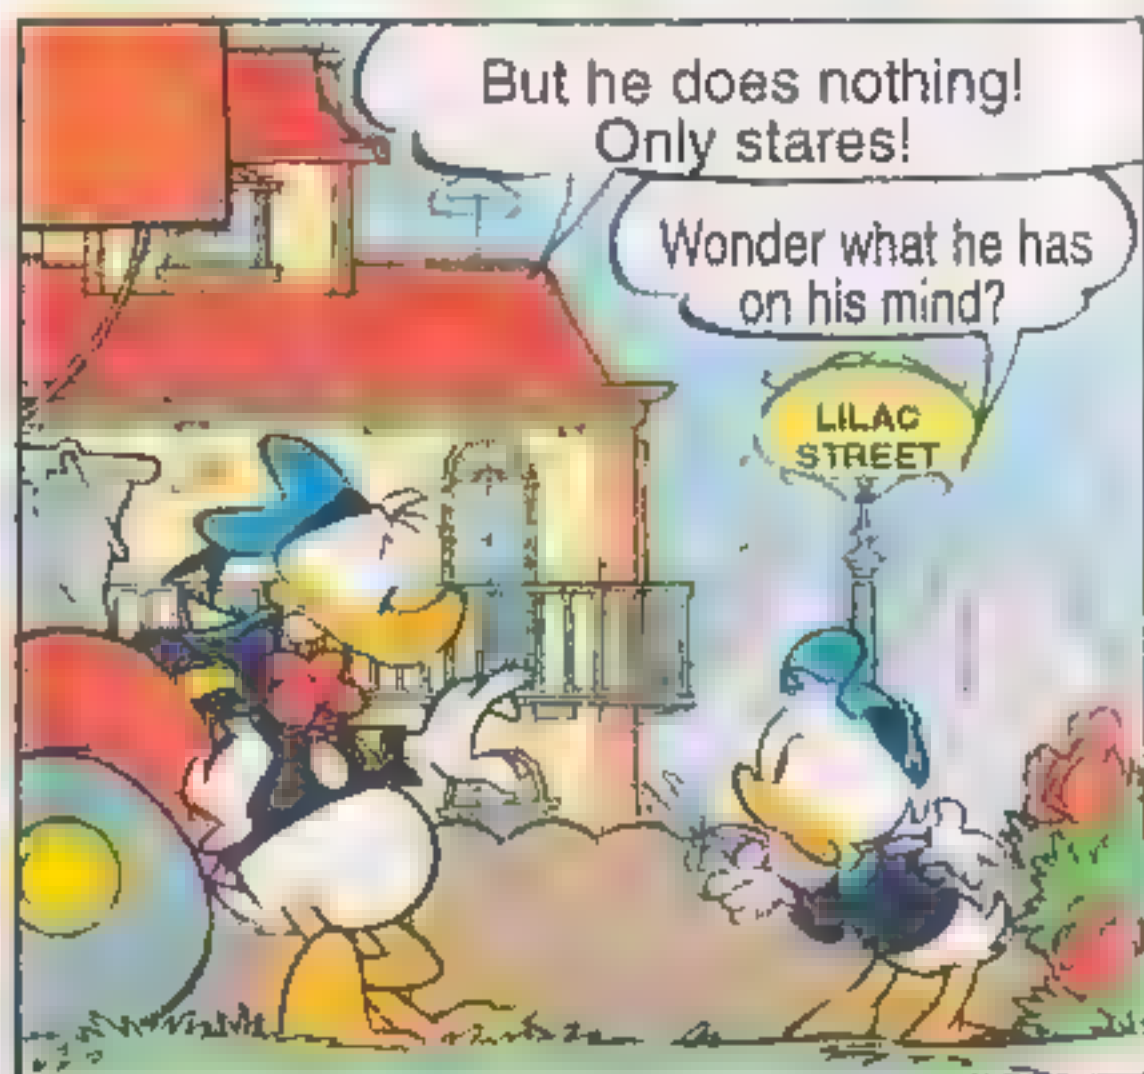

...of a
sticky
type,
is he?

And unpredictable!
He suddenly
appears with all
kinds of gizmos!

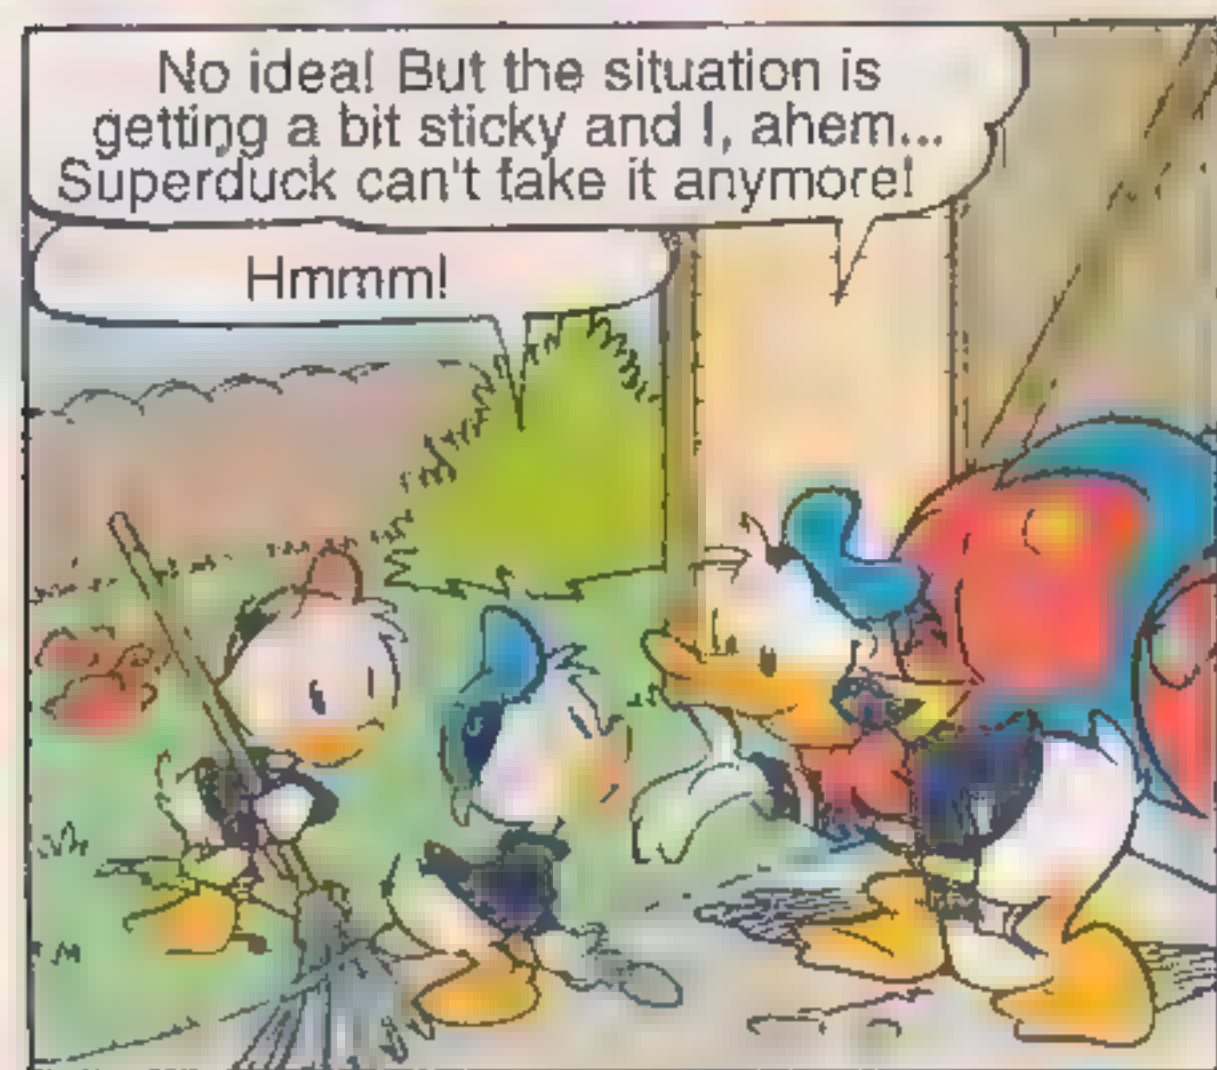

But he does nothing!
Only stares!

Wonder what he has
on his mind?

No idea! But the situation is
getting a bit sticky and I, ahem...
Superduck can't take it anymore!

Hmmm!

On the other
hand, he's
lived through
a lot already!

Yes that's true!
But I didn't know
how to react!

So!
You are not
Superduck!

I'll bet,
he already
knows how he
should solve
the problem

He must
wait for
the right
moment...

... and strike like
lightning...

...and everything will be
okay again!

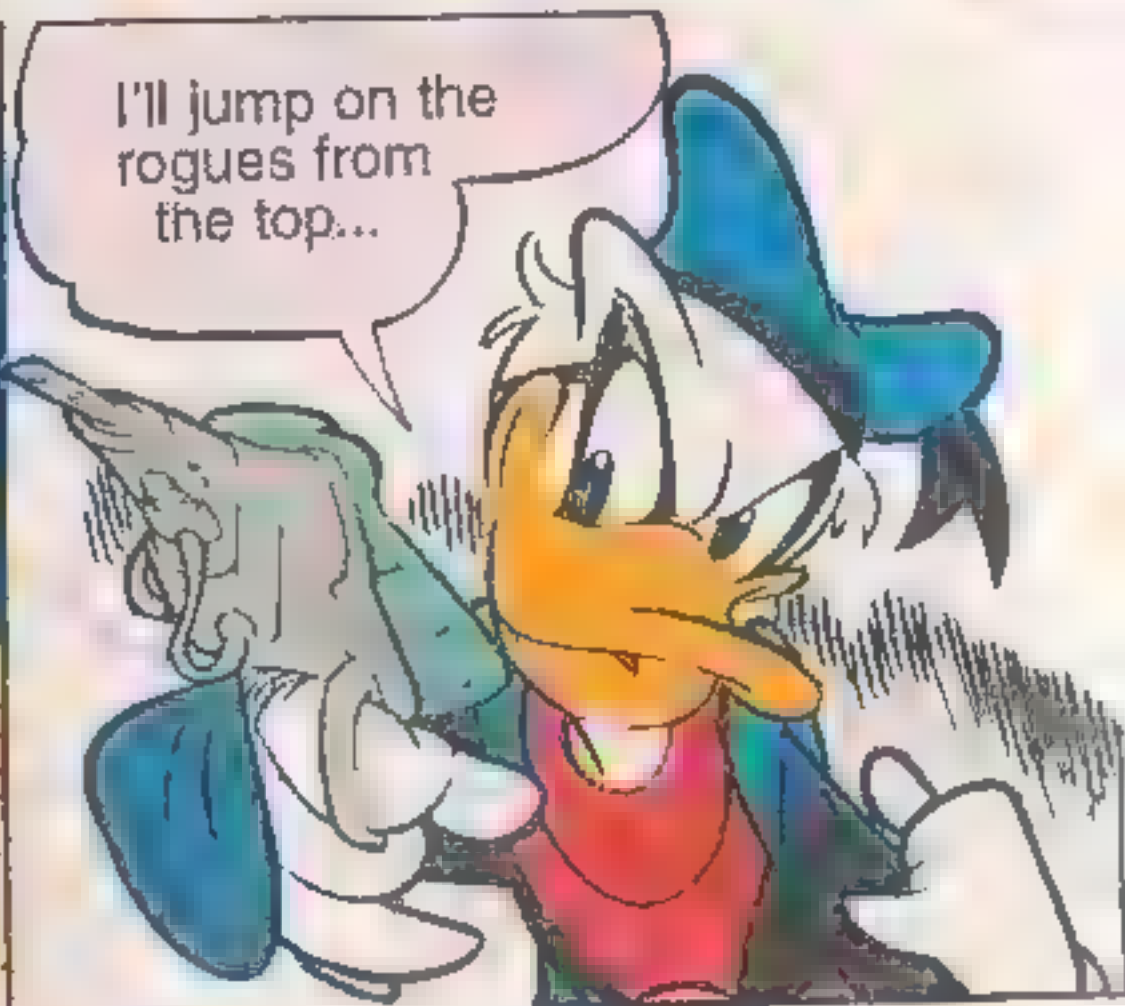

I can't
understand why you
are so worried!

That's true! Why am I
getting so worked up
when I'm not
Superduck?

You've been
surrounded!
Surrender!

TAATOOO!

TAATOOO!

...with the help of Mr.
Gearloose's clamber
line!

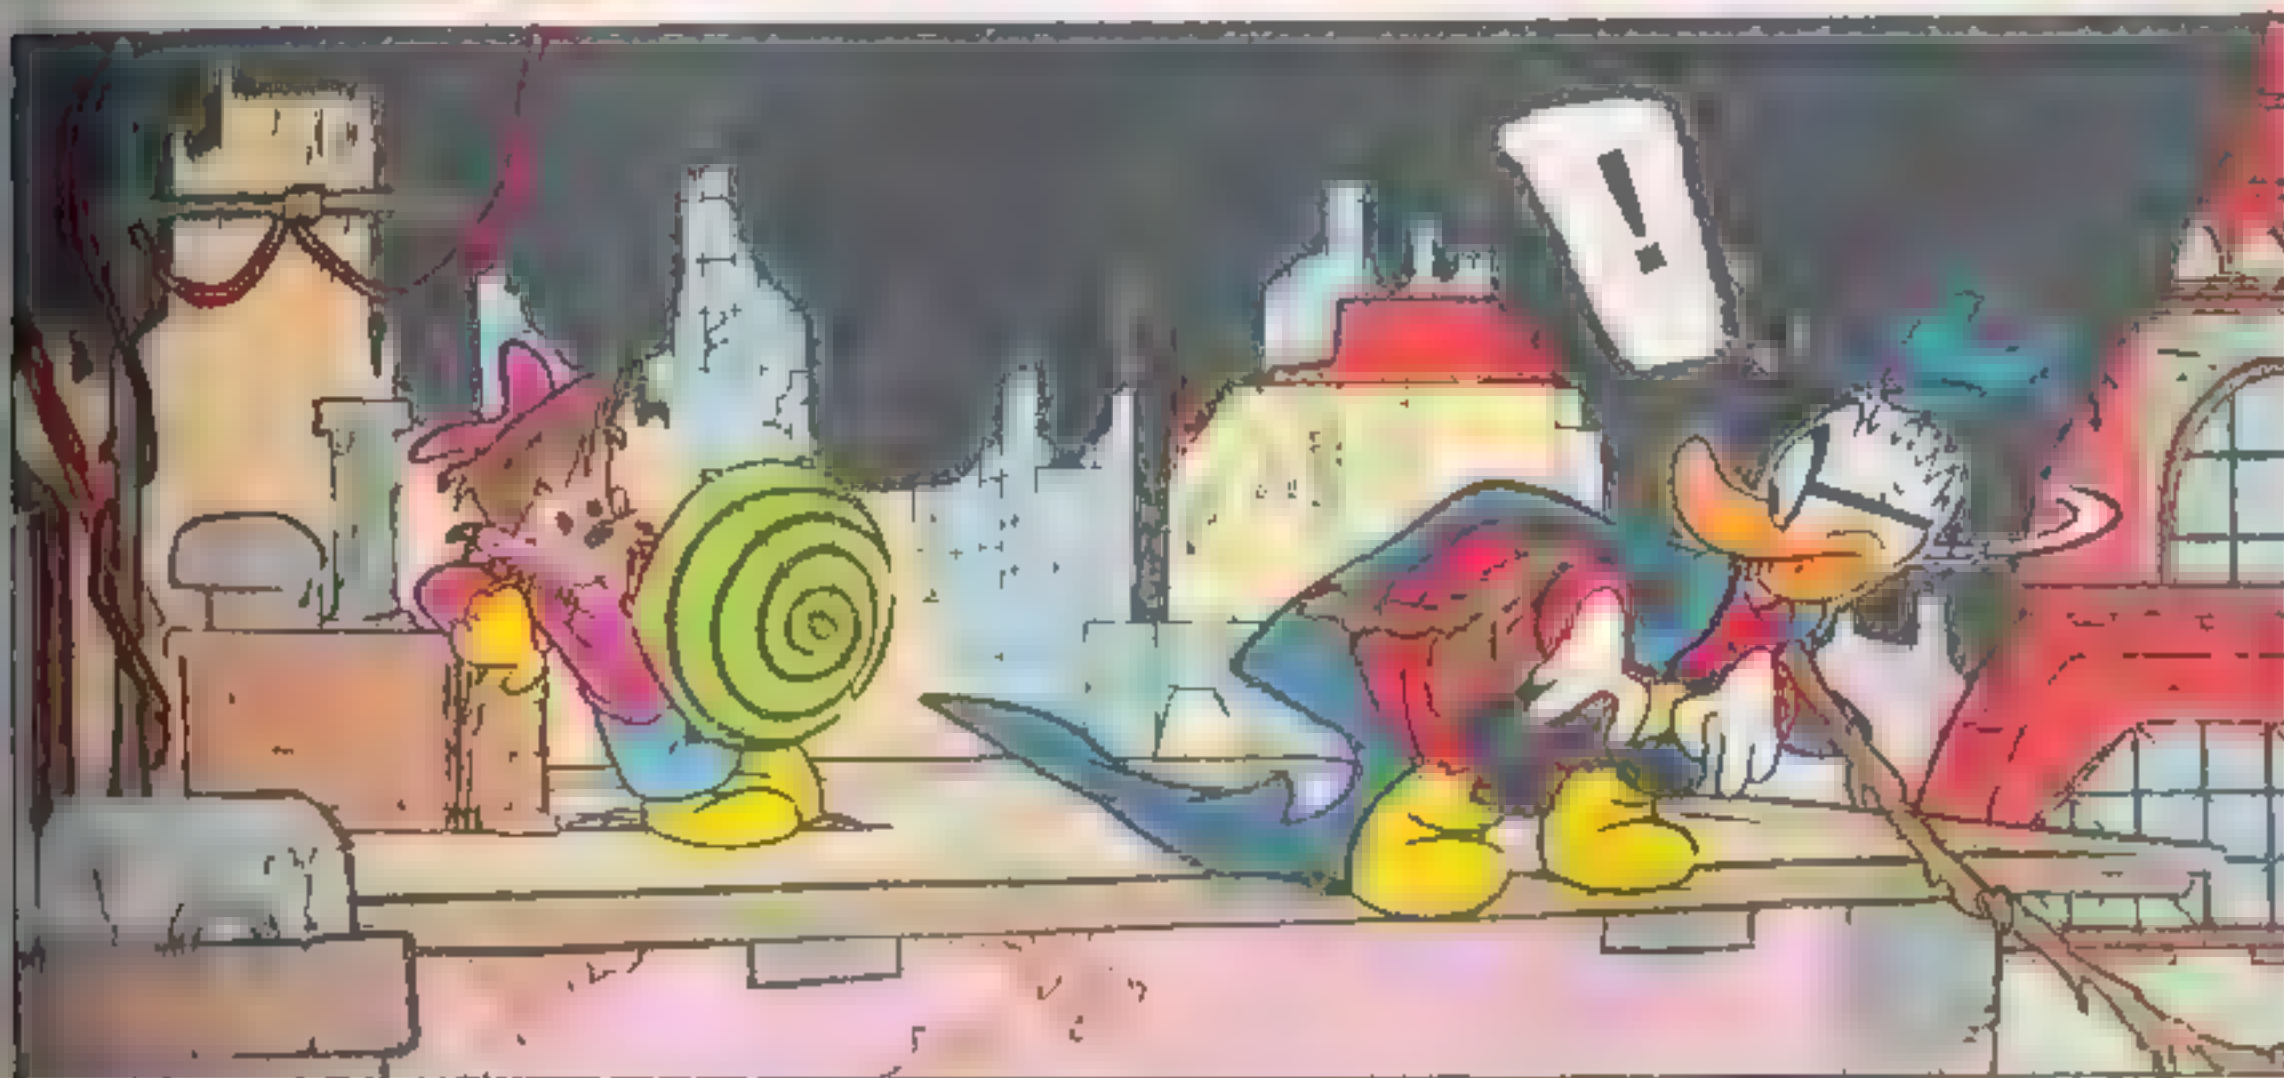

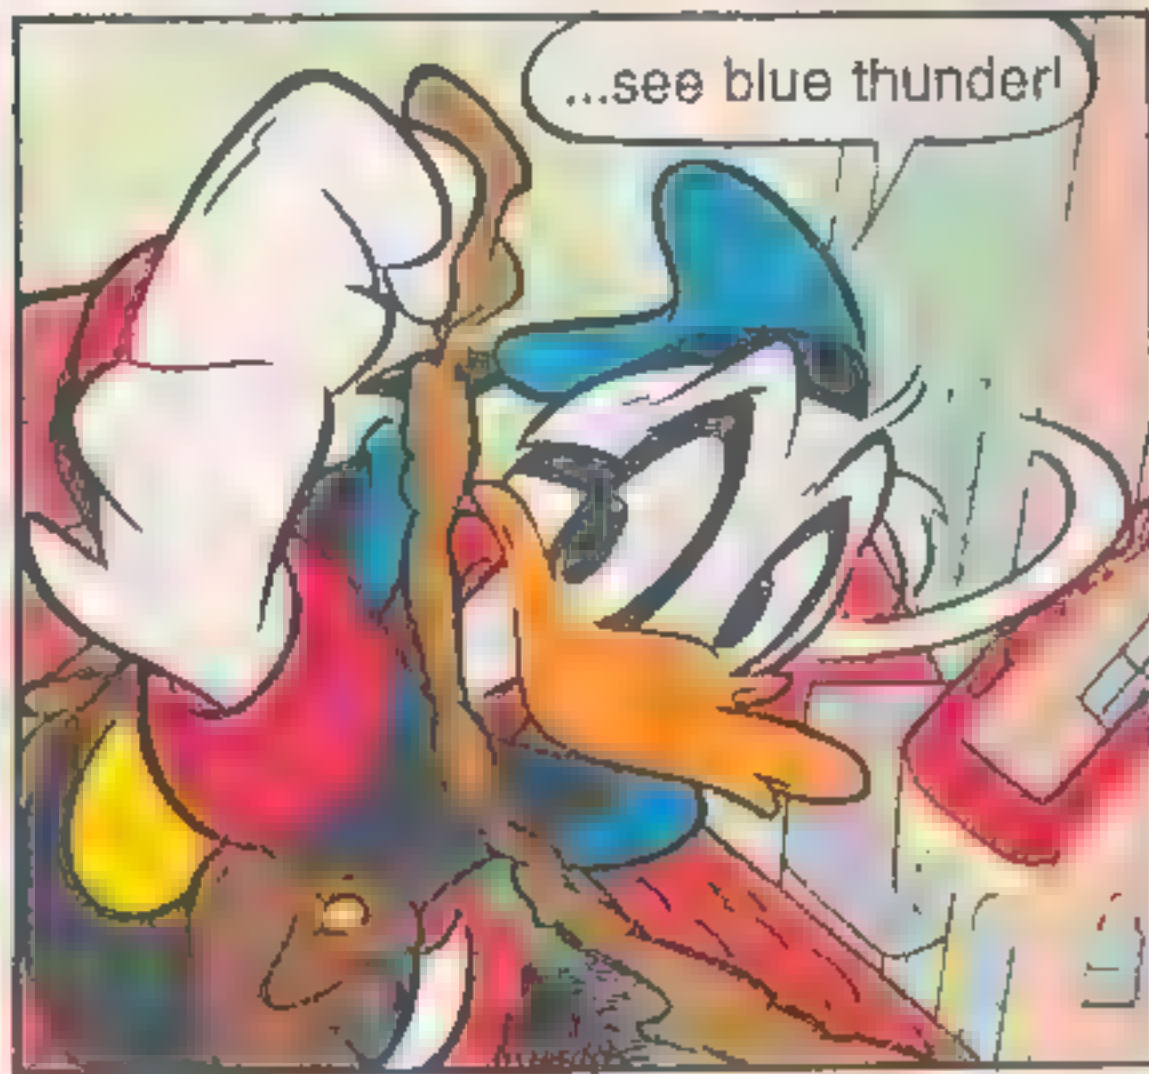

FLOPP!

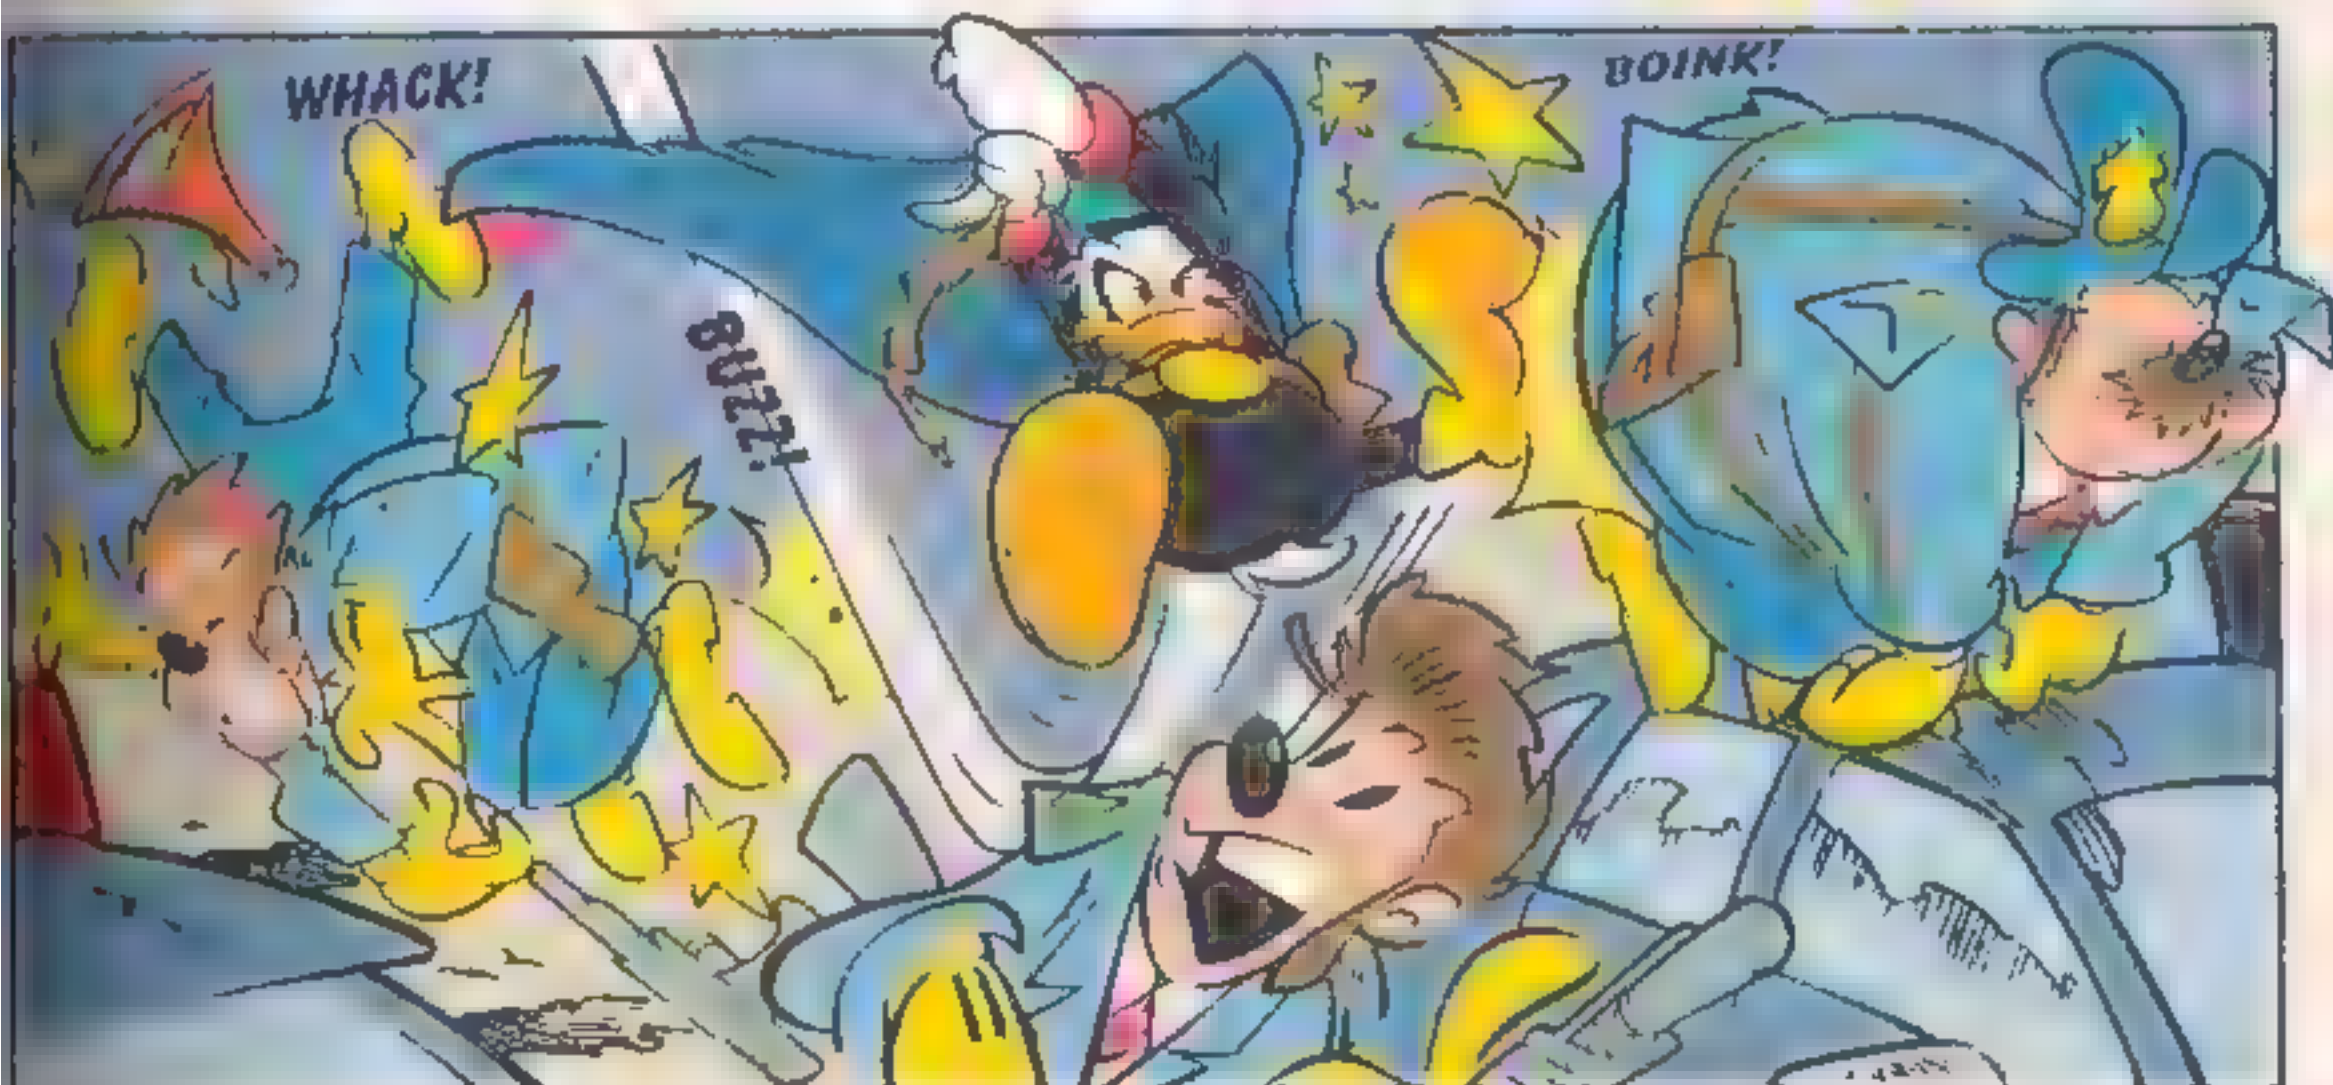

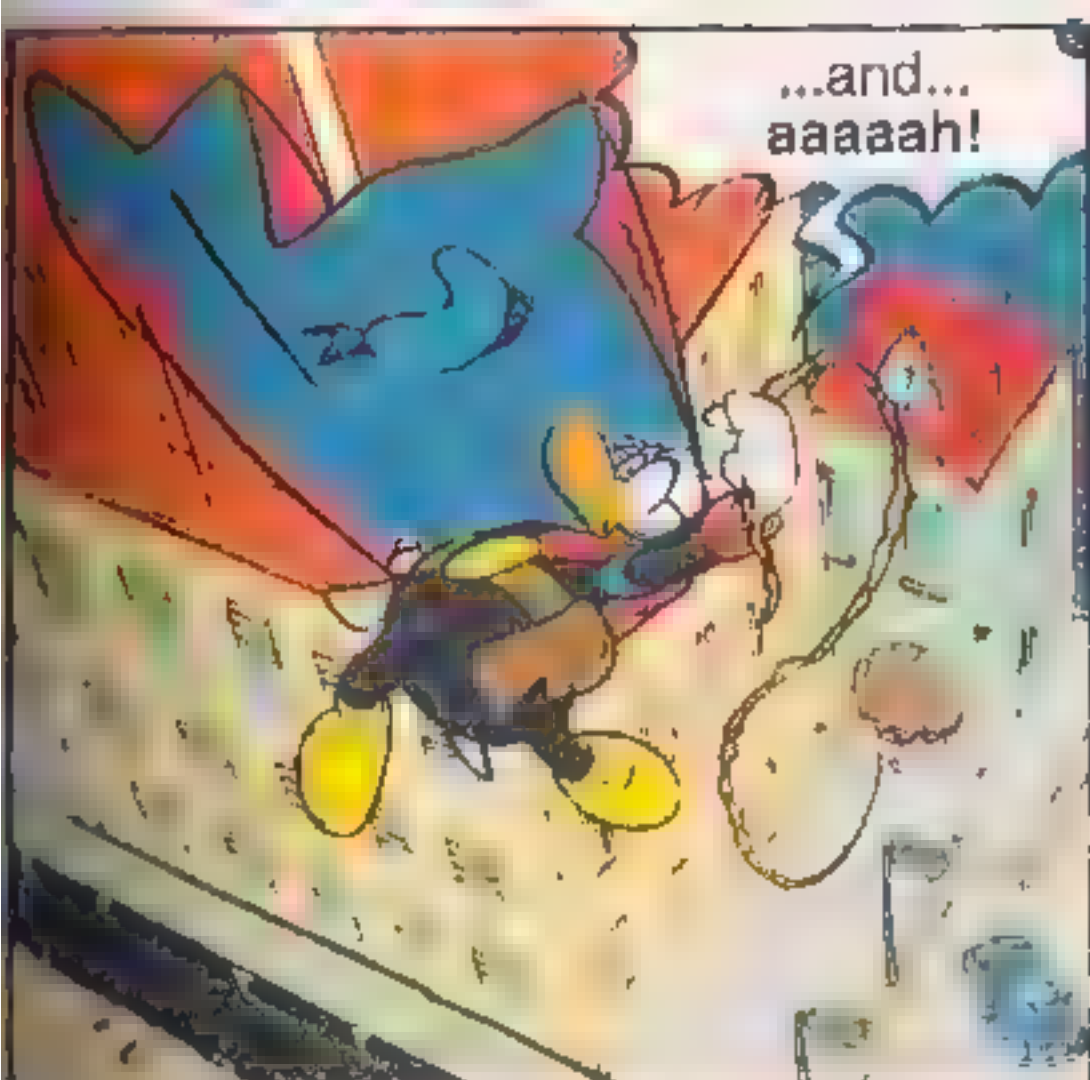

Excellent! Now those rascals down
there will...

...see blue thunder!

Quick! Let's make
a move before the
cops come
again!

Yes,
right! He!
He!

Grr! On whose side are
you really?

Look what you have
done!

I can do without
such help!

Now wait! That chap has
to see this!
I swear!

It's time this
is sorted out
once and
for all!

Darn! How
could he have
disappeared
so quickly?

Groan!
I'm at my
wit's end! Moan!

Welcome to the happening event of the
century my dear ladies and gentlemen!

...want to witness how the
hidden secret of all times is
uncovered, that is...

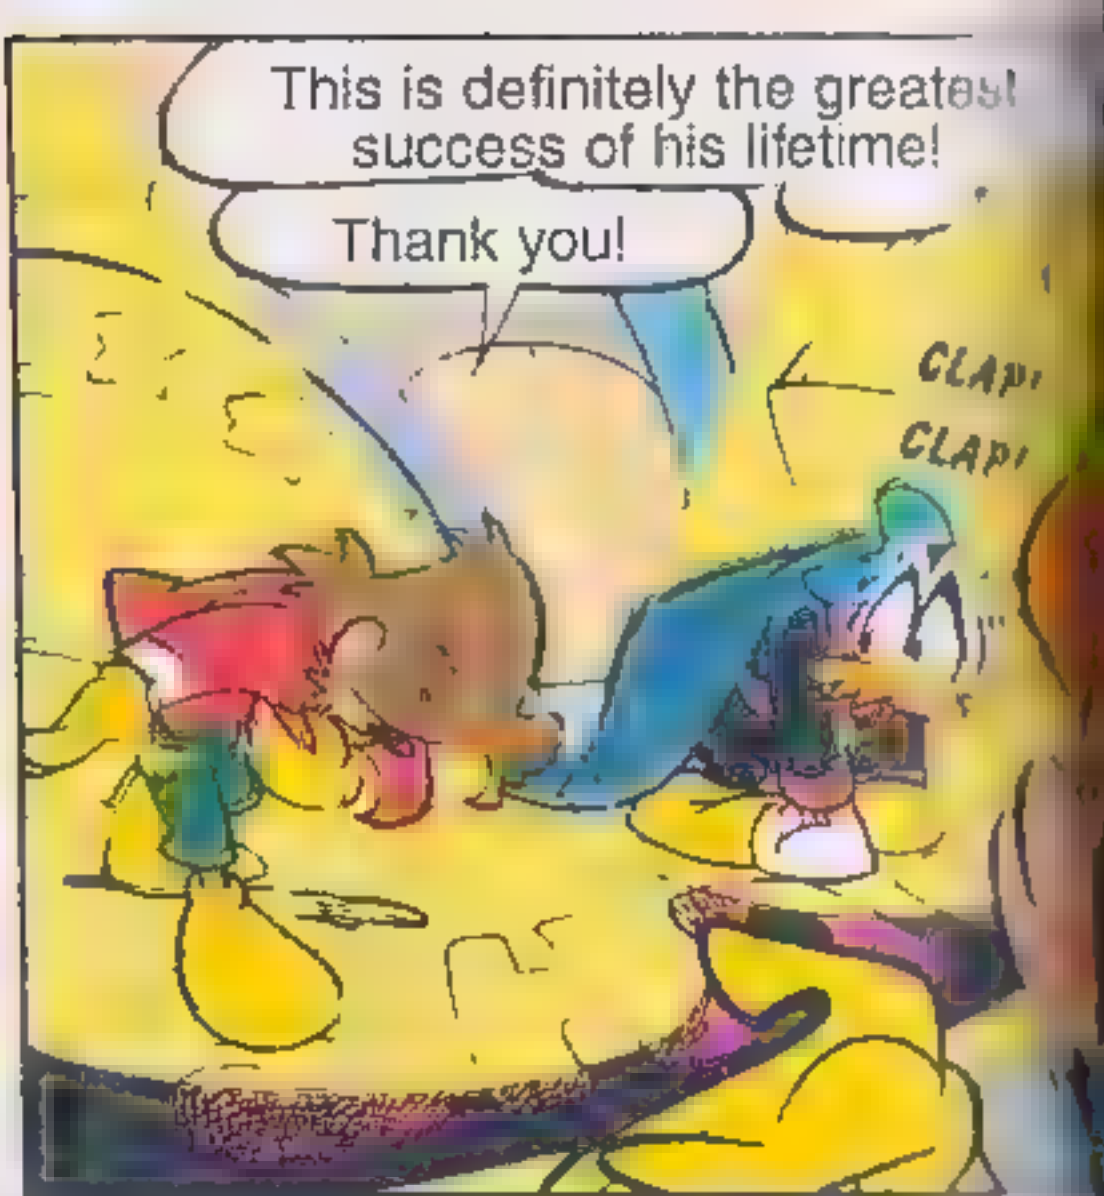

...who
Superduck
really is!

TATARA -TAA!

SHOW

We have to thank the curiosity of our esteemed citizen, Mr. Topper!

This is definitely the greatest success of his lifetime!

Thank you!

CLAP!
CLAP!

That's it! In a few seconds...

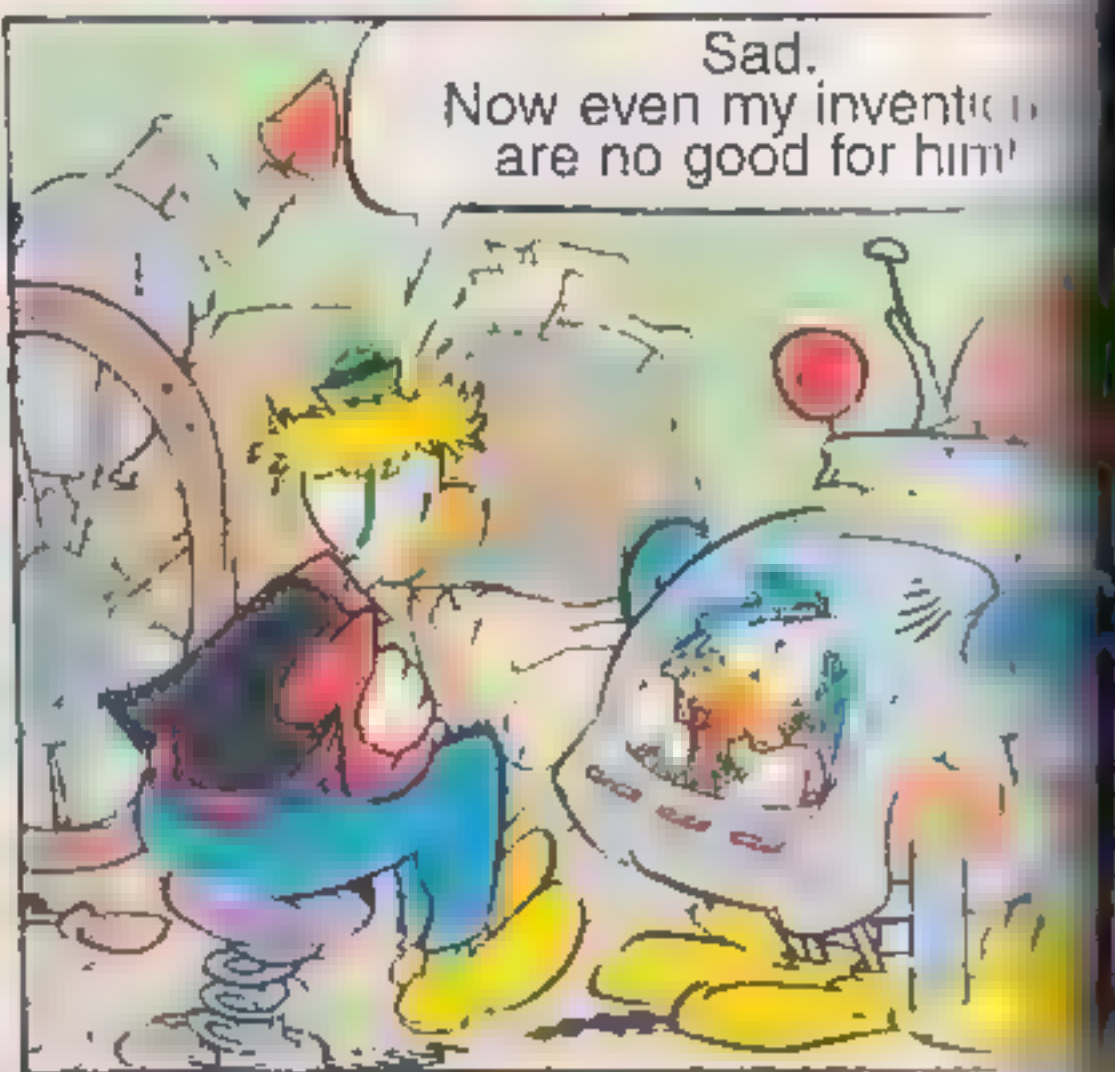

Sigh!

BOOOO! BOOOO!

Boy! That's Donald Duck who always shops with us!

And always on credit!

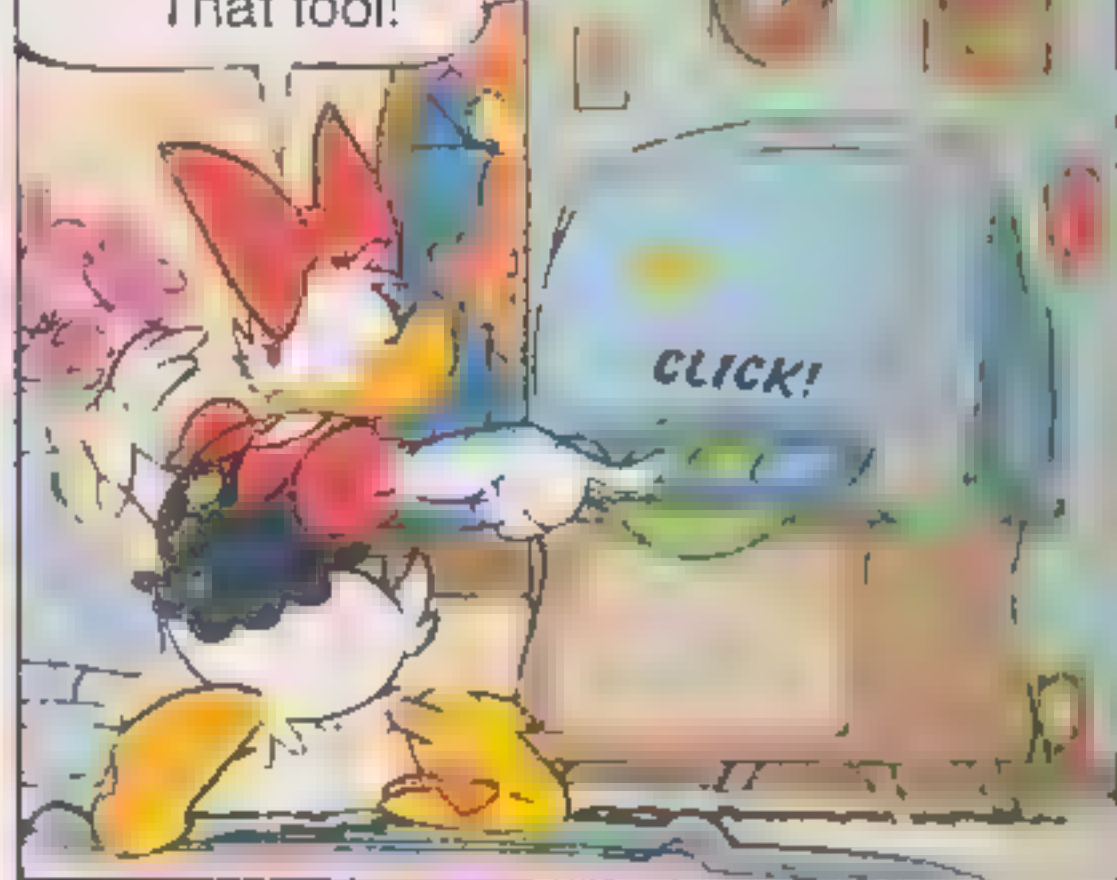

Sad.
Now even my inventions are no good for him!

typical of that good for nothing nephew!
Imagine getting caught by that useless
bloke!

And he never
told me a word!
That fool!

Now that we know who
he is, we can make
him pay a bit!

No! Nooo!
Aaaah!

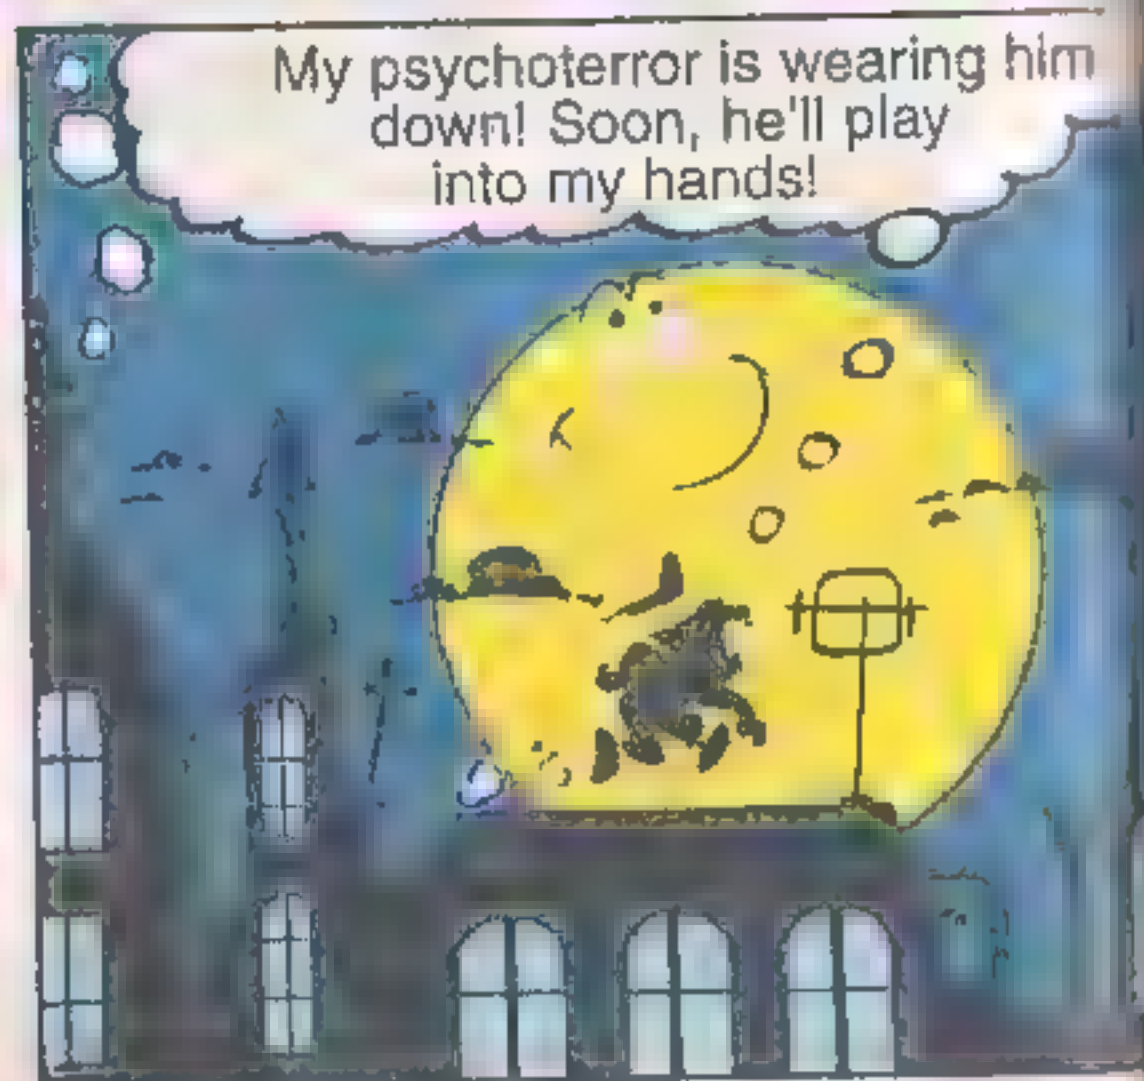

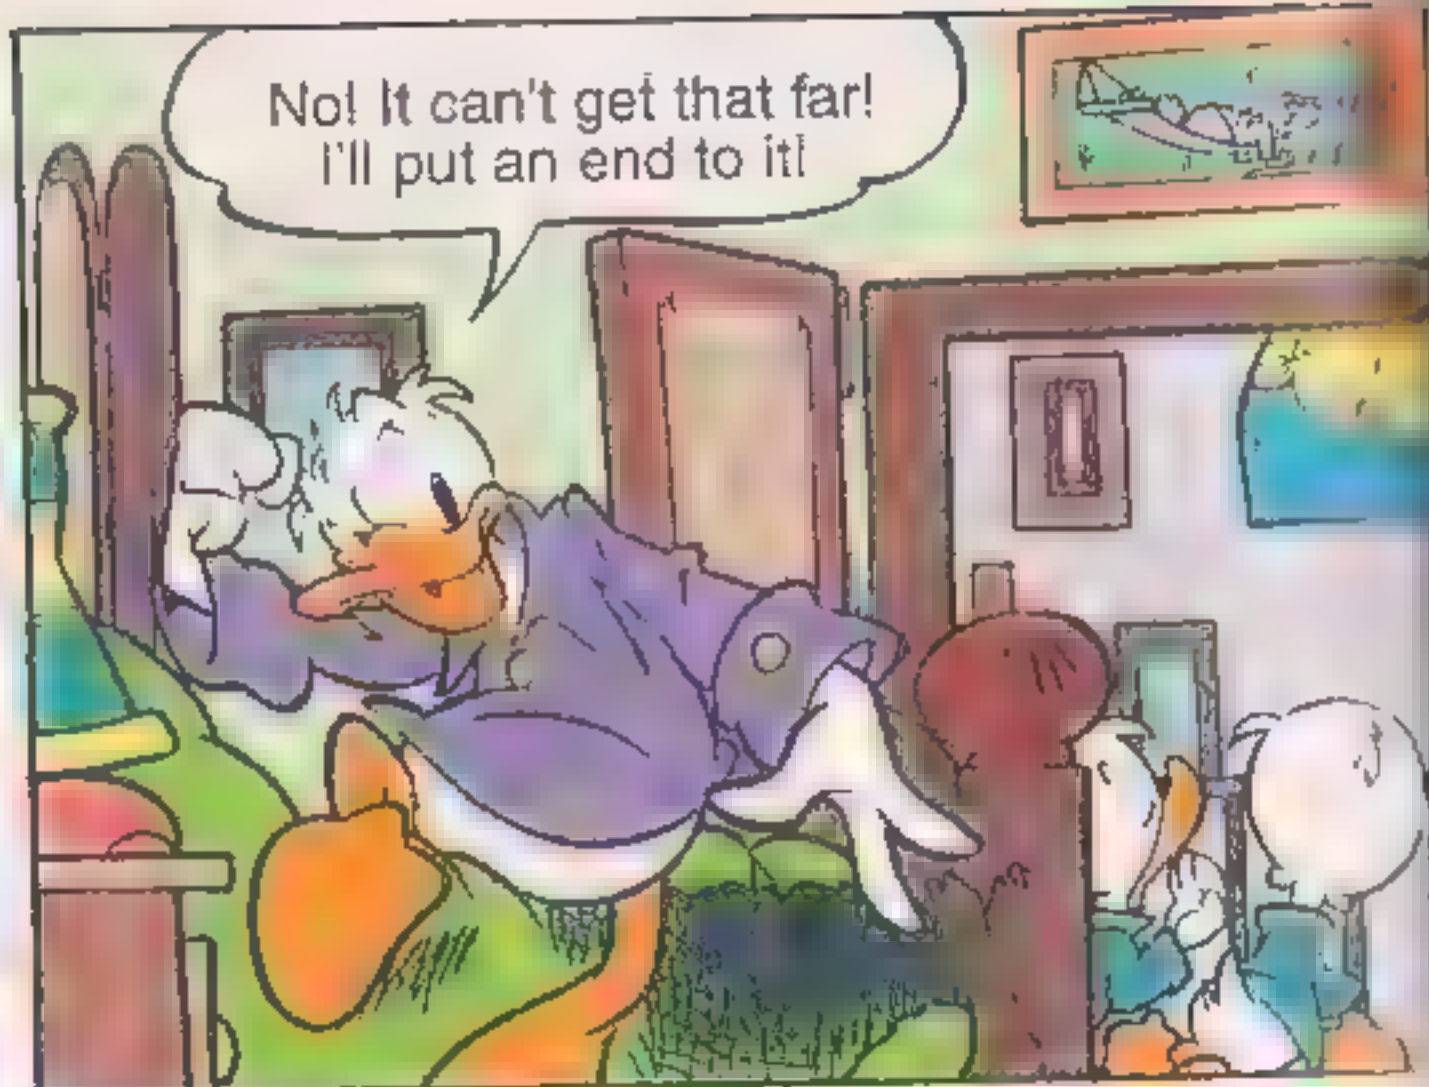

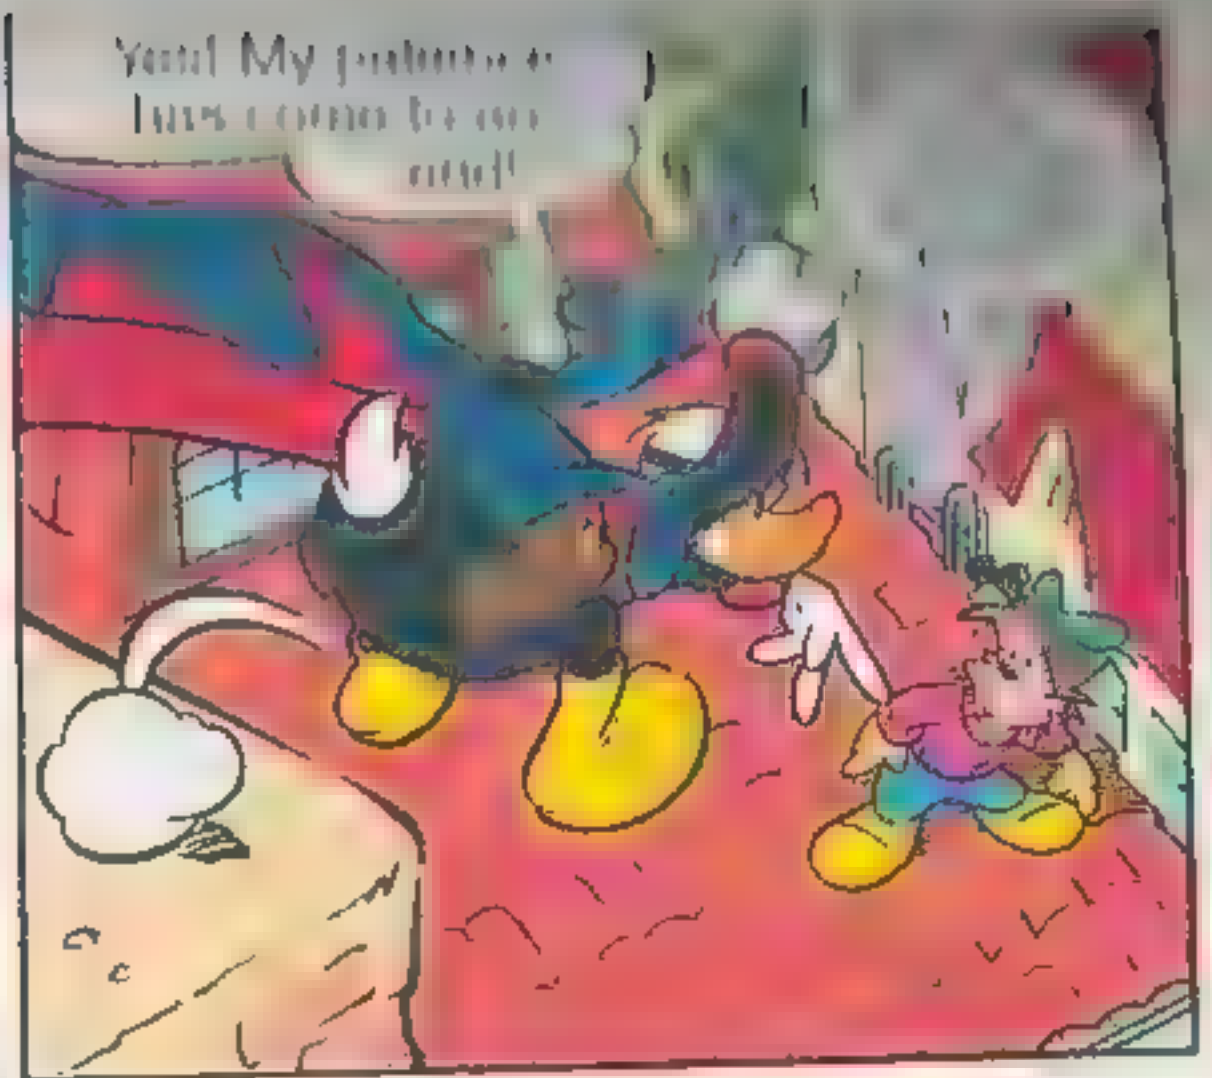

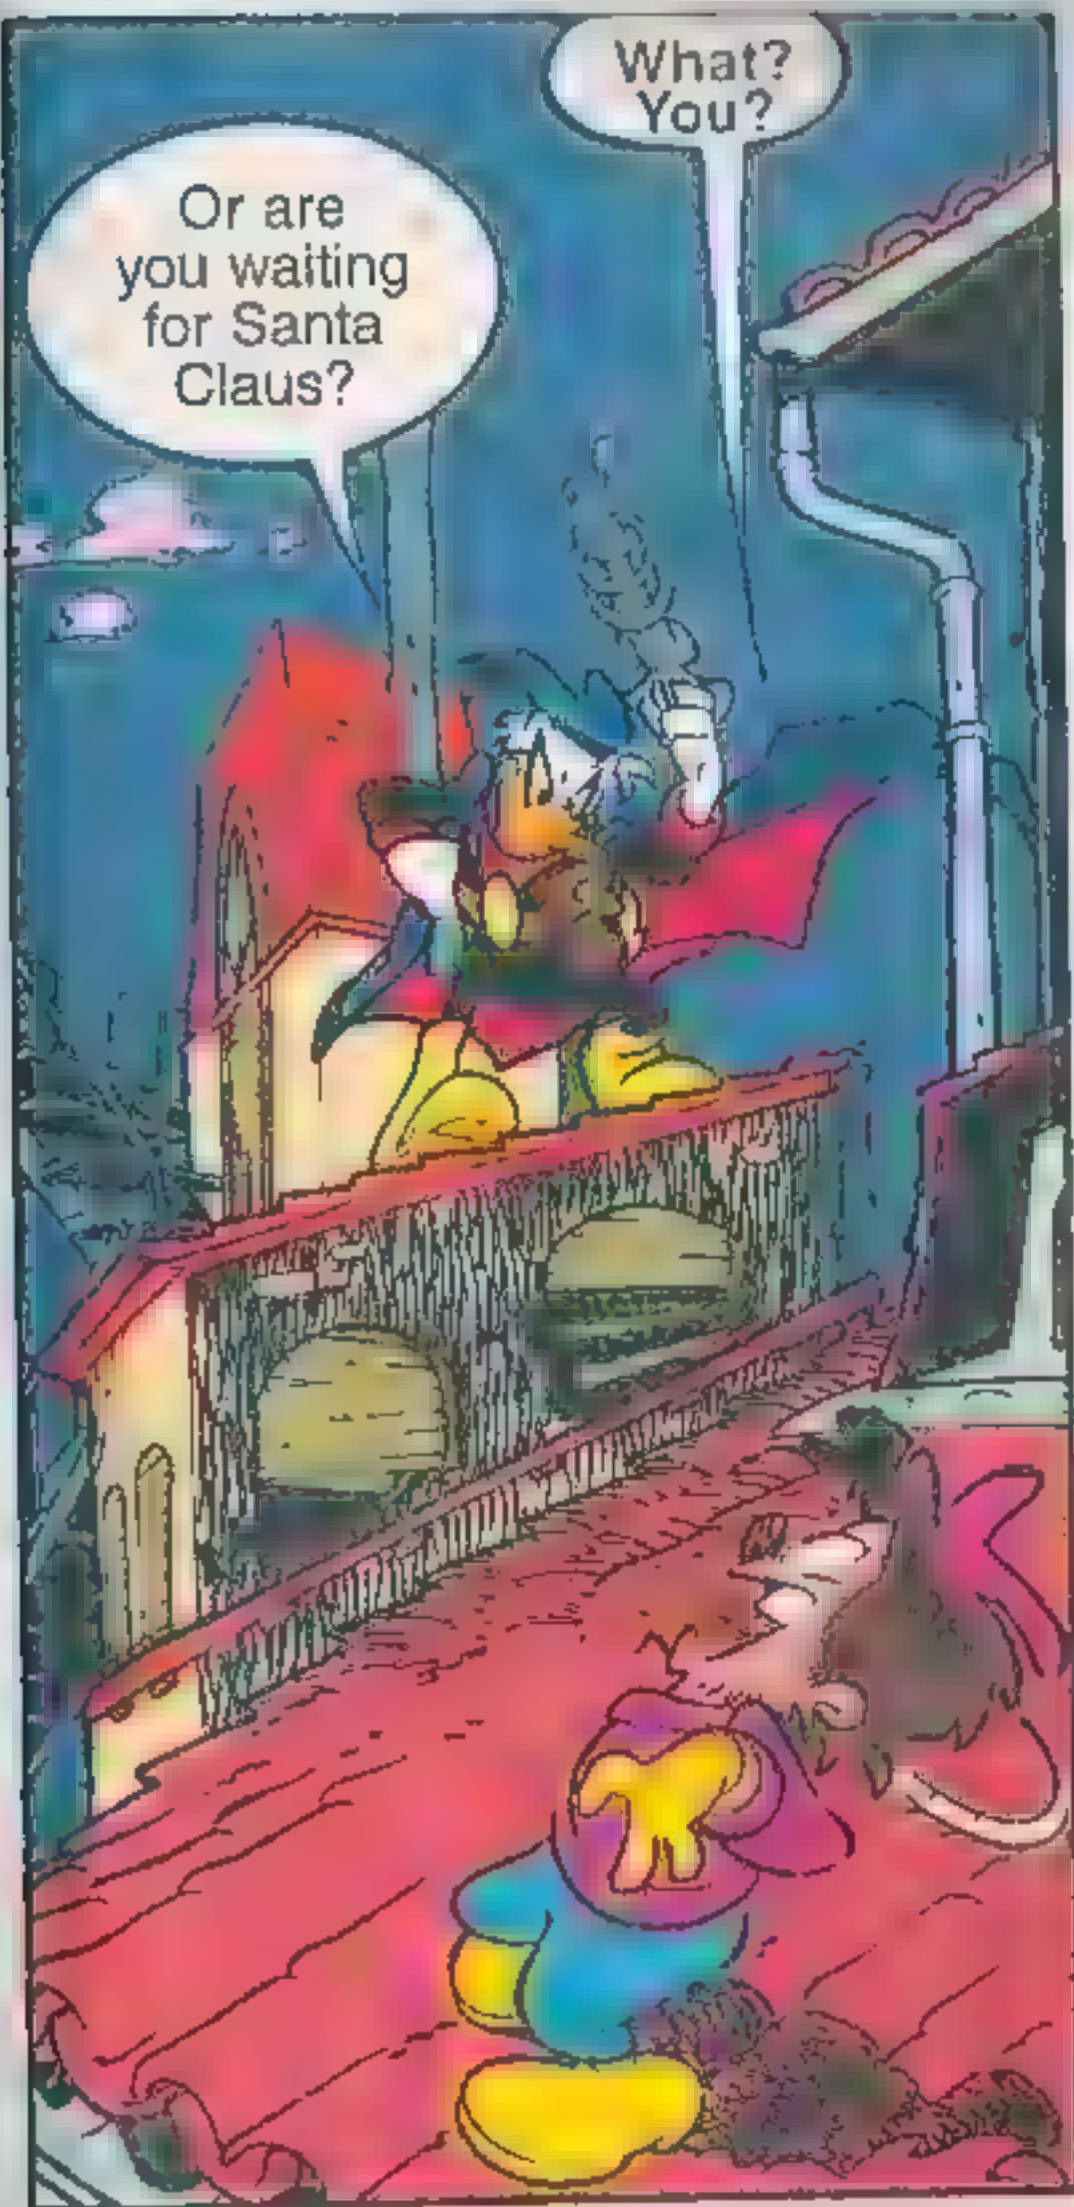

What's up, Uncle
Donald?

We heard
you scream!

Nothing
kids! Just a
bad dream!

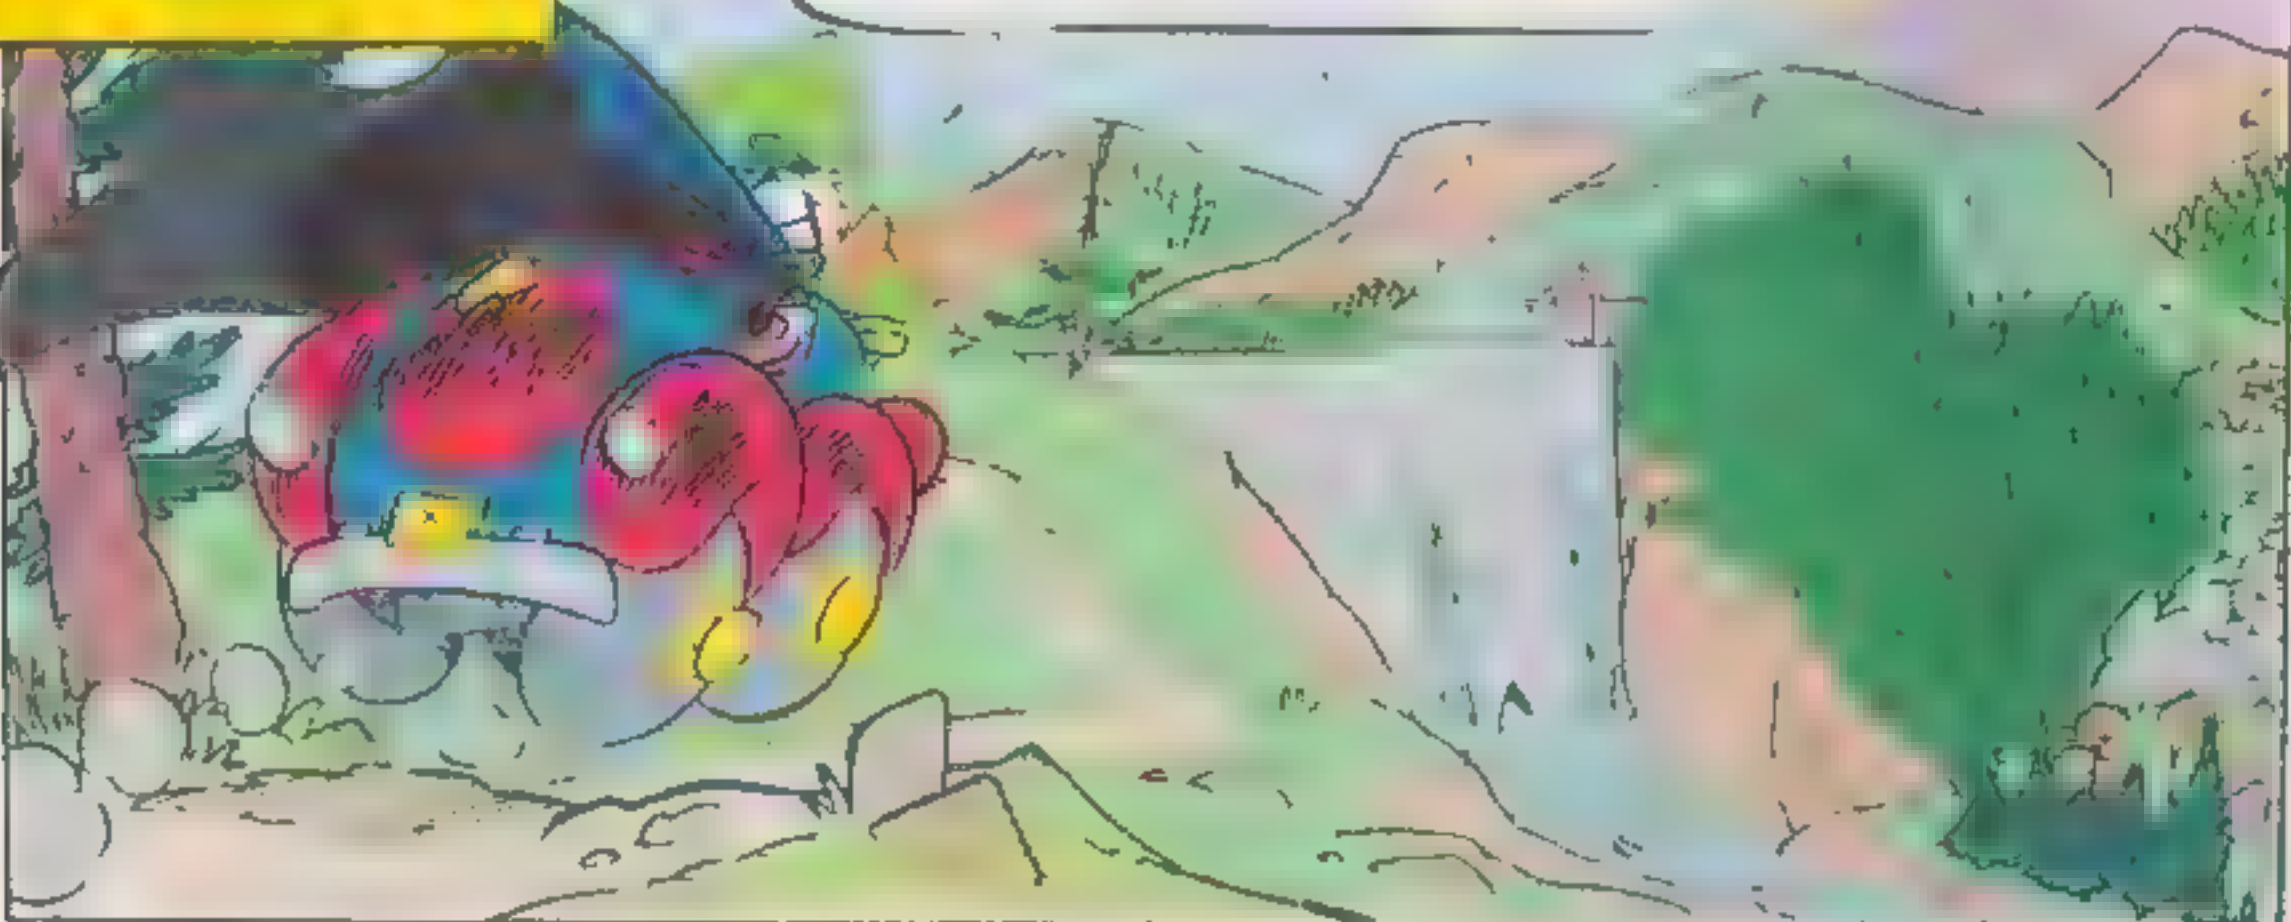

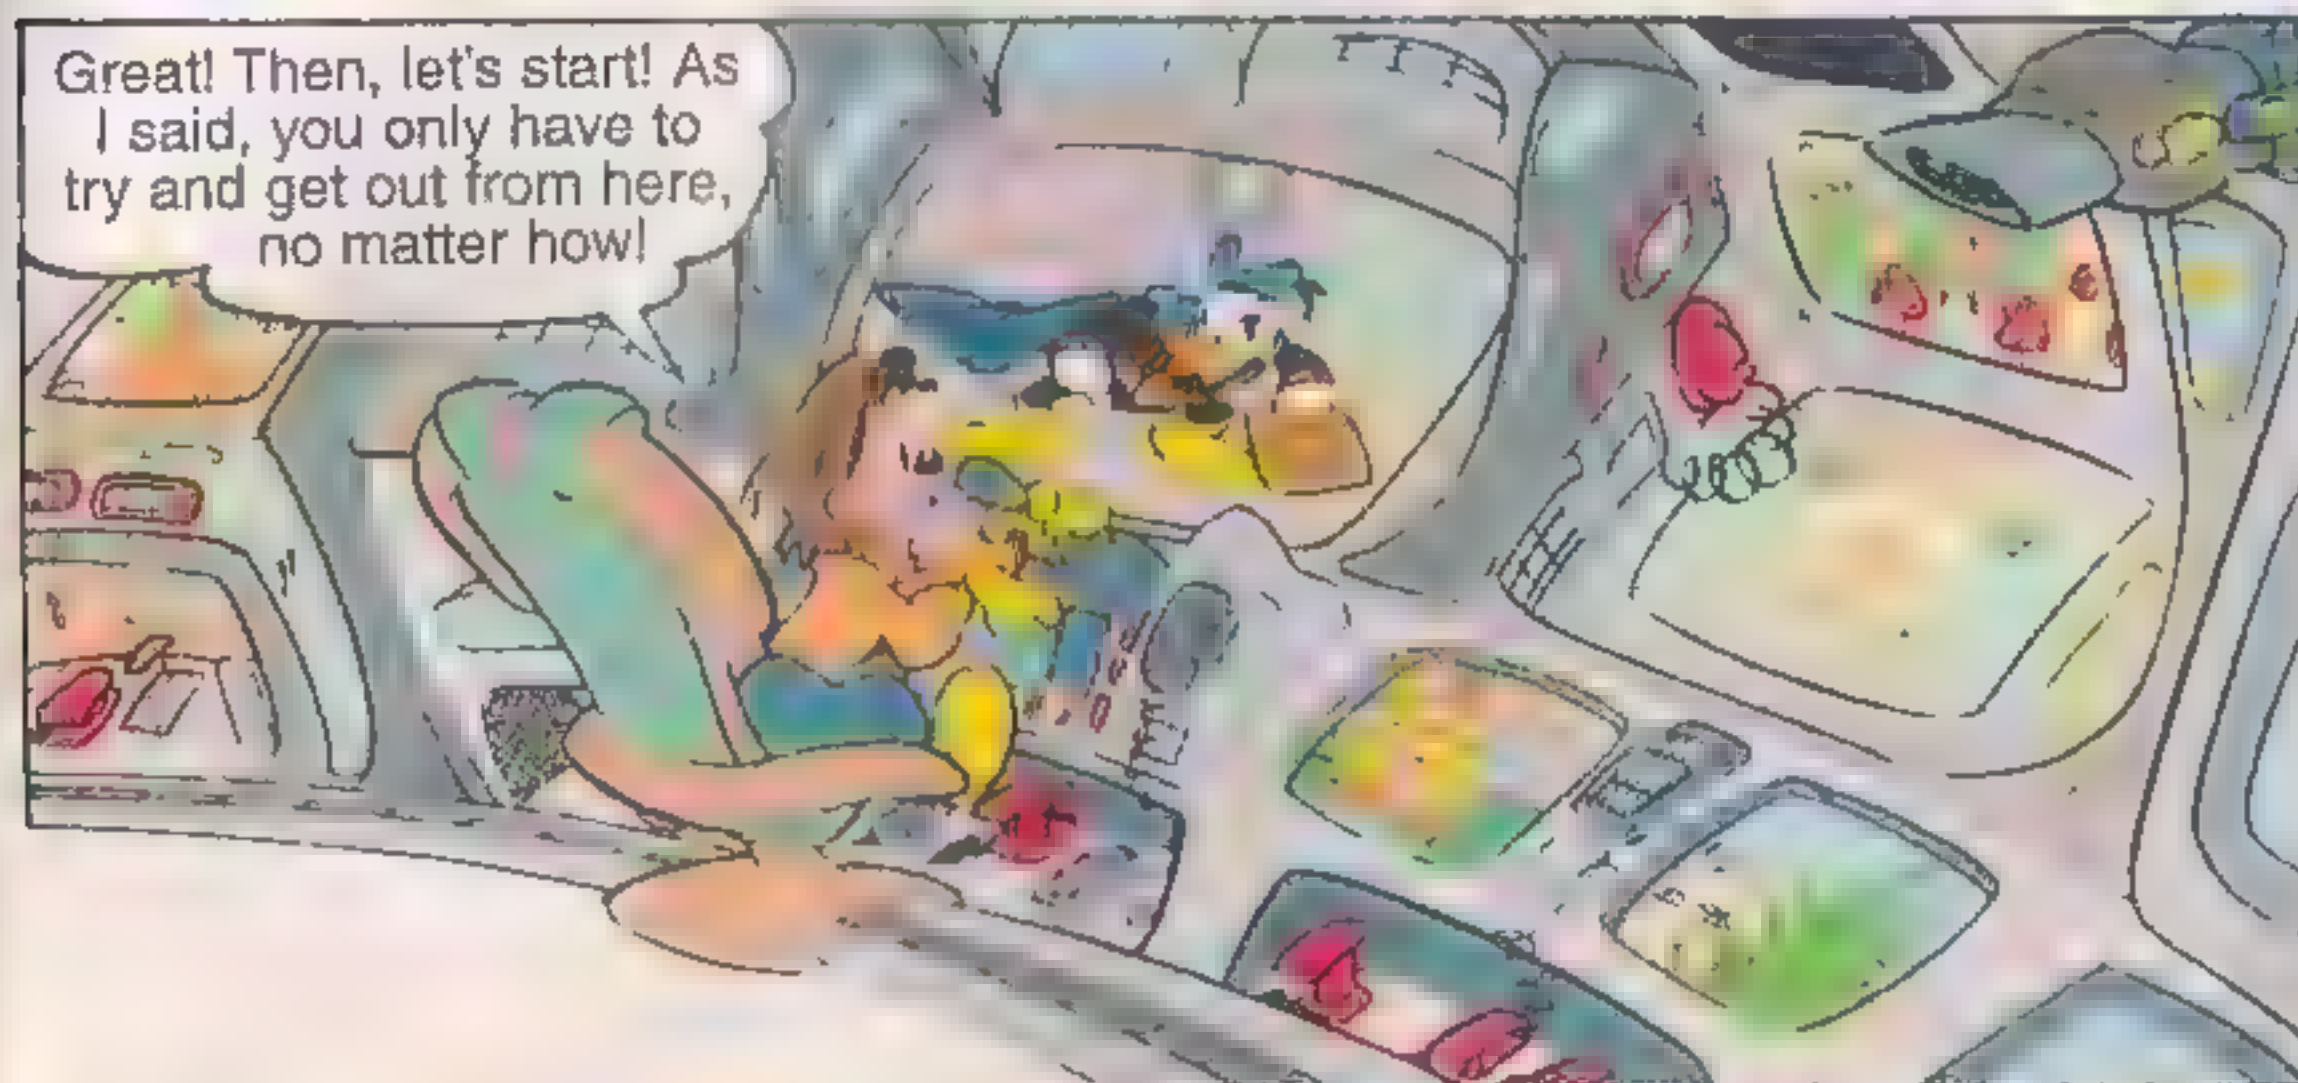

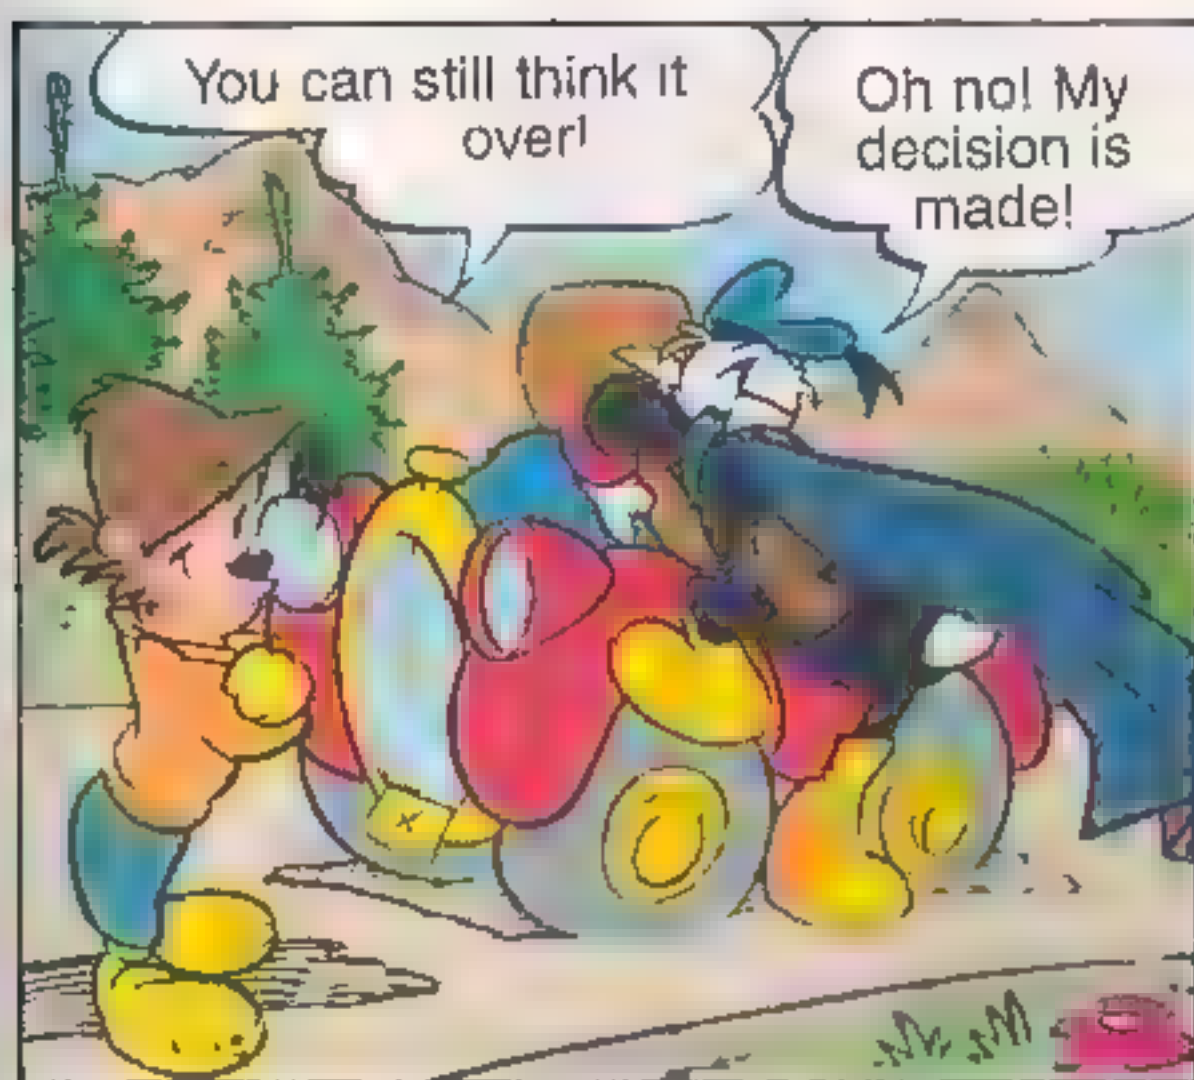

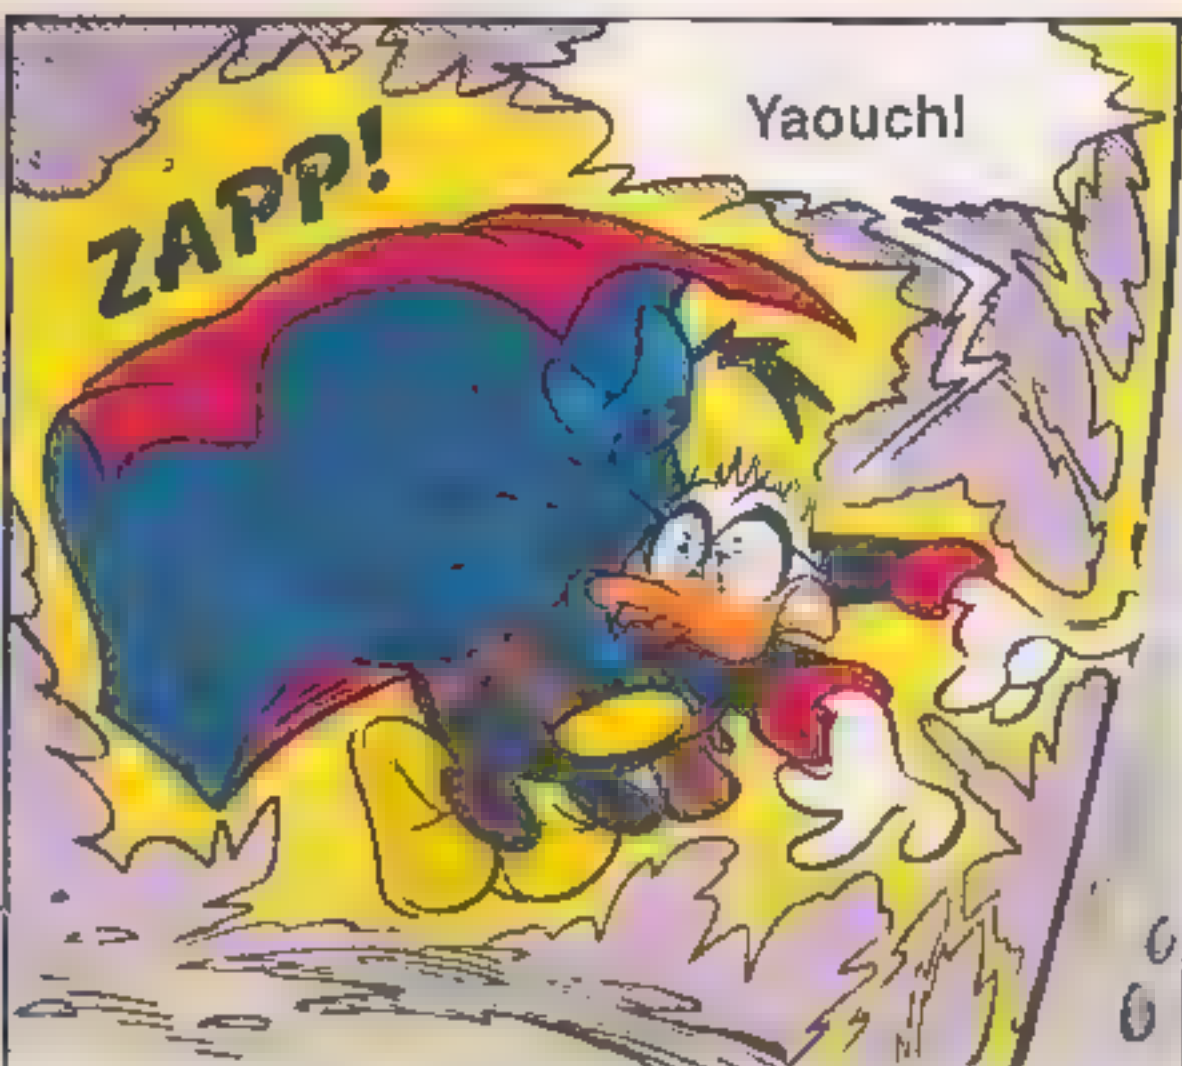

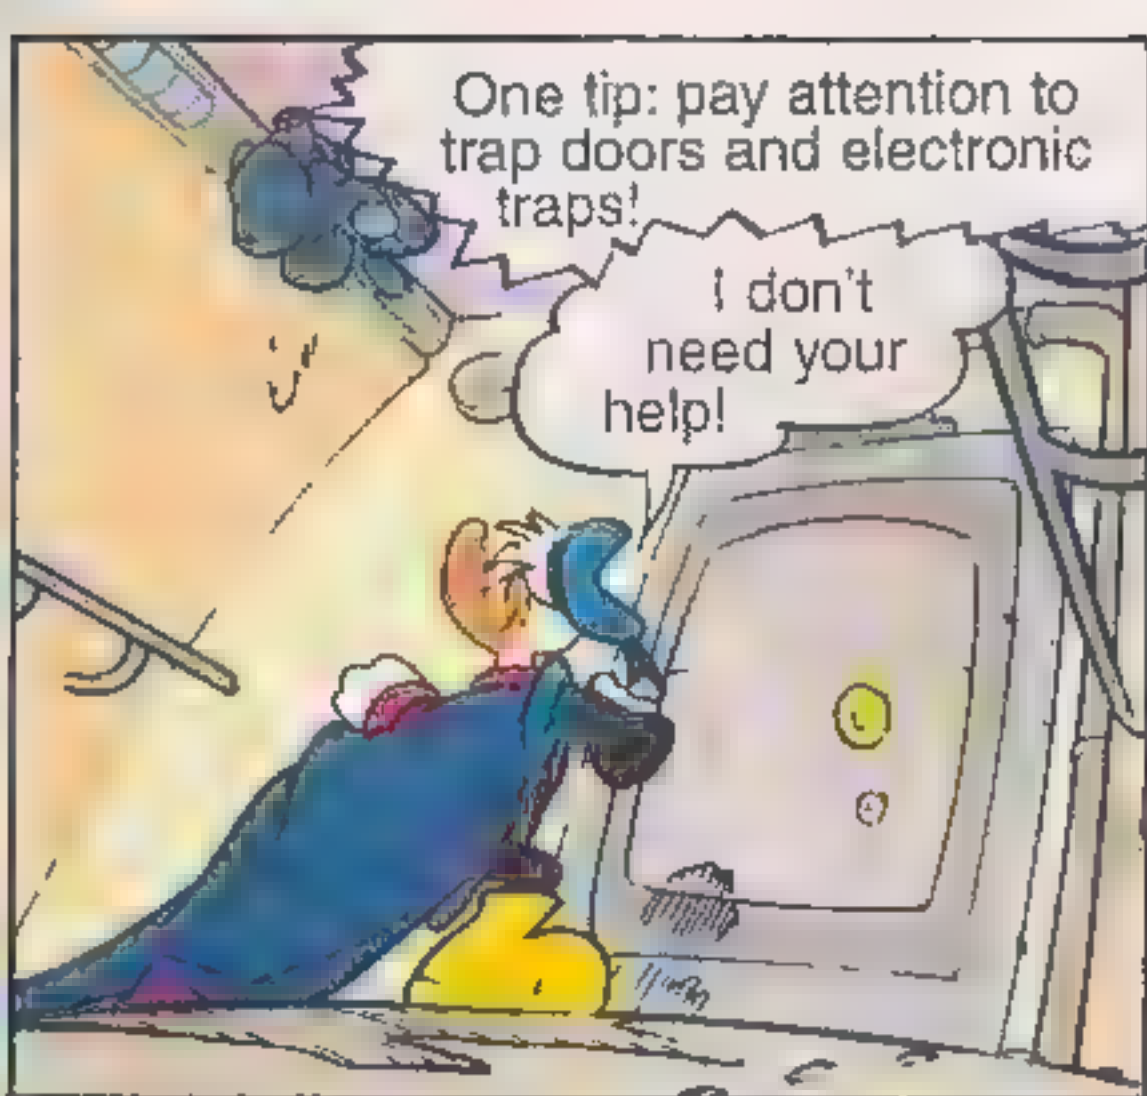

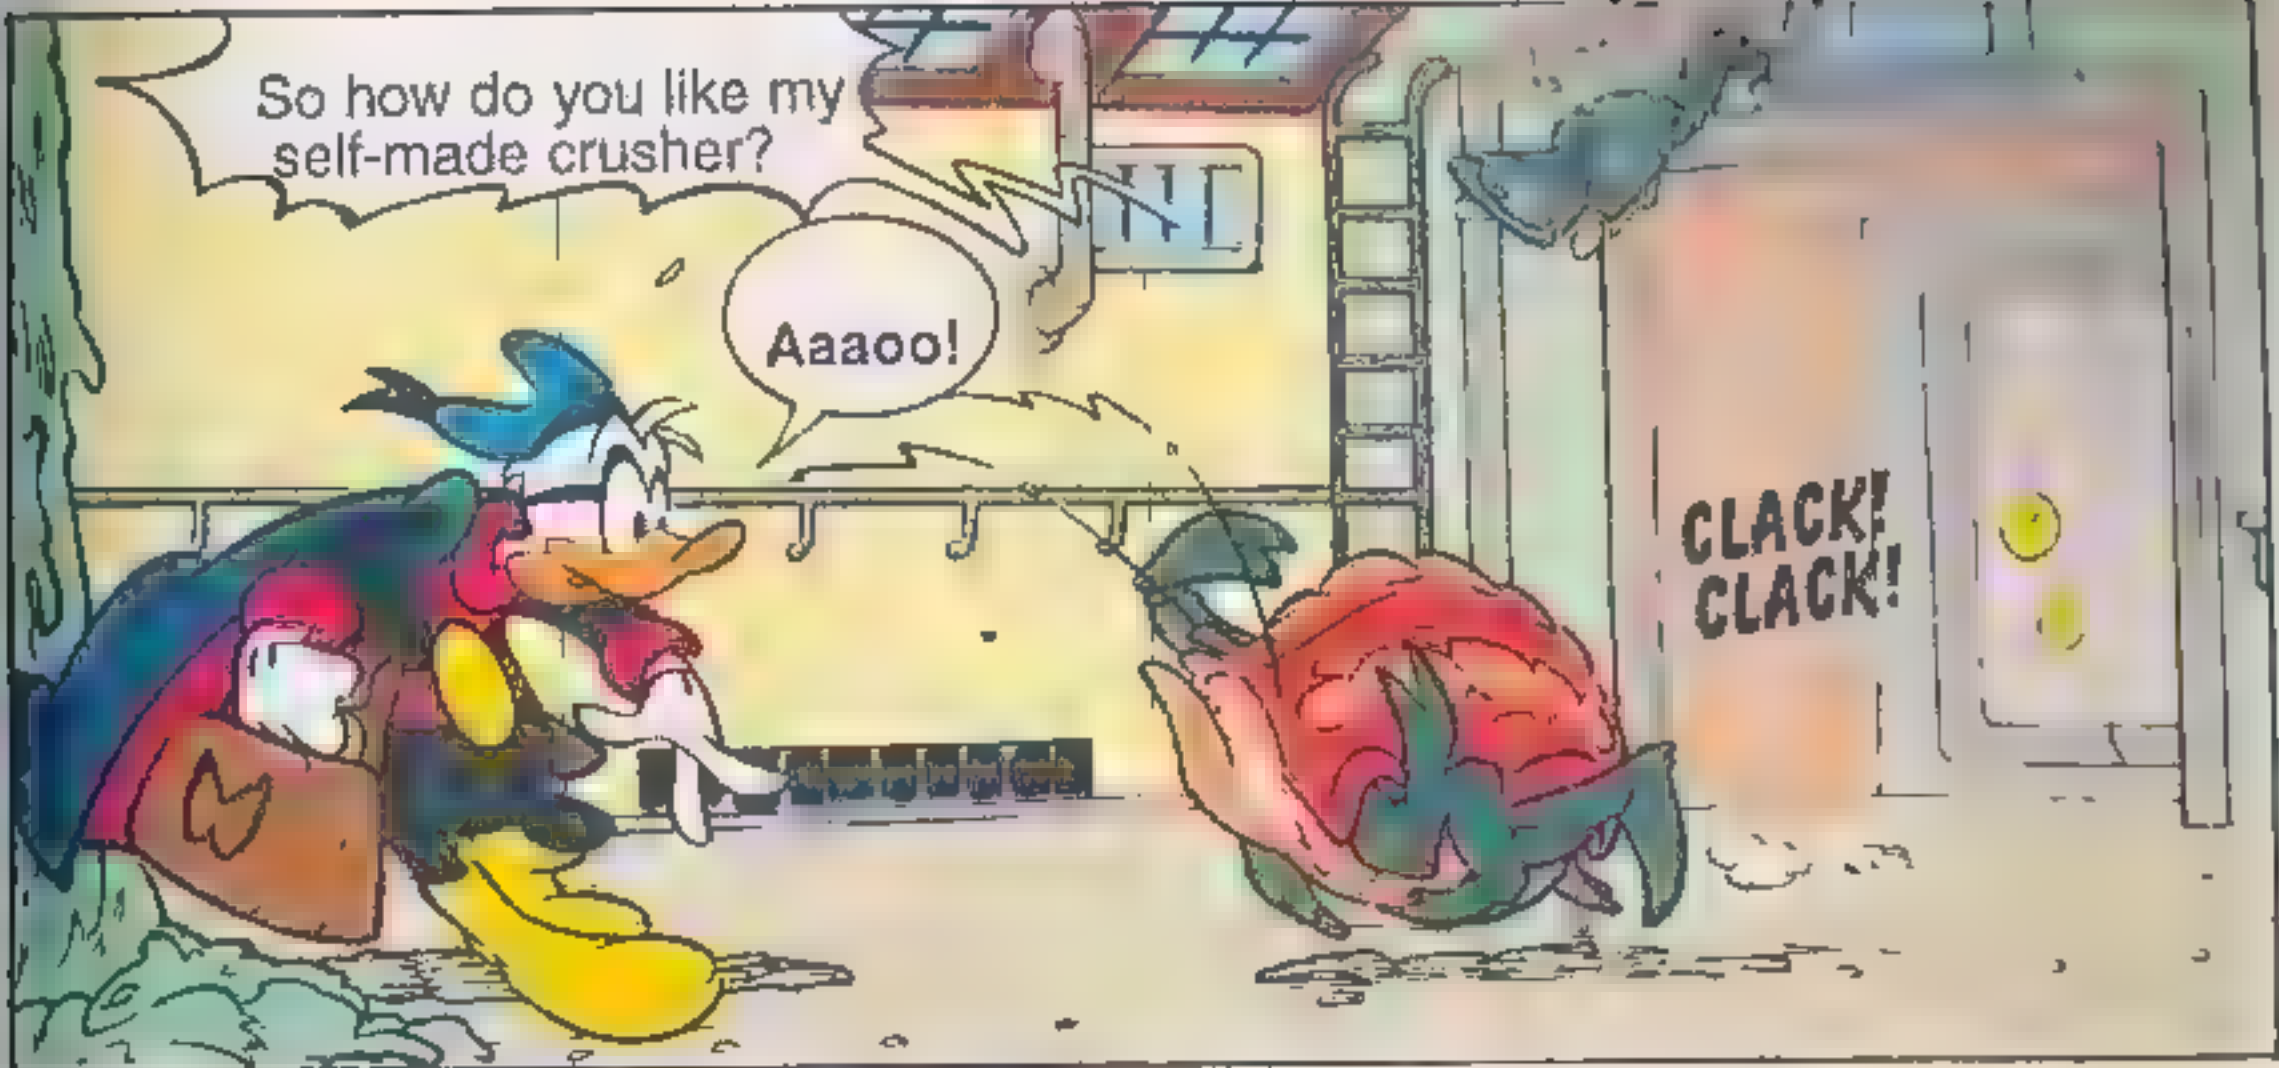

And so the next morning .

I've met a lot of crazy chaps, but this Topper tops them all!

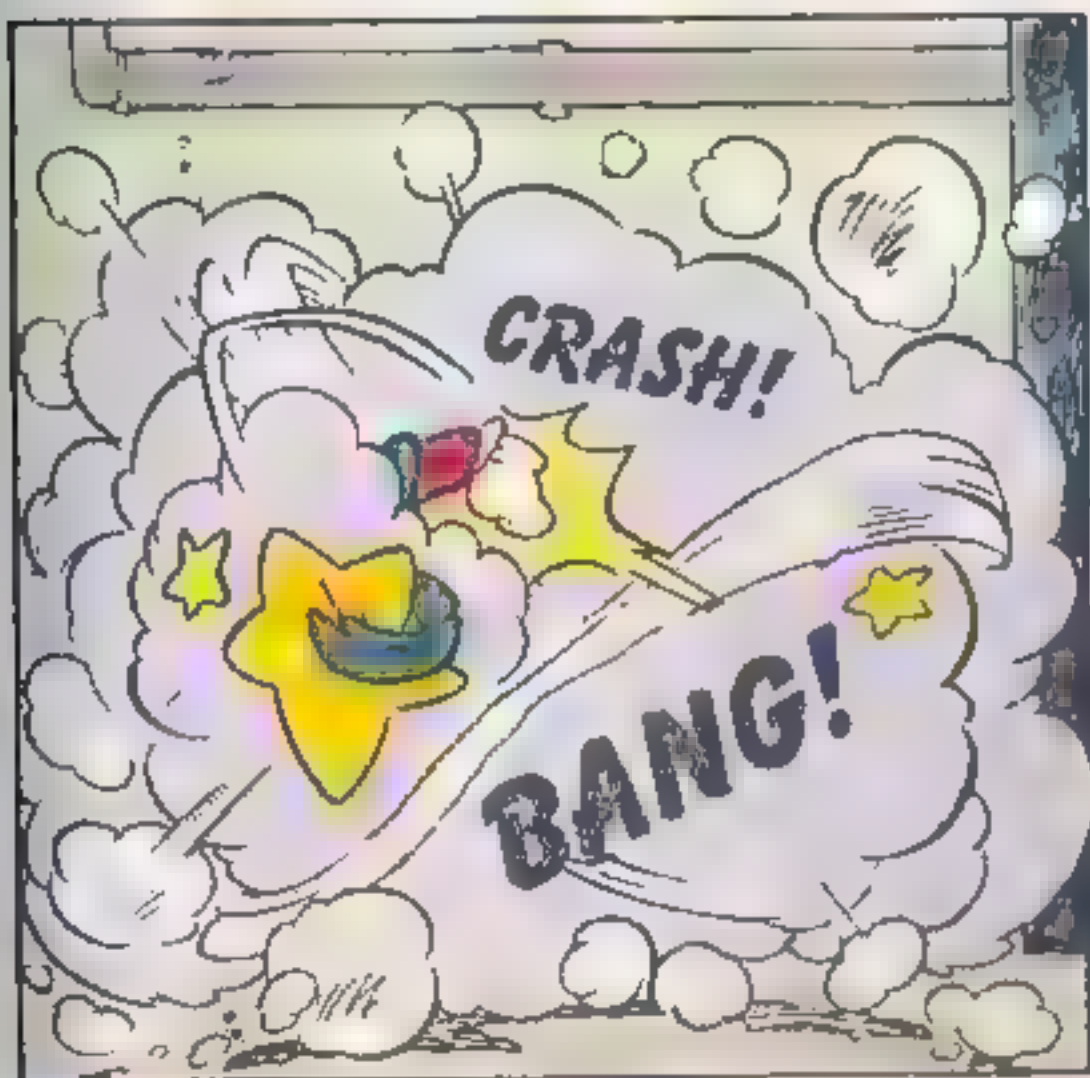

So how do you like my self-made crusher?

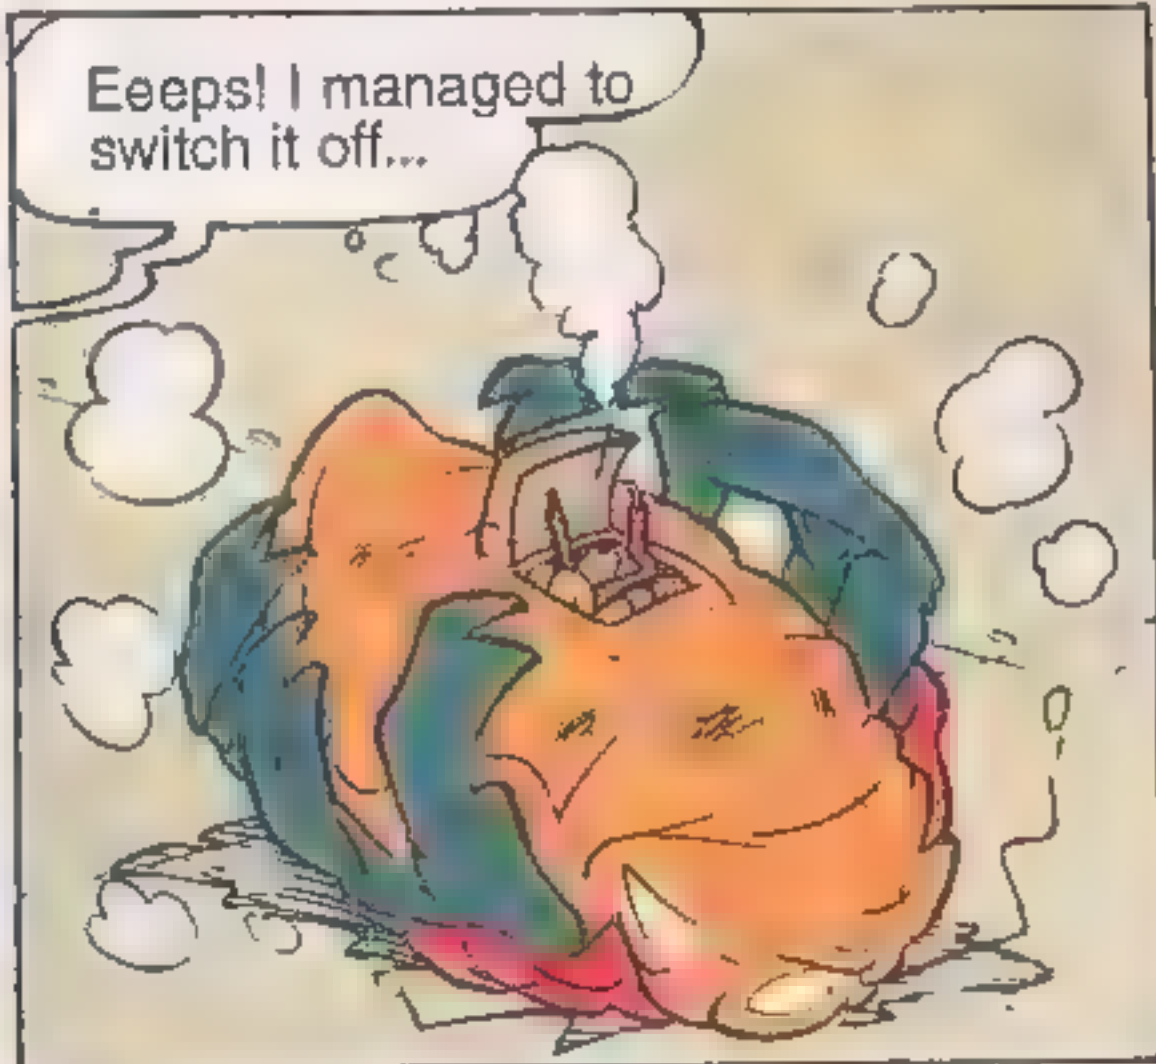

Aaaoo!

CLACK!
CLACK!

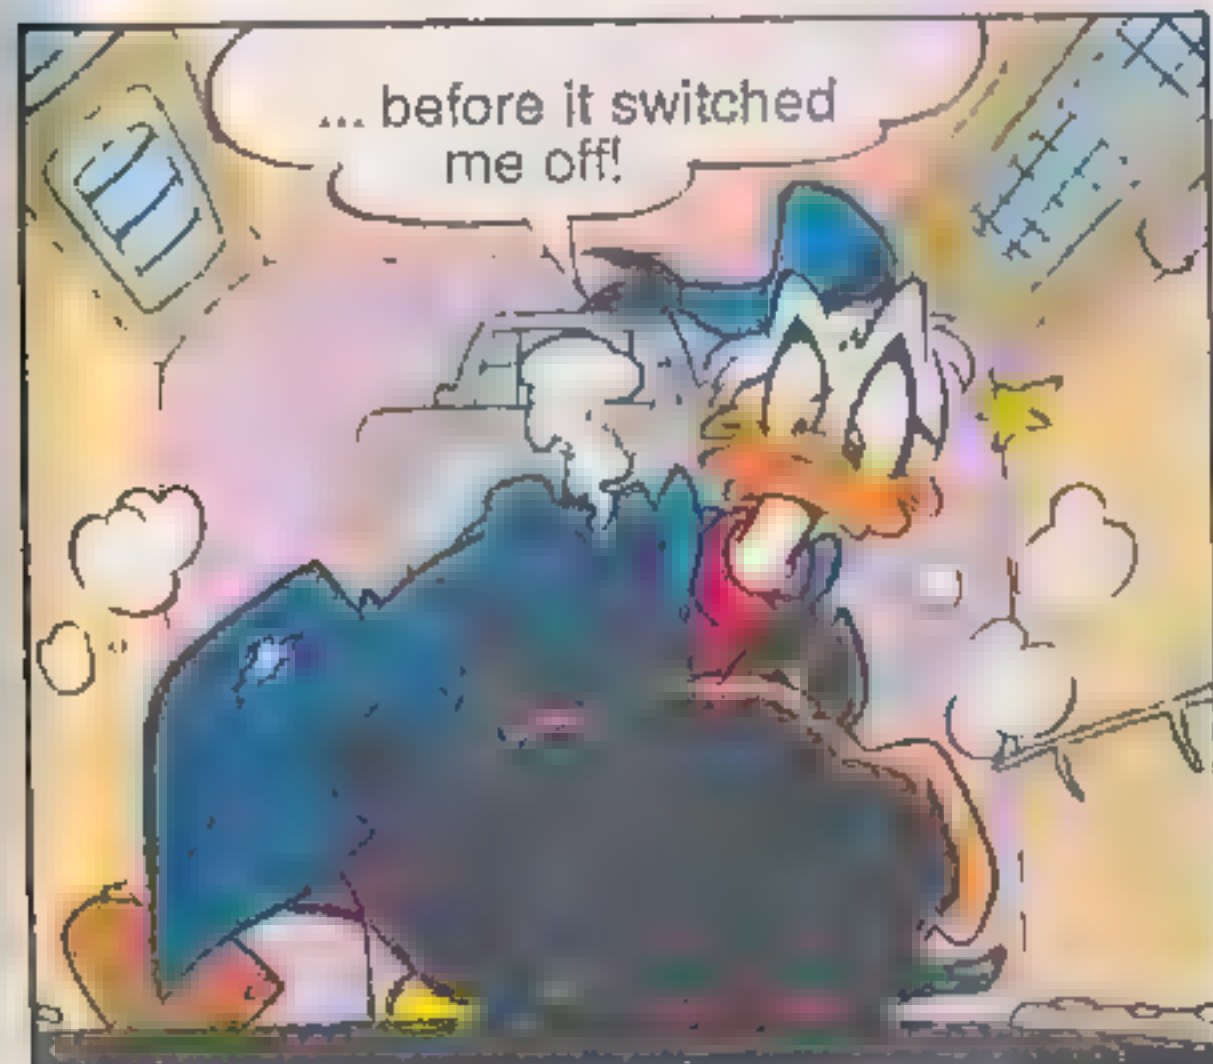

CRASH!

BANG!

Eeeps! I managed to switch it off...

... before it switched me off!

You're not bad Superduck! But it's not the end!

Let's see what you can think of against the...

"...high frequency sound: "

"...or the rays of lightning!"

"Or how do you like Little Yan?"

Ouch! That's Little?

SURRR!

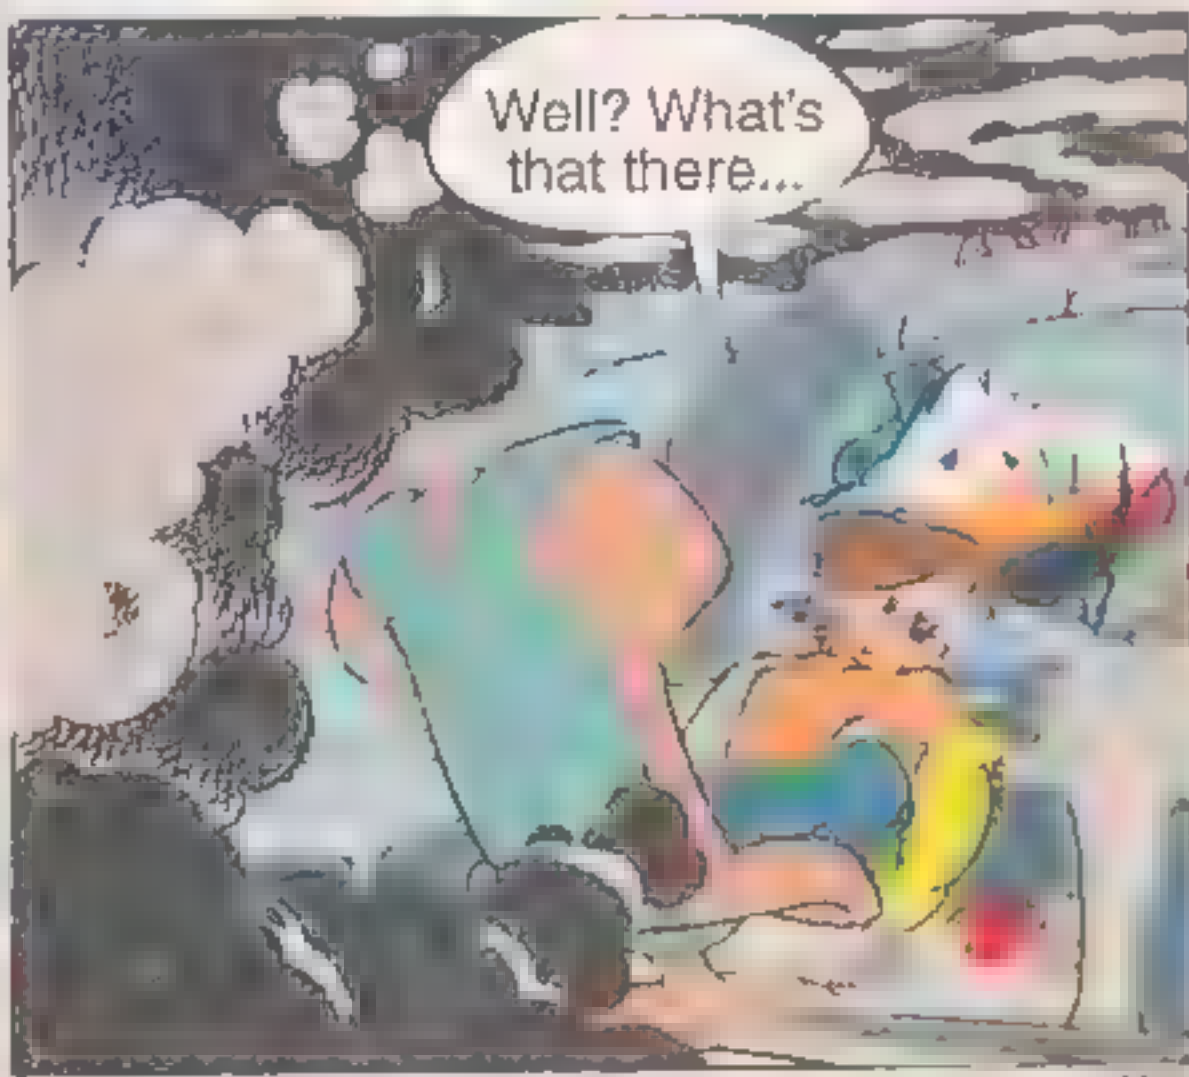

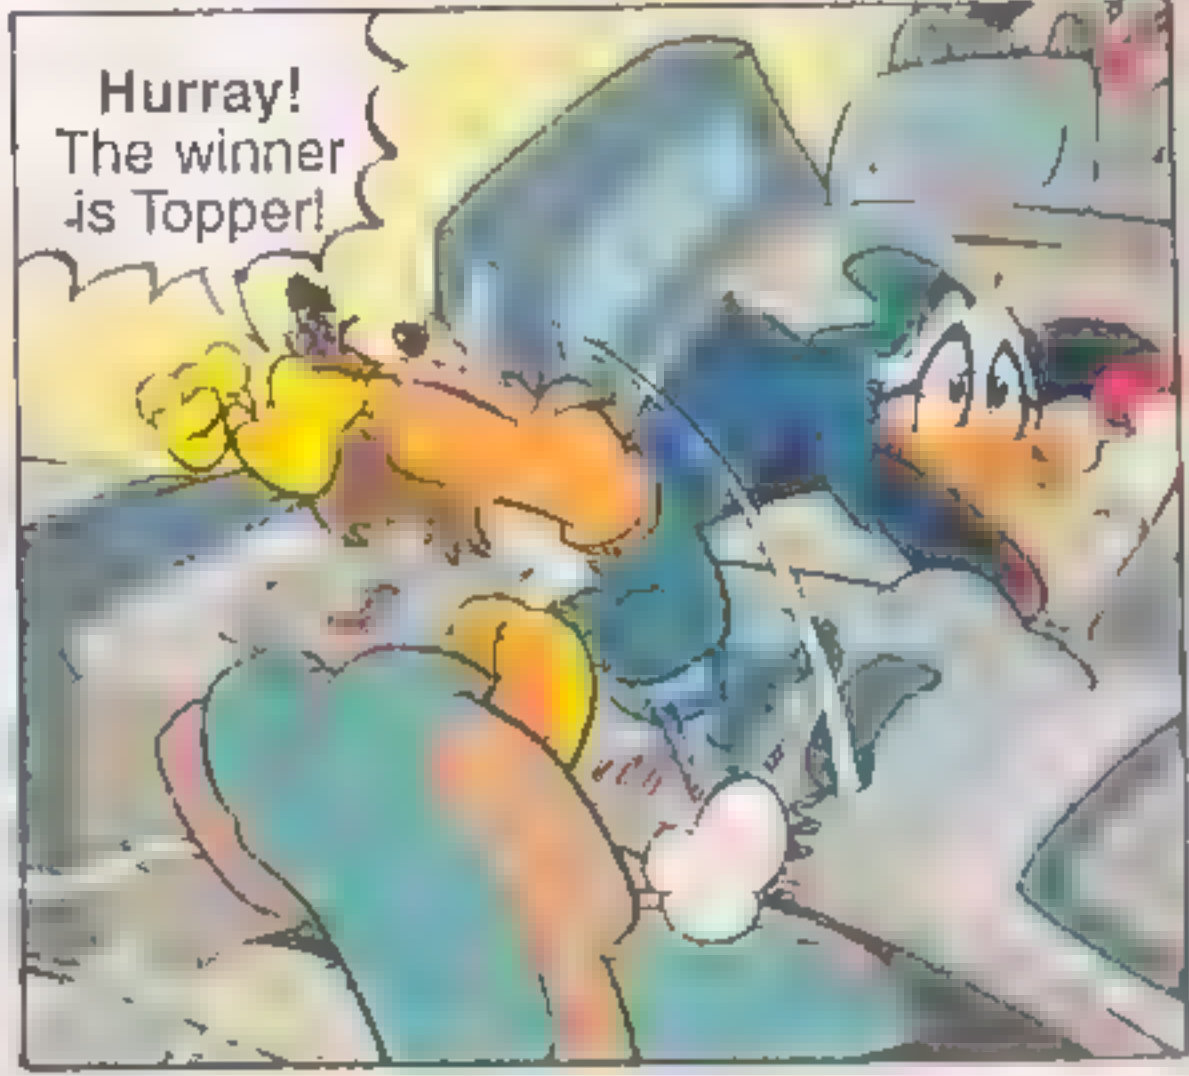

AAAH!

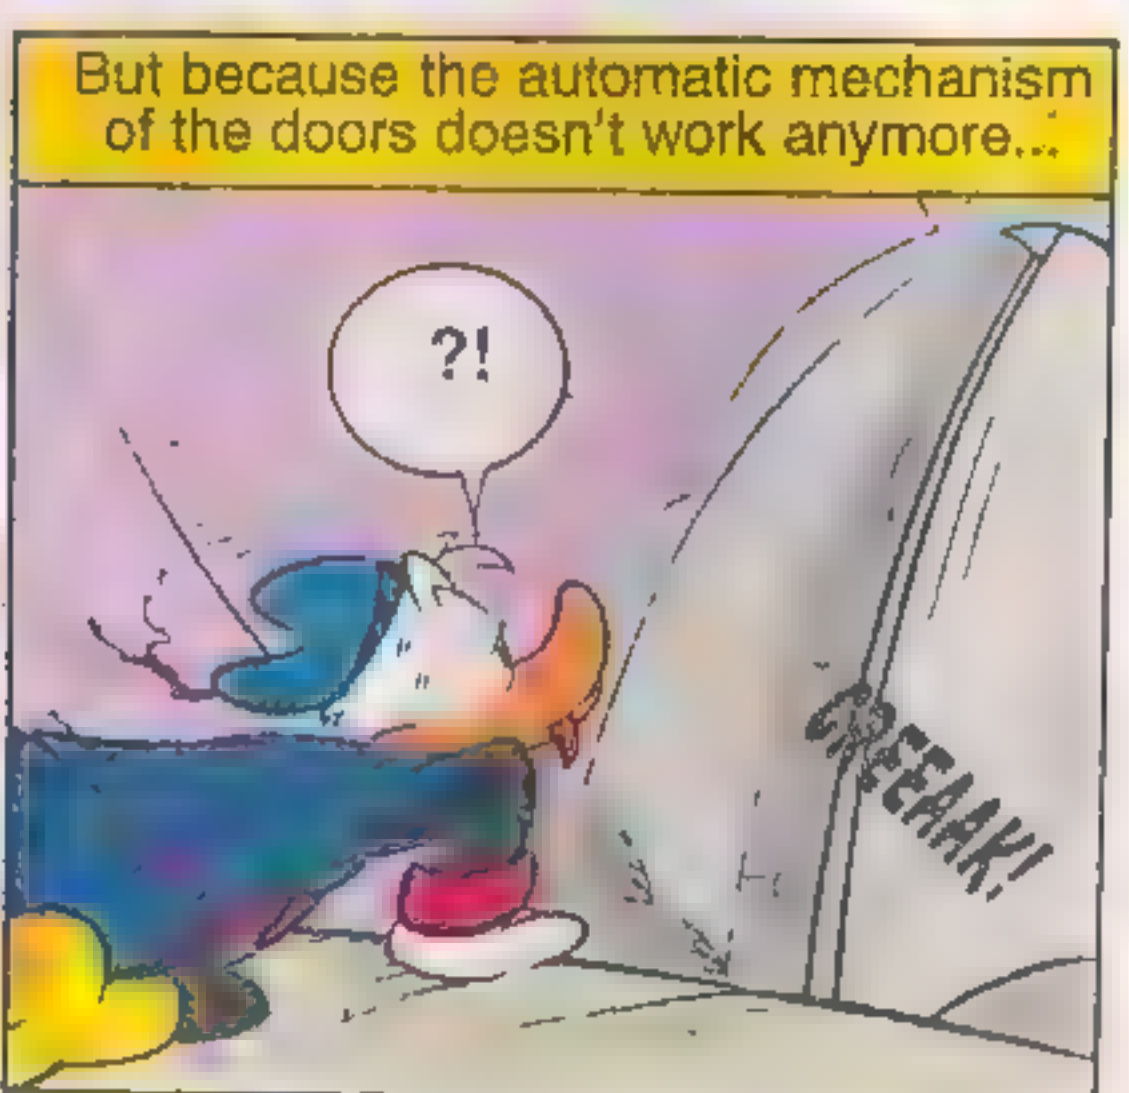

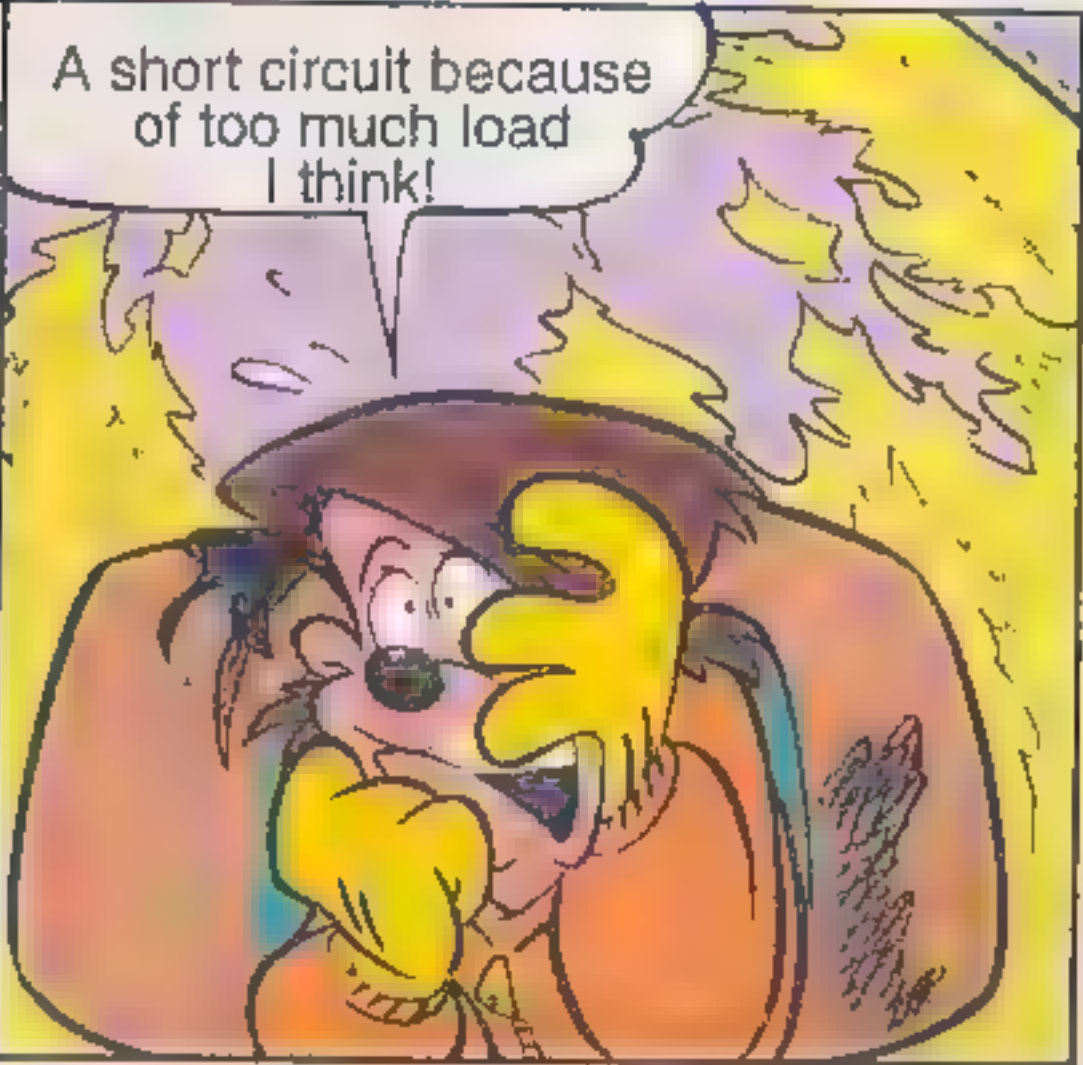

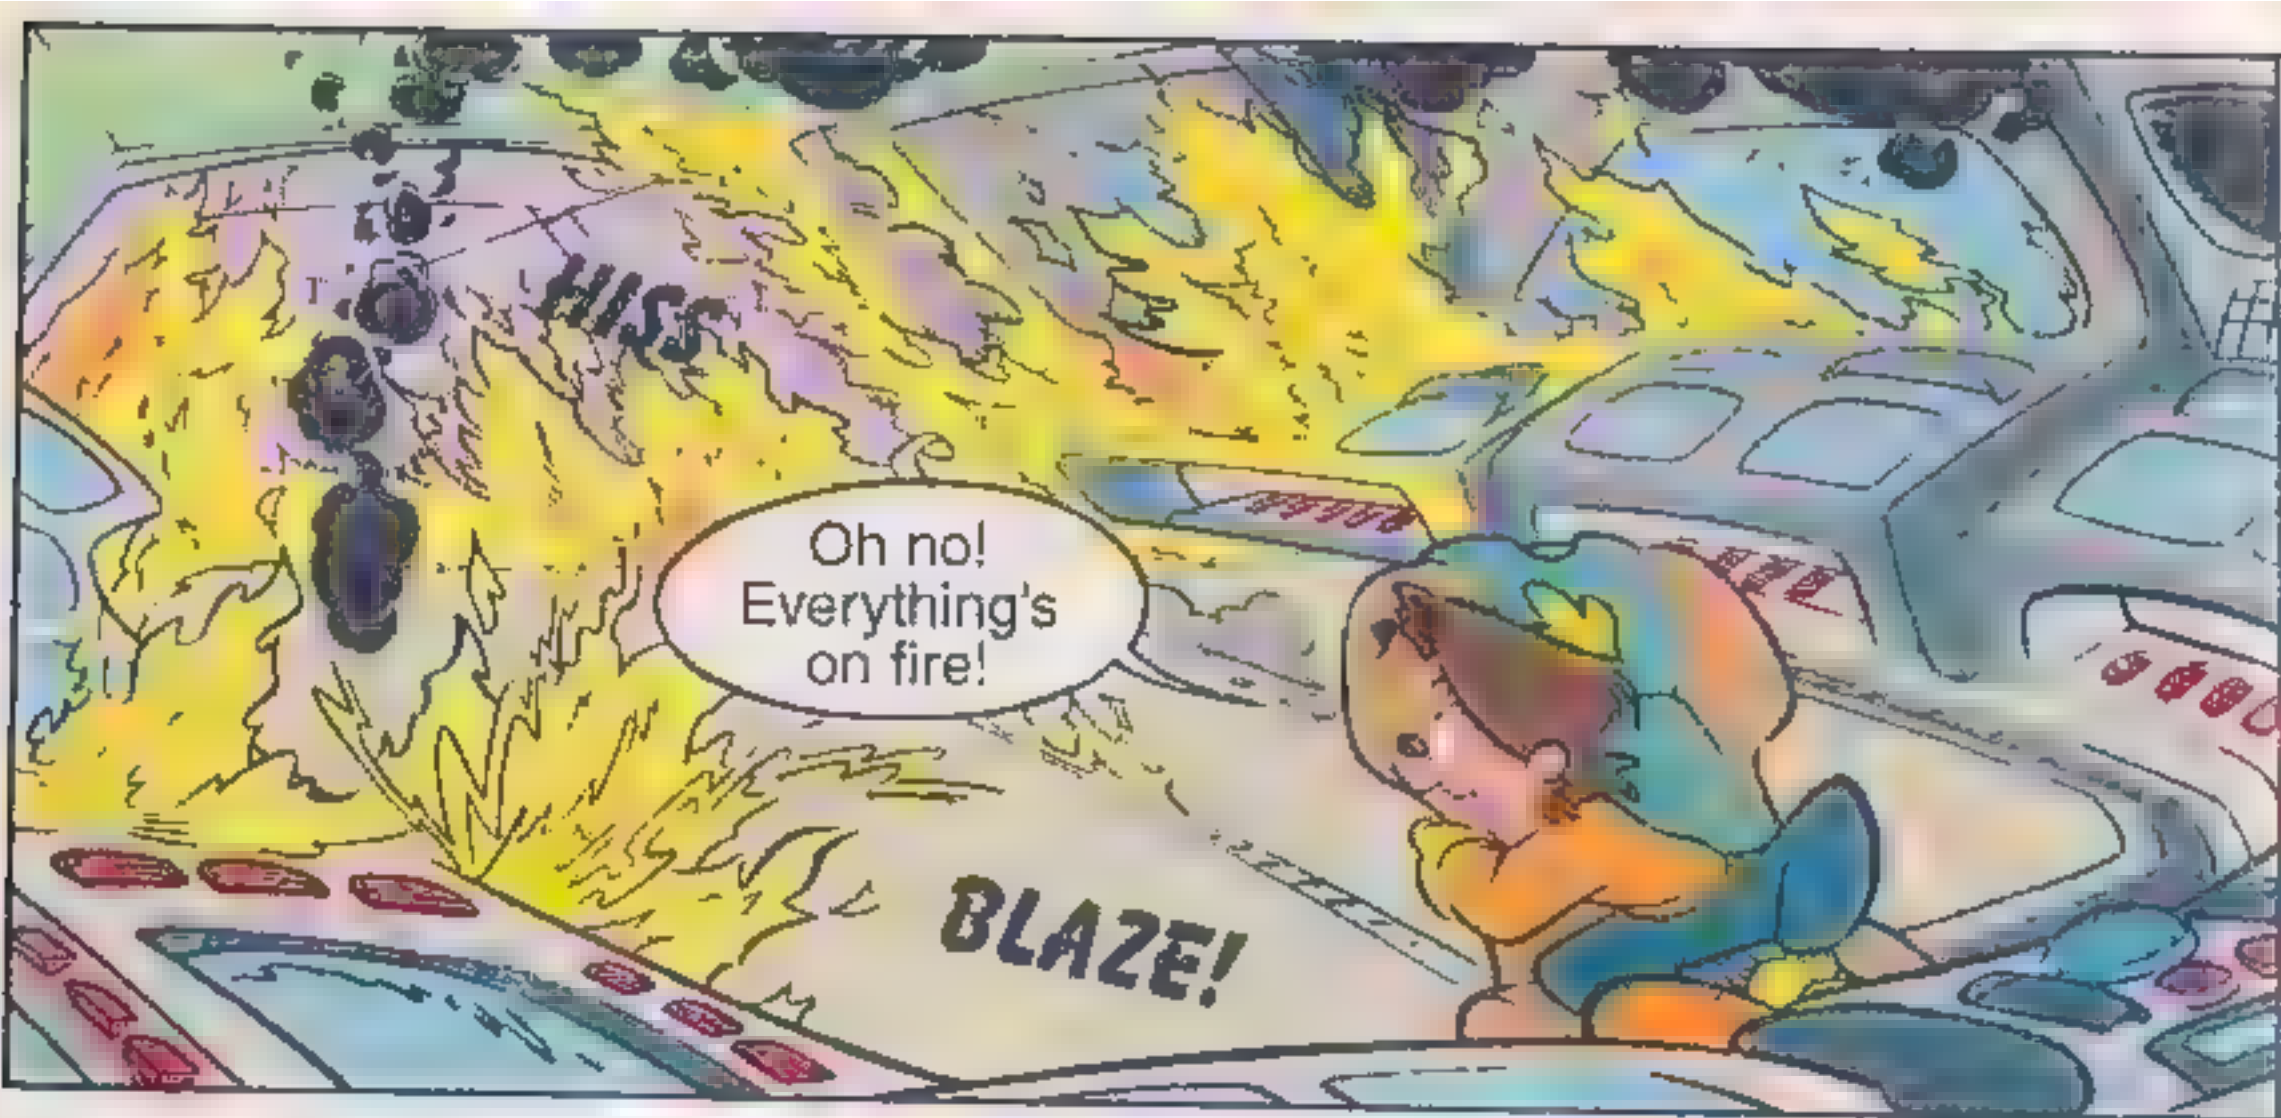

SLAPPP!

SWISH!

BOOOM!

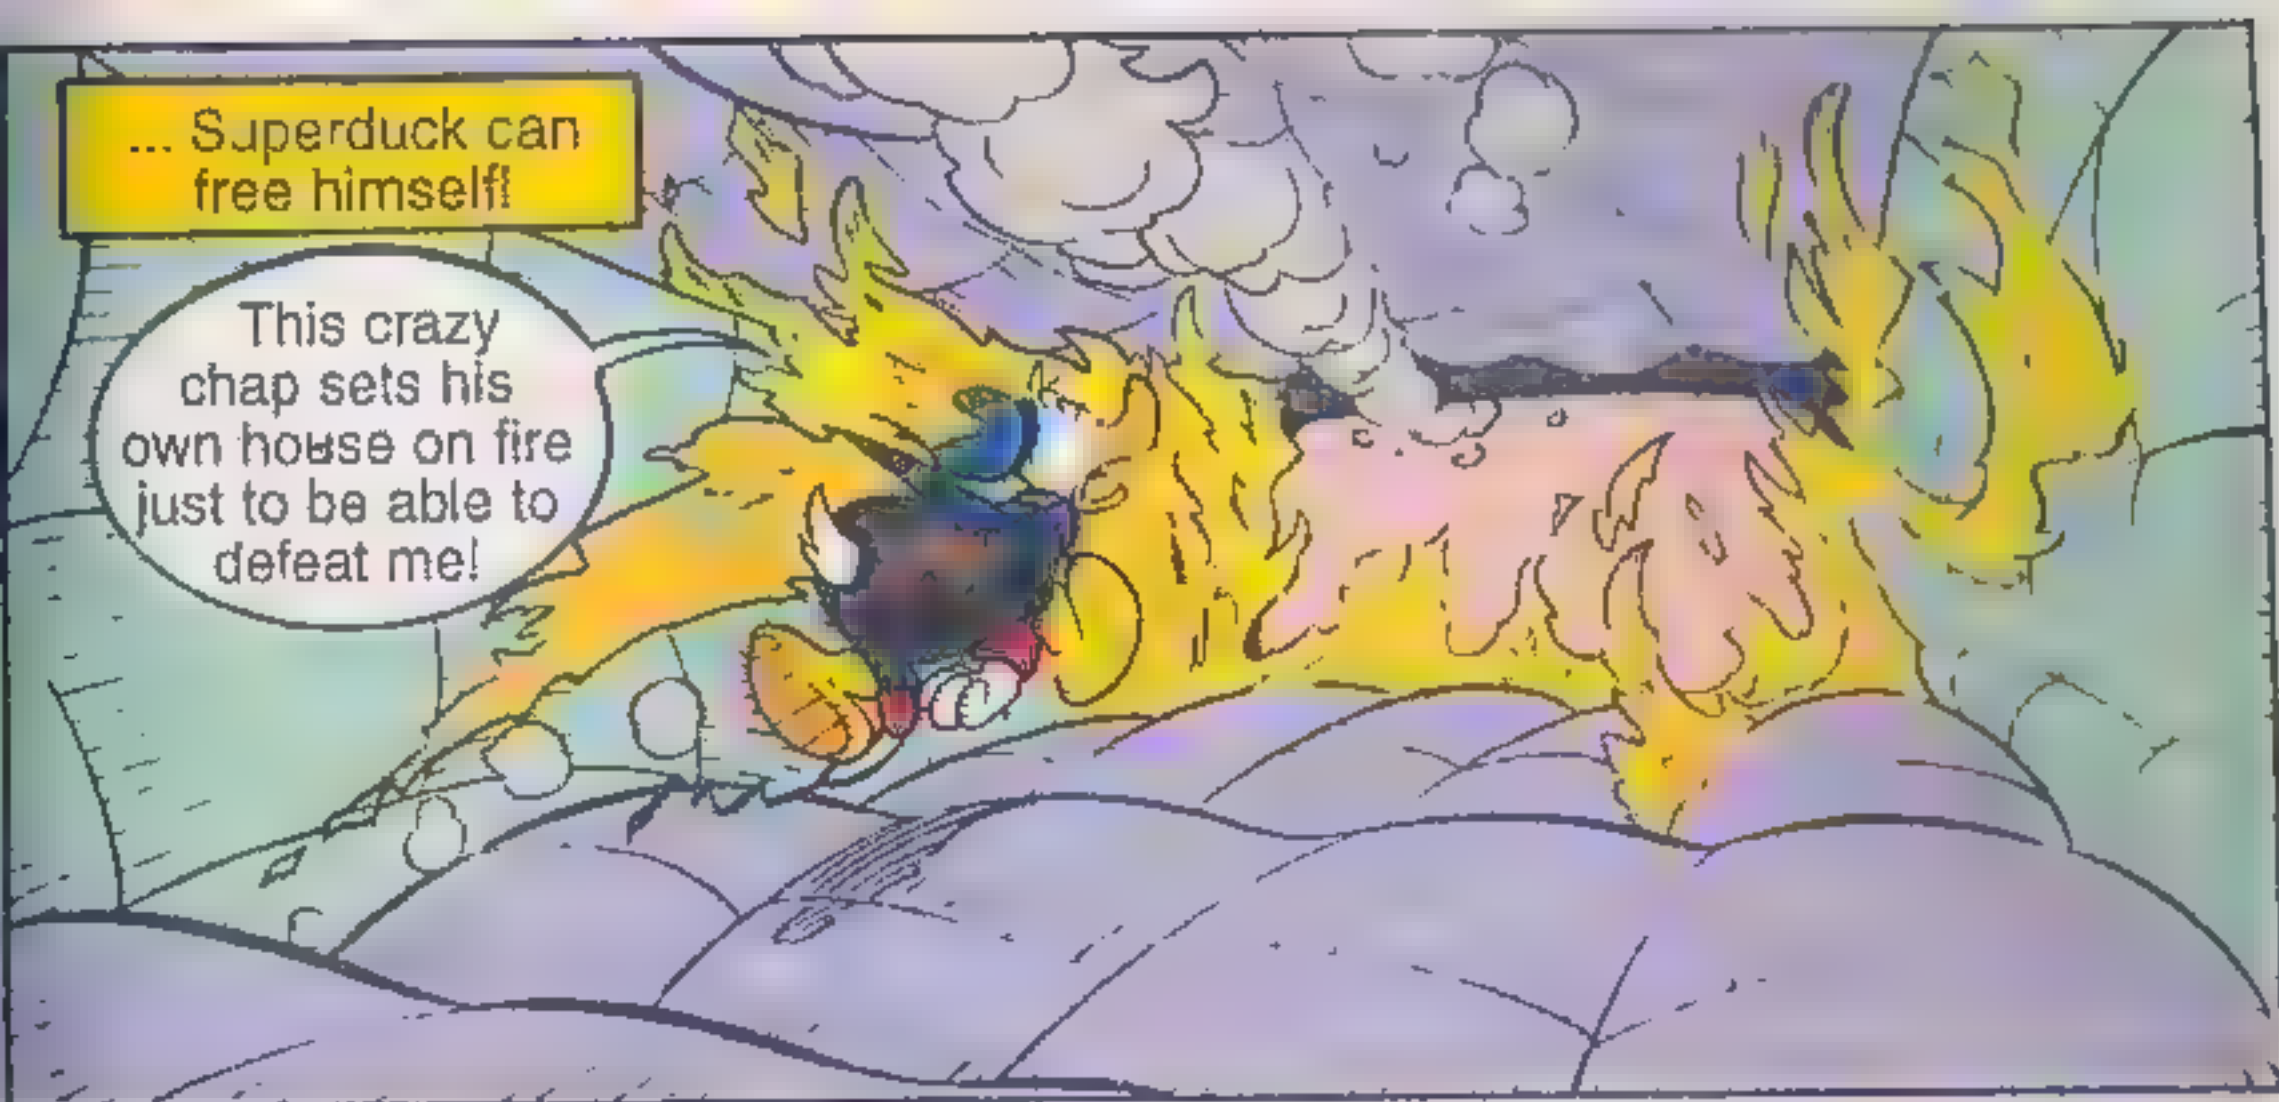

EEEEEE!

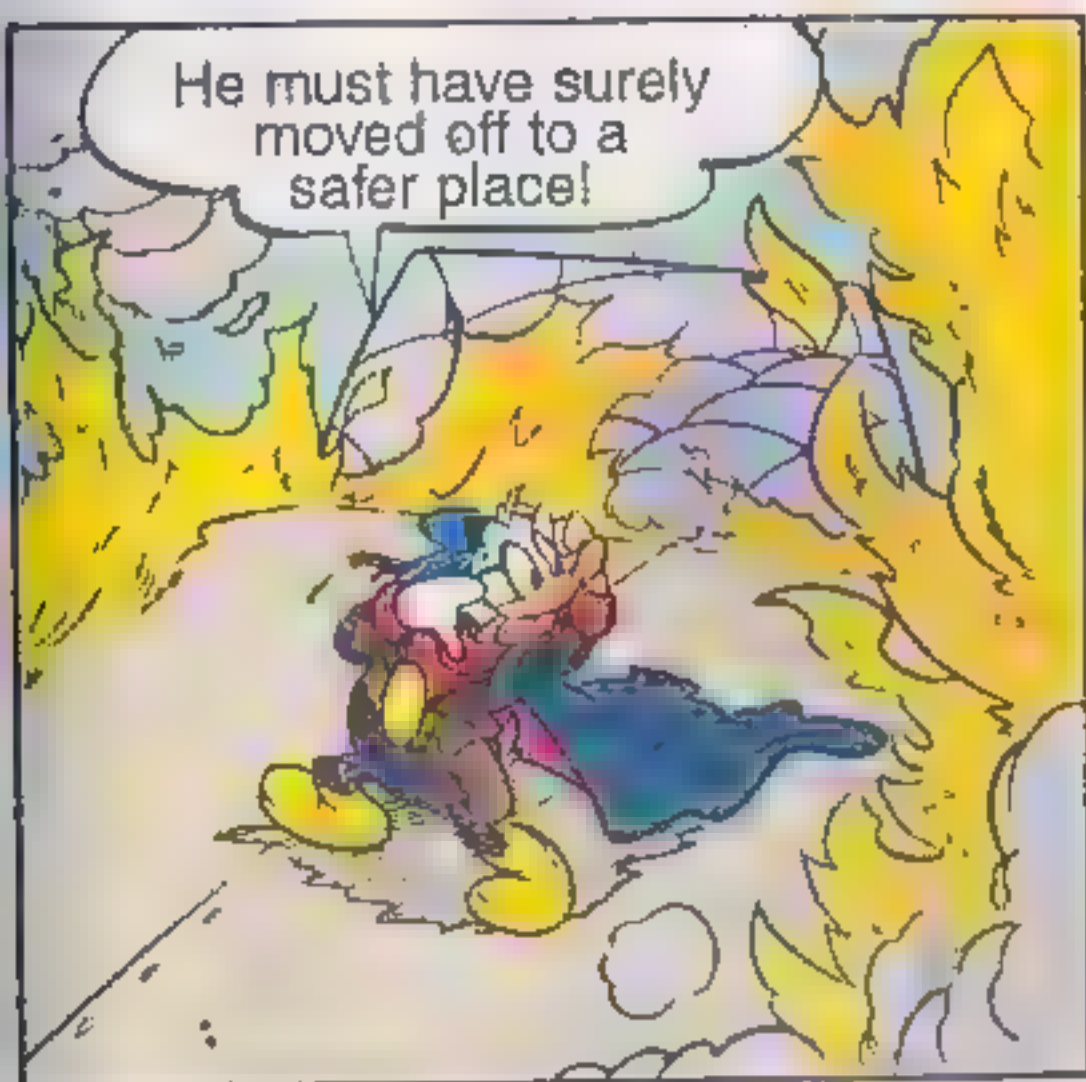

... Superduck can
free himself!

This crazy
chap sets his
own house on fire
just to be able to
defeat me!

He must have surely
moved off to a
safer place!

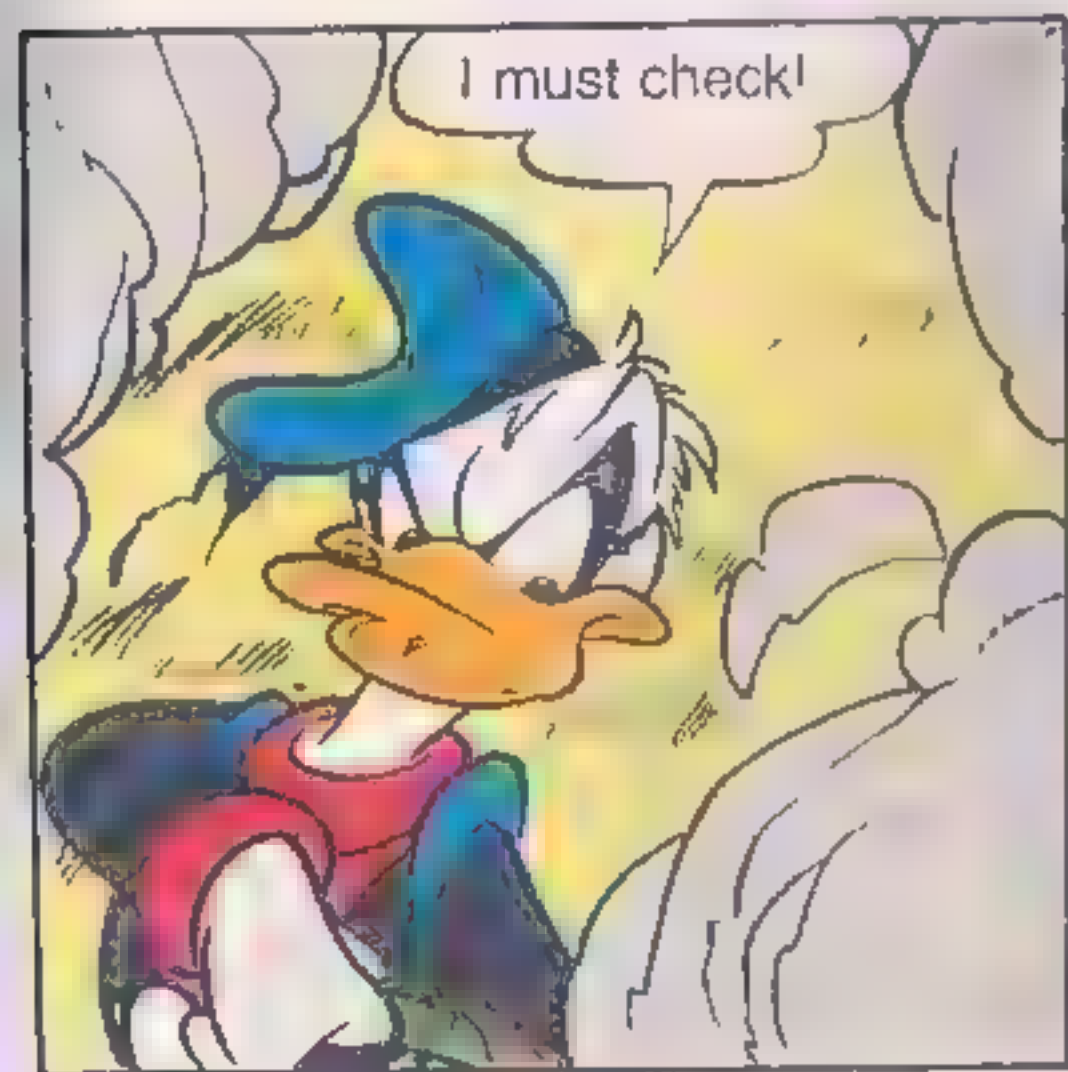

Help!

Or maybe
not?

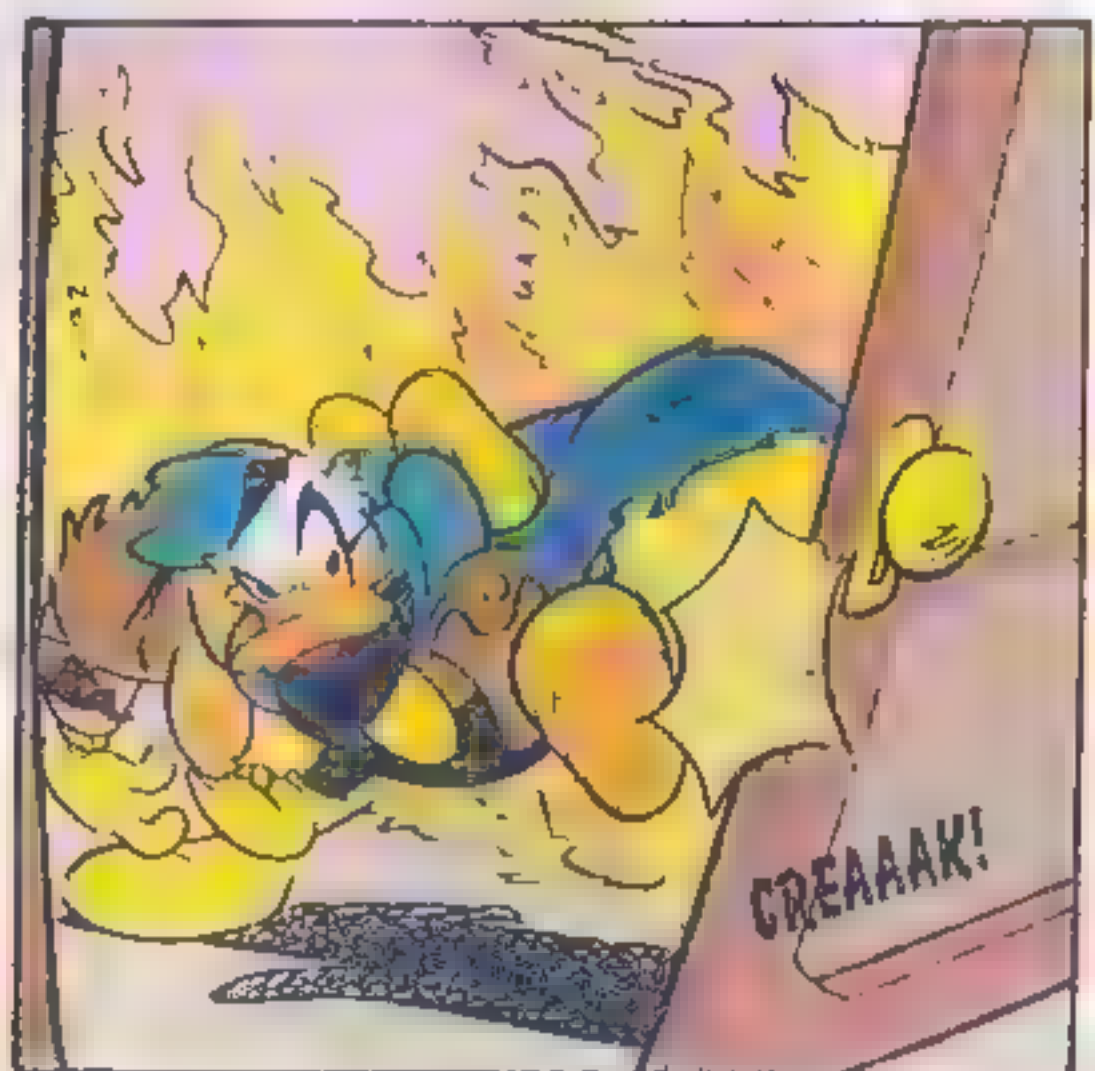

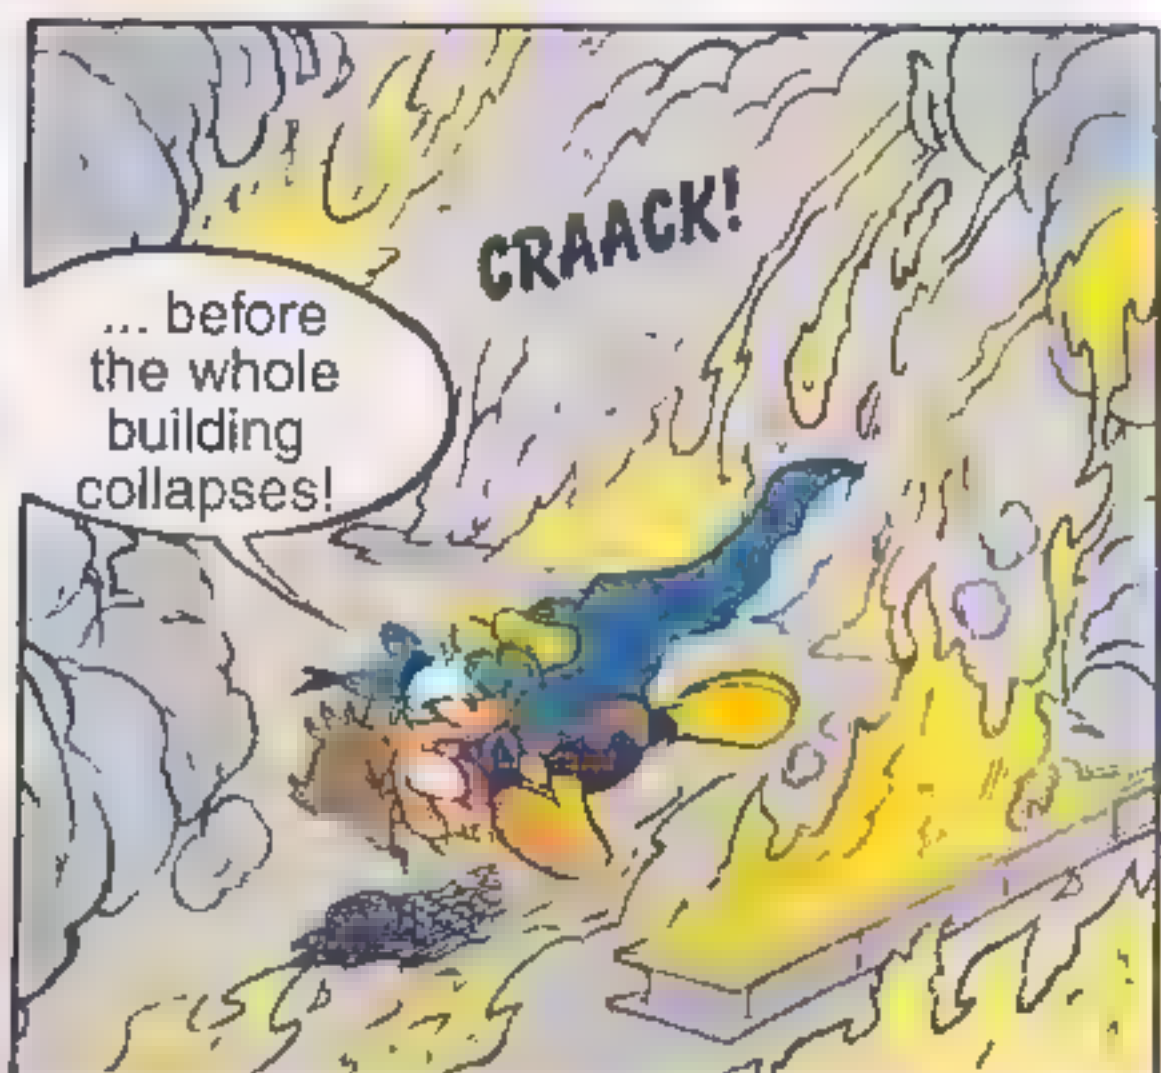

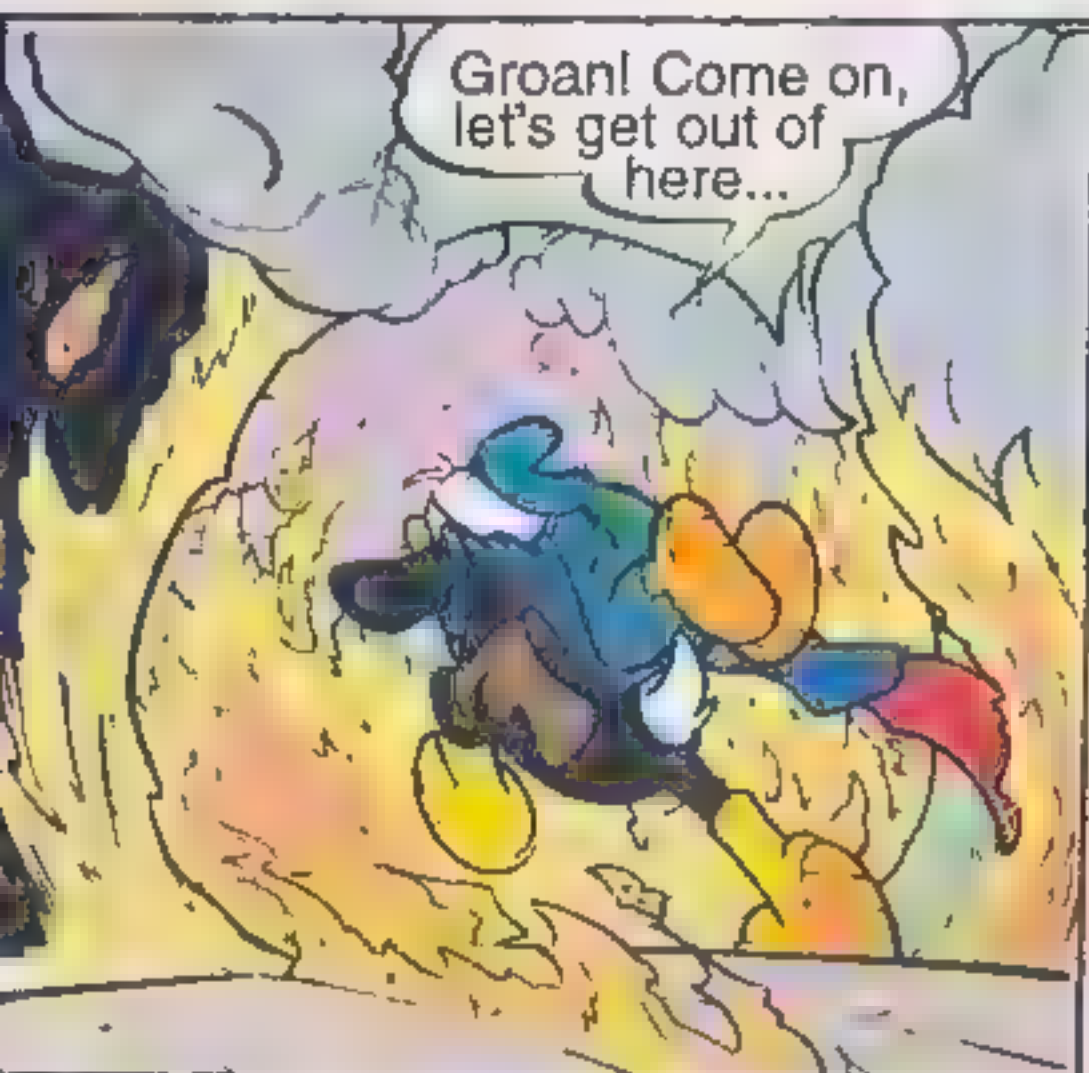

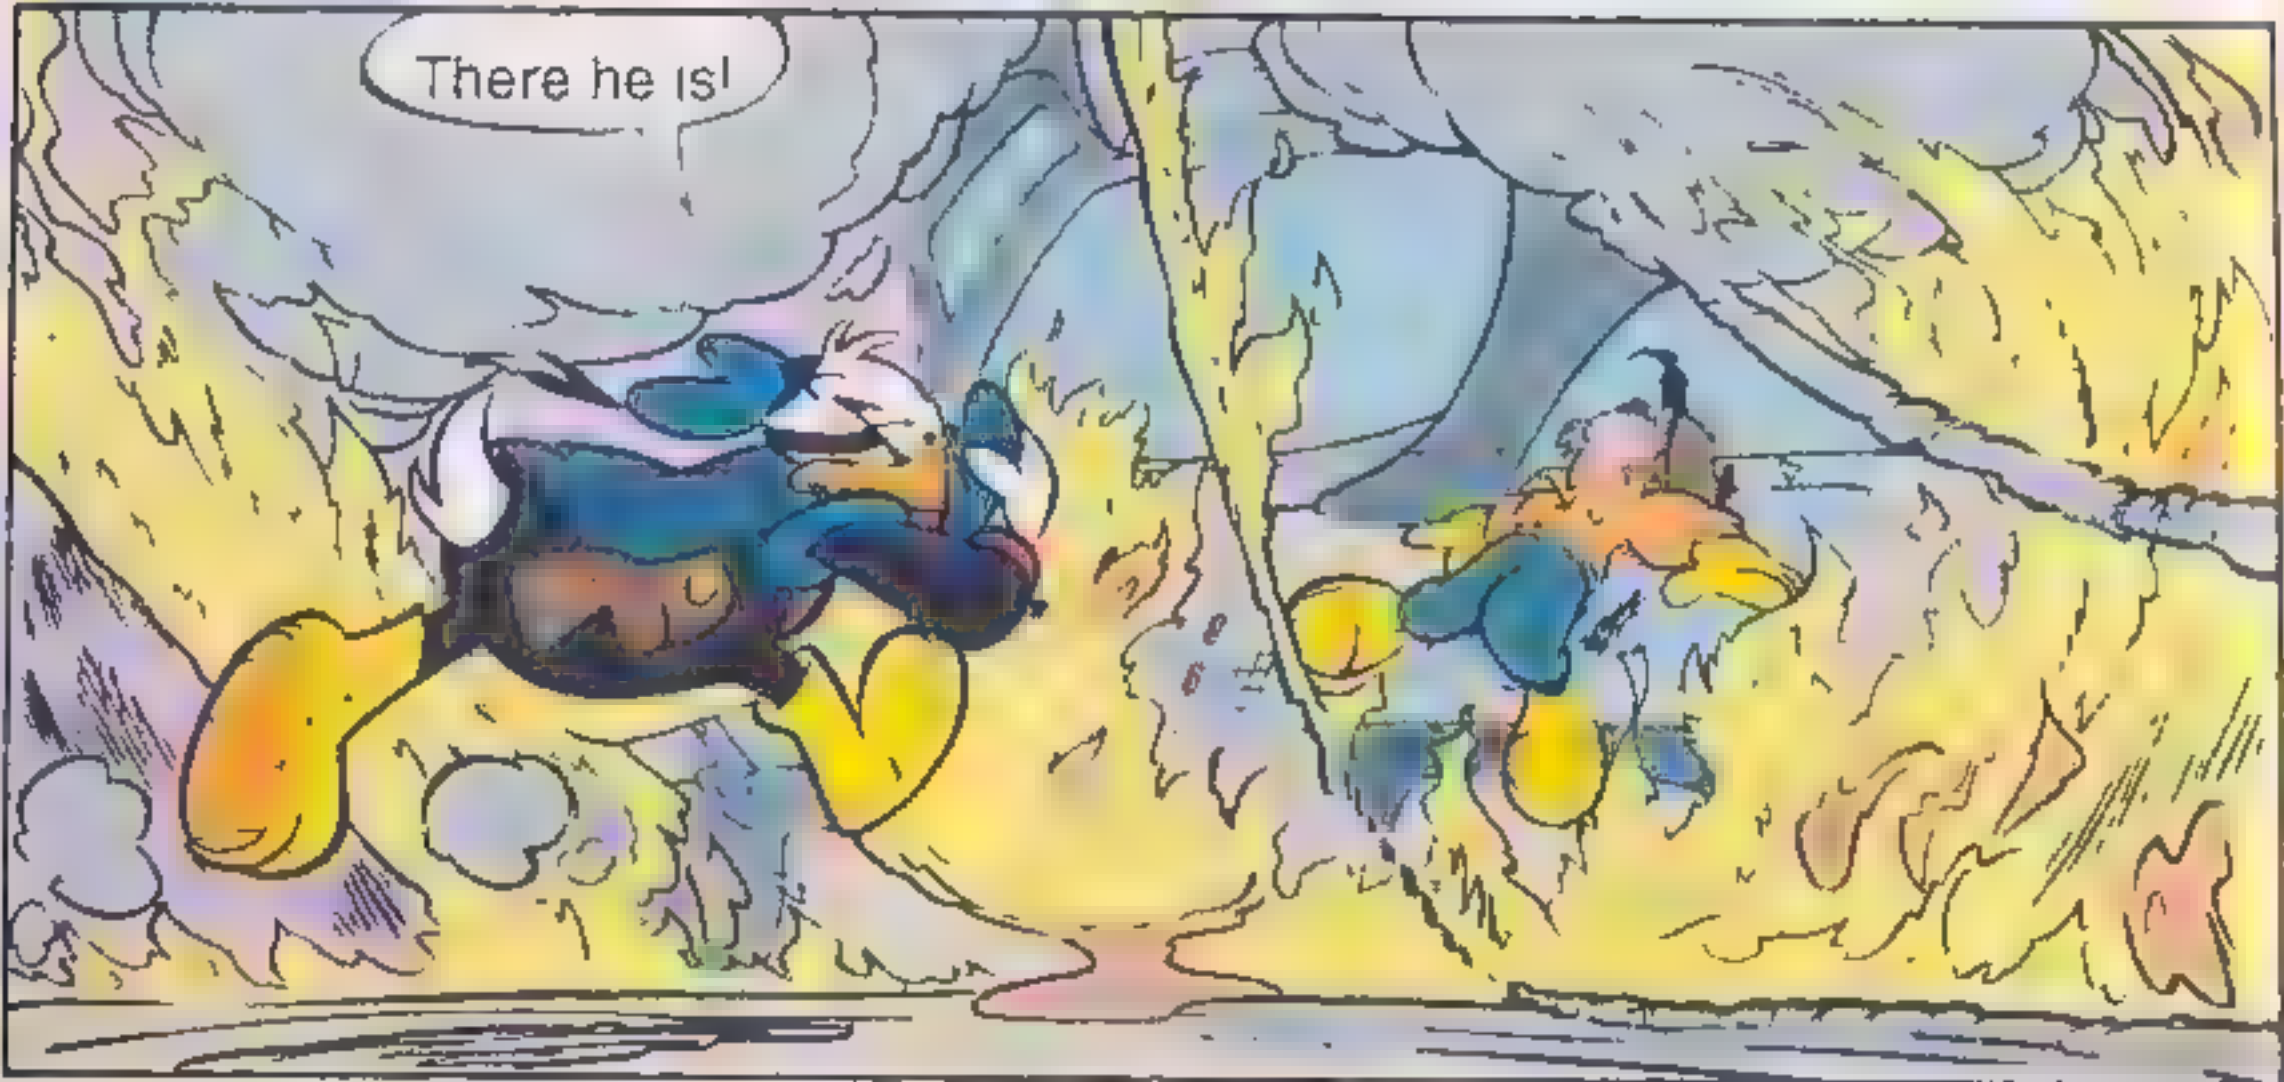

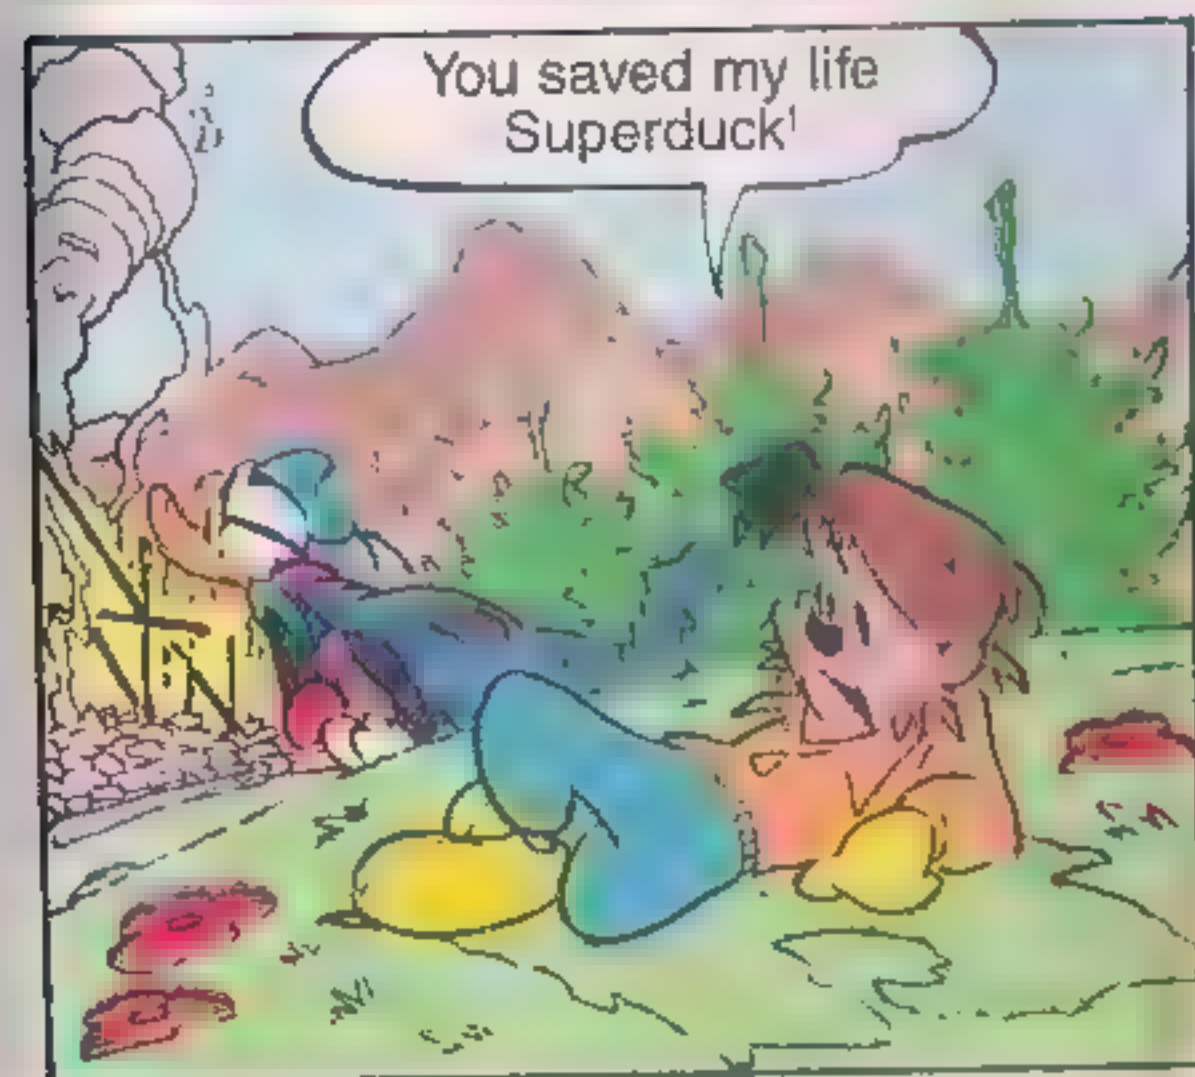

I must check!

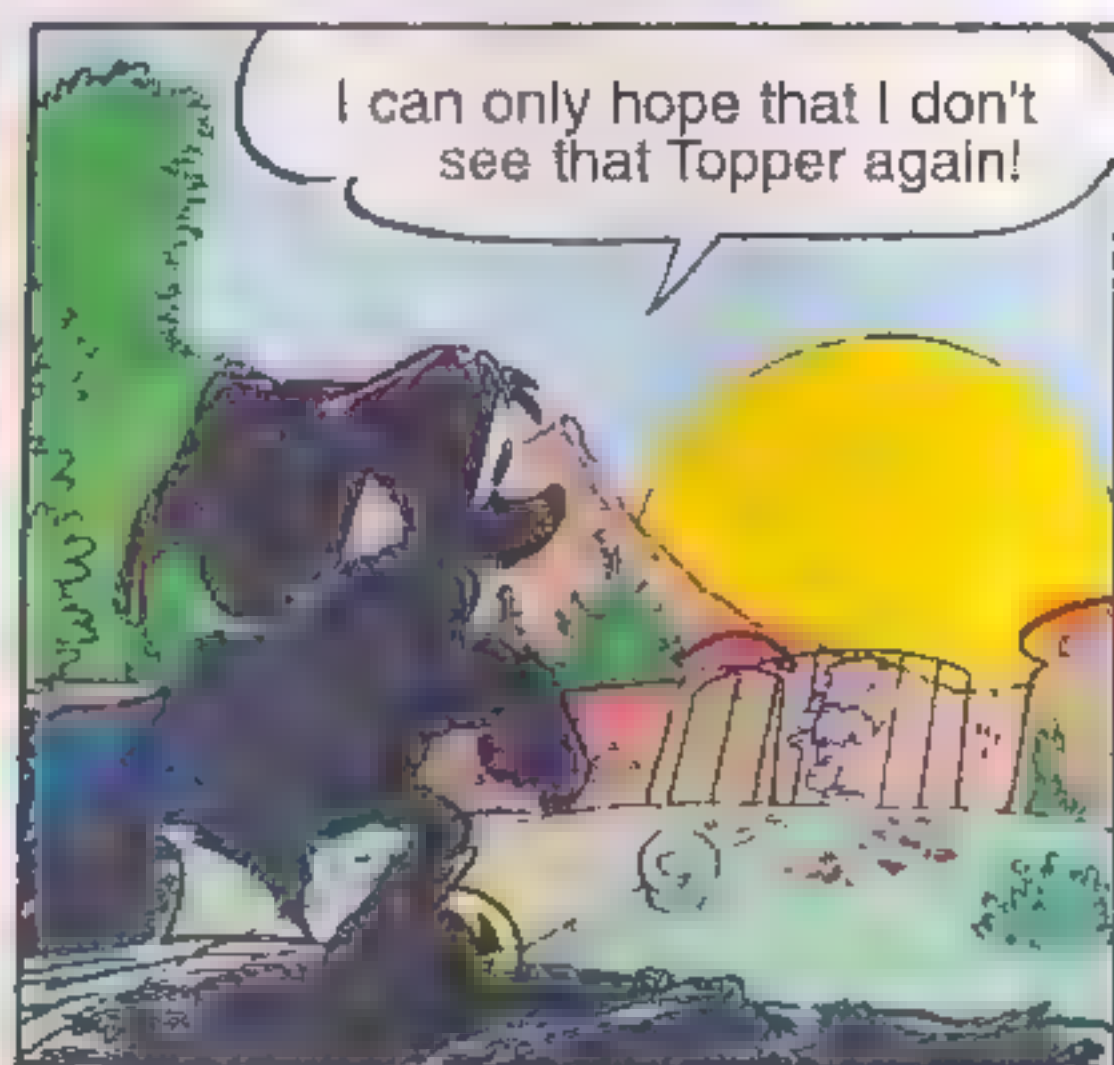

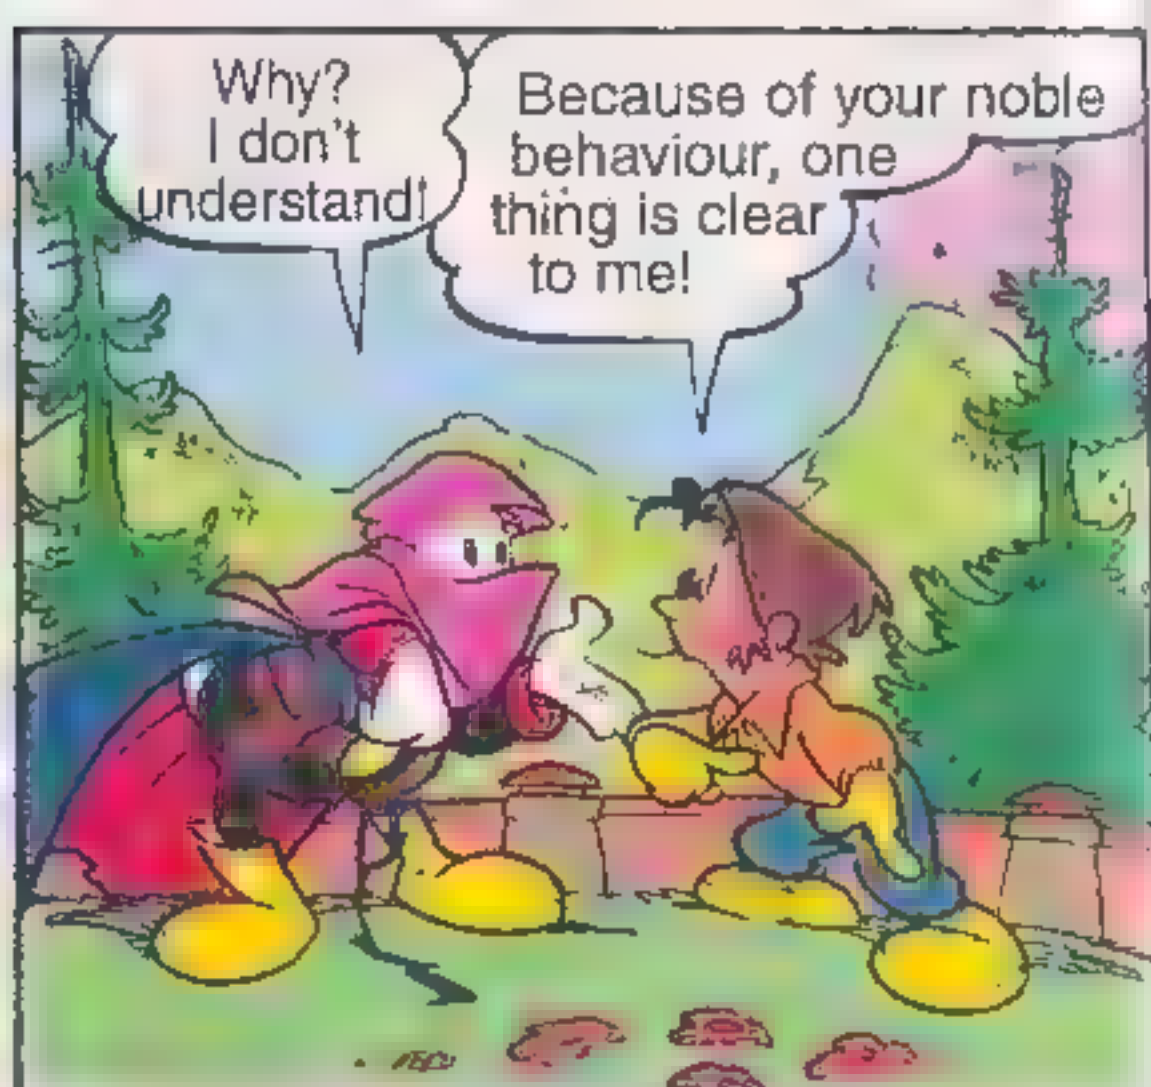

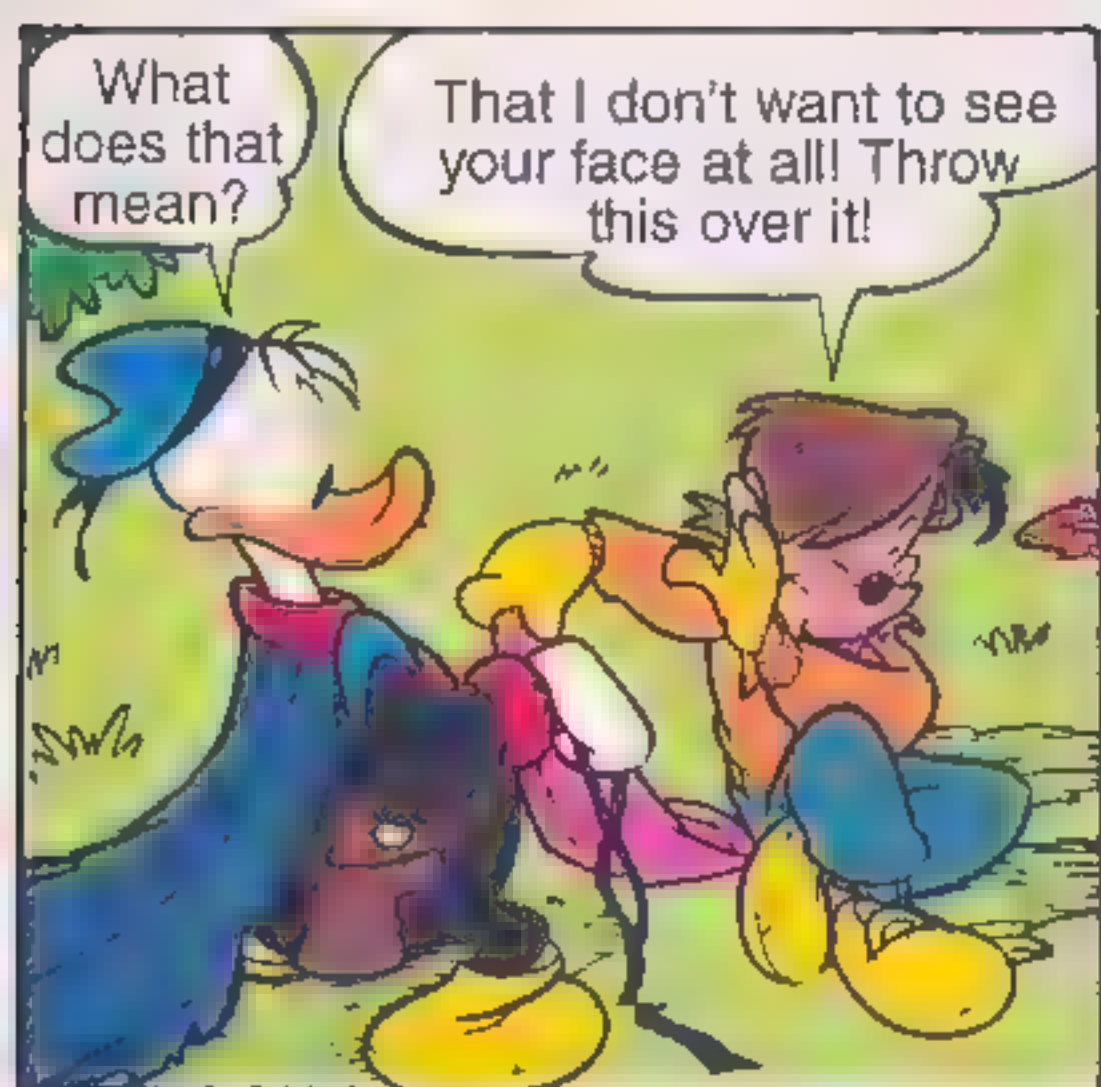

What luck! My laser pen
is still working!

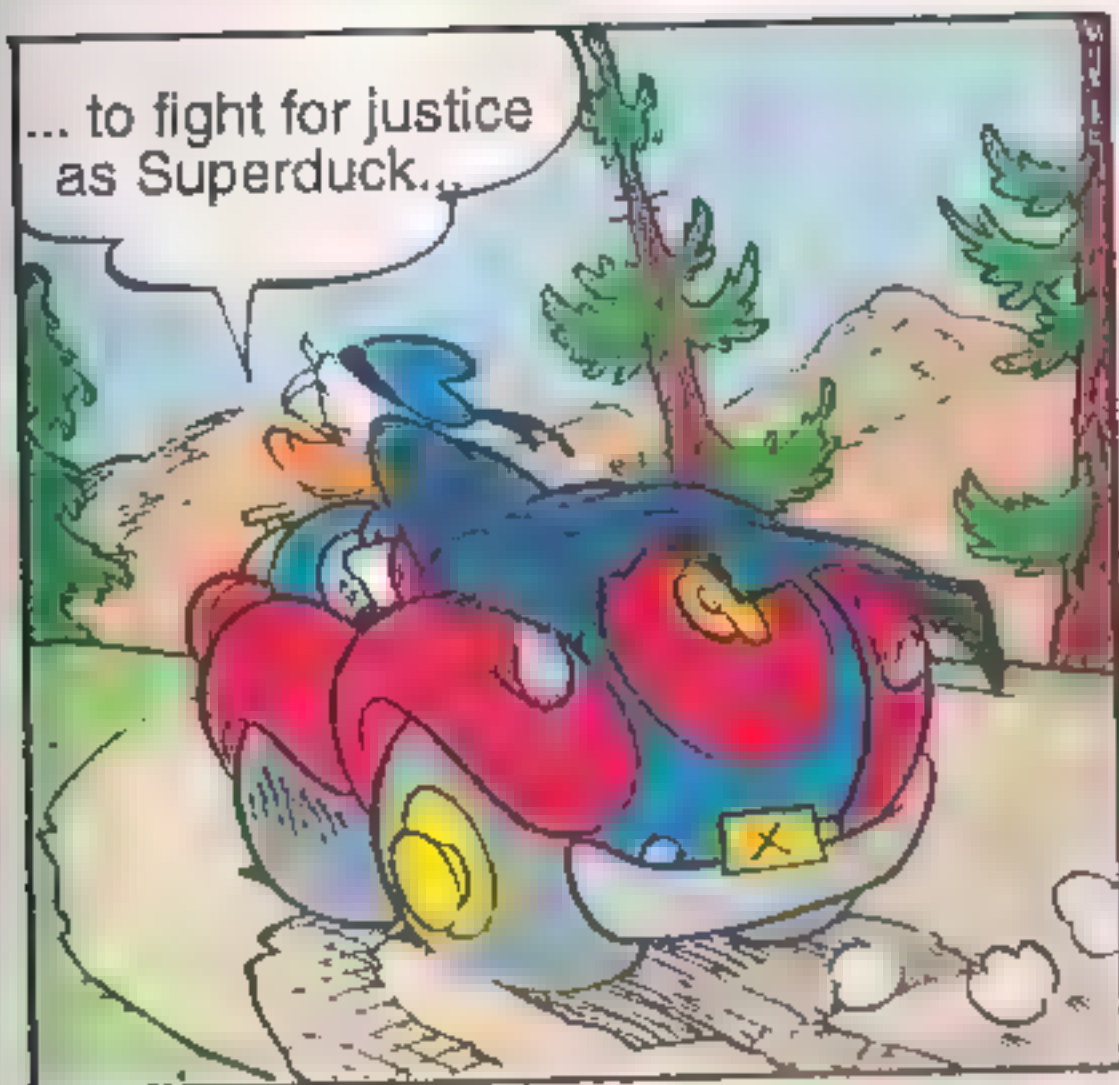

Ouch! Groan! I can do without adventure that only gets me aches and pains!

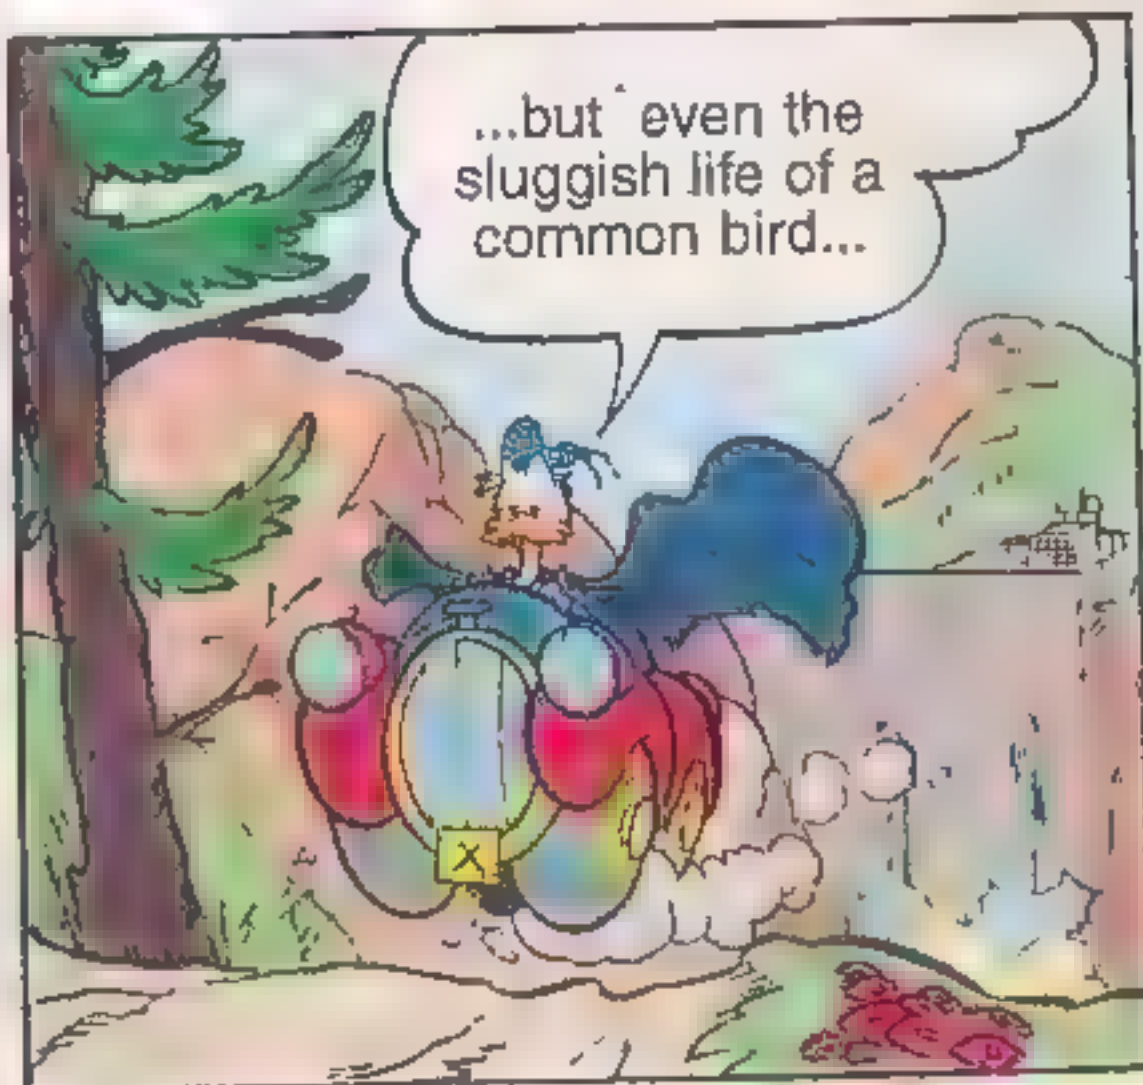

It's a whole lot of fun

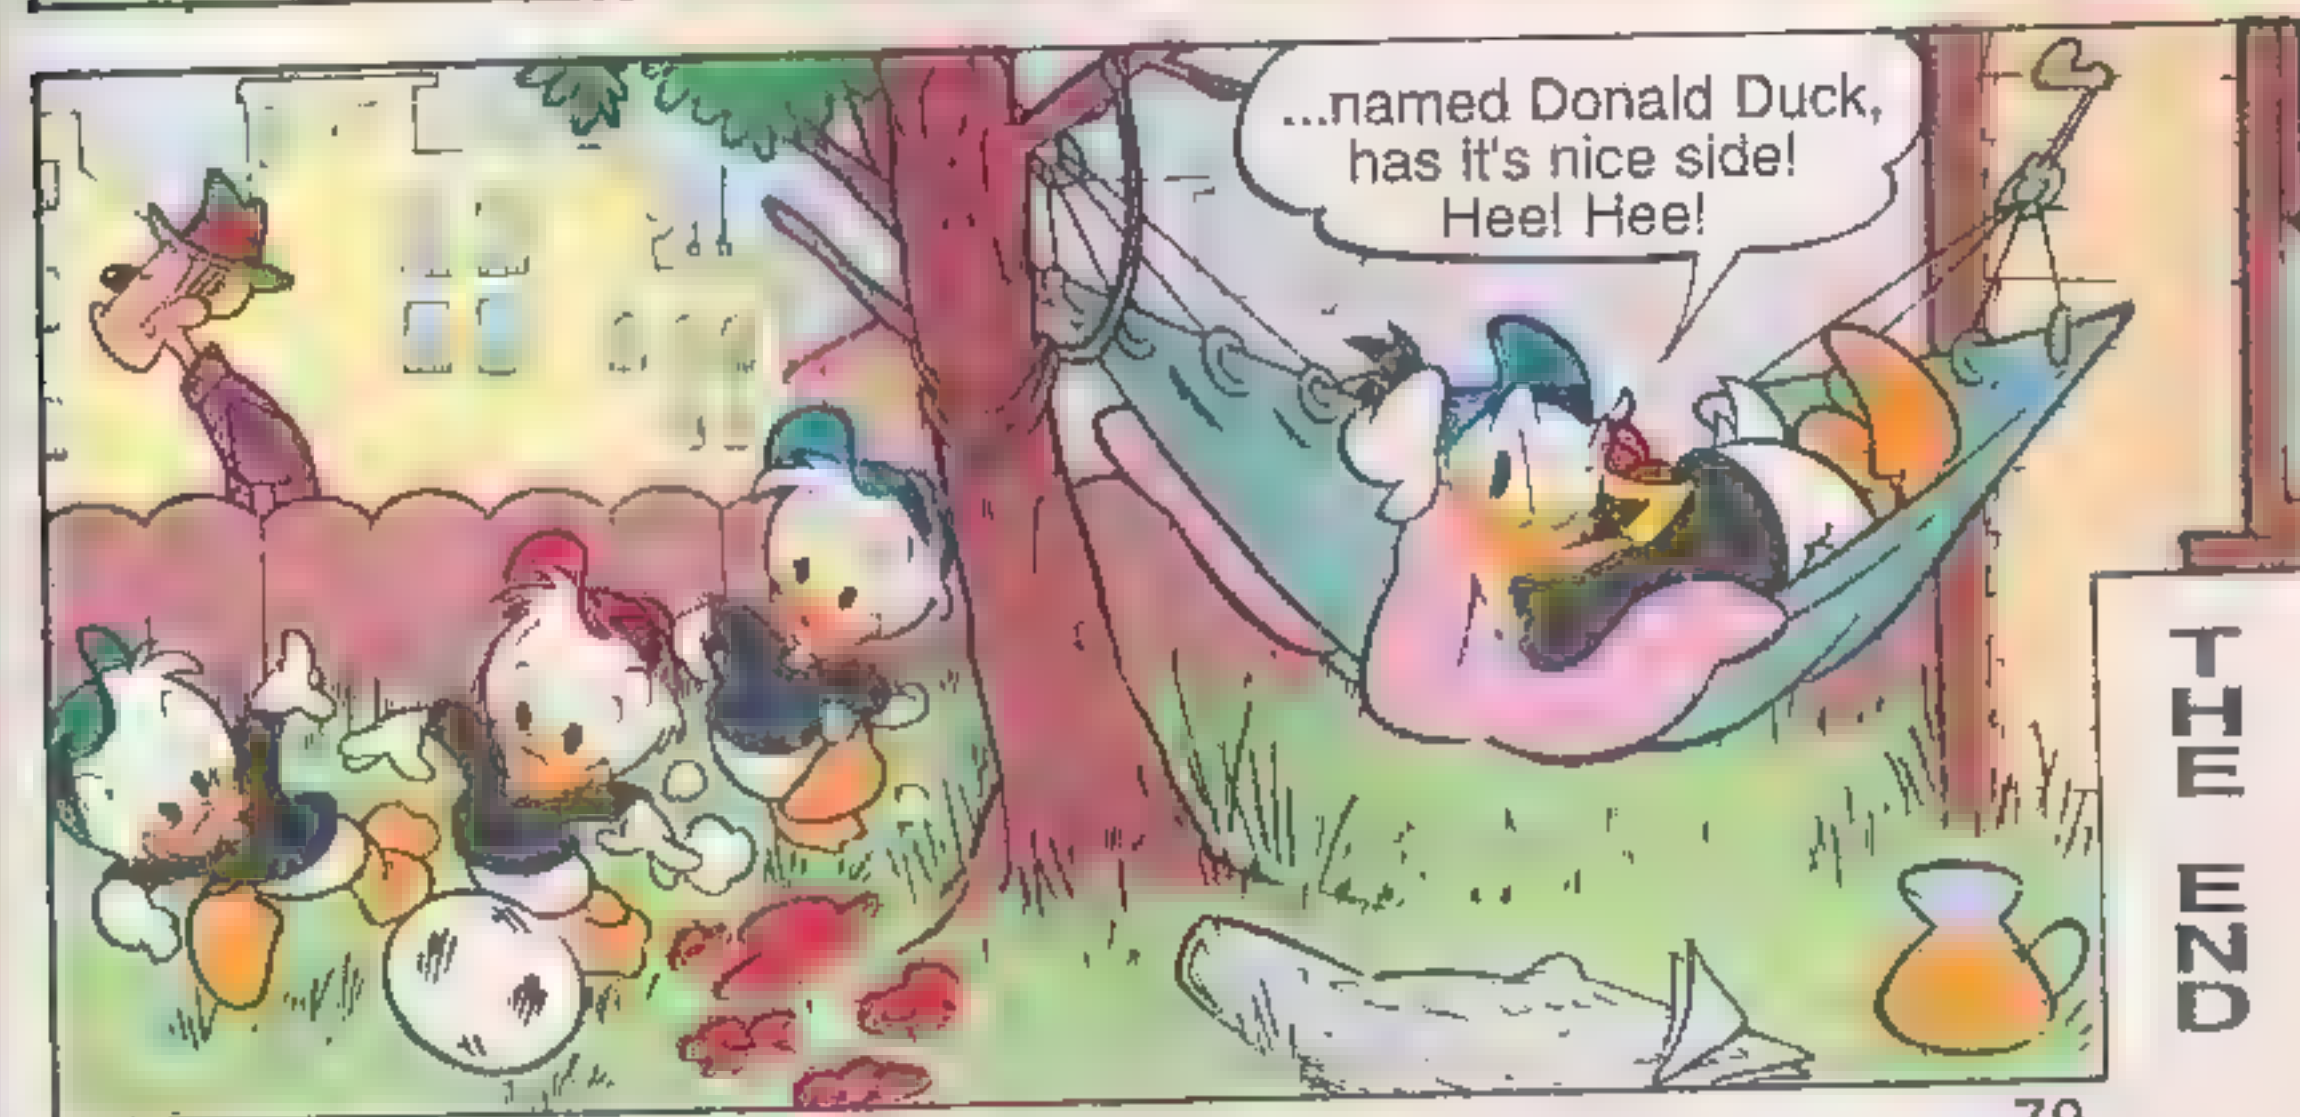

... to fight for justice as Superduck...

...but even the sluggish life of a common bird...

...named Donald Duck, has it's nice side! Heel Hee!

THE END

Dear Mickey,

Dear
Mickey and
the gang!

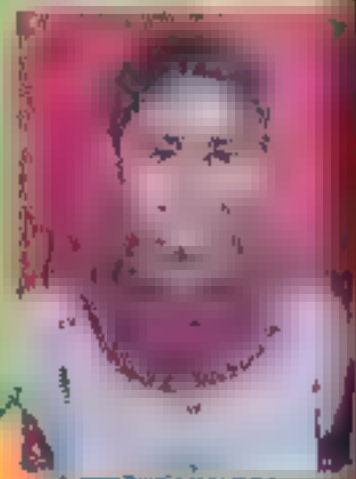

I have penned a small
poem to show how much
I love Disney and friends.
ahem...!

"Just as the sun brightens up
the day:
And lovely daffodils bloom
happy and gay
So do the Disney gang spread
laughter and joy
That's why they are loved by
every girl & boy".

Dhires Jain, Ahmedabad.

I miss you a lot
and love you. I am
a regular reader of the
Mickey Mouse Comic and
Digest. And I liked "The Beach
Bully" story the most. Please say
'Hello' to the gang for me.

Diksha,
New Delhi.

You
and your girl
friend Minnie are
my best friends. I
like Pluto also. I have asked my
Dad to purchase only Mickey Mouse
Comics for me.

Bye,
K. Anushaa, Chennai.

The
summer
special issue was
fantastic. I liked it
very much. The labels,
jumbo poster, the
toothbrush were also very
good.
